Item 8.01 Other Events.

LoopNet Inc. (the Company) and CoStar Group, Inc. (CoStar) announced that on April 26, 2012, the Federal Trade Commission (FTC) accepted the Consent Order that was previously agreed between and among the FTC staff, the Company and CoStar on April 17, 2012. The Consent Order is subject to a 30-day public comment period and then final acceptance by the FTC. However, there are no further regulatory approvals required to complete the merger of the Company and CoStar, as the waiting period under the Hart-Scott-Rodino Act was terminated upon the FTC's acceptance of the Consent Order.

The parties intend to close the merger of the Company and CoStar, which remains subject to the satisfaction of other customary closing conditions, on or about April 30, 2012.

Cautionary Statements Regarding Forward-Looking Statements.

This Current Report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the timing of the merger, the companies' plans, objectives, expectations and intentions and other statements including words such as hope, anticipate, may, believe, expect, intend, will, should, plan, continue and potential or the negative of these terms or other comparable terminology. Such statements are based upon the current beliefs and expectations of management of the Company and CoStar and are subject to significant risks and uncertainties. Actual results may differ materially from the results anticipated in the forward-looking statements. The following factors, among others, could cause or contribute to such differences: the possibility that the merger does not close; the possibility that the public comment and final acceptance process for the Consent Order could result in further regulatory implications; the possibility that the conditions, divestitures and changes relating to the operations or assets of the Company and CoStar as a result of the Consent Order may result in unanticipated adverse effects on the combined company; the risk that expected cost savings or other synergies from the merger may not be fully realized or may take longer to realize than expected; the risk that the businesses of the Company and CoStar may not be combined successfully or in a timely and cost-efficient manner; the risk that business disruption relating to the merger may be greater than expected; and failure to obtain any required financing on favorable terms. Additional factors that could cause results to differ materially from those anticipated in the forward-looking statements can be found in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 and CoStar's Annual Report on Form 10-K for the year ended December 31, 2011, each filed with the SEC, including in the Risk Factors section of each of these filings, and each company's other filings with the SEC available at the SEC's website (<http://www.sec.gov>).
