Item 1.01 Entry Into a Material Definitive Agreement.

On March 14, 2011, ADA-ES, Inc., a Colorado corporation (ADA), Advanced Emissions Solutions, Inc., a Delaware corporation and wholly owned subsidiary of ADA (AES), and ADA Merger Corp., a Colorado corporation and wholly owned subsidiary of AES (MergerCo), entered into an Agreement and Plan of Merger (the Reorganization Agreement), that provides for the merger (the Merger) of ADA with MergerCo, with ADA surviving the Merger as a wholly owned subsidiary of AES, and the conversion of each share of common stock, no par value per share (ADA Common Stock), of ADA, issued and outstanding immediately prior to the effective time of the Merger (other than shares held in treasury, which will be cancelled), into one duly issued, fully paid and nonassessable share of common stock, par value \$0.001 per share (AES Common Stock), of AES (the Reorganization). In addition, each outstanding option to purchase or other right to acquire shares of ADA Common Stock would automatically convert into an option to purchase or right to acquire, upon the same terms and conditions, an identical number of shares of AES Common Stock.

Upon completion of the Reorganization, AES, a Delaware corporation, would, in effect, replace ADA, a Colorado corporation, as the publicly held corporation, and the holders of ADA Common Stock would hold the same number of shares and same ownership percentage of AES after the Reorganization as they held of ADA immediately prior to the Reorganization. ADA expects that the AES Common Stock will be traded on the NASDAQ Capital Market under the symbol ADES. The directors and executive officers of AES immediately following the Reorganization would be the same individuals who were directors and executive officers, respectively, of ADA immediately prior to the Reorganization.

The boards of directors of ADA, AES and MergerCo have unanimously approved and adopted the Reorganization Agreement and the transactions contemplated thereby. The Reorganization Agreement is subject to specified conditions, including approval by ADA s shareholders at ADA s 2011 Annual Meeting of Shareholders (the Annual Meeting), which is currently scheduled for May 25, 2011. If approved by ADA s shareholders at the Annual Meeting and the other conditions set forth in the Reorganization Agreement are satisfied, it is currently expected that the Reorganization would be completed on or about June 1, 2011.

The Reorganization Agreement may be terminated and the transactions contemplated thereby may be abandoned at any time prior to the effective time of the merger by action of the board of directors of ADA if it should determine that for any reason the completion of the transactions provided for therein would be inadvisable or not in the best interest of ADA or its shareholders.

The Reorganization is intended to be tax-free for ADA and its shareholders for U.S. federal income tax purposes.

Upon completion of the Reorganization, AES Common Stock would be deemed to be registered under Section 12(b) of the Securities Exchange Act of 1934, as amended, pursuant to Rule 12g-3(a) promulgated thereunder. For purposes of Rule 12g-3(a), AES would be the successor issuer to ADA.

The foregoing description of the Reorganization Agreement is not complete and is qualified in its entirety by reference to the Reorganization Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

ADA, its directors, executive officers, certain other members of management and employees may be deemed to be participants in the solicitation of proxies from the shareholders of ADA in favor of the proposed Reorganization. In addition, Georgeson Inc. will distribute proxy materials to beneficial owners, may solicit proxies by personal interview, mail, telephone, and electronic communications, and will request brokerage houses and other custodians, nominees, and fiduciaries to forward soliciting material to the beneficial owners of ADA's common stock held on the record date by such persons.
