Introduction

This Amendment No. 7 (Amendment No. 7) amends and supplements the Schedule 13D filed with the Securities and Exchange Commission (the SEC) on October 7, 2010, as amended by Amendment No. 1 thereto filed with the SEC on October 21, 2010, by Amendment No. 2 thereto filed with the SEC on November 2, 2010, by Amendment No. 3 thereto filed with the SEC on November 8, 2010, by Amendment No. 4 thereto filed with the SEC on November 16, 2010, by Amendment No. 5 thereto filed with the SEC on November 22, 2010 and by Amendment No. 6 thereto filed with the SEC on December 20, 2010 (such Schedule 13D, as amended, the Schedule 13D) on behalf of (i) Seneca Capital International Master Fund, L.P., a Cayman Islands exempted limited partnership (International Fund), (ii) Seneca Capital, L.P., a Delaware limited partnership (U.S. Fund), (iii) Seneca Capital Investments, L.P., a Delaware limited partnership (Seneca LP), (iv) Seneca Capital Investments, LLC, a Delaware limited liability company (Seneca LLC), (v) Seneca Capital International GP, LLC, a Delaware limited liability company (Seneca International GP), (vi) Seneca Capital Advisors, LLC, a Delaware limited liability company (Seneca Advisors), and (vii) Douglas A. Hirsch (together with each of the foregoing, the Reporting Persons), with respect to shares of Common Stock, par value \$0.01 per share (Common Stock), of Dynegy Inc., a Delaware corporation (the Issuer), beneficially owned by the Reporting Persons (the Shares). Capitalized terms used and not otherwise defined in this Amendment No. 7 shall have the meanings previously ascribed thereto in the Schedule 13D.

Amendment No. 7 is filed to amend Item 4 of the Schedule 13D as set forth below.

Item 4. Purpose of Transaction

Item 4 is hereby amended to add the following information:

On January 3, 2011, the Reporting Persons filed with the SEC amended preliminary materials relating to the Consent Solicitation. The Consent Solicitation, once finalized, would seek stockholder approval of the following proposals (Proposals):

BINDING PROPOSALS (the following Proposals are binding upon the Company once adopted by stockholders):

Proposal 1. REMOVE TWO DIRECTORS: Remove, without cause, the following two members of the Company's Board of Directors (the Dynegy Board) (and any person or persons, other than those elected pursuant to the consent solicitation, elected or appointed by the Dynegy Board to fill any vacancy or newly created directorship on or after January [__], 2011 and prior to the time that any of the actions proposed to be taken by the consent solicitation become effective): Bruce A. Williamson and David W. Biegler.

Proposal 2. ELECT TWO DIRECTORS: Elect E. Hunter Harrison and Jeff D. Hunter to serve as directors of the Company until the next annual meeting of stockholders and until their successors are duly elected and qualified.

Proposal 3. PROTECT CONSENT EFFECTIVENESS: Repeal any provision of the Company's Second Amended and Restated Bylaws (the Bylaws) in effect at the time this proposal becomes effective that was not included in the Bylaws that became effective on November 22, 2010 and were filed with the Securities and Exchange Commission on November 24, 2010.

NON-BINDING PROPOSALS TO PROTECT INTRINSIC VALUE (the following Proposals would not be technically binding upon the Dynegy Board or its members but the Reporting Persons believe that by adopting these Proposals, stockholders would send a crucial message to the Dynegy Board as to stockholders' grave concerns regarding Dynegy's current leadership and strategy and would provide a roadmap to protect the intrinsic value of Dynegy's assets and its business):

Proposal 4. STRATEGIC REVIEW: Direct the Dynegy Board to urgently undertake a strategic review of the Company and its assets to explore the possibility of a sale, in a stockholder-friendly manner, of the Company and/or its assets with a view to using proceeds of any such asset sales for liquidity, optimizing the level of outstanding debt or other means of creating stockholder value.

- Proposal 5. OPTIMIZE DEBT: Direct the Dynegy Board to urgently consider strategies to optimize the Company's debt structure, including, without limitation, a refinancing of the Company's revolver to better align with actual business needs, an evaluation of additional financings (excluding any equity or equity-linked securities issuances) and/or debt exchanges to extend and reduce maturities and/or to reduce costs, an evaluation of hedge monetization to enhance liquidity, and an evaluation of the most efficient means of hedge collateralization, including the use of non-cash assets.
- Proposal 6. EVALUATE COST CUTS: Direct the Dynegy Board to carefully and urgently evaluate all cost cutting opportunities available to the Company, including, without limitation, corporate costs. In addition, stockholders direct the Dynegy Board to provide a full and immediate public accounting of all amounts spent in both direct and indirect attempts to prevent stockholders from (a) rejecting the proposed merger with an affiliate of The Blackstone Group at \$4.50 and then \$5.00 per share (the Proposed Blackstone Merger) and the proposed tender offer by, and merger with, an affiliate of Icahn Enterprises Holdings LP, an affiliate of Dynegy's largest stockholder at \$5.50 per share (the Proposed IEP Merger) as well as (b) adopting any or all of the Proposals set forth in the consent solicitation.
- Proposal 7. REVIEW SENIOR MANAGEMENT AND MANAGEMENT COMPENSATION: Direct the Dynegy Board to urgently conduct a review of senior management and the compensation plan of the Company in order to create proper alignment to capture value for stockholders including, but not limited to, adjusting where possible change of control severance arrangements (totaling up to \$36 million in connection with the Proposed IEP Merger) such that they are more appropriately sized and are sensitive to the deal price at which any change of control is consummated; such review to include specific consideration as to the removal of Bruce A. Williamson as chief executive officer.
- Proposal 8. BEST-IN-CLASS DIRECTOR ALIGNMENT: Direct the Dynegy Board to urgently undertake an in-depth review of director compensation policies to create policies that provide best-in-class economic alignment with stockholders through stock ownership.
- Proposal 9. EXPLORE REVERSE SPLIT UNWIND: Direct the Dynegy Board to urgently analyze and explore the unwinding of the recent reverse stock split in a stockholder-friendly manner, including considering an amendment to Dynegy's Second Amended and Restated Certificate of Incorporation to ensure that there are enough authorized Shares to effect such an unwind.
- NON-BINDING PROPOSALS TO ADDRESS GOVERNANCE DEFECTS (the following Proposals would not be technically binding upon the Dynegy Board or its members but the Reporting Persons believe that by adopting these Proposals, stockholders would send a crucial message to the Dynegy Board as to stockholders' grave concerns regarding Dynegy's governance):
- Proposal 10. DO NOT RE-SEAT DIRECTORS OR EXPAND BOARD: Direct the Dynegy Board NOT to expand the size of the board as a means of reseating any members removed pursuant to Proposal 1 or reducing the potential impact of any members elected pursuant to Proposal 2.
- Proposal 11. INDEPENDENT PROCESS: Direct the Dynegy Board to carry out any evaluations or other efforts which are consistent with those called for by Proposals 4 through 9 (whether or not in response to stockholder adoption of such Proposals) by creating one or more special independent board committees to make such evaluation or other effort. The independent board committee(s) is/are to (a) include any board member(s) elected pursuant to Proposal 2 and (b) engage its own independent and new (i) legal counsel and (ii) one or more financial advisors or, as applicable, compensation consultants, which such counsel, advisors and consultants should be selected (x) to act separately and solely for such committee and (y) without direction from management. The compensation of such independent financial advisor(s) should have alignment to the creation of stockholder value. Additionally, the lead director of the Dynegy Board, the chairperson of the Dynegy Board and the chairperson of any special committee should each be a director that did not vote for the Proposed Blackstone Merger or the Proposed IEP Merger.

- Proposal 12. **REPORTS TO STOCKHOLDERS:** Direct the Dynegy Board to make public disclosure every three months, commencing with the next scheduled quarterly report of Company financial information, as to the Dynegy Board's and any special board committee's progress and findings with regard to their evaluations or other efforts undertaken consistent with those called for by any of Proposals 4 through 9 (whether or not in response to stockholder adoption of such Proposals).
- Proposal 13. **PROTECT STOCKHOLDER CONSENT RIGHTS:** Direct the Dynegy Board not to amend the Company's bylaws as a means designed to reduce directly or indirectly in any manner the potential impact of any members elected pursuant to Proposal 2 of the consent solicitation or to impair directly or indirectly in any manner stockholders' ability to act by written consent. Additionally, the Dynegy Board should nominate any members elected pursuant to Proposal 2 to stand for re-election at Dynegy's next annual meeting of stockholders for a full term.
- Proposal 14. **DIRECTOR RESIGNATIONS:** Demand expeditious resignation of those members of the Dynegy Board who supported all of (a) the Proposed Blackstone Merger, (b) a recess of the special meeting to consider the Proposed Blackstone Merger, (c) an incremental \$16.3 million break-fee in the face of overwhelming stockholder opposition to the Proposed Blackstone Merger and (d) the Proposed IEP Merger barely three weeks after pledging a careful review of standalone alternatives, as Dynegy leadership in pursuing these actions, including scorched-earth and liquidity-scare tactics in defense of proposed sales, has lost necessary credibility to effectively steward the Company. Such resignation should occur simultaneously with the expeditious election by the Dynegy Board (including any board member(s) elected pursuant to Proposal 2), without direction from management, of qualified successor directors that believe in the Dynegy value proposition.

Materials filed by the Reporting Persons in connection with the Consent Solicitation may be viewed without charge at the SEC's website at www.sec.gov.
