***Recent Developments***

FleetCor Technologies, Inc. ( FleetCor ) continues to actively pursue acquisitions of businesses with attractive business models in its current markets and other attractive markets. FleetCor has non-binding letters of intent to acquire three companies located outside of the United States. The aggregate purchase price for these acquisitions would be approximately \$250 million in cash, which FleetCor expects would be funded with cash on hand and borrowings under FleetCor's credit facilities. Although FleetCor is in varying stages of due diligence and contract negotiations regarding these acquisitions, all of the acquisitions remain subject to the satisfactory completion of due diligence, negotiation and resolution of business and legal issues, negotiation and completion of mutually satisfactory definitive agreements and corporate approvals by the parties. FleetCor cannot provide assurance that any of these acquisitions will be completed on acceptable terms or at all.

***Credit Agreement Amendment***

The Amendment adds two U.K. entities as designated borrowers and adds a \$110 million foreign currency swing line subfacility under the existing revolver, which will allow for alternate currency borrowing on the swing line.
