The Change of Control Conversion Date will be a business day that is no less than 20 days nor more than 35 days after the date on which the Issuer provides the required notice of the occurrence of a Change of Control to the holders of Series I Preferred Shares.

The Common Share Price will be (i) if the consideration to be received in the Change of Control by holders of the Issuer's common shares is solely cash, the amount of cash consideration per common share, and (ii) if the consideration to be received in the Change of Control by holders of common shares is other than solely cash, the average of the closing price per common share on the 10 consecutive trading days immediately preceding, but not including, the effective date of the Change of Control.

Optional Redemption:

If, prior to the Change of Control Conversion Date, the Issuer has provided or provides notice of redemption with respect to the Series I Preferred Shares (whether pursuant to the Issuer's optional redemption right or its special optional redemption right), investors will not have the conversion right described above.
