### FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain forward looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the Securities Act ), and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act ). All statements, other than statements of historical fact, included or incorporated by reference herein regarding our strategy, future operations, financial position, estimated financial results, planned transactions, projected costs, prospects, goals and objectives are forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as anticipate, believe, estimate, expect, intend, may, plan, seek, project, will, would, and similar expressions or expressions of the negative of these terms. Such statements only predictions and, accordingly, are subject to substantial risks, uncertainties and assumptions.

We intend for our forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and we set forth this statement in order to comply with such safe harbor provisions. Although we believe that the expectations, plans, intentions, and projections reflected in our forward-looking statements are reasonable, such statements are subject to known and unknown risks, uncertainties, and other factors that may cause our actual results, performance, or achievements to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements. The risks, uncertainties, and other factors that our stockholders and prospective investors should consider include, but are not limited to, the following:

The automotive retail industry is sensitive to changing economic conditions and various other factors. Our business and results of operations are substantially dependent on new vehicle sales levels in the United States and in our particular geographic markets and the level of gross profit margins that we can achieve on our sales of new vehicles, all of which are very difficult to predict.

Our results of operations and financial condition have been and could continue to be adversely affected by the unfavorable economic conditions in the United States and/or Europe.

Our debt agreements contain certain financial ratios and other restrictions on our ability to conduct our business, and our substantial indebtedness could adversely affect our financial condition and operations and prevent us from fulfilling our debt service obligations.

We are dependent upon the success and continued financial viability of the vehicle manufacturers and distributors with which we hold franchises.

Goodwill and other intangible assets comprise a significant portion of our total assets. We must test our goodwill and other intangible assets for impairment at least annually, which could result in a material, non-cash write-down of goodwill or franchise rights and could have a material adverse impact on our results of operations and shareholders' equity.

Our new vehicle sales are impacted by the consumer incentive and marketing programs of vehicle manufacturers.

Natural disasters and adverse weather events can disrupt our business.

We are subject to restrictions imposed by, and significant influence from, vehicle manufacturers that may adversely impact our business, financial condition, results of operations, cash flows, and prospects, including our ability to acquire additional stores.

We are subject to numerous legal and administrative proceedings, which, if the outcomes are adverse to us, could materially adversely affect our business, results of operations, financial condition, cash flows, and prospects.

Our operations are subject to extensive governmental laws and regulations. If we are found to be in violation of or subject to liabilities under any of these laws or regulations, or if new laws or regulations are enacted that adversely affect our operations, our business, operating results, and prospects could suffer.

We are subject to interest rate risk in connection with our vehicle floorplan payables, revolving credit facility, and term loan facility that could have a material adverse effect on our profitability.

Our largest stockholders, as a result of their ownership stakes in us, have the ability to exert substantial influence over actions to be taken or approved by our stockholders. These stockholders are represented on our Board of Directors and, therefore, may also have the ability to exert substantial influence over actions to be taken or approved by our Board. In addition, future share repurchases and purchases by our affiliates could further reduce our public float and could adversely impact the liquidity of our common stock.

A failure of our information systems or any security breach or unauthorized disclosure of confidential information could have a material adverse effect on our business.

Please refer to our most recent Annual Report on Form 10-K and to our subsequent filings with the Securities and Exchange Commission (the SEC ) for additional discussion of the foregoing risks. Forward-looking statements speak only as of the date on which they are made, and we undertake no obligation to publicly update or revise any forward-looking statements to reflect subsequent events or circumstances, except as required by law.

For convenience, the terms AutoNation, the Company, we, us, and our are used in this prospectus to refer to AutoNation, Inc. and its subsidiaries, unless otherwise required by the context. Our dealership operations are conducted by our subsidiaries.

**THE COMPANY**

*This summary highlights certain information about AutoNation, Inc. Because it is a summary, it does not contain all the information you should consider before investing in our securities. You should read carefully this entire prospectus, any prospectus supplement or free writing prospectus and the documents that we incorporate herein and therein by reference, including the sections entitled Risk Factors and our financial statements and related notes. You may obtain a copy of the documents that we incorporate by reference without charge by following the instructions in the section below entitled Where You Can Find Additional Information.*

AutoNation, Inc., through its subsidiaries, is the largest automotive retailer in the United States. As of December 31, 2011, we owned and operated 258 new vehicle franchises from 215 stores located in the United States, predominantly in major metropolitan markets in the Sunbelt region. Our stores, which we believe are some of the most recognizable and well-known stores in our key markets, sell 32 different brands of new vehicles. The core brands of vehicles that we sell, representing approximately 90% of the new vehicles that we sold in 2011, are manufactured by Ford, Toyota, Nissan, General Motors, Honda, Mercedes-Benz, BMW, and Chrysler.

We offer a diversified range of automotive products and services, including new vehicles, used vehicles, parts and automotive repair and maintenance services, and automotive finance and insurance products, which includes the arranging of financing for vehicle purchases through third-party finance sources. We believe that the significant scale of our operations and the quality of our managerial talent allow us to achieve efficiencies in our key markets by, among other things, leveraging our market brands and advertising, improving asset management, implementing standardized processes, and increasing productivity across all of our stores.

We were incorporated in Delaware in 1991. Our principal executive offices are located at 200 SW 1st Ave, Fort Lauderdale, FL 33301, and our telephone number at that address is (954) 769-6000. We maintain a website at [www.autonation.com](http://www.autonation.com). Information contained in or accessed through our website does not constitute a part of this prospectus.

**RISK FACTORS**

Investing in our securities involves risks. You should carefully consider, among other things, (i) the risk factors identified under the heading Risk Factors in Part I, Item 1A of our most recent Annual Report on Form 10-K, as updated by our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed subsequent to such Annual Report on Form 10-K, (ii) the risk factors identified under the heading Risk Factors in any applicable prospectus supplement or free writing prospectus, and (iii) the other information set forth in this prospectus, in any applicable prospectus supplement or free writing prospectus, and in the documents incorporated by reference into this prospectus. For more information, see the section entitled Where You Can Find Additional Information. These risks could materially and adversely affect our business, results of operations and financial condition and could result in a partial or complete loss of your investment.

**USE OF PROCEEDS**

Unless otherwise indicated in a prospectus supplement or a free writing prospectus, the net proceeds from the sale of the securities will be used for general corporate purposes, including working capital, acquisitions, repayment or refinancing of debt, share repurchases and other business opportunities.

**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth our ratio of earnings to fixed charges for the periods indicated:

	Year Ended December 31,				
	2011	2010	2009	2008	2007
Ratio of earnings to fixed charges	4.6	4.2	4.4	*	2.6

\* In the year ended December 31, 2008, earnings were insufficient to cover fixed charges by \$1.40 billion due to non-cash impairment charges of \$1.74 billion.

The ratio of earnings to fixed charges is calculated by dividing earnings, as defined, by fixed charges, as defined. For this purpose, earnings consist of income from continuing operations before taxes, plus fixed charges. Fixed charges consist of interest on indebtedness, including floorplan interest, amortization of debt issuance costs and the estimated portion of rental expense we deem to be representative of the interest factor of rental payments under operating leases.

We did not have any preferred stock outstanding for the periods presented, and therefore the ratios of earnings to combined fixed charges and preferred stock dividends would be the same as the ratios of earnings to fixed charges presented above.

### **DESCRIPTION OF CAPITAL STOCK**

The following description of our capital stock is based on our Third Amended and Restated Certificate of Incorporation, as amended (our Certificate of Incorporation ), our Amended and Restated By-Laws (our By-Laws ) and applicable provisions of law. We have summarized certain portions of our Certificate of Incorporation and By-Laws below. The summary is not complete and is subject to, and is qualified in its entirety by, the applicable provisions of the Delaware General Corporation Law ( DGCL ), our Certificate of Incorporation and our By-Laws, which are incorporated by reference herein. You should read our Certificate of Incorporation and By-Laws for the provisions that are important to you.

Copies of our Certificate of Incorporation and By-Laws are available upon request. Please see Where You Can Find Additional Information below. As used in this Description of Capital Stock, the terms our, ours and us refer only to AutoNation, Inc., a Delaware corporation, and not, unless otherwise indicated, to any of its subsidiaries.

#### **Capital Stock**

Under our Certificate of Incorporation, our authorized capital stock consists of 1,500,000,000 shares of common stock, \$0.01 par value, and 5,000,000 shares of preferred stock, \$0.01 par value. As of February 8, 2012, there were 131,921,417 shares of common stock issued and outstanding and no shares of preferred stock issued and outstanding.

#### ***Common Stock***

Our common stock is listed on the New York Stock Exchange under the ticker symbol AN. Each holder of shares of our common stock is entitled to one vote for each share held of record on the applicable record date on all matters submitted to a vote of stockholders. Subject to any preferential dividend rights granted to the holders of any shares of our preferred stock that may at the time be outstanding, holders of our common stock are entitled to receive dividends as may be declared from time to time by our Board of Directors ( Board ) out of funds legally available therefor. Upon any liquidation or dissolution of AutoNation, holders of our common stock are entitled to share pro rata in all remaining assets available for distribution to stockholders after payment or providing for our liabilities and the liquidation preference of any outstanding preferred stock. Holders of our common stock have no preemptive right to purchase, subscribe for or otherwise acquire any unissued or treasury shares or other securities.

#### ***Preferred Stock***

Our Certificate of Incorporation authorizes our Board to create preferred stock in one or more classes or series and to fix for each such class or series the voting powers, designations, preferences and relative, participating, optional or other special rights and any qualifications, limitations or restrictions thereof. Our Board is authorized to, among other things, provide that any such class or series of preferred stock may be (i) entitled to voting powers, full or limited (ii) subject to redemption at such time or times and at such price or prices as our Board may establish; (iii) entitled to receive dividends (which may be cumulative or non-cumulative) at such rates, on such conditions, and at such times, and payable in preference to, or in such relation to, the dividends payable on any other class or classes or any other series as our Board may establish; (iv) entitled to such rights

upon the dissolution of us, or upon any distribution of our assets, as our Board may establish; or (v) convertible into, or exchangeable for, shares of any other class or classes of stock, or of any other series of the same or any other class or classes of stock, of ours at such price or prices or at such rates of exchange and with such adjustments as our Board may establish. Issuance of preferred stock could discourage bids for the common stock at a premium as well as create a depressive effect on the market price of the common stock. As of the date hereof, no shares of preferred stock are outstanding.

#### **Certain Anti-Takeover Provisions of Our Certificate of Incorporation and By-Laws and the DGCL**

Certain provisions in our Certificate of Incorporation and By-Laws and the DGCL may have the effect of delaying, deferring or discouraging another party from acquiring us. These provisions, which are summarized below, are expected to discourage coercive takeover practices and inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our Board.

#### ***Advance Notice of Shareholder Proposals or Nominations***

Our By-Laws provide that shareholders at an annual meeting may only consider proposals or nominations specified in the notice of meeting or brought before the meeting by or at the direction of the Board or by a shareholder who was a shareholder of record on the record date for the meeting, who is entitled to vote at the meeting and who has given to our Corporate Secretary timely written notice, in proper form, of the shareholder's intention to bring that proposal or nomination before the meeting. In addition to certain other applicable requirements, for a shareholder proposal or nomination to be properly brought before an annual meeting by a shareholder, such shareholder generally must have given notice thereof in proper written form to our Corporate Secretary not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. Our By-Laws may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed or may discourage or defer a potential acquiror from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of us.

#### ***Special Meetings of Shareholders***

Our By-Laws deny shareholders the right to call a special meeting of shareholders. Our By-Laws provide that only the Board may call special meetings of the shareholders. Stockholders are permitted under our By-Laws to act by written consent in lieu of a meeting.

#### ***Delaware General Corporation Law***

We are a Delaware corporation and consequently are also subject to certain anti-takeover provisions of the DGCL. Subject to certain exceptions, Section 203 of the DGCL prevents a publicly held Delaware corporation from engaging in a business combination with any interested stockholder for three years following the date that the person became an interested stockholder, unless the interested stockholder attained such status with the approval of our Board or unless the business combination is approved in a prescribed manner. A business combination includes, among other things, a merger or consolidation involving us and the interested stockholder and the sale of more than 10% of our assets. In general, an interested stockholder is any entity or person beneficially owning 15% or more of our outstanding voting stock and any entity or person affiliated with or controlling or controlled by such entity or person. Section 203 makes it more difficult for an interested stockholder to effect various business combinations with a corporation for a three-year period. This statute could prohibit or delay mergers or other takeover or change in control attempts not approved in advance by our Board and as a result could discourage attempts to acquire us, which could depress the market price of our common stock.

**ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS**

The Company's Third Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") provides that the Board shall have all powers and authority which may be granted to a board of directors of a corporation under the Delaware General Corporation Law (the "DGCL") to provide indemnification for directors, officers, employees, and/or agents of the Company to the fullest extent permitted by law, subject however, to the rules against limitation on liability of directors as set forth in Section 102 of the DGCL, as amended from time to time.

In accordance with the requirements of Section 102 of the DGCL, the Certificate of Incorporation further provides that no director of the Company shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach by a director of the duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payments of dividends, or for unlawful stock purchases or redemptions, or (iv) for any transaction from which the director derived an improper personal benefit.

The Amended and Restated By-Laws of the Company (the "By-Laws") provide for a series of indemnification powers and procedures that follow the language of Section 145 of the DGCL.

Article VII of the By-Laws provides that the Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Company) by reason of the fact that such person is or was a director or officer of the Company, or is or was a director or officer of the Company serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action or proceeding, such person had no reasonable cause to believe his conduct was unlawful. The termination of an action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

The By-Laws provide that the Company's obligation to indemnify directors and officers of the Company applies to actions brought by or in the right of the Company as well, but only to the extent of defense and settlement expenses and not to any satisfaction of a judgment or settlement of the claim itself, and with the further limitation that in such actions no indemnification shall be made (i) unless the indemnified person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company or (ii) in the event such

## Edgar Filing: AUTONATION, INC. - Form S-3ASR

person seeking indemnity was adjudged to be liable to the Company, unless the court, in its discretion, believes that in light of all the circumstances indemnification should nonetheless apply.

The By-Laws provide that the Company may, to the extent authorized from time to time by the Board, provide rights to indemnification and to the advancement of expenses to employees and agents of the Company similar to those rights conferred to directors and officers of the Company under Article VII.

The By-Laws provide that any decision as to indemnification, unless ordered by a court, shall be made: (a) by a majority vote of the directors who are not parties to such action, suit or proceeding ( disinterested directors ), even though less than a quorum; (b) by a committee of disinterested directors designated by a majority vote of all disinterested directors, even though less than a quorum; (c) if there are no such disinterested directors, or if such directors so direct, by independent legal counsel in a written opinion; or (d) by the stockholders. However, the By-Laws provide that a present or former director or officer of the Company who has been successful on the merits or otherwise in defense of any action, suit or proceeding for which indemnification would be appropriate as described above shall be indemnified without the necessity of authorization in the specific case.

The By-Laws provide that the Company shall pay expenses incurred by an officer or director in defending a civil, criminal, administrative or investigative action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by such person to repay such amount if it shall ultimately be determined that such

person is not entitled to indemnification. Indemnification pursuant to these provisions is not exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise and shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer.

The Company may purchase and maintain insurance on behalf of any person who is or was a director or officer of the Company. Under an insurance policy maintained by the Company, the directors and officers of the Company are insured, within the limits and subject to the limitations of the policy, against certain expenses in connection with the defense of certain claims, actions, suits or proceedings, and certain liabilities which might be imposed as a result of such claims, actions, suits or proceedings, which may be brought against them by reason of being or having been such directors or officers.

The above summary is qualified in its entirety by reference to the complete text of the DGCL, Certificate of Incorporation and the By-Laws.

**ITEM 17. UNDERTAKINGS**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
