NSTAR/MA
Form 425
October 18, 2010

Filed by Northeast Utilities Pursuant to Rule 425

Under the Securities Act of 1933

And Deemed Filed Pursuant to Rule 14a-12

Under the Securities Exchange Act of 1934

Subject Company: NSTAR

Commission File No. of Subject Company: 001-14768

This filing relates to the proposed merger of Northeast Utilities with NSTAR pursuant to the terms of an Agreement and Plan of Merger, dated as of October 16, 2010 (the "Merger Agreement"), by and among Northeast Utilities, NSTAR, NU Holding Energy 1 LLC and NU Holding Energy 2 LLC. The Merger Agreement is on file with the Securities and Exchange Commission as an exhibit to the Current Report on Form 8-K filed by Northeast Utilities on October 18, 2010, and is incorporated by reference into this filing.

NU and NSTAR Agree to Merge

Northeast Utilities and NSTAR have announced that both companies' Boards of Trustees have unanimously approved a stock-for-stock merger of equals with a total enterprise value of \$17 billion

Anticipate transaction closing in 9-12 months

Combined company to be called Northeast Utilities

Transaction will have a total equity value of \$9.4 billion

Strategic Rationale

The combination of NU and NSTAR will create one of the nation's largest utilities

6 regulated electric and gas utilities in 3 New England states

3.5 million electric and gas customers

NU's impressive array of transmission investment opportunities coupled with NSTAR's very strong balance sheet translates into a compelling growth story

The combined company will be larger, more diverse and better positioned to support continued economic growth in New England and meet customers' future energy needs

NU and NSTAR already have a strong track record of working together for New England

NU and NSTAR recently executed an agreement with Hydro-Québec to invest \$1.1 billion in new transmission lines from Québec to New Hampshire. This line, known as The Northern Pass, will provide enough low-carbon hydro energy to power one million homes in New England

Customers

Customers will see no changes

No merger-related rate changes

Same great technicians and customer service representatives will continue to serve customers

Edgar Filing: NSTAR/MA - Form 425

Creates many opportunities for the companies to leverage their combined resources to strengthen reliability and service quality in the various service territories

Employees/Community

With this transaction, we will create a larger, stronger and more diversified regulated utility in Massachusetts, New Hampshire and Connecticut, thereby benefiting our region as a whole

This transaction will create a company that will provide employees with an exciting and diverse future

Gives us the ability to execute our strategy on a larger scale and take advantage of key capabilities and talent

All union contracts will be honored

Until close, both companies will continue to operate separately

Dual headquarters in Hartford, CT, and Boston, MA; no changes to operating company leadership and headquarters

The transaction will create many opportunities to leverage combined resources and share and implement best practices over the entire organization

The merger is expected to produce important long-term savings as a result of efficiencies and improved productivity. We expect that these efficiencies will be realized over time, primarily through process improvements, voluntary attrition and retirements

The combined company will maintain the current level of funding for vital civic and philanthropic organizations across our combined service areas

Governance

The Board of Trustees and senior leadership team will be a blend of the two current teams

Upon the closing of the transaction:

Chuck Shivery will become Chairman of NU

Tom May will serve as President and CEO of NU

Board of Directors: 7 members nominated by NU and 7 members nominated by NSTAR, including Chuck Shivery and Tom May; Lead Trustee nominated by NU

Approval Process

The merger requires the approvals by shareholders of both companies, and a number of regulatory approvals or reviews by federal and state energy authorities

Information Concerning Forward-Looking Statements

In addition to historical information, this filing may contain a number of forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. Words such as anticipate, expect, project, intend, plan, believe, and words and terms of similar substance used in connection with any discussion of future plans, actions, or events identify forward-looking statements. Forward-looking statements relating to

Edgar Filing: NSTAR/MA - Form 425

the proposed merger include, but are not limited to: statements about the benefits of the proposed merger involving NSTAR and Northeast Utilities, including future financial and operating results; NSTAR's and Northeast Utilities' plans, objectives, expectations and intentions; the expected timing of completion of the transaction; and other statements relating to the merger that are not historical facts. Forward-looking statements involve estimates, expectations and projections and, as a result, are subject to risks and uncertainties. There can be no assurance that actual results will not materially differ from expectations. Important factors could cause actual results to differ materially from those indicated by such forward-looking statements. With respect to the proposed merger, these factors include, but are not limited to: risks and uncertainties relating to the ability to obtain the requisite NSTAR and Northeast Utilities shareholder approvals; the risk that NSTAR or Northeast Utilities may be unable to obtain governmental and regulatory approvals required for the merger, or required governmental and regulatory approvals may delay the

merger or result in the imposition of conditions that could reduce the anticipated benefits from the merger or cause the parties to abandon the merger; the risk that a condition to closing of the merger may not be satisfied; the length of time necessary to consummate the proposed merger; the risk that the businesses will not be integrated successfully; the risk that the cost savings and any other synergies from the transaction may not be fully realized or may take longer to realize than expected; disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers; the diversion of management time on merger-related issues; the effect of future regulatory or legislative actions on the companies; and the risk that the credit ratings of the combined company or its subsidiaries may be different from what the companies expect. These risks, as well as other risks associated with the merger, will be more fully discussed in the joint proxy statement/prospectus that will be included in the Registration Statement on Form S-4 that will be filed with the SEC in connection with the merger. Additional risks and uncertainties are identified and discussed in NSTAR's and Northeast Utilities' reports filed with the SEC and available at the SEC's website at www.sec.gov. Forward-looking statements included in this release speak only as of the date of this release. Neither NSTAR nor Northeast Utilities undertakes any obligation to update its forward-looking statements to reflect events or circumstances after the date of this release.
