**Item 8.01 Other Events.**

On July 23, 2012, we entered into a stipulation of settlement that will resolve the class action securities lawsuits consolidated under the caption *In re MannKind Corp. Securities Litigation*, Master File No. 11-cv-00929-GAF (SSx), pending in the U.S. District Court for the Central District of California. The current and former officers and directors named as individual defendants in the consolidated lawsuits have also entered into the stipulation of settlement. By entering into the stipulation of settlement, defendants do not in any way admit fault or liability, and continue to deny all allegations of wrongdoing arising out of the action. The stipulation of settlement, a copy of which is filed as Exhibit 99.1 hereto, remains subject to preliminary and final approval by the U.S. District Court.

Subject to preliminary and final approval of the settlement by the U.S. District Court, and in exchange for a release of all claims by the class members, among others, and a dismissal of the consolidated lawsuits, we have agreed (i) to cause our insurers to pay class members and their attorneys a total of \$16 million; and (ii) to issue to class members and their attorneys 2,777,778 shares of our common stock. We have also agreed that if the consolidated closing bid price for our common stock is below \$1.00 per share on the date the U.S. District Court enters an order of final judgment, then we will issue class members and their attorneys an additional one million shares of our common stock.

If the U.S. District Court preliminarily approves the settlement, potential class members will be notified of the proposed settlement and the procedure by which they can object to the settlement or request to be excluded from the class. The settlement will then be subject to final approval by the U.S. District Court.

Following final approval of the settlement by the U.S. District Court, including a finding that the exchange of the class members' claims for the shares of our common stock is fair, the shares will be issued pursuant to the exemption from registration provided by Section 3(a)(10) of the Securities Act of 1933, as amended.
