PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Trustees of the Funds for use at the Joint Annual Meeting of Shareholders of the Fund (the Meeting) to be held on Wednesday, April 25, 2012, at 10:00 a.m. Eastern Time, at 345 Park Avenue, 31st Floor, New York, New York 10154, and at any adjournments thereof.

Internet Availability of Proxy Materials

As permitted by the Securities and Exchange Commission (SEC) the Funds are furnishing proxy materials to shareholders on the internet, rather than mailing paper copies to each shareholder. The Notice of Internet Availability of Proxy Materials (Notice) tells you how to access and review the proxy materials and vote your shares via the internet. If you would like to receive a paper copy of the Funds proxy statement free of charge, please follow the instructions in the Notice. The Notice of each Fund s Meeting or the Proxy Statement with the accompanying proxy card was mailed to shareholders on or about March 9, 2012.

Other Methods of Proxy Solicitation

In addition to the solicitation of proxies by internet or mail, officers of the Fund and officers and regular employees of The Bank of New York Mellon (BNY), the Fund s transfer agent, ALPS Fund Services, Inc. (ALPS), the Funds administrator, and affiliates of BNY, ALPS or other representatives of the Funds may also solicit proxies by telephone, internet or in person. The expenses incurred in connection with preparing the Proxy Statement and its enclosures will be paid by the Funds. The Funds will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Funds Shares (as defined below). In addition, the Funds have engaged Broadridge Financial Solutions, Inc. (Broadridge) to assist in the proxy effort for the Funds. Under the terms of the engagement, Broadridge will be providing a web site for the dissemination of these proxy materials and tabulation services.

The Funds most recent annual report, including audited financial statements for the fiscal year ended December 31, 2011, is available upon request, without charge, by writing to the Funds at c/o ALPS Fund Services, Inc., 1290 Broadway, Suite 1100, Denver, CO 80203, by calling the Funds at 1.877.876.1121 (for BSL) and 1.877.299.1588 (for BGX) or via the internet at www.blackstone-gso.com.

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Shares (as defined below) represented thereby will be voted FOR the proposal listed in the Notice, unless instructions to the contrary are marked thereon, and in the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting. Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her shares in person or by submitting a letter of revocation or a later-dated proxy to the Fund at the above address prior to the date of the Meetings.

The holders of one third of the Shares entitled to vote on any matter at the Meeting present in person or by proxy shall constitute a quorum at the Meeting for purposes of conducting business. If a quorum is not present at the Meeting, or if a quorum is present at the Meeting, but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. Any such adjournment will require approval of the Chairman, the Trustees or the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that they are entitled to vote FOR any proposal in favor of such adjournment and will vote those proxies required to be voted AGAINST any proposal against such adjournment.

The close of business on March 2, 2012, has been fixed as the Record Date for the determination of shareholders entitled to notice of and to vote at each Fund's Meeting and all adjournments thereof.

The Blackstone / GSO Senior Floating Rate Term Fund has two classes of capital stock: common shares of beneficial interest, par value \$0.001 (the BSL Common Shares) and term preferred shares, aggregate liquidation preference of \$48 million (Preferred Shares), while the Blackstone / GSO Long-Short Credit Income Fund has one class of capital stock: common shares of beneficial interest, par value \$0.001 (the BGX Common Shares, together with the BSL Common Shares and Preferred Shares, the Shares). The holders of Shares are each entitled to one vote for each full Share and an appropriate fraction of a vote for each fractional Share held on such matters where such respective Shares are entitled to be cast. As of the Record Date, there were 15,173,683.600 BSL Common Shares, 48,000 Preferred Shares and 12,695,824.600 BGX Common Shares outstanding.

In order that your Shares may be represented at the Meeting, you are requested to vote on the following matters:

PROPOSALS 1 AND 2:
ELECTION OF NOMINEES
TO EACH FUND'S BOARD OF TRUSTEES

Nominees for BSL's Board of Trustees

BSL's Board is divided into three classes, each class having a term of three years. Each year the term of office for one class will expire. The following table summarizes the Trustees/Nominees who have been nominated by the Board of Trustees for election to a three-year term to expire at BSL's 2015 Annual Meeting of Shareholders or until their successors are duly elected and qualified, the class of each Trustee/Nominee and the class of shares entitled to vote on such Trustee/Nominee:

Proposal Independent	Preferred Shareholders Vote	Class	Expiration of Term if Elected
Trustee/Nominee Thomas W. Jasper	X	Class I	2015 Annual Meeting

Under BSL's Amended and Restated Agreement and Declaration of Trust (the "Declaration of Trust"), Statement of Preferences, and the Investment Company Act of 1940, as amended (the "1940 Act"), holders of BSL's outstanding Preferred Shares, voting as a separate class, are entitled to elect two Trustees, and holders of BSL's outstanding Common Shares and Preferred Shares, voting as a single class, are entitled to elect the remaining Trustees, subject to the provisions of the 1940 Act and BSL's Declaration of Trust, Statement of Preferences, and Amended and Restated By-Laws (the "By-Laws"). The holders of BSL's outstanding Preferred Shares would be entitled to elect the minimum number of additional Trustees that would represent a majority of the Trustees if dividends on BSL's Preferred Shares are in arrears for two full years. No dividend arrearages exist at this time.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy FOR the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

Nominees for BGX's Board of Trustees

The following table summarizes the proposed Trustees/Nominees to serve on BGX's Board of Trustees and the class of each Trustee/Nominee:

Proposal	Class	Expiration of Term if Elected
Independent Trustee/Nominee		
Edward H. D'Alonio	Class II	2014 Annual Meeting
Michael Holland	Class I	2013 Annual Meeting
Thomas W. Jasper	Class III	2015 Annual Meeting
Interested Trustee/Nominee		
Daniel H. Smith, Jr.	Class I	2013 Annual Meeting

At the Meeting, BGX's Board of Trustees will be classified into three classes—Class I, Class II and Class III—as nearly equal in number as reasonably possible, with the Trustees in each class to hold office until their successors are elected and qualified. At each succeeding annual meeting of shareholders, the successors to the class of Trustees whose terms expire at that meeting shall be elected to hold office for terms expiring at the later of the annual meeting of shareholders held in the third year following the year of their election or the election and qualification of their successors.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy FOR the election of the nominees named above. Each nominee has indicated that he has consented to serve as a Trustee if elected at the Meeting. If a designated nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees.

Information about each Trustee's Professional Experience and Qualifications

Provided below is a brief summary of the specific experience, qualifications, attributes or skills for each Trustee/Nominee that warrant their consideration as a Trustee candidate to the Board of Trustees of each Fund.

The Trustees were selected to join each Board of Trustees based upon the following as to each Trustee: his character and integrity; such person's service as a member of other boards of directors; such person's willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee; as to each Trustee other than Mr. Smith, such person's status as not being an interested person as defined in the 1940 Act; and, as to Mr. Smith, his role with GSO Capital Partners LP (collectively with its affiliates, GSO) and the Blackstone Group L.P. (collectively with its affiliates, Blackstone). No factor, by itself, was controlling. In addition to the information provided in the table included below, each Trustee possesses the following attributes: Mr. D'Alonio, experience as an investment professional; Mr. Holland, experience as an investment professional and service as a board member of other

registered management investment companies; Mr. Jasper, experience as an investment professional in the structured products market and experience concerning risk management; and Mr. Smith, experience as an executive and portfolio manager and leadership roles with GSO and Blackstone. References to the qualifications, attributes and skills of the Trustees are pursuant to requirements of the U.S. Securities and Exchange Commission (SEC), do not constitute holding out of the Boards of Trustees or any Trustees as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Boards of Trustees by reason thereof.

The following table sets forth certain information regarding the compensation of the Funds' Trustees for the fiscal year ended December 31, 2011. Trustees and Officers of the Funds who are employed by GSO receive no compensation or expense reimbursement from the Funds.

Compensation Table for the Fiscal Year Ended December 31, 2011.

	Term Fund	Income Fund

Michael Holland	\$20,000	\$20,000	\$40,000
Thomas W. Jasper	\$22,500	\$22,500	\$45,000
John R. O Neill ⁽¹⁾	\$22,500	\$22,500	\$45,000

(1) Mr. O Neill resigned from the Funds' Board of Trustees on January 5, 2012.

The Funds pay each Trustee an annual base retainer of \$24,000 (\$12,000 from each Fund) in aggregate. The Funds pay each Trustee \$3,000 (\$1,500 from each Fund) for each regular board meeting and special board meeting attended that is held jointly with both Funds. The relevant Fund will pay each Trustee \$2,000 for each regular board meeting and special board meeting attended that is not held jointly with the other Fund. Additionally, the chairman of the Audit Committee and the chairman of the Nominating Committee are paid an additional annual retainer of \$2,500 by each Fund if the chairman is the chairman of the same committee of each Fund. If the chairman is not the chairman of such committee of each Fund, then the relevant Fund pays an annual retainer of \$3,000 to that chairman. The Funds pay \$1,500 (\$750 from each Fund) to each Trustee for each committee meeting attended that is held jointly with both Funds, and the relevant Fund pays \$1,000 to each Trustee for each committee meeting attended that is not held jointly with the other Fund; provided that if a committee meeting is held on the same day as a board meeting then the Trustees attending the board meeting will not receive additional compensation for attending the committee meeting held that same day.

During the fiscal year ended December 31, 2011, the Board of Trustees of the Funds met six times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he is a member.

Leadership Structure of the Board of Trustees

Each Board of Trustees is currently comprised of four Trustees. Daniel H. Smith, Jr. serves as Chairman of each Board. Mr. Smith is an interested person of the Funds. The appointment of Mr. Smith as Chairman reflects each Board of Trustees' belief that his experience, familiarity with the relevant Fund's day-to-day operations and access to individuals with responsibility for the relevant Fund's management and operations will provide each Board of Trustees with insight into the relevant Fund's business and activities and, with his access to appropriate administrative support, will facilitate the efficient development of meeting agendas that address the relevant Fund's business, legal and other needs and the orderly conduct of board meetings. Each Board of Trustees has determined that its leadership structure is appropriate in light of the relevant Fund's circumstances and provides for the informed and independent exercise of its responsibilities. In this regard neither Board of Trustees has a lead Independent Trustee reflecting the belief of the Independent Trustees that they have adequate control and influence over the governance of the Board of Trustees and the relevant Fund by virtue of the fact that a substantial majority of the Board of Trustees are Independent Trustees that all committees are chaired by an Independent Trustees and that the Board of Trustees' small size facilitates the orderly and efficient flow of information among Trustees and with Fund management without the need for a lead Independent Trustee.

Oversight of Risk Management

Each Board of Trustees' role in risk oversight of the Funds reflects its responsibility under applicable state law to oversee generally, rather than to manage, the operations of the relevant Fund. In line with its oversight responsibility, the Board of Trustees receives reports and makes inquiries at its regular meetings and as needed regarding the nature and extent of significant Fund risks (including investment, compliance and valuation risks) that potentially could have a materially adverse impact on the business operations, investment performance or reputation of the relevant Fund, but relies upon the Fund's management (including the Fund's portfolio managers) and Chief Compliance Officer, who reports directly to the Board of Trustees, and the Adviser to assist it in identifying and understanding the nature and extent of such risks and determining whether, and to what extent, such risks may be eliminated or mitigated. In addition to reports and other information received from Fund management and the Adviser regarding the Fund's investment program and activities, the Board of Trustees as part of its risk oversight efforts expects to meet at its regular meetings and as needed with the Fund's Chief Compliance Officer to discuss, among other things, risk issues and issues regarding the policies, procedures and controls of the Fund. The Board of Trustees may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time by the Board of Trustees. For example, the Audit Committee of the Board of Trustees will meet regularly with the Funds' independent public accounting firm to review, among other things, reports on the Funds' internal controls for financial reporting.

Each Board of Trustees believes that not all risks that may affect the Funds can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that

it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Trustees as to risk management matters may be summaries of relevant information and may be inaccurate or incomplete. As a result of the foregoing and other factors, the Board of Trustees risk management oversight is expected to be subject to substantial limitations.

Audit Committee Reports

The Audit Committee acts according to the Audit Committee charter (the Charter). Thomas W. Jasper has been appointed as Chair of the Audit Committee of each Fund's Board of Trustees. The Audit Committee is responsible for assisting the Board of Trustees of the Funds in fulfilling its oversight responsibilities relating to accounting and financial reporting policies and practices of each Fund, including, but not limited to, the adequacy of each Fund's accounting and financial reporting processes, policies and practices; the integrity of each Fund's financial statements; the adequacy of each Fund's overall system of internal controls; each Fund's compliance with legal and regulatory requirements; the qualification and independence of each Fund's independent registered public accounting firm; the performance of each Fund's internal audit function provided by the Adviser and each Fund's other service providers; and the review of the report required to be included in the Funds' annual proxy statement by the rules of the SEC. The Audit Committee is also required to prepare an audit committee report to be included in the Funds' annual proxy statement as required by Item 407(d)(3)(i) of Regulation S-K. The Audit Committee operates pursuant to the Charter that was most recently reviewed and approved by each Fund's Board of Trustees on November 18, 2011. The Charter is available at the Funds' website, www.blackstone-gso.com. As set forth in the Charter, the function of the Committee is oversight; it is the responsibility of each Fund's investment adviser to maintain appropriate systems for accounting and internal control, and the independent auditors' responsibility to plan and carry out a proper audit. The independent accountant is ultimately accountable to each Fund's Board of Trustees and Audit Committee, as representatives of each Fund's shareholders. The independent accountant for the Funds reports directly to the Audit Committee.

In performing its oversight function, at a meeting held on February 27, 2012, each Audit Committee reviewed and discussed with management of each Fund and the independent accountant, Deloitte & Touche LLP (Deloitte), the audited financial statements of each Fund as of and for the fiscal year ended December 31, 2011, and discussed the audit of such financial statements with the independent accountant.

In addition, each Audit Committee discussed with the independent accountant the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent accountant required by Statement of Auditing Standards No. 114, (*The Auditor's communication with those charged with Governance*) as currently modified or supplemented and No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee also received from the independent accountant the written disclosures and letters required by Independence Standards Board Standard No. 1, (*Independence Discussions with Audit Committees*), as adopted by the PCAOB in Rule 3526 and

discussed the relationship between the independent accountant and each Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountant.

The members of each Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, each Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund's independent accountant. Accordingly, each Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, each Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of each Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Funds' independent accountant, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, each Audit Committee recommends to the Funds' Board of Trustees that each Fund's audited financial statements be included in the Funds' Annual Report for the fiscal year ended December 31, 2011.

SUBMITTED BY THE AUDIT COMMITTEE OF EACH FUND'S BOARD OF TRUSTEES

Thomas W. Jasper, Audit Committee Chairman

Edward H. D'Alenio

Michael Holland

February 27, 2012

Each Audit Committee met three times during the fiscal year ended December 31, 2011. Each Audit Committee is composed of three Independent Trustees, namely Messrs. D'Alenio, Jasper and Holland. None of the members of the Audit Committee is an interested person of the Fund.

Based on the findings of each Audit Committee, each Board of Trustees has determined that Thomas W. Jasper is each Fund's audit committee financial expert, as defined in the rules promulgated by the SEC, and as required by NYSE Listing Standards. Thomas W. Jasper serves as the Chairman of each Audit Committee for the Funds.

Nominating Committee

Each Fund's Board of Trustees has a Nominating Committee that is responsible for selecting and nominating candidates for election as Trustees to the Board of Trustees of the Fund. The members of the Nominating Committee are Edward H. D'Alenio, Michael Holland and Thomas W. Jasper, all of whom have been determined not to be interested persons of the Fund under the Investment Company Act and who are independent as defined in the NYSE listing standards. Mr. Jasper serves as Chairman of each Nominating Committee. BSL's Nominating Committee met twice and BGX's Nominating Committee met once during the fiscal year ended December 31, 2011.

When vacancies or creations occur, each Nominating Committee will consider Trustee candidates recommended by a variety of sources to include each Fund's shareholders. Each Nominating Committee may accept nominees recommended by a shareholder as it deems appropriate. Shareholders who wish to recommend a nominee for a Fund's Board of Trustees should send recommendations to the relevant Fund's Secretary that include all information relating to such person that is required to be disclosed in solicitations of proxies for the election of Trustees. A recommendation must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Trustees and to serve if elected by the shareholders. In considering Trustee candidates, each Nominating Committee will take into consideration the interest of shareholders, the needs of the Board of Trustees and the Trustee candidate's qualifications, which include but are not limited to, the diversity of the individual's professional experience, education, individual qualification or skills. The Nominating Committee is currently considering nominees to fill the vacancy resulting from the resignation of John O'Neill.

Any shareholder recommendation described above must be sent to the relevant Fund's Secretary at 345 Park Avenue, 31st Floor, New York, New York 10154. Each Fund's Nominating Committee charter is available on the Funds' website (www.blackstone-gso.com).

Valuation Committee

Each Valuation Committee is responsible for advising the Board with respect to the valuation of portfolio assets. The members of each Valuation Committee are Daniel H. Smith, Jr. and any one of the Independent Trustees. BSL's Valuation Committee met two times and BGX's Valuation Committee met three times during the fiscal year ended December 31, 2011.

Compensation Committee

Neither Fund has a compensation committee, however the Nominating Committee also reviews compensation arrangements for the Independent Trustees and submits its recommendations to the Board of Trustees.
