To Be Held on October 21, 2011

Dear Stockholder:

The Annual Meeting of Stockholders (the "Annual Meeting") of News Corporation (the "Company") will be held on October 21, 2011 at 10:00 a.m. (Pacific Time) at the Zanuck Theatre at Fox Studios, 10201 West Pico Boulevard, Los Angeles, California 90035.

A shuttle service will be available to take you to the Annual Meeting from Century Park West Parking Structure, 2030 Century Park West, Los Angeles, California 90067, where complimentary parking for the Annual Meeting will be provided. Parking will not be available at Fox Studios. Please see the map and instructions in Appendix A for parking information and other logistical details. We suggest arriving at least 45 minutes early to allow sufficient time to park, take the shuttle provided by the Company to the meeting site and complete the admission process. You will not be able to enter the Annual Meeting except by the shuttle service provided by the Company.

At the Annual Meeting, stockholders will be asked to:

- elect the 15 Directors identified in this proxy statement to the Board of Directors;
- ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012;
- consider an advisory vote to approve executive compensation;
- consider an advisory vote on the frequency of holding future advisory votes on executive compensation; and
- consider any other business properly brought before the Annual Meeting and any adjournment thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice. **While all of the Company's stockholders and all holders of CHESSE Depositary Interests exchangeable for shares of the Company's common stock are invited to attend the Annual Meeting, only stockholders of record of the Company's Class B Common Stock at the close of business on August 22, 2011 are entitled to notice of, and to vote at, the Annual Meeting and any adjournment thereof. Holders of the Company's Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting or any adjournment thereof.**

It is important that your shares of the Company's Class B Common Stock be represented and voted at the Annual Meeting. If you are a holder of shares of Class B Common Stock, you may vote those shares by telephone or the Internet by following the instructions on the Notice of Internet Availability of Proxy Materials or in the 2011 proxy statement, or if you requested a paper proxy card, you may submit your vote by mail if you prefer. If you attend the Annual Meeting, you may vote your shares in person. Please review the instructions on the proxy card or the information forwarded by your broker, bank or other nominee regarding the voting instructions. You may vote your shares of Class B Common Stock in person even if you previously submitted a proxy. Please note, however, that if your shares of Class B Common Stock are held of record by a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must obtain a proxy issued in your name from such broker, bank or other nominee. **Whether or not you plan to attend the Annual Meeting, we**

urge you to vote your shares of Class B Common Stock by telephone or the Internet or, if you requested a paper proxy card, by completing and returning the proxy card as promptly as possible, prior to the Annual Meeting to ensure that your shares will be represented at the Annual Meeting if you are unable to attend.

If you are planning to attend the Annual Meeting in person, you will be asked to register before entering the Annual Meeting. **You must request an admission ticket in advance and your request must be received by October 17, 2011. All attendees will be required to present the admission ticket and a government-issued photo identification (e.g., driver's license or passport) to enter the Annual Meeting. You may request an admission ticket by:**

if you are a stockholder of record, visiting www.newscorpannuallmeeting.com/2011 and following the instructions provided; sending an e-mail to the Corporate Secretary at 2011AnnualMeeting@newscorp.com providing the name under which you hold shares of record or a properly executed proxy card, or evidence of your beneficial ownership as described below; calling the Corporate Secretary at (212) 852-7000; sending a fax to the Corporate Secretary at (212) 852-7217 providing the name under which you hold shares of record or a properly executed proxy card, or evidence of your beneficial ownership as described below; or sending a request by mail to the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036 providing the name under which you hold shares of record or a properly executed proxy card, or evidence of your beneficial ownership as described below.

If you are a stockholder of record, your ownership of the Company's common stock will be verified against the list of stockholders of record as of August 22, 2011 prior to your being issued an admission ticket. **If you are not a stockholder of record and hold your shares of common stock in street name, i.e., your shares of common stock are held in a brokerage account or by a bank or other nominee, you will need to send a request for an admission ticket either by e-mail, fax or regular mail along with proof of beneficial ownership as of August 22, 2011, such as an account statement or letter from your broker, bank or nominee indicating that you were the beneficial owner of the shares on August 22, 2011, and a copy of the voting instruction card provided by your broker, bank or nominee, or similar evidence of ownership.** Requests for admission tickets will be processed in the order in which they are received and must be received by October 17, 2011.

Seating at the Annual Meeting will begin at 9:00 a.m. (Pacific Time). Prior to entering the Annual Meeting, all bags will be subject to search and all persons may be subject to a metal detector and/or hand wand search. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. The security procedures may require additional time, so please plan accordingly. We suggest arriving at least 45 minutes early to the Annual Meeting. **If you do not provide an admission ticket and government-issued photo identification or do not comply with the other registration and security procedures described above, you will not be admitted to the Annual Meeting.**

The Annual Meeting will be audiocast live on the Internet at www.newscorp.com.

In accordance with the rules of the Securities and Exchange Commission, instead of mailing a printed copy of the Company's proxy statement, annual report and other materials (the proxy materials) relating to the Annual Meeting to stockholders, the Company may furnish proxy materials to stockholders on the Internet by mailing a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to inform stockholders when the materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the

Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials and the Company's annual report, as well as how to submit your proxy, over the Internet. If you receive a Notice of Internet Availability and would still like to receive a printed copy of the Company's proxy materials, including a proxy card or voting instruction card, you should follow the instructions for requesting these materials included in the Notice of Internet Availability.

If you would like to register to receive materials relating to next year's annual meeting of stockholders electronically instead of by mail, please go to www.newscorp.com/investor/ElectronicDelivery.html and follow the instructions to enroll. We highly recommend that you consider electronic delivery of these documents as it helps lower the Company's costs and reduce the amount of paper mailed to your home.

PROXY STATEMENT

Annual Meeting of Stockholders October 21, 2011

GENERAL

Persons Making the Solicitation

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the Board) of News Corporation (the Company) of proxies for use at an Annual Meeting of Stockholders (the Annual Meeting) to be held on October 21, 2011 at 10:00 a.m. (Pacific Time) at the Zanuck Theatre at Fox Studios, 10201 West Pico Boulevard, Los Angeles, California 90035 and at any adjournment thereof.

A shuttle service will be available to take you to the Annual Meeting from Century Park West Parking Structure, 2030 Century Park West, Los Angeles, California 90067, where complimentary parking for the Annual Meeting will be provided. Parking will not be available at Fox Studios. Please see the map and instructions in Appendix A for parking information and other logistical details. We suggest arriving at least 45 minutes early to allow sufficient time to park, take the shuttle provided by the Company to the meeting site and complete the admission process. You will not be able to enter the Annual Meeting except by the shuttle service provided by the Company.

This proxy statement is first being mailed to stockholders on or about September 2, 2011. You are requested to submit your proxy in order to ensure that your shares are represented at the Annual Meeting.

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mail, but Directors, officers and regular employees of the Company may solicit proxies personally, by telephone or special letter without any additional compensation. Also, the Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

Outstanding Shares

The Company has two classes of common stock, Class A Common Stock, par value \$0.01 per share (Class A Common Stock), and Class B Common Stock, par value \$0.01 per share (Class B Common Stock, and together with the Class A Common Stock, the Common Stock). Holders of Class B Common Stock are entitled to one vote per share on all matters to be presented at the Annual Meeting. Holders of Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting. All references to you, your, yours or other words of similar import in this proxy statement refer to holders of Class B Common Stock.

The Company's shares are also traded on the Australian Stock Exchange in the form of CHESS Depository Interests (CDIs). CDIs are exchangeable, at the option of the holder, into shares of either Class A Common Stock or Class B Common Stock, whichever is applicable, at the rate of one CDI per one such share of Common Stock.

Record Date

Only holders of record of shares of Class B Common Stock at the close of business on August 22, 2011 (the Record Date) are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement

Table of Contents

thereof. **Holders of Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting.** As of the Record Date, there were 798,520,953 shares of Class B Common Stock outstanding held by approximately 1,259 holders of record. Each share of Class B Common Stock is entitled to one vote per share on all matters to be presented at the Annual Meeting. A list of the stockholders of record as of the Record Date will be available at the Annual Meeting and at the Company's principal executive offices during the ten (10) days prior to the Annual Meeting.

If your shares of Class B Common Stock are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a stockholder of record, and these proxy materials are being sent directly to you from the Company. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting.

If your shares of Class B Common Stock are held in street name, meaning your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of these shares and these proxy materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record with respect to such shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and you will receive instructions from your broker, bank or other nominee describing how to vote your shares of Class B Common Stock. However, since you are not the stockholder of record, you may not vote these shares of Class B Common Stock in person at the Annual Meeting unless you obtain a signed proxy from the stockholder of record (i.e., your broker, bank or nominee) giving you the right to vote such shares.

Holders of CDIs exchangeable for Class B Common Stock (Class B CDIs) have a right to direct CHESSE Depository Nominees Pty Ltd. (CDN), the legal holder of the CDIs, on how it should vote with respect to the proposals described in this proxy statement.

Internet Availability of Proxy Materials

In accordance with the rules of the Securities and Exchange Commission (the SEC), instead of mailing a printed copy of the Company's proxy statement, annual report and other materials (the proxy materials) relating to the Annual Meeting to stockholders, the Company may furnish proxy materials to stockholders on the Internet by providing a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to inform stockholders when the materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials, as well as how to submit your proxy, over the Internet. If you receive a Notice of Internet Availability and would still like to receive a printed copy of the Company's proxy materials, including a proxy card or voting instruction card, you should follow the instructions for requesting these materials included in the Notice of Internet Availability.

The Company intends to commence distribution of the Notice of Internet Availability to stockholders on or about September 2, 2011.

The Company will first make available the proxy solicitation materials at www.proxyvote.com on or about September 2, 2011 to all stockholders entitled to vote at the Annual Meeting. You may also request a printed copy of the proxy solicitation materials by any of the following methods: via Internet at www.proxyvote.com; by telephone at 1-800-579-1639; or by sending an e-mail to sendmaterial@proxyvote.com. Our 2011 annual report to stockholders will be made available at the same time and by the same methods.

If you are a CDI holder, you may also request a printed copy of the proxy solicitation materials and our 2011 annual report to stockholders by any of the following methods: via Internet at www.investorvote.com.au; or by telephone at 1300-652-536 (within Australia) or 613-9415-4883 (outside of Australia).

Table of Contents

Only one copy of this proxy statement is being delivered to multiple stockholders sharing an address unless the stockholders have notified the Company of their desire to receive multiple copies of the proxy statement. The Company will promptly deliver, upon oral or written request, a separate copy of the proxy statement to any stockholder residing at a shared address to which only one copy was mailed. Requests for additional copies of the proxy statement for the current year or future years should be directed to the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. Alternatively, additional copies of this proxy statement may be requested via Internet at www.proxyvote.com, by telephone at 1-800-579-1639, or by sending an email to sendmaterial@proxyvote.com. Stockholders of record residing at the same address and currently receiving multiple copies of the proxy statement may contact the Corporate Secretary to request that only a single copy of the proxy statement be mailed in the future.

Voting and Submission of Proxies

The persons named on the proxy card and on the Company's voting website at www.proxyvote.com (the proxy holders) have been designated by the Board to vote the shares represented by proxy at the Annual Meeting. The proxy holders are officers of the Company. They will vote the shares represented by each valid and timely received proxy in accordance with the stockholder's instructions, or if no instructions are specified, the shares represented by the proxy will be voted FOR Proposals 1, 2 and 3 and, with respect to Proposal 4, for holding an advisory vote on executive compensation every ONE year in accordance with the recommendations of the Board as described in this proxy statement. If any other matter properly comes before the Annual Meeting, the proxy holders will vote on that matter in their discretion.

If you are a holder of Class B Common Stock, telephone and Internet voting is available 24 hours a day through 11:59 p.m. (Eastern Time) on the day before the meeting date or the applicable cut-off date. If you are located in the United States or Canada and are a stockholder of record, you can vote your shares by calling toll-free 1-800-690-6903. Whether you are a stockholder of record or a beneficial owner, you can also vote your shares by Internet at www.proxyvote.com. Both the telephone and Internet voting systems have easy to follow instructions on how you may vote your shares and allow you to confirm that the system has properly recorded your vote. If you are voting your shares by telephone or Internet, you should have in hand when you call or access the website, as applicable, the Notice of Internet Availability or the proxy card or voting instruction card (for those holders who have received, by request, a hard copy of the proxy card or voting instruction card). If you vote by telephone or Internet, you do not need to return your proxy card to the Company. A telephone or Internet proxy must be received no later than 11:59 p.m. (Eastern Time) on the day before the meeting date or the applicable cut-off date.

If you have received, by request, a hard copy of the proxy card or voting instruction card, and wish to submit your proxy by mail, you must complete, sign and date the proxy card or voting instruction card and return it in the envelope provided so that it is received prior to the Annual Meeting.

If you hold Class B CDIs, Internet voting is available 24 hours a day through 5:00 p.m. (Australian Eastern Time) on October 19, 2011. You may vote your CDIs by Internet at www.investorvote.com.au. The Internet system has easy to follow instructions on how you may vote your CDIs and allows you to confirm that the system has properly recorded your vote. If you vote your CDIs by Internet, you should have in hand when you access the website the Notice of Internet Availability or the voting instruction card (for those CDI holders who have received, by request, a hard copy of the voting instruction card). If you vote your CDIs by Internet, you do not need to return your voting instruction form to the Company. If you have received, by request, a hard copy of the voting instruction card, and wish to submit your vote by mail, you should complete and return the voting instruction card to CDN by 5:00 p.m. (Australian Eastern Time) on October 19, 2011.

While the Company encourages holders of Class B Common Stock to vote by proxy, you also have the option of voting your shares of Class B Common Stock in person at the Annual Meeting. If your shares of Class B Common Stock are registered directly in your name with the Company's transfer agent, you are considered the

Table of Contents

stockholder of record with respect to such shares of Class B Common Stock and you have the right to attend the Annual Meeting and vote in person, subject to compliance with the procedures described below. If your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of such shares. As such, in order to attend the Annual Meeting or vote in person, you must obtain and provide when you request an admission ticket a properly executed proxy from the stockholder of record (i.e., your broker, bank or other nominee) giving you the right to vote the shares of Class B Common Stock.

Revocation of Proxies

A proxy may be changed or revoked by a stockholder at any time prior to the voting at the Annual Meeting:

- if you are a holder of record of Class B Common Stock, by notifying in writing our Corporate Secretary, Laura A. Cleveland, at News Corporation, 1211 Avenue of the Americas, New York, New York 10036;
- by attending the Annual Meeting and voting in person (your attendance at the Annual Meeting will not by itself revoke your proxy);
- by submitting a later-dated proxy card;
- if you voted by telephone or Internet, by voting a second time by telephone or Internet; or
- if you have instructed a broker, bank or other nominee to vote your shares, by following the directions received from your broker, bank or other nominee to change those instructions.

Class B CDI holders may change prior voting instructions by submitting a later-dated CDI voting instruction form before 5:00 p.m. (Australian Eastern Time) on October 19, 2011. Revocation of prior voting instructions must be submitted in writing and received before 5:00 p.m. (Australian Eastern Time) on October 19, 2011.

Attending the Annual Meeting in Person

While all of the Company's stockholders and all holders of CDIs exchangeable for shares of Common Stock are invited to attend the Annual Meeting, only holders of Class B Common Stock are entitled to vote at the Annual Meeting. As discussed above, if your shares of Class B Common Stock are registered directly in your name with the Company's transfer agent, you are considered the stockholder of record with respect to such shares of Class B Common Stock and you have the right to attend the Annual Meeting and vote in person, subject to compliance with the procedures described below. If your shares of Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of such shares. As such, in order to attend the Annual Meeting or vote in person, you must obtain and present at the time of admission a properly executed proxy from the stockholder of record giving you the right to vote the shares of Class B Common Stock.

If you are planning to attend the Annual Meeting in person, you will be asked to register prior to entering the Annual Meeting. **You must request an admission ticket in advance and your request must be received by October 17, 2011. If you are a stockholder of record, your ownership of Common Stock will be verified against the list of stockholders of record as of the Record Date prior to being issued an admission ticket. **If you are not a stockholder of record and hold your shares of Common Stock in street name, i.e., your shares of Common Stock are held in a brokerage account or by a bank or other nominee, you will need to send a request for an admission ticket either by e-mail, fax or regular mail along with proof of beneficial ownership as of the Record Date, such as an account statement or letter from your broker, bank or nominee indicating that you were the beneficial owner of the shares on the Record Date, and a copy of the voting instruction card provided by your broker, bank or nominee, or similar evidence of ownership.** Requests for admission tickets will be processed in the order in which they are received and must be received by October 17, 2011.

We suggest arriving at least 45 minutes early to the Annual Meeting. **If you do not provide an admission ticket and government-issued photo identification or do not comply with the other registration and security procedures described above, you will not be admitted to the Annual Meeting.**

If you require any special accommodations at the Annual Meeting due to a disability, please contact the Corporate Secretary at (212) 852-7000 or send an email to 2011AnnualMeeting@newscorp.com and identify your specific need no later than October 17, 2011.

The Annual Meeting will be audiocast live on the Internet at www.newscorp.com.

Required Vote

Quorum. In order for the Company to conduct the Annual Meeting, a majority of the holders of Class B Common Stock outstanding as of the Record Date must be present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the Annual Meeting. A broker non-vote occurs when you do not give your broker or nominee instructions on how to vote your shares of Class B Common Stock. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares of Class B Common Stock by submitting your proxy by telephone or the Internet or, if you requested a hard copy of the proxy card or voting instruction card, by completing and returning the proxy card or voting instruction card as promptly as possible in the accompanying postage-paid envelope prior to the Annual Meeting to ensure that your shares of Class B Common Stock will be represented at the Annual Meeting if you are unable to attend and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

Election of Directors. In an uncontested election, each Director shall be elected by a majority of the votes cast. This means that the number of votes cast for a Director's election exceeds the number of votes cast against that Director's election. A properly executed proxy marked ABSTAIN with respect to the election of one or more Directors or shares held by a broker for which voting instructions have not been given will not be counted as a vote cast either for or against with respect to the Director or Directors indicated. If you do not instruct your broker, bank or other nominee how to vote in the election of Directors, no votes will be cast on your behalf. In a contested election where the number of nominees for Director exceeds the number of Directors to be elected, each Director shall be elected by a plurality of the votes cast.

Table of Contents

Ratification of Independent Registered Public Accounting Firm. Ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012 requires the affirmative vote of a majority of the votes cast at the Annual Meeting to be voted FOR the proposal. Abstentions and broker non-votes will have no effect on the outcome of the votes cast on this proposal.

Advisory Vote on Executive Compensation. We will consider this proposal to be approved, on an advisory basis, if this proposal receives the affirmative vote of a majority of the votes cast at the Annual Meeting to be voted FOR the proposal. Abstentions and shares held by a broker for which voting instructions have not been given will not be counted as a vote cast either for or against executive compensation.

Advisory Vote on Frequency of Future Advisory Votes on Executive Compensation. The frequency of future advisory votes on executive compensation (e.g., once every ONE, TWO or THREE years) receiving the greatest number of votes cast at the Annual Meeting shall be considered the frequency recommended by stockholders. Abstentions and shares held by a broker for which voting instructions have not been given will not be counted as a vote cast for any frequency.

Other Items. Under the Company's Amended and Restated By-laws (the By-laws) and the NASDAQ Stock Market (NASDAQ) listing rules, approval of each other proposal to be voted upon at the Annual Meeting requires the affirmative vote of a majority of the votes cast at the Annual Meeting to be voted FOR the proposal. A properly executed proxy marked ABSTAIN with respect to any proposal and broker non-votes will not be counted as a vote cast FOR or AGAINST that proposal.

All shares of Class B Common Stock represented by properly executed proxies, which are returned and not revoked, will be voted in accordance with your instructions. If no instructions are provided in a properly executed proxy, the number of shares of Class B Common Stock represented by such proxy will be voted:

FOR the election of each of the Director nominees;

FOR the ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2012;

FOR, on an advisory basis, the approval of executive compensation; on an advisory basis, for the option of every ONE year, as the frequency of future advisory votes on executive compensation; and

in accordance with the holder of the proxy's discretion as to any other matters raised at the Annual Meeting. The Company has received notice from a stockholder of an intent to propose a resolution at the Annual Meeting requesting that the Board require the Chair of the Board to be an independent member of the Board. We have actively engaged in a good faith discussion with the proponent to address its concerns. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES LISTED ABOVE.

Table of Contents**CORPORATE GOVERNANCE MATTERS**

Fiscal 2011 Corporate Governance Decisions. The Company is committed to maintaining robust governance practices that benefit the long-term rights of stockholders and, along with the Board, regularly reviews and updates its corporate governance practices. During fiscal 2011, the Company took the following actions to further enhance its corporate governance practices.

Amendment to the By-laws to Adopt Majority Voting Standard in Uncontested Director Elections. In April 2011, the Board amended the Company's By-laws to replace the Company's plurality vote standard with a majority vote standard in uncontested Director elections and to adopt a Director resignation policy for when an incumbent Director standing for re-election does not receive a majority of the votes cast in an uncontested election.

Amendments to the Statement of Corporate Governance Related to Majority Voting in Uncontested Director Elections and Succession Planning. In connection with the amendment to the Company's By-laws described above, the Board amended the Company's Statement of Corporate Governance to reflect the majority vote standard in uncontested Director elections and to provide a list of factors that the Board shall consider, in addition to all factors it deems relevant, when deciding whether to accept the resignation of a Director who does not receive a majority of the votes cast in an uncontested election. In June 2011, the Board further amended the Company's Statement of Corporate Governance to clarify the Board's current practice of reviewing succession planning at least annually.

Amendments to Standards of Business Conduct. Effective May 2011, the Board revised the Company's Standards of Business Conduct to make it easier to use and to more clearly outline the responsibilities of Directors, officers and employees to conduct the business of the Company with integrity.

Adoption of Political Activities Policy. Effective April 2011, the Board adopted a Political Activities Policy that requires advance approval of all Corporate Political Contributions, as defined in the policy, and provides, among other things, that the Company will annually disclose on its website all such Corporate Political Contributions. The Political Activities Policy may be found on the Company's website at www.newscorporation.com/corp_gov/politicalactivities.html.

Adoption of Diversity Statement. Effective June 2011, the Company adopted a Diversity Statement which provides that the Company is working to establish measurable diversity objectives for each of our businesses in core areas which will focus on, among other things, expanding diversity across the Company. The diversity objectives, and progress toward achieving them, will be assessed annually. The Diversity Statement may be found on the Company's website at www.newscorp.com/corp_gov/diversity.html.

Board Independence. The Nominating and Corporate Governance Committee has adopted the definition of "Independent Director" as set forth in NASDAQ Listing Rule 5605(a)(2) to assist the Board in its determination of whether a Director shall be deemed to be independent of the Company. However, the Board may determine that a Director is not independent for any reason it deems appropriate.

The Board undertook its annual review of Director independence during the first quarter of fiscal 2012. During this review, the Board considered transactions and relationships between each Director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board also examined transactions and relationships between the Directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the Director is independent.

As a result of this review, the Board affirmatively determined that Sir Roderick Eddington, Ms. Bancroft and Messrs. Aznar, Barnes, Breyer, Dinh, Knight, and Thornton are independent of the Company and its management under the standards adopted by the Company and set forth in the NASDAQ listing rules.

Table of Contents

In connection with the nomination to the Board of Mr. Breyer, who also serves on the Board of Legendary Pictures, an independent film production business, the Company's Board will adopt rules to prevent Mr. Breyer from obtaining non-public information regarding the Company's film production and distribution businesses. For example, Mr. Breyer will recuse himself from those portions of Board meetings at which the Company's film production and distribution businesses are discussed, and he will not receive Board materials that include non-public information that is specific to the Company's film production and distribution businesses. Additional procedures may be adopted in the future as the business of Legendary Pictures or the Company evolves, and otherwise as appropriate.

Board Leadership Structure. The Board is responsible for establishing and maintaining the most effective leadership structure for the Company. The Board does not have a policy on whether the Chairman of the Board shall be an independent member of the Board. The positions of Chief Executive Officer (CEO) and Chairman of the Board are both currently held by Mr. K.R. Murdoch. The Board has also appointed a Lead Director, Sir Roderick I. Eddington. The Lead Director's responsibilities include:

- presiding over all meetings of the Board at which the Chairman of the Board is not present, including executive sessions of the non-executive Directors and the independent Directors;
- servicing as liaison between the Chairman of the Board and the independent Directors;
- reviewing agendas and information sent to the Board for Board meetings;
- reviewing meeting schedules to assure that there is sufficient time for discussion of all agenda items;
- calling meetings of the non-executive Directors and/or independent Directors, if desired;
- supervising the self-evaluations of the Directors in coordination with the Nominating and Corporate Governance Committee;
- supervising the Board's determination of the independence of its Directors; and
- ensuring his or her availability for consultation and direct communications, if requested by major stockholders.

The Board believes that this combined role of Chairman and CEO, coupled with a Lead Director, is currently the most effective leadership structure for the Company and is in the best interests of its stockholders. The combined role of Chairman and CEO promotes strong and consistent leadership for the Company, with a single voice setting the tone and having primary responsibility for the management of the Company. The Board believes that the CEO is the person best suited to serve as Chairman, because he is the person most familiar with the Company's businesses and the most capable of effectively identifying strategic priorities and opportunities and leading the Board in the discussion of the execution of the Company's strategy. The Board believes that the combined role of Chairman and CEO also facilitates the flow of information between the Board and management.

In considering its leadership structure, the Board believes that the combined roles of Chairman and CEO are appropriately balanced by the designation of a Lead Director with substantive responsibilities, the substantial majority of independent Directors that comprise the Board and the Company's strong corporate governance policies and procedures.

The Board reviews its leadership structure at least annually taking into account the responsibilities of the leadership positions and the Directors qualified to hold such positions. In conducting this review, the Board will consider, among other things: (i) the policies and practices in place that provide independent Board oversight; (ii) the Company's performance and the effect a particular leadership structure may have on that performance; (iii) the structure that serves the best interests of the Company's stockholders and (iv) any relevant legislative or regulatory developments.

CEO Succession Planning. The Board, with the assistance of the Compensation Committee, oversees CEO succession planning. As set forth in the Statement of Corporate Governance, the Board, in coordination with the Compensation Committee, also sees that the Company has in place appropriate steps to address emergency CEO succession planning in the event of extraordinary circumstances.

Table of Contents

As part of the CEO continuity succession planning, the CEO provides to the Compensation Committee recommendations and evaluations of members of senior management and their succession potential to the CEO position. The Compensation Committee reviews potential internal candidates with the CEO or other members of senior management as the Compensation Committee considers appropriate, which review includes development needs and developmental progress with respect to specific individuals. Directors engage with potential internal candidates at Board and committee meetings and periodically in less formal settings to allow personal assessment of candidates by the Directors. Further, the Compensation Committee periodically reviews the overall composition of the qualifications, tenure and experience of members of senior management.

The Compensation Committee reports on its succession planning efforts to the full Board, and the full Board reviews succession planning at least annually at a regularly scheduled Board meeting.

Emergency CEO succession planning enables the Company to respond to an unexpected vacancy in the CEO position while continuing the effective operation of the Company and minimizing any potential disruption or loss of continuity to the Company's business and operations, including in the case of a major catastrophe.

Board Oversight of Risk. Risk management is primarily the responsibility of the Company's management; however, the Board has responsibility for overseeing management's identification and management of those risks. The Board does not view risk in isolation; it considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board uses various means to fulfill this oversight responsibility. The Board, and its committees as appropriate, regularly discuss and receive periodic updates from the Company's Chief Executive Officer, President and Chief Operating Officer, Chief Financial Officer, Group General Counsel and other members of senior management regarding significant risks to the Company, including in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions. These discussions include operational, strategic, legal and regulatory, financial and reputational risks, and the plans to address these risks.

Each of the Board's committees assists the Board in overseeing the management of the Company's risks within the areas delegated to that committee, which then reports to the full Board as appropriate. For example: the Audit Committee is responsible for risks relating to its review of the Company's financial statements and financial reporting processes, the evaluation of the effectiveness of internal control over financial reporting, compliance with legal and regulatory requirements and the performance of the corporate audit function; the Compensation Committee is responsible for monitoring risks associated with the design and administration of the Company's compensation programs; and the Nominating and Corporate Governance Committee oversees risk as it relates to the Company's corporate governance processes. Each committee has full access to management, as well as the ability to engage advisors. The independent Board members also discuss the Company's significant risks when they meet in executive session without management.

Statement of Corporate Governance. The Board has adopted a Statement of Corporate Governance that sets forth the Company's corporate governance guidelines and practices. The full text of the Statement of Corporate Governance may be found on the Company's website at www.newscorp.com/corp_gov/socg.html and is available in print to any stockholder requesting a paper copy of the document by contacting the Corporate Secretary.

Standards of Business Conduct and Code of Ethics. The Board has adopted the Standards of Business Conduct. The Standards of Business Conduct confirm the Company's policy to conduct its affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics. The Standards of Business Conduct also apply to ensure compliance with stock exchange requirements and to ensure accountability at a senior management level for that compliance. The Company intends that the spirit, as well as the letter, of the Standards of Business Conduct be followed by all Directors, officers and employees of the Company, its subsidiaries and divisions. This is communicated to each new Director, officer and employee and was communicated to those in such positions at the time the Standards of Business Conduct were adopted.

Table of Contents

To promote further ethical and responsible decision-making, the Board has established a Code of Ethics for the CEO and senior financial officers that is incorporated by reference into the Standards of Business Conduct.

The full text of the Standards of Business Conduct and the Code of Ethics may be found on the Company's website at www.newscorp.com/corp_gov/sobc.html and www.newscorp.com/corp_gov/codeofethics.html, respectively, and each is available in print, without charge, to any stockholder requesting a paper copy of the documents by contacting the Corporate Secretary.

Director Nomination Process. The Nominating and Corporate Governance Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's education and background; his or her general business experience and familiarity with the Company's businesses; and whether he or she possesses unique expertise or perspective that will be of value to the Company. Candidates should not have any interests that would materially impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties owed as a Director to the Company and its stockholders. All candidates must be individuals of personal integrity and ethical character, and who value and appreciate these qualities in others. It is expected that each Director will devote the necessary time to the fulfillment of his or her duties as a Director. In this regard, the Nominating and Corporate Governance Committee will consider the number and nature of each Director's other commitments, including other directorships. Although the Board does not have a formal policy with respect to diversity in identifying Director nominees, the Nominating and Corporate Governance Committee seeks to promote through the nomination process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship. The Company also maintains a Diversity Statement, as described above, which provides that the Company is working to establish measurable diversity objectives.

After completing this evaluation, the Nominating and Corporate Governance Committee will make a recommendation to the full Board which makes the final determination whether to nominate or appoint the new Director after considering the Nominating and Corporate Governance Committee's recommendation.

The Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. These committees are comprised entirely of independent Directors, as currently required under the existing rules of the Exchange Act and NASDAQ. Each committee is governed by a written charter approved by the Board. These charters are available on the Company's website at www.newscorp.com/corp_gov/bc.html and are available in print to any stockholder requesting a paper copy of these documents from the Corporate Secretary.

Audit Committee. The Audit Committee consists of Sir Roderick Eddington, who serves as Chairman, and Messrs. Barnes, Knight and Perkins. Mr. Perkins will not serve as a Director after the Annual Meeting, and, accordingly, will not be a member of the Audit Committee after the Annual Meeting. The Audit Committee assists the Board in its oversight of (i) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that may have a significant impact on the Company's financial statements and (vi) the review, approval and ratification of transactions with related parties. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. During the fiscal year ended June 30, 2011, the Audit Committee held eight meetings. The Audit Committee's report required by the SEC rules is included in this proxy statement under the heading "Report of the Audit Committee."

The Audit Committee Charter provides that its members shall consist entirely of Directors who the Board determines are independent in accordance with the NASDAQ listing rules. The Board determined that each member of the Audit Committee meets the foregoing independence requirements and that each member of the Audit Committee is financially literate in accordance with the NASDAQ listing rules. The Board also determined that Sir Roderick Eddington and Messrs. Perkins and Barnes are audit committee financial experts as defined under the SEC rules.

Compensation Committee. The Compensation Committee consists of Mr. Knight, who serves as Chairman, Sir Roderick Eddington and Messrs. Dinh, Perkins and Thornton. Mr. Perkins will not serve as a Director after the Annual Meeting, and, accordingly, will not be a member of the Compensation Committee after the Annual Meeting. The primary responsibilities of the Compensation Committee are: (i) to review and approve goals and objectives relevant to the compensation of the CEO, to evaluate the performance of the CEO in light of these goals and objectives and to recommend to the Board the compensation of the CEO based on this evaluation; (ii) to consider, authorize and oversee the Company's incentive compensation plans and equity-based plans and recommend changes in such plans to the Board as needed, and to exercise all authority of the Board with respect to the administration of such plans, including the granting of awards under the Company's incentive compensation plans and equity-based plans; (iii) to review and approve compensation, benefits and terms of employment of senior executives who are members of the Company's Office of the Chairman; (iv) to review the Company's recruitment, retention, compensation, termination and severance policies for certain senior executives; (v) to review and assist with the development of executive succession plans and to consult with the CEO regarding the selection of senior executives; and (vi) to review the compensation of non-executive directors for service on the Board and its committees and recommend changes in compensation to the Board.

Pursuant to its charter, the Compensation Committee may delegate its authority to one or more members of the Board or officers of the Company, to the extent permitted by law, as it deems appropriate. The Compensation Committee has delegated to Messrs. K.R. Murdoch, Carey and DeVoe the authority to make awards of restricted stock units and performance stock units, as applicable, within certain prescribed limits to non-executive officers of the Company. consideration and determination of the compensation paid to the named executive officers during fiscal 2011, including the role of our CEO in recommending the amount or form of compensation paid to the named executive officers, other than himself, is found in the section entitled Compensation Discussion and Analysis below.

Pursuant to its charter, the Compensation Committee has the sole authority to retain and terminate any compensation consultant. During the past several years, including fiscal 2011, the Compensation Committee has retained Deloitte Consulting LLP (Deloitte Consulting) to provide advice on a variety of compensation matters as requested by the Compensation Committee. Deloitte Consulting primarily provides advice relating to named executive officer and non-executive director compensation, compensation trends, the design of the Company s equity incentive plans, and, from time to time, the structure of individual executive employment agreements. The Compensation Committee reviews information provided by Deloitte Consulting to determine the appropriate level and mix of compensation for each of the named executive officers in light of our compensation objectives. The total fees paid to Deloitte Consulting for these services during fiscal 2011 were approximately \$317,000.

During fiscal 2011, the Company s management retained Deloitte Consulting and its affiliates (collectively, Deloitte) to provide other services to the Company. These services included tax compliance and consulting for domestic and international operating units, systems implementation assistance, operational consulting, internal audit assistance and due diligence. The total amount paid for such services (excluding the services as consultant to the Compensation Committee as discussed above) to Deloitte during fiscal 2011 was approximately \$26.4 million. Deloitte was engaged directly by management to provide these other services and, accordingly, Deloitte s engagement for these other services was not formally approved by the Board or by the Compensation Committee.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Mr. Dinh, who serves as Chairman, and Messrs. Cowley, Perkins and Thornton. Messrs. Cowley and Perkins will not serve as Directors after the Annual Meeting, and, accordingly, will not be members of the Nominating and Corporate Governance Committee after the Annual Meeting. The primary responsibilities of the Nominating and Corporate Governance Committee are: (i) to review the qualifications of candidates for Director suggested by Board members, stockholders, management and others in accordance with criteria recommended by the Nominating and Corporate Governance Committee and approved by the Board; (ii) to consider the performance of incumbent Directors in determining whether to nominate them for re-election; (iii) to recommend to the Board a slate of nominees for election or re-election to the Board at each annual meeting of stockholders; (iv) to recommend to the Board candidates to be elected to the Board as necessary to fill vacancies and newly created directorships; and (v) to advise and make recommendations to the Board on corporate governance matters. The Nominating and Corporate Governance Committee also makes recommendations to the Board as to determinations of Director independence and conducts an annual self-evaluation for the Board. The Nominating and Corporate Governance Committee held four meetings during the fiscal year ended June 30, 2011.

These pre-approval procedures are described below under Audit Committee Pre-Approval Policies and Procedures.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures under which all audit and non-audit services performed by the Company's independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee's policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the Audit Committee on an annual basis. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be separately approved. The policy also requires specific approval by the Audit Committee if total fees for tax services would exceed total fees for audit and audit-related services in any given fiscal year. The policy also provides that the Audit Committee can delegate pre-approval authority to any member of the Audit Committee provided that the decision to pre-approve is communicated to the full Audit Committee at its next meeting. The Audit Committee has delegated this responsibility to the Chairman of the Audit Committee. Management has also implemented internal procedures to ensure compliance with this policy. As required by the Sarbanes-Oxley Act, all audit and non-audit services provided in the fiscal years ended June 30, 2011 and June 30, 2010 have been pre-approved by the Audit Committee in accordance with these policies and procedures. The Audit Committee also reviewed the non-audit services provided by E&Y during the fiscal years ended June 30, 2011 and June 30, 2010, and determined that the provision of such non-audit services was compatible with maintaining the auditor's independence.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") requires that the Company provide our stockholders with the opportunity to vote to approve, on an advisory, nonbinding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC.

As described in detail in the "Compensation Discussion and Analysis", the Compensation Committee seeks to closely align the interests of our named executive officers with the interests of the Company's stockholders. The Company's executive compensation program is designed to attract, retain and motivate top executive talent, drive performance without encouraging unnecessary or excessive risk-taking and support both short-term and long-term growth for stockholders. Beginning for fiscal 2011, the Compensation Committee implemented changes to its compensation program for four of our named executive officers to create a stronger pay for performance model, increase the focus on long-term growth and introduce more diversified performance metrics for the Company's annual bonus and long-term incentive programs. As a result, a portion of the compensation paid to our named executive officers is linked to long-term incentives, including awards based on the Company's performance over a three year performance period.

The Board recommends that stockholders indicate their support for the Company's compensation of its named executive officers. The vote on this resolution, commonly known as a "say on pay" resolution, is not intended to address any specific element of compensation but rather the overall named executive officer compensation program as described in the proxy statement. Although this vote is advisory and not binding on the Company or the Board, the Compensation Committee, which is responsible for developing and administering the Company's executive compensation philosophy and program, will consider the results as part of its ongoing review of the Company's executive compensation program.

Accordingly, we ask our stockholders to vote on the following resolution:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the 2011 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Fiscal 2011 Summary Compensation Table and the other related tables and disclosure.

THE BOARD UNANIMOUSLY RECOMMENDS AN ADVISORY VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL NO. 4

ADVISORY VOTE ON FREQUENCY OF FUTURE

ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also requires that the Company provide our stockholders the opportunity to vote, on an advisory, nonbinding basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our named executive officers as disclosed in this proxy statement in accordance with the rules of the SEC. By voting on this proposal, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation once every one, two or three years. Stockholders may instead abstain from casting a vote on this proposal.

The Board has determined that an advisory vote on executive compensation that occurs once every year is the most appropriate alternative for the Company. In reaching this recommendation, the Board considered that holding an annual advisory vote on executive compensation allows stockholders to provide direct input on the Company's compensation philosophy, policies and practices as disclosed in the proxy statement each year. An annual advisory vote also provides the Compensation Committee with the opportunity to evaluate its compensation decisions taking into account the timely feedback provided by stockholders. In addition, the Board recognizes that an annual advisory vote on executive compensation is consistent with the Company's policy of facilitating communications of stockholders with the Board and its various committees, including the Compensation Committee.

Stockholders may vote on their preferred voting frequency by choosing the option of one year, two years or three years or may abstain from voting. The vote on this proposal is not intended to approve or disapprove the recommendation of the Board. Although the Board intends to carefully consider the voting results of this proposal, the vote is advisory and not binding on the Company or the Board. The Board may decide that it is in the best interests of stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency preferred by stockholders.

THE BOARD UNANIMOUSLY RECOMMENDS AN ADVISORY VOTE FOR THE OPTION OF ONE YEAR AS THE PREFERRED FREQUENCY FOR ADVISORY VOTES ON EXECUTIVE COMPENSATION.

Fiscal 2011 Executive Compensation Highlights

Beginning in fiscal 2011, the Compensation Committee implemented changes to the executive compensation program for four of our named executive officers and, as described below, recognized the disclosure implications of the new program.

Stronger pay-for-performance model. The Compensation Committee adjusted the existing compensation packages of three of our named executive officers to increase the total portion of the compensation opportunity that is linked to performance. The Compensation Committee and Chase Carey, the Company's Deputy Chairman, President and Chief Operating Officer, agreed to amend his employment agreement to adjust significantly the pay mix of his total compensation by reducing his base salary by 50%, reducing his annual incentive target by 20%, and increasing his performance-based long-term incentive target by a corresponding amount. The Compensation Committee also adjusted the pay mix of James Murdoch's total compensation by reducing his base salary for fiscal 2011 and increasing his annual bonus opportunity which would be paid based upon an assessment of Company and individual performance. In addition, the Company did not increase the base salaries of any named executive officers in fiscal 2011. *New program for performance-based long-term equity-based incentive awards with diversified performance metrics and an increased focus on long-term growth.* The Compensation Committee

Table of Contents

significantly redesigned the long-term incentive awards granted to four of our named executive officers so that awards will be paid based upon the achievement of pre-set, three-year performance metrics based on adjusted earnings per share growth, adjusted Free Cash Flow growth and Total Stockholder Return. We believe these metrics to be critical to the Company's long-term creation of value. Payment of the long-term equity-based awards will also reflect the change in value of the Company's Class A Common Stock over the three-year performance period.

Modified the annual bonus award structure with a focus on performance that aligns with the Company's evaluation of annual performance. The Compensation Committee introduced the consideration of quantitative and qualitative factors as the basis for the annual bonuses. This change enables the Compensation Committee to consider individual and group contributions to our operational and financial performance when granting annual bonus awards. Based on the Compensation Committee's assessment of the Company's performance and the individual contributions of our named executive officers, the Compensation Committee determined to award annual bonuses at target level for fiscal 2011. In calculating these awards, the Compensation Committee selected adjusted total segment operating income growth as the quantitative performance measure for fiscal 2011 because it aligns with how the Company measures annual performance for the operations for which the named executive officers have direct responsibility. The Compensation Committee also considered how each of the named executive officers played a key role in the Company's strong financial performance and achievement of its strategic objectives including responding to industry changes, accessing capital markets, strengthening the Company's content, television, cable network programming and platform businesses, maintaining a strong balance sheet, positioning the Company for long-term growth and completing important acquisitions, investments and dispositions.

Recognized the transitional disclosure implications in this year of adoption of the new compensation framework. At the beginning of this fiscal year, in August 2010, the Company adopted the new performance-based long-term equity-based incentive program which prospectively replaced the previous program for granting long-term equity awards. Under the previous program, in accordance with past practice, the Company granted restricted stock units (RSUs) to the named executive officers in August 2010 with respect to each named executive officer's performance during the prior fiscal year (granted following the conclusion of the performance period) the fiscal year ended June 30, 2010. Under the new program, the Company granted performance stock units (PSUs) to the named executive officers in August 2010 with payouts to be based on the Company's performance in future fiscal years (granted at the beginning of the performance period) the fiscal years ended June 30, 2011 through June 30, 2013. When adopting the new performance-based long-term equity-based incentive program, the Compensation Committee noted that in this transition year, the SEC's disclosure rules would require that the Summary Compensation Table for fiscal year 2011 reflect these two equity grants in the same year i.e. disclosure of the RSU grant made in respect of each named executive officer's prior performance during fiscal 2010 as well as disclosure of the PSU grant made in August 2010 relating to the future performance period of fiscal 2011-2013. The Compensation Committee recognized that this presentation, while mandated under the SEC rules, would not reflect its compensation decisions for fiscal 2011. Therefore the Company has provided on page 44 a Supplemental Table as a footnote to the Summary Compensation Table that excludes the effect of transitioning from the former long-term equity program that was in place through fiscal 2010 to the new performance-based long-term incentive program adopted at the beginning of fiscal 2011 and that reflects the Compensation Committee's decisions for fiscal 2011.

Implemented new policies affecting the compensation of named executive officers, including anti-hedging and clawback policies. In May 2011, the Board approved amendments to the Company's Insider Trading and Confidentiality Policy to prohibit all employees, including named executive officers, and directors from engaging in short sales of the Company's securities, investing in Company-based derivative securities and purchasing the Company's securities on margin. In addition, the Board maintains policies regarding the recoupment of bonus compensation paid to the named executive officers. The policies will apply to awards of annual bonus compensation and PSUs under the new performance-based long-term equity-based incentive program.

Table of Contents

The Compensation Committee believes that this new compensation framework has enhanced the effectiveness of the Company's compensation programs for its named executive officers. The Compensation Committee will continue to monitor trends and developments to ensure that the Company's executive compensation programs provide sufficient incentives and rewards and remain competitively positioned for executive talent.

Compensation Philosophy

Our strategy and goal of creating long-term growth and value for stockholders drives our philosophy and how we design executive compensation programs and practices.

Our executives lead and manage one of the world's leading media companies in a fast-changing, competitive environment, and their responsibilities span operations around the world. Our executives are critical to the value we create for our stockholders.

Our compensation philosophy aims to achieve the following:

- Provide a compensation program that drives performance;
- Ensure our compensation policies and practices support both annual and long-term growth for stockholders; and
- Structure compensation packages to attract, retain and motivate the top executive talent necessary for the Company's success today and in the future.

In designing compensation programs for our named executive officers, the Compensation Committee is guided by the following objectives:

- Our compensation programs should incorporate a mix of fixed and performance-based compensation in the form of base salary, annual bonus compensation, performance-based long-term incentives and retirement and other benefit programs (as described below) to enable us to attract the highest quality talent to the Company.
- Our individual pay decisions should consider industry trends and the executive's performance, contributions, breadth and complexity of the role, and individual skills.
- Our compensation programs should be communicated and implemented as clearly, specifically and transparently as possible.
- Our incentive programs should respond to unique market requirements and provide a strong link between pay and performance.

How Executive Compensation Decisions Are Made

Role of Executive Officers and Management in Compensation Decisions

The Compensation Committee makes all pay decisions related to the named executive officers. At the Compensation Committee's request, the CEO and COO present individual pay recommendations to the Compensation Committee for the other named executive officers. The CEO's and COO's pay recommendations are based on their assessments of individual contributions, achievement of performance objectives and other qualitative factors. The Compensation Committee considers these recommendations along with the advice of its consultant, Deloitte. The CEO and COO do not participate in the Compensation Committee's deliberations or decisions with regard to their own compensation. In addition, members of our senior management team keep informed of developments in compensation and benefits matters and participate in the gathering and presentation of facts related to these matters as requested by the Compensation Committee.

Table of Contents*Role of Compensation Consultant*

In fiscal 2011, the Compensation Committee retained the services of an external compensation consultant, Deloitte, to advise the Compensation Committee in its review of its named executive officer and non-executive director compensation practices, compensation trends, the design of the Company's incentive plans for its named executive officers, and, from time to time, the structure of individual executive employment agreements. The Compensation Committee reviews information provided by Deloitte when determining the appropriate level and mix of compensation for each of the named executive officers in light of our compensation objectives.

Use of Information on Industry Trends

In order to attract and retain the best talent, our executives' compensation packages must remain competitive. Although the Company does not use benchmarks with respect to individual compensation levels, the Compensation Committee annually reviews the compensation practices of a group of our peer companies, consisting of other large publicly-traded international media companies and other comparably sized Standard & Poor's 500 companies, as well as evolving market practices, to ensure that it remains informed of current practices when making compensation decisions. The Compensation Committee considers the compensation practices of our peer companies but, because of the complex mix of industries and markets in which the Company operates, it does not use peer group data to base, justify or provide a framework for compensation decisions. The Compensation Committee also does not target any element of compensation or total compensation to a specific range within the peer group. Rather, it uses peer group data to obtain a general understanding of current compensation practices. The Compensation Committee's goal is to provide total compensation packages that are competitive with prevailing practices in our industry and in the geographic markets in which we conduct business. The Compensation Committee retains flexibility within the compensation program in order to respond to and adjust for specific circumstances and our evolving business environment.

Review of Internal Pay Parity

The Compensation Committee has determined that internal pay parity is critical to ensuring fairness and encouraging a collaborative team effort among the named executive officers. Accordingly, the Compensation Committee's decisions concerning named executive officer compensation include a careful review of each named executive officer's pay components and levels relative to other named executive officers with respect to role, seniority and/or levels of responsibility. In addition, the Compensation Committee has determined that it is appropriate to provide the same type of incentive compensation opportunities to each of the named executive officers, with the exception of Mr. Ailes whose responsibilities are focused on certain of the Company's cable and television operations.

Elements of Our Named Executive Officers' Compensation Packages for Fiscal 2011

The key elements of our executive compensation program for our named executive officers generally consist of base salary, annual bonus compensation that is based on an evaluation of Company and individual performance, other bonus compensation, performance-based long-term equity-based incentive awards and retirement benefits. The named executive officers also receive certain perquisites, but such perquisites are not a key element of compensation. The chart below illustrates why the Compensation Committee chooses to pay each element of compensation by showing how each element of compensation fulfills our four compensation objectives discussed above:

| Element of Compensation | Motivation | | Alignment with Stockholder Interests | Retention |
|---|------------|------------|--------------------------------------|-----------|
| | Attraction | Short-Term | | |
| Base Salary | X | | | X |
| Annual Bonus Compensation | X | X | X | X |
| Other Bonus Compensation | X | X | | X |
| Performance-Based Long-Term Equity-Based Incentive Awards | X | X | X | X |
| Retirement Benefits | X | | | X |

Table of Contents

When making individual executive compensation decisions, the Compensation Committee considers such characteristics as the named executive officer's leadership and management expertise, performance history, the complexity of the position and responsibilities, growth potential, term of service with the Company, reporting structure and internal parity considerations. The Compensation Committee also takes into account certain other market factors, such as, among others, the significance that our industry and geographic markets (particularly New York City, Los Angeles and London) play in the Company's ability to attract and retain talent. In determining the amount of total compensation, the Compensation Committee considers both currently paid compensation and the opportunity for future compensation, as well as the mix of cash and equity-based compensation.

In fiscal 2011, our named executive officers were Messrs. K. Rupert Murdoch, Chase Carey, James R. Murdoch, David F. DeVoe and Roger Ailes. Messrs. K.R. Murdoch, J.R. Murdoch, DeVoe and Ailes have served the Company or its subsidiaries or affiliates for 59, 15, 28 and 15 years, respectively. Mr. Carey, who rejoined the Company in July 2009 as Deputy Chairman, President and Chief Operating Officer, has served in a variety of leadership positions within the Company and with its affiliates for more than 22 years. The depth of each of the named executive officer's institutional knowledge, the breadth and continuity of their experience and their superior leadership talents have been instrumental and invaluable in making News Corporation one of the pre-eminent international media companies.

Messrs. Carey, DeVoe and Ailes are each a party to a negotiated employment agreement. (For a detailed description of Messrs. Carey's, DeVoe's and Ailes's employment agreements, please see the section entitled "Employment Agreements," as well as the sections entitled "Employment Agreement for Chase Carey" and "Employment Agreement for David F. DeVoe.") Messrs. K.R. Murdoch and J.R. Murdoch do not have employment agreements, and their compensation is determined and approved by the Compensation Committee. The level of compensation contractually agreed upon and/or approved by the Compensation Committee reflects, among other factors, the scope and nature of their individual responsibilities, past performance, internal pay parity considerations and retention considerations at the time those agreements were entered into or at the time the compensation was approved. The compensation package of each of the named executive officers does not necessarily contain each of the elements of compensation mentioned above. Instead, the Compensation Committee creates a compensation package for each of the named executive officers that contains a mix of compensation elements that it believes best addresses his particular responsibilities and that will best achieve our overall compensation objectives.

Prior to approving each named executive officer's compensation, the Compensation Committee annually reviews and analyzes the nature and amounts of all elements of each named executive officer's total compensation package, both separately and in the aggregate, to ensure that each named executive officer's compensation is linked to performance and that an appropriate balance is maintained in focusing different elements of compensation on both the short-term and long-term performance of the Company. The Compensation Committee also reviews the amount of each named executive officer's equity-based interest in the Company.

Base Salary

The basic element of compensation needed to attract and retain an employee in any organization is base salary. Base salary is the fixed element of a named executive officer's annual cash compensation, and serves as a baseline measure of the named executive officer's value to the Company and the foundation upon which the types and amounts of other elements of compensation for the named executive officer is based.

The respective employment agreements of Messrs. Carey, DeVoe and Ailes provide for a specified or minimum base salary. At the time each of these employment agreements was entered into, the Compensation Committee established each named executive officer's base salary in the context of the nature of the named executive officer's particular position, the responsibilities associated with that position, length of service with the

Table of Contents

Company, his experience, expertise, knowledge and qualifications, market factors, retention factors, our CEO's and COO's recommendation (with the exception of their own base salaries) and the Company's overall compensation philosophy.

The Compensation Committee reviews annually the base salary of each of the named executive officers, subject to the terms of any applicable employment agreements. Base salary may be adjusted if the Compensation Committee determines that an adjustment is warranted or that a different mix of compensation elements may more appropriately compensate the individual named executive officer in light of the Company's compensation objectives. The factors considered by the Compensation Committee when determining adjustments in base salary include: past performance; the assumption by the named executive officer of any additional responsibilities; retention considerations; market factors; internal parity considerations; and the CEO's and COO's recommendations (with the exception of their own base salaries).

There have been no base salary changes for Messrs. K.R. Murdoch, DeVoe or Ailes since fiscal 2007. In fiscal 2011, the Compensation Committee determined to increase the portion of total compensation that is linked to performance. As a result, beginning in fiscal 2011, Mr. Carey's base salary was reduced from \$8.1 million to \$4.05 million and Mr. J.R. Murdoch's base salary was reduced from 2.3 million (approximately \$3.2 million) to \$3.0 million. The reduction in Mr. Carey's base salary is discussed in further detail in the sections entitled Employment Agreement for Chase Carey and Employment Agreements.

Annual Bonus Compensation

The named executive officers have a direct influence on our operations and strategy. The Compensation Committee believes that a significant portion of a named executive officer's total compensation opportunity should be based upon individual and group contributions and the Company's financial and operating performance. This framework fosters a performance-driven, pay-for-performance culture that aligns our named executive officers' interests with those of our stockholders while also rewarding the named executive officers for superior individual achievements. The named executive officers (except for Mr. Ailes whose annual performance-based compensation is described below) are eligible to receive annual bonuses, two-thirds of which are based on actual achieved growth in financial and operating performance as compared to the Company's forecasted growth target and one-third of which are based on qualitative factors, including, but not limited to, individual and group contributions to the Company's financial and non-financial objectives (the Annual Bonus). For fiscal 2011, the Compensation Committee approved the following target and maximum Annual Bonus opportunities for each of Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe:

| Named Executive Officer | Fiscal 2011 Target Annual Bonus Opportunity | Fiscal 2011 Maximum Annual Bonus Opportunity |
|-------------------------|---|--|
| K. Rupert Murdoch | \$ 12.5 million | \$ 25.0 million |
| Chase Carey | \$ 10.0 million | \$ 20.0 million |
| James R. Murdoch | \$ 6.0 million | \$ 12.0 million |
| David F. DeVoe | \$ 5.0 million | \$ 10.0 million |

The financial and operating performance metric considered by the Compensation Committee when determining the fiscal 2011 Annual Bonus was adjusted total segment operating income growth. The Compensation Committee believes that for fiscal 2011 this metric reflects the Company's key financial objective for the operations for which the named executive officers have direct responsibility. The Company's fiscal 2011 target was adjusted total segment operating income percentage growth in the low double digit range. The Company met this target with adjusted total segment operating income growth of 12% over the prior fiscal year.

When considering whether the Company has reached the target performance metric for Annual Bonus compensation, the Compensation Committee may exclude significant or unusual items that may distort the Company's performance. The Compensation Committee can make adjustments to the performance metric to

Table of Contents

reflect significant or unusual items or to recognize significant market changes that may have occurred during the year. This ensures that executives will not be unduly influenced in their decision-making because they would neither benefit nor be penalized as a result of certain unexpected and uncontrollable or strategic events that may positively or negatively affect the performance metric in the short-term. Therefore, the Compensation Committee adjusted total segment operating income for fiscal 2011 and fiscal 2010 to eliminate a \$125 million pre-tax charge and \$500 million pre-tax charge, respectively, related to the settlement of litigation at the Company's integrated marketing services business.

In accordance with the Annual Bonus framework, the Compensation Committee also considered the following qualitative factors, including contributions to the Company's financial and non-financial objectives in fiscal 2011, when determining each eligible named executive officer's Annual Bonus:

Mr. K.R. Murdoch led the Company through the recent economic downturn positioning the Company for long-term growth and ongoing strategic development. With his guidance, the Company delivered strong financial results, strengthened its core operations, continued its international expansion plans and optimized its portfolio of businesses through a number of strategic acquisitions, investments and divestitures during the year. He championed a number of important strategic innovations, including content monetization initiatives across many of the Company's properties, the launch of the first digital-only newspaper and the entry into the education industry with the acquisition of Wireless Generation. Under his leadership, the Company finished fiscal 2011 with immense financial flexibility, solid strategic positioning and vigorous operating momentum that will drive future growth.

Mr. Carey provided exceptional strategic leadership and management of the Company in fiscal 2011, helping the Company strengthen its operational foundation and its solid strategic position. He led the initiative to focus on retransmission consent revenues, which established a valuable revenue stream for our broadcast television stations. Under his direction, the Company bolstered its international content distribution capabilities with the acquisition of Shine Limited and the expansion of its international channels business, which now operates nearly 200 channels. Mr. Carey positioned the Company's filmed entertainment business for ongoing growth through a variety of initiatives, including development of digital deployment initiatives and an agreement for two new *Avatar* films. He also streamlined the Company's non-core digital media business with the disposition of Fox Mobile and Myspace.

Mr. J.R. Murdoch played an important role during fiscal 2011 in developing the Company's key businesses and investments in Europe, Asia and the Middle East, including the development of the Company's content and distribution strategy. He led the success of STAR India, which delivers market-leading content, and he led the Company's ongoing deployment of satellite television in Italy (with Sky Italia achieving its highest ever subscriber base), the UK, Germany and India, where we operate, or are key investors in, industry-leading pay television platforms. Under his leadership, the Company expanded its presence in the Middle East through a key strategic partnership and optimized its European asset portfolio through the disposition of News Outdoor. Mr. J.R. Murdoch also successfully transitioned into his new role as Deputy Chief Operating Officer and Chairman and CEO, International, expanding his responsibilities.

Mr. DeVoe provided strategic advice to the Company's Chairman and CEO and COO regarding significant acquisitions, investments and dispositions. He developed and implemented a capital plan that further optimized the Company's capital structure by appropriately balancing the objective of maintaining a strong and flexible balance sheet with the goal of deploying capital to invest in the Company's business and make acquisitions. His financial planning and financial risk management efforts and prudent accessing of capital markets have positioned the Company well for the financing of future capital allocation, including investments, acquisitions and share repurchases. Mr. DeVoe also oversaw the Company's public financial disclosures and led the effort to maintain effective internal controls; no material weaknesses or significant deficiencies were noted during fiscal 2011.

Table of Contents

To determine the Annual Bonus for each named executive officer, the Compensation Committee considered the actual results of the Company's financial and operating performance metric compared to the forecasted target percentage growth range and the qualitative factors, including the contributions by each and the group of named executive officers, outlined above. The Compensation Committee recognized that the Company's results for adjusted total segment operating income growth were in line with the forecasted percentage growth range and that, based on the individual and group achievements described above, the named executive officers, each and as a group, made contributions to drive the overall success of the business, including its financial and strategic objectives. The Compensation Committee determined that the named executive officers would receive their respective target Annual Bonus opportunity and approved a fiscal 2011 Annual Bonus of \$12.5 million for Mr. K.R. Murdoch, \$10.0 million for Mr. Carey, \$6.0 million for Mr. J.R. Murdoch and \$5.0 million for Mr. DeVoe. These Annual Bonuses were paid in cash.

The payment of the Annual Bonus was conditioned upon the funding of a bonus pool (the Annual Bonus Pool) based on the attainment of pre-established objective performance measures that were determined by the Compensation Committee within the 90-day period after the beginning of the fiscal year (the Annual Bonus Condition) in order to qualify the awards as performance-based compensation under Section 162(m) of the Internal Revenue Code. The Compensation Committee determined that the Annual Bonus Pool would be 3.0% of total segment operating profit¹ for the Company for the fiscal year ending June 30, 2011, which would be allocated 40%, 35% and 25% to Messrs. K.R. Murdoch, Carey and J.R. Murdoch, respectively. The Compensation Committee selected total segment operating profit as the performance measure for the funding of the Annual Bonus Pool because it best reflects the Company's performance for the year. The Compensation Committee certified the amount of total segment operating profit earned and the maximum annual bonus amounts for Messrs. K.R. Murdoch, Carey and J.R. Murdoch. The Compensation Committee then exercised its downward discretion available under 162(m) to adjust the actual payment to a level it deemed appropriate for Messrs. K.R. Murdoch, Carey and J.R. Murdoch.

Under the terms of his current employment agreement, Mr. Ailes has the opportunity to earn annual performance-based compensation based upon the financial performance of the FOX News Channel. Mr. Ailes is directly responsible for FOX News Channel's operating results. The Compensation Committee chose FOX News Channel's earnings before interest, tax, depreciation and amortization (EBITDA) as the objective financial performance measure to determine Mr. Ailes's performance-based compensation (the FOX News Channel Bonus). The amount that Mr. Ailes will receive for his FOX News Channel Bonus in any fiscal year during the term of his agreement, including fiscal 2011, is tied to a performance range of FOX News Channel's EBITDA for that fiscal year. These ranges were approved and separately conveyed to Mr. Ailes by the Compensation Committee in fiscal 2010. The Compensation Committee established EBITDA ranges that were designed to reward Mr. Ailes for continuing the significant growth in FOX News Channel's EBITDA. The Compensation Committee intended the threshold range to be challenging but achievable by FOX News Channel; however, the maximum payment level of the EBITDA range assumes FOX News Channel's attainment of over 80% growth in EBITDA over the term of Mr. Ailes's employment agreement, which it believed is an extremely high level of performance.

Pursuant to this arrangement, the Compensation Committee awarded Mr. Ailes a FOX News Channel Bonus of \$8.0 million in cash, reflecting FOX News Channel's performance in fiscal 2011 which was at the highest end of the EBITDA range. Because of previous time-vested equity awards granted to Mr. Ailes and the additional

¹ Total segment operating profit does not include: Impairment and restructuring charges, equity earnings of affiliates, interest expense, net, interest income, other, net, income tax expense and net income attributable to noncontrolling interests. The Company believes that information about total segment operating profit assists all users of the Company's consolidated financial statements by allowing them to evaluate changes in the operating results of the Company's portfolio of businesses separate from non-operational factors that affect net income, thus providing insight into both operations and the other factors that affect reported results. stock award earned by Mr. Ailes as described below, the Compensation Committee determined that Mr. Ailes' interests were sufficiently aligned with stockholders in the long-term and that there was already a significant retention feature in Mr. Ailes' total compensation package, and therefore determined to pay Mr. Ailes' FOX News Channel Bonus in cash.

Other Bonus Compensation

Pursuant to Mr. Ailes' employment agreement, he is entitled to receive an annual bonus of at least \$1,250,000 in cash for each fiscal year of the remaining term of such agreement. For fiscal 2011, the Compensation Committee awarded Mr. Ailes a fiscal 2011 bonus of \$1,500,000. The amount of the award was determined by the Compensation Committee at its sole discretion and was based on the Compensation Committee's assessment of Mr. Ailes' overall performance including the exceptional leadership of the businesses over which he has responsibility and the superior financial results of those businesses in fiscal 2011. The award was not based on any previously established performance criteria.

In addition, pursuant to the terms of his employment agreement, Mr. Ailes is also entitled to receive an award of 250,000 shares of our Class A Common Stock when EBITDA of the Fox Business Channel is equal to or greater than \$0 (the Bonus Stock). Accordingly, based on the achievement of this milestone for fiscal 2011, Mr. Ailes was awarded 250,000 shares of Class A Common Stock in fiscal 2012.

Fiscal 2012 Awards

Annual Bonus Compensation. In August 2011, the Compensation Committee approved the following target and maximum Annual Bonus opportunities for each of Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe for fiscal 2012:

| Named Executive Officer | Fiscal 2012 Target Annual Bonus Opportunity | Fiscal 2012 Maximum Annual Bonus Opportunity |
|-------------------------|---|--|
| K. Rupert Murdoch | \$ 12.5 million | \$ 25.0 million |
| Chase Carey | \$ 10.0 million | \$ 20.0 million |
| James R. Murdoch | \$ 6.0 million | \$ 12.0 million |
| David F. DeVoe | \$ 5.0 million | \$ 10.0 million |

The fiscal 2012 target and maximum Annual Bonus opportunities are unchanged from the respective fiscal 2011 amounts. Also in August 2011, the Compensation Committee determined the Annual Bonus Pool would be 3.0% of total segment operating profit for the Company for the fiscal year ending June 30, 2012, which would be allocated 40%, 35% and 25% to Messrs. K.R. Murdoch, Carey and J.R. Murdoch, respectively.

Performance-Based Long-Term Equity-Based Incentive Awards

The purpose of granting performance-based long-term equity-based awards to the named executive officers is to align further their compensation with the long-term performance of the Company and link the named executive officers' interests directly to those of the Company's stockholders. Beginning for the fiscal year ending June 30, 2011, in order to more fully align the executives' interests with those of the Company's stockholders and reward the executives for superior results, the Compensation Committee has designed a performance-based long-term equity-based incentive program and has approved the annual grant of PSUs that will have a three-year performance measurement period (the PSU Bonus). Each PSU represents the right to receive the U.S. dollar value of one share of Class A Common Stock in cash. The PSUs will be paid after the completion of the three-year performance period, based upon the following performance metrics that will be measured against targets established at the beginning of each performance period: (i) average annual adjusted earnings per share (EPS) growth; (ii) average annual adjusted free cash flow (FCF) growth; and (iii) the Company's three-year total stockholder return (TSR) as measured against the three-year TSR of the companies that comprise the

Table of Contents

Standard & Poor's 500 Index (excluding financial and energy sector companies) (the S&P 500) (collectively, the Performance Metrics). The target weighting for the adjusted EPS growth, adjusted FCF growth and TSR performance metrics will be 40%, 40% and 20%, respectively. The PSUs will be awarded under the News Corporation 2005 Long-Term Incentive Plan, as amended (the LTIP).

Within 90 days of the beginning of each performance period, the Compensation Committee will establish for each of the Performance Metrics, performance ranges and payout ranges for the performance period. The Compensation Committee will also determine the target opportunity for each of Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe for the performance period, expressed as a dollar value (the PSU Target Value), if the PSU Target Value is not set forth in an applicable agreement. The PSU Target Value will be converted into a target number of PSUs based on the average closing price of the Class A Common Stock for the 20 trading days ending on the June 30 of the prior fiscal year (the PSU Target Number).

Following the end of the performance period, the Compensation Committee will evaluate and certify the average year over year adjusted EPS growth and the average year over year adjusted FCF growth and the Company's three-year relative TSR compared to the S&P 500 for each of the three Performance Metrics and determine the weighted payout (the Final Performance Factor); provided, however, the final payout cannot exceed 150% of the PSU Target Number and subject to the limitations set forth in the LTIP. Performance in a single year generally will not be indicative of the results for the entire performance period. Subject to the attainment of one or more of the Performance Metrics, at the end of the performance period, Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe will be credited with a number of PSUs, which will be determined by multiplying the PSU Target Number by the Final Performance Factor (the Final PSU Credits). Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe will each then receive a payment equal to the Final PSU Credits multiplied by the closing price of the Class A Common Stock on the last trading day immediately prior to the Payment Date, subject to the limitations set forth in the LTIP. The Payment Date shall be August 15 of the applicable year or the business day closest to August 15. Thus, the Final PSU Credits reflect, for Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe, both Company performance and any change in the value of the Company's Class A Common Stock over the three-year performance period.

For the fiscal 2011-2013 performance period, the Compensation Committee established the following PSU Target Value and corresponding target number of PSUs for each of Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe:

| Named Executive Officers | Fiscal 2011-2013 Performance Period Target PSU Bonus Opportunity (\$ value) | Fiscal 2011-2013 Performance Period Target PSU Bonus Opportunity (number of PSUs) |
|--------------------------|---|---|
| K. Rupert Murdoch | \$ 4.0 million | 304,414 |
| Chase Carey | \$ 10.0 million | 761,035 |
| James R. Murdoch | \$ 6.0 million | 456,621 |
| David F. DeVoe | \$ 2.5 million | 190,258 |

In connection with the Compensation Committee's approval of the 2011 annual bonus and performance-based long-term equity-based incentive awards programs described above, in August 2010, the Company entered into letter agreements with each of Messrs. K.R. Murdoch, J.R. Murdoch and DeVoe to advise them of their eligibility to receive Annual Bonuses and PSUs beginning in fiscal 2011 and to provide for the terms and conditions applicable to such awards.

Performance-Based Long-Term Equity-Based Incentive Awards. For the fiscal 2012-2014 performance period, the Compensation Committee established the following PSU Target Value, which remains unchanged from fiscal 2011, and corresponding target number of PSUs for each of Messrs. K.R. Murdoch, Carey, DeVoe and J.R. Murdoch:

| Named Executive Officers | Fiscal 2012-2014 Performance Period Target PSU Bonus Opportunity (\$ value) | Fiscal 2012-2014 Performance Period Target PSU Bonus Opportunity (number of PSUs) |

| Chase Carey | \$ 10.0 million | 599,161 |

| David F. DeVoe | \$ 2.5 million | 149,790 |

Retirement Benefits

Our defined-benefit pension plans serve as an important retention tool. In addition to a broad-based, tax-qualified pension plan, we also administer the News America Incorporated Supplemental Executive Retirement Plan, or SERP, in which certain executives who will earn more than \$245,000 in calendar 2011 are eligible to participate. The SERP increases the retirement benefits of its participants above the amounts available under our broad-based plan, as limited by the Internal Revenue Code. Generally, the compensation limit for the SERP is capped at \$345,000 for calendar 2011. As an additional retention incentive, each of the named executive officers participates in the Company's Individual Supplemental Employee Retirement Agreement Plan (ISERA), which provides enhanced benefits to certain of the Company's executives. The ISERA compensation limit is \$2.2 million for fiscal 2011. The ISERA also provides enhanced retirement health benefits to the participating executives and their spouses. The SERP and the ISERA are non-qualified plans for tax purposes and are funded using a grantor trust. The assets in the grantor trust are unsecured funds of the Company and could be used to satisfy the Company's obligations in the event of bankruptcy or insolvency. For additional information on these arrangements and plans, please see the Pension Benefits Table and the Potential Payments Upon Termination Table, together with their accompanying footnotes, below.

Perquisites

Our named executive officers are provided with limited types of perquisites and other personal benefits that the Compensation Committee feels are reasonable and consistent with the Company's overall compensation philosophy. Perquisites constitute a very small percentage of each of the named executive officer's total compensation package. Some perquisites are intended to serve a specific business need for the benefit of the Company; however, it is understood that some may be used for personal reasons as well.

For safety and security reasons, all of the named executive officers are required to use the Company aircraft for all travel. We also provide automobiles for certain of our named executive officers. In addition, pursuant to the terms of Mr. Ailes' negotiated employment agreement, we provide him personal security services in connection with his business responsibilities. The perquisites received by each named executive officer in fiscal 2011, as well as their incremental cost to the Company, are reported in the Summary Compensation Table and its accompanying footnotes below.

Severance and Change in Control Arrangements

The employment agreements of Messrs. Carey, DeVoe and Ailes contain negotiated severance provisions that provide benefits to these named executive officers upon their separation from the Company, which are more

fully described in the section entitled "Potential Payments Upon Termination" below. None of the named executive officers' employment agreements or arrangements contain provisions relating to a change in control of the Company.

Employment Agreement for Chase Carey

In connection with the Compensation Committee's approval of the new annual bonus and performance-based long-term equity-based incentive awards programs described above, in August 2010, the Compensation Committee approved the Amended and Restated Employment Agreement, effective as of July 1, 2010 and expiring June 30, 2014, between News America Incorporated and Chase Carey (the "Carey Amended Agreement"). The Carey Amended Agreement reduces Mr. Carey's annual base salary from \$8.1 million to \$4.05 million and provides that Mr. Carey is eligible to receive an Annual Bonus. The target amount for the Annual Bonus for each fiscal year of the term of the Carey Amended Agreement is not less than \$10 million with a maximum performance opportunity of not less than \$20 million, payable in cash. Mr. Carey is also eligible to receive PSUs, and the target value for the PSUs for each fiscal year of the term of the Carey Amended Agreement is \$10 million with a PSU Maximum Opportunity as described above. The Carey Amended Agreement also provides for certain benefits in the event Mr. Carey's employment is terminated prior to the end of the term of the agreement which are similar benefits as those provided in Mr. Carey's prior agreement.

All other substantive terms of the Carey Amended Agreement remain unchanged from Mr. Carey's prior agreement. For further discussion of the Carey Amended Agreement, please see the section entitled "Employment Agreements."

Employment Agreement for David F. DeVoe

Mr. DeVoe was a party to an employment agreement with the Company, effective as of November 14, 2004 and amended December 16, 2008, that expired on November 14, 2009 (the "DeVoe Agreement"). In August 2010, the Compensation Committee approved an extension of the DeVoe Agreement, effective as of November 15, 2009 and expiring November 14, 2014. In connection with the extension of the DeVoe Agreement, Mr. DeVoe received a signing bonus of cash-settled RSUs with a value of \$5 million based on the 20-trading day closing average of the Class A Common Stock through August 4, 2010, 25% of which vested on each of August 6, 2010 and November 15, 2010, and 25% of which will vest on each of November 15, 2011 and 2012. All other material terms of the DeVoe Agreement remain unchanged. The Compensation Committee approved the extension of the DeVoe Agreement based on the Company's desire to provide an incentive to Mr. DeVoe to remain with the Company through November 2014. For further discussion of the DeVoe Agreement, please see the section entitled "Employment Agreements."

Recoupment of Previously Paid Named Executive Officer Performance-Based Compensation

The Board of Directors has policies requiring the recoupment of performance-based compensation paid to the named executive officers in the event of certain financial restatements or of other bonus compensation in certain other instances. The policies require reimbursement, to the extent permitted by governing law and any employment arrangements entered into prior to the adoption of the policies.

Prohibition on Hedging of News Corporation Stock

The Company prohibits all directors and employees, including our named executive officers, from engaging in short sales of the Company's securities and investing in Company-based derivative securities, including options, warrants, stock appreciation rights or similar rights whose value is derived from the value of an equity security, such as the Company's common stock. This prohibition includes, but is not limited to, trading in Company-based put or call option contracts, trading in straddles and the like. However, holding and exercising stock options, restricted stock units or other derivative securities granted under the Company's equity compensation plans is not prohibited.

Table of Contents

Limitations on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code generally limits to \$1 million the U.S. federal tax deductibility of compensation (including stock options and RSUs) paid in one year to the named executive officers (other than, pursuant to Internal Revenue Service pronouncements, Mr. DeVoe, our Chief Financial Officer). The deductibility of non-qualified deferred compensation paid to an executive officer when he is no longer subject to Section 162(m) is not subject to this limitation. Performance based compensation (including compensation paid in stock options or RSUs) is also subject to an exception under Section 162(m), provided such compensation meets certain requirements, including stockholder approval.

The Compensation Committee strives to provide the named executive officers with a compensation package that will preserve the deductibility of those packages for the Company to the extent reasonably practicable and to the extent consistent with its other compensation objectives. However, the Compensation Committee believes that stockholder interests are best served by not restricting the Compensation Committee's discretion and flexibility in structuring compensation programs, even though those programs may result in certain non-deductible compensation expenses.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Compensation Committee's review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2011 and this proxy statement.

THE COMPENSATION COMMITTEE:

Andrew S.B. Knight (Chairman)

Viet Dinh

Sir Roderick I. Eddington

Thomas J. Perkins

John L. Thornton

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of the following non-executive directors: Andrew S.B. Knight (Chairman), Viet Dinh, Sir Roderick I. Eddington, Thomas J. Perkins and John L. Thornton, all of whom the Board has determined are independent in accordance with NASDAQ listing rules. There are no interlocking relationships as defined in the applicable SEC rules.

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

The Compensation Committee has been delegated the authority to oversee the risk assessment of the Company's compensation policies and practices. At the direction of the Compensation Committee, members of senior management conducted the risk assessment. Such members gathered and reviewed information regarding pay practices and risk-mitigation factors within the Company's principal business units and its corporate division. Following an analysis of the data with the Compensation Committee, the Compensation Committee does not believe there are any risks from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on the Company. In addition, the Company's compensation programs include sufficient risk mitigation features, such as significant management discretion and oversight, a balance of annual and long-term incentives for senior executives, the use of multiple performance metrics, and recoupment provisions for named executive officers' bonus compensation in the event of certain financial restatements or certain other instances.

- (b) The amounts set forth in the Bonus column for fiscal 2011 for Messrs. K.R. Murdoch, Carey, J.R. Murdoch and DeVoe represent the annual bonus compensation awarded under the new compensation framework adopted in fiscal 2011. In addition, for Mr. Carey, the amount set forth in the Bonus column for fiscal 2010 includes, pursuant to his employment agreement, a \$10 million signing bonus paid in cash upon the commencement of his employment on July 1, 2009 and a minimum EPS bonus of \$5 million payable in cash for the fiscal year ended June 30, 2010. For Mr. J.R. Murdoch, the amounts set forth in the Bonus column for fiscal 2010 and fiscal 2009 represent his divisional operating bonus, which was paid in Euros.

All awards were computed in accordance with accounting guidance. Additionally, in connection with the extension of Mr. DeVoe's employment agreement, he received in fiscal 2011 a signing bonus of cash-settled RSUs with a value of \$5 million based on the 20-trading day closing average of the Class A Common Stock through August 4, 2010, 25% of which vested on each of August 6, 2010 and November 15, 2010, and 25% of which will vest on each of November 15, 2011 and 2012.

- (e) The values reported in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 55 or current age, if later, and other assumptions used in preparing the Company's audited consolidated financial statements for the fiscal years ended June 30, 2011 and June 30, 2010. The change in actuarial present value for each named executive officer's accumulated pension benefits under the applicable Company pension plan(s) from year to year as reported in the

Summary Compensation Table is subject to market volatility and may not represent, nor does it affect, the value that a named executive officer will actually accrue under the Company's pension plans during any given fiscal year. The change in pension value in the fiscal year ended June 30, 2011 was due to additional service credit and interest. There were no above-market earnings or preferential earnings on any compensation that was deferred pursuant to a nonqualified deferred contribution plan or other basis that is not tax-qualified.

- (1) The Company provides security services to Mr. Ailes in connection with his business responsibilities. Although included in the amount of Mr. Ailes's All Other Compensation, the Company considers the cost of the personal security to be a business expense and not a personal benefit to Mr. Ailes.
- (g) At the beginning of this fiscal year, in August 2010, the Company adopted the new performance-based long-term equity-based incentive program which prospectively replaced the previous program for granting long-term equity awards. Under the previous program, in accordance with past practice, the Company granted RSUs to the eligible named executive officers in August 2010 with respect to each named executive officer's performance during the prior fiscal year (granted at the conclusion of the performance period) the fiscal year ended June 30, 2010. Under the new program, the Company granted PSUs to the eligible named executive officers in August 2010 with payouts to be based on the Company's performance in future fiscal years (granted at the beginning of the performance period) the fiscal years ended June 30, 2011 through June 30, 2013. When adopting the new performance-based long-term equity-based incentive program, the Compensation Committee noted that in this transition year, the SEC's disclosure rules would require that the Summary Compensation Table for fiscal year 2011 reflect these two equity grants in the same year i.e. disclosure of the RSU grant made in respect of each named executive officer's prior performance during fiscal 2010 as well as disclosure of the PSU grant made in August 2010 relating to the future performance period of fiscal 2011-2013. The Compensation Committee recognized that this presentation, while mandated under the SEC rules, would not reflect its compensation decisions for fiscal 2011. Therefore the Company has provided this Supplemental Table that excludes the effect of transitioning from the former long-term equity program that was in place until fiscal 2010 to the new performance-based long-term incentive program adopted at the beginning of fiscal 2011 and that reflects the Compensation Committee's decisions for fiscal 2011. In addition, the Supplemental Table reports for fiscal 2011 a Bonus Stock award granted to Mr. Ailes in fiscal 2012 that was based on the achievement of a Fox Business Channel milestone in fiscal 2011. Although Mr. Ailes earned this award based on fiscal 2011 performance, SEC rules do not require disclosure of the award in the Summary Compensation Table for fiscal 2011. Consistent with its supplemental presentation of the awards to the other named executive officers as described in this footnote, the Company has included the Bonus Stock award granted to Mr. Ailes in the Supplemental Table below.

If Mr. Carey's employment is terminated by the Company without cause or by Mr. Carey with good reason, Mr. Carey is entitled to additional age and service credits when calculating his pension benefit. See "Description of Pension Benefits" below. The value of this benefit at June 30, 2011 is \$2.2 million.

- (2) Qualified pension plan includes benefits earned under either the News America Incorporated Employees' Pension and Retirement Plan or the Fox Pension Plan or a combination of these plans.
- (3) Mr. J. R. Murdoch did not receive additional credited service for the Qualified Pension Plan and the News America Incorporated Supplemental Executive Retirement Plan when he worked outside of the United States.

Table of Contents*Description of Pension Benefits*

The Company sponsors the News America Incorporated Employees Pension and Retirement Plan (the Qualified Pension Plan) which provides retirement benefits to each of the named executive officers and employees of certain U.S. subsidiaries. The Qualified Pension Plan is a broad-based, tax-qualified defined benefit plan for employees hired before January 1, 2008. Participation in the Qualified Pension Plan begins on January 1 or July 1 following the later of the date on which an eligible employee attains age 21 or completes one full year of service. Under the Qualified Pension Plan, participants become fully vested in their accrued benefit upon completion of five full years of service and are entitled to receive unreduced benefits upon retirement at age 65 or later. The benefit is paid in the form of a monthly annuity. The accrued benefit under the Qualified Pension Plan at normal retirement age for service after June 30, 1989 is equal to 1% of monthly compensation times years of service, plus 0.6% of average monthly compensation in excess of average covered compensation times years of service limited to 35 years (includes service prior to June 30, 1989 for limiting service). For service prior to June 30, 1989, the accrued benefit is the accrued benefit calculated under the prior plan formula and adjusted for the increase in average compensation. Average compensation is generally compensation reported on the participant's W-2 form during the participant's last 120 months of service, plus 401(k) plan or Section 125 deferrals, but does not include non-cash bonuses for any 60 consecutive months. The Company pays the entire cost of the benefits provided under the Qualified Pension Plan. Eligible compensation for purposes of the Qualified Pension Plan is limited by federal law.

In addition to the Qualified Pension Plan, the Company maintains the SERP, which provides benefits to employees who are participants in the Qualified Pension Plan but whose annual compensation exceeds the compensation limit of the Qualified Pension Plan (\$245,000 in 2011). With the exception of Mr. K.R. Murdoch, each of the named executive officers participates in the SERP. The compensation limit for the SERP is capped at \$100,000 in excess of the Qualified Pension Limit (\$345,000 in 2011). The benefits of the SERP are calculated using the same formula as the Qualified Pension Plan. The SERP is a non-qualified plan for tax purposes and is funded using a grantor trust. The assets in the grantor trust are unsecured funds of the Company and could be used to satisfy the Company's obligations in the event of bankruptcy or insolvency.

Each of the named executive officers also participate in the Company's ISERA, which provides enhanced benefits to a select group of the Company's top executives. The ISERA compensation limit is \$2.2 million for fiscal 2011. The benefit provided under the ISERA is unreduced for early retirement beginning at age 55 and is paid as 100% joint and surviving spouse annuity. This benefit is indexed annually at retirement to account for inflation. The ISERA also provides retirement health and life insurance benefits to the participating executives and their spouses. The ISERA is a non-qualified plan for tax purposes and is funded using a grantor trust. The assets in the grantor trust are unsecured funds of the Company and could be used to satisfy the Company's obligations in the event of bankruptcy or insolvency.

Messrs. Ailes and Carey have accrued benefits under the Fox Pension Plan which is another qualified pension plan. They accrued benefits under the Fox Pension Plan prior to participating under the Qualified Pension Plan. The Qualified Pension Plan counts Mr. Ailes's and Mr. Carey's service under the Fox Pension Plan. However, the benefit payable from the Qualified Pension Plan is reduced by Mr. Ailes's and Mr. Carey's accrued benefit under the Fox Pension Plan. Similar to the Qualified Pension Plan, the Fox Pension Plan is a broad-based, tax-qualified, defined benefit plan that provides retirement benefits to employees hired before January 1, 2008 of certain U.S. subsidiaries of the Company. Under the Fox Pension Plan, participants become fully vested in their accrued benefit upon completion of five years of service and are entitled to receive unreduced benefits upon retirement at age 65 or later. Participants retiring after age 55 with five years of service can receive an unreduced benefit at age 62. The benefit is paid in the form of a monthly annuity. The accrued benefit under the Fox Pension Plan at normal retirement age is equal to 1.2% of the final average compensation times years of service, plus 0.4% of final average compensation in excess of average wage base times years of service. Final average compensation is the highest base salary plus commission during the five calendar years in

Table of Contents

the ten most recent calendar years divided by the lesser of 60 or the participant's months of credited service. The Company pays the entire cost of the benefits provided under the Fox Pension Plan. Eligible compensation for purposes of the Fox Pension Plan is limited by federal law.

Pursuant to the Carey Amended Agreement, Mr. Carey is entitled to additional pension benefits in the event of his termination by the Company without Cause or his resignation for Good Reason during the term of the applicable agreement. The additional pension benefit adds the greater of 36 months or the number of months remaining in the term of the applicable employment agreement to his age and service credit in calculating his pension benefit. For example, if this provision was triggered during the fiscal year ended on June 30, 2011, Mr. Carey would receive a pension that would include 36 additional months of age and service credit from the fiscal year-end trigger date. The additional pension would be paid as long as either Mr. Carey or his spouse are alive. The present value of this additional benefit as of June 30, 2011 is \$2.2 million, determined using the same assumptions used to value the amount shown on the Pension Benefits Table above.

The material assumptions, except for assumed retirement age, used to quantify the present value of accumulated benefits for each named executive officer in the table above are set forth in Note 17 to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2011, including the discount rate of 5.75% and mortality assumption of RP 2000 projected to 2018. The assumed retirement age for Messrs. K.R. Murdoch, Carey, DeVoe and Ailes is their respective current age as they are each currently entitled to unreduced pension benefits under the ISERA. For Mr. J.R. Murdoch, the assumed retirement age is 55, the age he is entitled to receive unreduced benefits from the ISERA.

Potential Payments Upon Termination

As discussed under "Employment Arrangements" above, the employment agreements of each of Messrs. Carey, DeVoe and Ailes provide for certain payments and benefits upon their respective separation from the Company. In addition, the letter agreements of each of Messrs. K.R. Murdoch, J.R. Murdoch and DeVoe contain certain termination provisions relating to their Annual Bonuses and PSUs. These provisions are summarized below.

Chase Carey

- iii. a lump sum cash amount of \$8.1 million plus an amount equal to the Annual Bonus he received for the fiscal year ended immediately prior to the date of termination if Mr. Carey's employment is terminated on or after July 1, 2013 and prior to June 30, 2014.

With respect to the PSU Bonus, in the event of any type of termination that occurs on or prior to the last day of the first fiscal year of any applicable performance period, the entire award will be forfeited. Any PSU Bonus granted to Mr. Carey more than one year prior to the expiration of the Carey Amended Agreement would be payable at the end of the applicable performance period.

In addition, the terms of the Carey Amended Agreement provide that if any payments or benefits to be made to Mr. Carey is deemed to constitute a Parachute Payment as defined under the Internal Revenue Code and Mr. Carey becomes subject to excise taxes for such payments or benefits, the Company will pay him a tax gross-up for those excise taxes.

Pursuant to the Carey Amended Agreement, Good Reason is defined to include, among other things:

the assignment of duties inconsistent with his positions, duties and status with the Company or any removal from or failure to elect or re-elect Mr. Carey to any position with the Company (including membership on the Board, but only to the extent that the Company does not use its best efforts to maintain Mr. Carey's membership on the Board);
a reduction in base salary;
a material reduction in Mr. Carey's benefits under any employee benefit plan, or any material reduction in fringe benefits and perquisites provided to Mr. Carey;
any relocation of Mr. Carey's work location; and
any material breach by the Company of any provision of Mr. Carey's employment agreement.

Table of Contents**DIRECTOR COMPENSATION**

Directors' fees are not paid to Directors who are executives or employees of the Company (the Executive Directors) because the responsibilities of Board membership are considered in determining compensation paid as part of the executives' normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the Non-Executive Directors) are reviewed and recommended by the Compensation Committee of the Board (the Compensation Committee) and set by the Board. The Compensation Committee periodically reviews director compensation against the Company's peers and other comparably sized Standard & Poor's 500 companies and considers the appropriateness of the form and amount of director compensation and makes recommendations to the Board concerning director compensation with a view toward attracting and retaining qualified Directors. The Company believes that compensation for Non-Executive Directors should be competitive and fairly reflect the work and skills required for a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to align Directors' interests with the long-term interests of stockholders.

During fiscal 2011, the Non-Executive Directors were Messrs. Aznar, Barnes, Cowley, Dinh, Hurd, Knight, L.K. Murdoch, Perkins, Thornton, Sir Roderick Eddington and Ms. Bancroft. The annual retainers paid to Non-Executive Directors for service on the Board and its committees in the fiscal year ended June 30, 2011 is set forth in the table below.

Effective as of July 1, 2011, the DSU portion of the Non-Executive Directors' annual retainer was increased to \$140,000.

The value of the Class A Common Stock underlying each DSU will be paid to the respective Non-Executive Director in cash at the market value of the Class A Common Stock on the fifth anniversary date of when it was credited to that Director's account, unless that Director leaves the Board before that date. Upon a Non-Executive Director's end of service on the Board, such Director will be paid in cash the value of the shares of Class A Common Stock credited to his or her account at the market value of those shares of Class A Common Stock as of the date of the Director's end of service.

In accordance with its written charter, the Audit Committee assists the Board in its oversight of (i) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that may have a significant impact on the Company's financial statements and (vi) the review, approval and ratification of transactions with related parties. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. Management has the primary responsibility for the preparation of the Company's financial statements and the reporting process, including the system of internal control over financial reporting. The independent registered public accounting firm has the responsibility for the audit of those financial statements and internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In discharging its oversight responsibility as to the audit process, the Audit Committee (i) obtained from the independent registered public accounting firm a formal written statement describing all relationships between the independent registered public accounting firm and the Company that might bear on the independent registered public accounting firm's independence and affirming its independence consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, (ii) discussed with the independent registered public accounting firm, which documented the discussion, any relationships that may impact the firm's objectivity and independence, and (iii) considered whether the non-audit services provided to the Company by E&Y are compatible with maintaining the accountants' independence. The Audit Committee reviewed with both the independent registered public accounting firm and the corporate auditors their identification of audit risks, audit plans and audit scope. The Audit Committee discussed with management, the independent registered public accounting firm and the corporate auditors the corporate audit function's organization, responsibilities, budget and staffing.

The Audit Committee also discussed and reviewed with the independent registered public accounting firm all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 114, "The Auditor's Communication With Those Charged With Governance." The Audit Committee met with each of the independent registered public accounting firm and the corporate auditors, both with management present and in private sessions without management present, to discuss and review the results of the independent registered public accounting firm's audit of the financial statements, including the independent registered public accounting firm's evaluation of the accounting principles, practices and judgments applied by management, the results of the corporate audit activities and the quality and adequacy of the Company's internal controls.

The Audit Committee discussed the interim financial information contained in each of the quarterly earnings announcements with Company management and the independent registered public accounting firm. The Audit Committee also reviewed the audited financial statements of the Company as of and for the fiscal year ended June 30, 2011 with management and the independent registered public accounting firm.

At three of its meetings during fiscal year 2011 and one meeting during fiscal year 2012, the Audit Committee met with members of management, the independent registered public accounting firm and the corporate auditors to review the fiscal 2011 certifications provided by the Chief Executive Officer and the Chief

At these meetings, management reviewed with the Committee each of the Sarbanes-Oxley Act certification requirements including whether there were any (i) significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information, and (ii) any fraud, whether or not material, involving management or other employees who have a significant role in the Company's internal control over financial reporting.

Based on the above-mentioned review and discussions with management, the independent registered public accounting firm and the corporate auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2011, for filing with the SEC.
