Item 1.01. Entry into a Material Definitive Agreement

On December 19, 2012, SandRidge Exploration and Production, LLC (SandRidge E&P), a wholly-owned subsidiary of SandRidge Energy, Inc., and Sheridan Holding Company II, LLC (Sheridan) entered into a Purchase and Sale Agreement (the Purchase Agreement), pursuant to which Sheridan will acquire SandRidge E&P 's assets in the Permian Basin, other than those assets associated with SandRidge Permian Trust, and will assume certain related liabilities (collectively, the Properties). The Purchase Agreement provides that, at closing, Sheridan will pay SandRidge E&P \$2.6 billion in cash, \$255 million of which shall have been deposited in an escrow account on or before December 24, 2012. The transaction will have an effective date of January 1, 2013.

Consummation of the transaction is subject to customary conditions, including compliance with the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvement Act. SandRidge E&P and Sheridan have agreed to certain interim operating covenants through the closing.

The Purchase Agreement may be terminated by SandRidge E&P if the escrow amount shall not have been deposited by December 24, 2012, and by either SandRidge E&P or Sheridan if (a) applicable closing conditions (including, in the case of Sheridan, the absence of a material adverse effect related to the Properties) have not been satisfied by March 29, 2013, or (b) Sheridan asserts net title and environmental defects exceeding 20% of the purchase price. The Purchase Agreement may also be terminated by mutual written consent.

Each of SandRidge E&P and Sheridan has made customary representations and warranties and covenants. The assertions embodied in the representations and warranties were made solely for purposes of the contract between SandRidge E&P and Sheridan and are not intended to provide factual, business, or financial information about SandRidge E&P or Sheridan. Moreover, some of the representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for purposes of allocating risk between SandRidge E&P and Sheridan rather than establishing matters as facts.

The Purchase Agreement is filed as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement.
