Item 1.01. Entry into a Material Definitive Agreement

On September 25, 2012, West Coast Bancorp, an Oregon corporation (West Coast), entered into an Agreement and Plan of Merger (the Merger Agreement) with Columbia Banking System, Inc., a Washington corporation (Columbia). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, a newly formed subsidiary of Columbia will merge with and into West Coast (the Merger), with West Coast continuing as the surviving corporation (the Surviving Corporation). As soon as reasonably practicable following the Merger, and as part of a single integrated transaction, the Surviving Corporation will be merged with and into Columbia (the Second Step Merger), and together with the Merger, the Mergers). The Merger Agreement was unanimously approved and adopted by the Board of Directors of each of West Coast and Columbia.

Subject to the terms and conditions of the Merger Agreement, at the effective time of the Merger, West Coast shareholders will have the right to receive, at their election (but subject to customary proration and allocation procedures applicable to oversubscription and undersubscription for cash consideration), either cash, stock, or a unit consisting of a mix of cash and stock, in an amount equal to their pro rata share (adjusted to account for Class C warrants and in-the-money stock options) of the total consideration, which consists of \$264,468,650 in cash plus 12,809,525 shares of Columbia common stock (the Merger Consideration). The per share Merger Consideration payable at the effective time of the Merger will be a function of the average closing price of Columbia common stock for the twenty day period beginning on the twenty fifth day before the effective time of the Merger. If the effective time of the Merger does not occur on or prior to the later of (i) six months from the execution of the Merger Agreement (the Six Months Date) and (ii) April 1, 2013, and if West Coast s consolidated total stockholders equity (subject to adjustment for certain unaccrued fees and expenses incurred in connection with the Merger) exceeds \$328,000,000, the aggregate Merger Consideration will be increased by an amount equal to West Coast s earnings during the period from the Six Months Date to the effective time (excluding the amount of quarterly cash dividends paid by West Coast during such period). In addition, if the average closing price of Columbia s common stock for the twenty days beginning on the twenty fifth day before the effective time of the Merger has declined by more than 17.5% from the price of Columbia common stock on the day of the execution of the Merger Agreement, and Columbia s common stock underperforms the Keefe Bruyette & Woods Regional Banking Index by more than 17.5% during such period, West Coast may terminate the Merger Agreement unless Columbia contributes sufficient additional cash consideration to offset any reduction in the value of the Merger Consideration attributable to such decline.

The Merger Agreement provides that, as set forth in the terms of the Class C Warrants, each Class C Warrant will become exercisable for Merger Consideration based on the Merger Consideration that would have been received if such Class C Warrant had been exercised for Series B Preferred Stock and converted into West Coast common stock prior to the effective time, subject to election, proration and allocation procedures, and each Class C Warrant that remains outstanding and unexercised at the effective time will be deemed an equivalent warrant, with adjusted exercise prices and number of underlying shares, with rights to receive such Merger Consideration upon future exercise. Upon consummation of the Merger, each outstanding and unexercised West Coast stock option will be converted into and become a vested option to purchase shares of common stock of Columbia on the same terms and conditions (other than vesting) as immediately prior to the effective time of the Merger, subject to adjustment based on the Merger Consideration of the exercise price and the number of shares of Columbia common stock issuable upon exercise of such option. As provided in the terms of the Series B Preferred

Stock, each holder of outstanding shares of Series B Preferred Stock will have the option to convert any of such holder's shares into the Merger Consideration on a common-equivalent basis, subject to election, proration and allocation procedures. Any shares of Series B Preferred Stock not converted into the Merger Consideration at the effective time of the Merger will remain outstanding and convert into preference securities of Columbia having rights, preferences, privileges, and voting powers that are not materially less favorable to the holders of Series B Preferred stock than those they had prior to the Merger. At the effective time, each share of West Coast restricted stock will vest in full and will be converted into the right to receive the Merger Consideration.

Consummation of the Merger is subject to customary conditions, including, among others, approval by West Coast shareholders of the Merger Agreement, approval by Columbia shareholders of the issuance of Columbia common stock in connection with the Merger (the "Stock Issuance"), and receipt of required regulatory approvals.

Upon consummation of the Merger, the Board of Directors of West Coast will consist of the directors serving on the Board of Directors of Columbia prior to the effective time of the Merger plus one independent director from the Board of Directors of West Coast, to be selected by Columbia's Nominating and Corporate Governance Committee.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Columbia, West Coast, their respective affiliates or their respective businesses, the Merger Agreement and the Mergers that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a Joint Proxy Statement of Columbia and West Coast and a prospectus of Columbia, as well as in the Forms 10-K, Forms 10-Q and other filings that each of Columbia and West Coast make with the SEC.

Concurrently with the execution of the Merger Agreement, MFP Partners, L.P., GF Financial, L.L.C. and Castle Creek Partners IV, LP (the "Principal Shareholders") have each entered into separate Stock Conversion, Voting and Support Agreements with Columbia pursuant to which such Principal Shareholders have agreed, subject to the terms set forth therein, to convert their shares of Series B Preferred Stock into shares of West Coast common stock and to vote their shares that are entitled to vote in favor of the Merger and related matters, and to become subject to certain transfer restrictions with respect to their holdings of West Coast securities and to certain standstill restrictions with respect to Columbia. In addition, concurrently with the execution of the Merger Agreement, certain directors of West Coast have entered into a Voting and Non-Competition Agreement with Columbia and West Coast pursuant to which such directors have agreed, subject to the terms set forth therein, to vote their shares of West Coast common stock in favor of the Merger and related matters, and to become subject to certain transfer and non-compete restrictions. Concurrently with the execution of the Merger Agreement, each of the directors of Columbia has also entered into a Voting Agreement with Columbia and West Coast pursuant to which, subject to the terms set forth therein, such directors have agreed to vote their shares of Columbia common stock in favor of the Stock Issuance and related matters and to become subject to certain transfer restrictions. Each of these agreements terminates in accordance with its terms if the Merger Agreement is terminated, and in other specified circumstances. The foregoing summary of the voting agreements does not purport to be complete and is qualified in its entirety by the text of such agreements, which are attached as Exhibits 99.1 (Stock Conversion, Voting and Support Agreement by and between Columbia Banking System, Inc. and Castle Creek Capital Partners IV, LP dated September 25, 2012), 99.2 (Stock Conversion, Voting and Support Agreement by and between Columbia Banking System, Inc. and GF Financial, L.L.C. dated September 25, 2012), 99.3 (Stock Conversion, Voting and Support Agreement by and between Columbia Banking System, Inc. and MFP Partners, L.P. dated September 25, 2012), 99.4 (Form of Voting and Non-Competition Agreement by and among Columbia Banking System, Inc., West Coast Bancorp and certain directors of West Coast Bancorp dated September 25, 2012) and 99.5 (Form of Voting Agreement by and among West Coast Bancorp, Columbia Banking System, Inc. and directors of Columbia Banking System, Inc. dated September 25, 2012) hereto, and are incorporated herein by reference.

Cautionary Statements Regarding Forward-Looking Information

This Current Report on Form 8-K may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause Columbia's or West Coast's performance or achievements to be materially different from any expected future results, performance, or achievements. Forward-looking statements speak only as of the date they are made and neither Columbia nor West Coast assumes any duty to update forward looking statements. Such forward-looking statements include, but are not limited to, statements about the benefits of the business combination transaction involving Columbia and West Coast, including future financial and operating results, the combined company's plans, objectives, expectations and intentions and other statements that are not historical facts. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (i) the possibility that the Merger does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all; (ii) changes in Columbia's stock price before closing, including as a result of the financial performance of West Coast prior to closing, or more generally due to broader stock market movements, and the performance of financial companies and peer group companies, (iii) the risk that the benefits from the transaction may not be fully realized or may take longer to realize than expected, including as a result of changes in general economic and market conditions, interest and exchange rates, monetary policy, laws and regulations and their enforcement, and the degree of competition in the geographic and business areas in which West Coast operates; (iv) the ability to promptly and effectively integrate the businesses of Columbia and West Coast; (v) the reaction of the companies' customers, employees and counterparties to the transaction; and (vi) diversion of management time on merger-related issues. For more information, see the risk factors described in each of Columbia's and West Coast's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other filings with the Securities and Exchange Commission (the SEC).
