**Item 8.01. Other Events.**

On January 13, 2012 the Kansas Court of Tax Appeals ( COTA ) issued a ruling concerning the property tax valuation of the Coffeyville Resources Nitrogen Fertilizers, LLC ( CRNF ) fertilizer plant. CRNF is a wholly-owned subsidiary of CVR Partners, LP (the Company ). COTA ruled that the assessment in 2008 of CRNF s fertilizer plant as almost entirely real property instead of almost entirely personal property was appropriate. The 2008 assessment resulted in an increase to annual property tax expense for CRNF by approximately \$10.7 million. The Company disagrees with the ruling and plans to file a petition for reconsideration with COTA, and if necessary, an appeal to the Kansas Court of Appeals. The Company is also protesting the valuation of the CRNF fertilizer plant for tax years 2009 2011, which cases remain pending before COTA. CRNF has fully accrued and paid the property taxes the county claims are owed for the years ended December 31, 2010, 2009 and 2008, and has fully accrued such amounts for the year ended December 31, 2011. The first payment in respect of CRNF s 2011 property taxes was paid in December 2011 and the second payment will be made in May 2012. If CRNF is successful in having the nitrogen fertilizer plant reclassified as personal property, in whole or in part, a portion of the accrued and paid expenses would be refunded to CRNF, which could have a material positive effect on CRNF s and the Company s results of operations. If CRNF is not successful in having the nitrogen fertilizer plant reclassified as personal property, in whole or in part, CRNF expects that it will continue to pay property taxes at elevated rates.
