(THE COMPANY) DISTRIBUTED A LETTER TO SHAREHOLDERS IN ITALY REGARDING THE COMPANY'S ANNUAL MEETING OF SHAREHOLDERS, WHICH IS EXPECTED TO BE HELD ON NOVEMBER 11, 2011 (THE ANNUAL MEETING), TO ITALIAN BANKS PARTICIPATING IN THE CUSTODY TRANSFER PROCEDURE WHOSE CLIENTS HOLD SHARES OF THE COMPANY THROUGH MONTE TITOLI, S.P.A. (THE LETTER TO SHAREHOLDERS). THE COMPANY INSTRUCTED SUCH BANKS TO FORWARD A COPY OF THE LETTER TO SHAREHOLDERS TO THE BANKS' CLIENTS HOLDING SHARES OF THE COMPANY. ENGLISH TRANSLATION OF LETTER TO SHAREHOLDERS

CELL THERAPEUTICS, INC.

Registered office: 501 Elliott Avenue West, Suite 400

Seattle, Washington 98119, United States of America

October 5, 2011

To our Italian shareholders:

This letter relates to the Annual Meeting of Shareholders (the **Annual Meeting**) of Cell Therapeutics, Inc., a Washington corporation (the **Company**), which is scheduled to be held on November 11, 2011 at 10:00 a.m. (Seattle, Washington time), at the Company's headquarters in Seattle, Washington, U.S.A.

Following the letter sent to the Company's shareholders dated August 31, 2011 regarding the Annual Meeting (the **August Letter**), we wish to inform the Company's shareholders that at the Annual Meeting the Company's shareholders will be asked to vote on the items listed in the August Letter (one of which will be revised as described below) and the following additional item (the **Additional Proposal**):

to approve an amendment to the Company's amended and restated articles of incorporation to increase the total number of authorized shares from 284,999,999 to 384,999,999 and to increase the total number of authorized shares of common stock from 283,333,333 to 383,333,333.

The Company is seeking shareholder approval of the Additional Proposal because a number of the Company's currently authorized shares of common stock (the **Common Stock**) have been issued or are reserved for issuance upon exercise or conversion of existing derivative securities (*i.e.*, securities convertible or exchangeable into shares of Common Stock). Because of the number of shares of Common Stock currently issued or reserved for issuance under various convertible securities, warrants, other derivative securities and otherwise, the Company believes it does not have a sufficient number of shares of Common Stock authorized at present to continue to fund its future operations. In order to continue to fund its operations, the Company will need to raise additional capital from financing sources. One of the ways the Company may raise such capital is by issuing shares of Common Stock and/or derivative securities from time to time. Without additional authorized shares of Common Stock, the Company will be unable to raise all of the financing it will likely need to maintain its operations.

The volatility in the stock markets both domestic and foreign has also impacted the volatility in the price of the Common Stock and thereby makes it more difficult to determine the amount of shares needed for funding the Company's continued operations. Accordingly, the authorization of additional shares would mitigate the risks associated with not having enough shares to fund the Company's near term development and initial commercial operations for potential product approvals in the U.S. and Europe next year through equity financings.

Taking into account all the reasons described above, the Company believes it is in the best interests of the Company's shareholders and the Company to increase the number of authorized shares of Common Stock to provide the Board of the Directors of the Company with the ability to undertake transactions to support the Company's operations.

The custody transfer described in the August Letter was successfully completed by certain of the banks. As of the record date of the Annual Meeting, which was September 28, 2011, any shareholder that wants to vote against the approval of the Additional Proposal or to abstain from voting on the Additional Proposal will have to provide specific instructions to the United States broker-dealer to which such shareholder's shares of Common Stock were transferred (the **Broker-Dealer**) on or before November 11, 2011. Please note that a Company shareholder can provide such instructions to the relevant Broker-Dealer through their Italian bank where such shareholder's shares of the Common Stock are normally deposited.

Failing the adoption of the above actions prior to the deadline of November 11, 2011, the transferred shares will be voted by the Broker-Dealer pursuant to the discretionary authority granted to them under the applicable securities laws of the United States and rules of the New York Stock Exchange.

Following transfer of the shares as mentioned above, the Company's shareholders will still be entitled to vote pursuant to the modalities set forth in the proxy statement for the Annual Meeting that the Company expects to be available on or about October 18, 2011, on the U.S. Securities and Exchange Commission's (the **SEC**) website (www.sec.gov) and on the Company's website (www.CellTherapeutics.com) and in paper form at the Italian depository banks, at the office of Borsa Italiana S.p.A. and at the office of the Italian branch of the Company's subsidiary CTI Life Sciences Ltd (contact person: Ms. Elena Bellacicca) at Via Amedei 8, 20123 Milan.

We also take this opportunity to also inform our shareholders of a revised item, which shall be voted on by the shareholders at the Annual Meeting regarding the Company's 2007 Equity Incentive Plan, as amended and restated (the **2007 Equity Plan**). In particular, shareholders will be requested to vote on the following revised proposal (the **Revised Proposal**):

to approve certain amendments to the Company's 2007 Equity Plan, as amended and restated (the 2007 Equity Plan), including an increase of the number of shares available for issuance under the 2007 Equity Plan by 14,000,000 shares.

As this Revised Proposal is not subject to the discretionary vote of the Broker-Dealers under the applicable securities laws of the United States and rules of the New York Stock Exchange, your shares of Common Stock transferred to U.S. accounts on September 28, 2011 will not be voted by the Broker-Dealers on such last revised item unless you instruct your Broker-Dealer to vote your shares on this proposal.

The complete and definitive agenda of the Annual Meeting will be contained in the final notice of call which is scheduled to be published on or about October 18, 2011.
