**EXPLANATORY NOTE**

We are filing this Amendment No. 1 (this Amendment) to our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, filed with the Securities and Exchange Commission (the SEC) on March 16, 2011 (the Original Report), for the sole purpose of disclosing management's annual report on internal control over financial reporting under Item 9A of Part II of Form 10-K. **PART II**

**ITEM 9A. CONTROLS AND PROCEDURES**

*Evaluation of Disclosure Controls and Procedures*

As of December 31, 2010, an evaluation was carried out under the supervision and with the participation of our management, including the President and Chief Executive Officer and the Chief Financial Officer, of the effectiveness of our disclosure controls and procedures. Based on that evaluation, the CEO and CFO have concluded that our disclosure controls and procedures are effective to ensure that the information required to be disclosed in reports we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms, and that such information is accumulated and communicated to our management, including the CEO and CFO, as appropriate, to allow timely decisions regarding required disclosure.

*Management's Annual Report on Internal Control over Financial Reporting*

The management of Metals USA Holdings Corp. and its subsidiaries (the Company) is responsible for establishing and maintaining adequate internal control over financial reporting. The Company's internal control system was designed to provide reasonable assurance to management and the Board of Directors regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

All internal control systems, no matter how well designed, have inherent limitations. Even those systems determined to be effective can provide only reasonable assurance with respect to financial statement presentation and preparation. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

Management conducted an evaluation of the effectiveness of the Company's internal control over financial reporting based on the framework in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management concluded that the Company's internal control over financial reporting was effective as of December 31, 2010.

*Changes in Internal Control over Financial Reporting*

We maintain a system of internal accounting controls that are designed to provide reasonable assurance that our books and records accurately reflect the transactions of the Company and that our policies and procedures are followed. There have been no changes in our internal controls during the fourth quarter that have materially affected, or are reasonably likely to materially affect such controls since the most recent evaluation of these controls as reported in our Form 10-Q for the period ended September 30, 2010, including any corrective actions with regard to significant deficiencies or material weaknesses in our internal controls.
