Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On August 9, 2010, Inergy, L.P. (the Partnership) announced that it had entered into an Agreement and Plan of Merger, dated August 7, 2010 (the Merger Agreement), by and among the Partnership, Inergy GP, LLC, the managing general partner of the Partnership (Inergy GP), Inergy Holdings, L.P. (Holdings), Inergy Holdings GP, LLC, the general partner of Holdings (Holdings GP), NRG Limited Partner, LLC, a wholly owned subsidiary of Holdings GP (New NRG LP), and NRG MS, LLC, a wholly owned subsidiary of Holdings GP (MergerCo). Pursuant to the terms of the Merger Agreement, among other things:

(a) Holdings will (i) distribute to the holders of common units representing limited partner interests in Holdings (the Holdings Common Units) the common units representing limited partner interests in the Partnership (the LP Units) that Holdings owns (the Holdings LP Units), such distribution to be included as a component of the merger consideration; (ii) exchange with the Partnership the incentive distribution rights in the Partnership (the IDRs) owned by Holdings and (iii) contribute to the Partnership all of Holdings' ownership interests in IPCH Acquisition Corp. (IPCH), a wholly owned subsidiary of Holdings, and Inergy Partners, LLC (Inergy Partners), a direct and indirect wholly owned subsidiary of Holdings. The contribution and exchange are collectively referred to as the GP Exchange;

(b) the Partnership, as consideration for the GP Exchange, will (i) deposit or cause to be deposited with an exchange agent for the benefit of holders of Holdings Common Units 35,031,991 LP Units (together with the Holdings LP Units, the New LP Units) and 11,568,560 Class B Units in the Partnership having such rights, preferences and limitations as are set forth in the Partnership's Third Amended and Restated Agreement of Limited Partnership (the Amended and Restated Partnership Agreement), (ii) provide cash to be paid in lieu of any fractional New LP Unit or Class B Unit, as applicable, issuable upon exchange as described below, and (iii) assume Holdings' liabilities pursuant to Holdings' Credit Agreements (as defined in the Merger Agreement);

(c) upon the GP Exchange, the IDRs will be cancelled and have no further force or effect and the 789,202 LP Units owned by IPCH and the 2,837,034 LP Units and 0.71% general partner interest in the Partnership owned by Inergy Partners will be converted into Class A Units in the Partnership of equivalent value and having such rights, preferences and limitations as are set forth in the Amended and Restated Partnership Agreement; and

(d)(i) MergerCo will merge with and into Holdings, the separate existence of MergerCo will cease and Holdings will survive and continue to exist as a Delaware limited partnership (the Merger), such that immediately following the Merger, Holdings GP will continue to be the sole general partner of Holdings and New NRG LP will be admitted to, and become the sole limited partner of, Holdings, and (ii) by virtue of the Merger, each Holdings Common Unit that is issued and outstanding will be converted into the right to receive 0.770 LP Units; except that with respect to the 11,568,560 LP Units to which the certain members of senior management (the PIK Recipients) of the Partnership otherwise would be entitled to receive pursuant to the Merger, the PIK Recipients will instead receive their respective shares of Class B Units in the amounts disclosed in the Merger Agreement.

The terms of the Merger Agreement were approved by an independent committee (the Partnership Committee) appointed by the board of directors of Inergy GP, and by an independent

committee (the Holdings Committee) appointed by the board of directors of Holdings GP. The Partnership Committee received a fairness opinion from Robert W. Baird & Co. Incorporated confirming that the merger consideration (taking into consideration the GP Exchange) to be paid by Inergy is fair, from a financial point of view, to the public unaffiliated holders of the LP Units. The Holdings Committee received a fairness opinion from Tudor, Pickering, Holt & Co. Securities, Inc. confirming that the merger consideration to be paid by Inergy is fair, from a financial point of view, to the holders of Holdings common units (other than Holdings common units held by Holdings GP and its affiliates, officers and directors). Subsequent to receiving the recommendations of their respective committees, the board of directors of Inergy GP and the board of directors of Holdings GP each approved the terms of the Merger Agreement (in each case with the board members who are also members of management recusing themselves). Additionally, the Partnership and certain unitholders of Holdings comprising a majority of the issued and outstanding Holdings Common Units (collectively, the Holdings Supporting Unitholders) have executed a Support Agreement (the Support Agreement) pursuant to which the Holdings Supporting Unitholders have agreed to, among other things, vote in favor of the approval and adoption of the Merger Agreement as described in further detail below.

After the Merger, Holdings will continue to own 100% of Inergy GP and have the right to appoint the members of the board of directors of Inergy GP.

The Merger Agreement provides that Holdings is subject to a no-solicitation covenant, which restricts its ability, commencing on the 61st calendar day after the proxy statement relating to the Merger is filed (the Window-Shop Period) with the Securities and Exchange Commission (the SEC), to (i) knowingly initiate, solicit or encourage the submission of any acquisition proposal or (ii) participate in any discussions or negotiations regarding, or furnish to any person, any non-public information with respect to any acquisition proposal. After the expiration of the Window-Shop Period, the no-solicitation restriction does not prohibit discussions or negotiations with any party that submits an unsolicited written acquisition proposal that did not result from a knowing and intentional breach by Holdings of the no-solicitation covenant if the board of directors of Holdings GP determines in good faith, after consultation with its outside legal counsel and financial advisors, (i) that the acquisition proposal constitutes or is likely to result in a Superior Proposal as defined in the Merger Agreement and (ii) that failure to take such action would be inconsistent with its fiduciary duties under the partnership agreement of Holdings and applicable law.

The Partnership may terminate the Merger Agreement if the board of directors of Holdings GP changes its recommendation to Holdings unitholders, in which event Holdings would be required to pay a termination fee of \$20 million to the Partnership. Holdings may terminate the Merger Agreement prior to obtaining its unitholders' approval if the board of directors of Holdings GP determines in good faith that an acquisition proposal constitutes a Superior Proposal, makes a change in recommendation to Holdings unitholders, Holdings has not knowingly and intentionally breached the no-solicitation covenant and Holdings enters into a definitive agreement with respect to the Superior Proposal, in which event Holdings would be required to pay a termination fee of \$20 million.

Subject to certain restrictions and conditions, either the Partnership or Holdings may terminate the Merger Agreement, if (i) the Merger has not been consummated on or before December 31, 2010, (ii) a regulatory authority has permanently restrained, enjoined or otherwise prohibited the consummation of the Merger or made the Merger illegal, (iii) there has been a material breach of the Support Agreement, (iv) the Partnership or Holdings breaches certain representations, warranties, covenants or other agreements contained in the Merger Agreement or (v) certain changes in U.S. federal income tax law occur. In addition, the Merger Agreement may be terminated by the mutual consent of the Partnership and Holdings.

The Merger Agreement is subject to customary closing conditions, including, among other things, (i) approval by the affirmative vote of the holders of a majority of Holdings common units, (ii) receipt of applicable regulatory approvals, (iii) the effectiveness of a registration statement on Form S-4 with respect to the issuance by the Partnership of the LP Units in connection with the Merger, (iv) approval for listing the LP Units and Class B Units to be issued in connection with the Merger on the New York Stock Exchange and (v) the execution of the Amended and Restated Partnership Agreement substantially in the form attached as Annex A to the Merger Agreement.

Support Agreement

On August 7, 2010, the Partnership and the Holdings Supporting Unitholders entered into a Support Agreement, pursuant to which the Holdings Supporting Unitholders have agreed to vote in favor of the approval and adoption of the Merger Agreement, the approval of the Merger and any other action required in furtherance thereof submitted for the vote or written consent of Holdings unitholders. The Support Agreement will automatically terminate if the board of directors of Holdings GP changes its recommendation to Holdings unitholders with respect to the Merger or the Merger Agreement is terminated. In addition, the Support Agreement will terminate immediately after December 31, 2010, unless all parties have agreed to a continuation of the Support Agreement beyond such date.
