Employee Meeting

Microtune Private

Microtune businesses will form the core for a standalone BU
within Zoran's Home Entertainment Division

Opportunity to continue to work as a team

Execute on joint product and customer synergies

Leverage advantages as part of a much bigger organization
Organization details will be rolled out over the coming weeks
Each site will continue to play a critical role to our success
following the close
Discussions will be held with each team about specific
opportunities, challenges and expectations
Lock down organization, roadmap and integration plans prior to
close
Broadband Receivers Business Unit

4

Employee Meeting

Microtune Private

Effective integration will be the key to our future success

To succeed we must operation as ONE TEAM

Integration Planning Steering Committee kick-off end of Sept.

Leads on both sides for each area or discipline

Integration sub-teams will be formed to implement actions
after close

We need *everybody*

to be involved in the integration planning
process

Our current top priorities must remain our number one focus

Integration Process
