(2) Includes 2,942,604 shares of our common stock subject to outstanding stock options exercisable on or within the 60-day period following March 11, 2013.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On November 23, 2005, SS&C Holdings acquired SS&C through the merger of Sunshine Merger Corporation, our wholly owned subsidiary, with and into SS&C, with SS&C surviving the merger and becoming a wholly owned subsidiary of SS&C Holdings. We refer to the acquisition, the equity contributions to SS&C Holdings by Mr. Stone and Carlyle in connection with the acquisition, SS&C Holdings' entry into senior secured credit facilities and its issuance and sale of senior subordinated notes, and the other transactions in connection with the acquisition as the Transaction.

Stockholders Agreement

On November 23, 2005, Mr. Stone became a party to a stockholders agreement with SS&C Holdings and Carlyle, which includes restrictions on transfer as well as other provisions described below. The parties amended certain provisions of the stockholders agreement in April 2008, March 2010 and March 2011.

Board of Directors. Pursuant to the stockholders agreement, our board of directors consists of eight members. The initial board arrangements under the stockholders agreement were as follows: Mr. Stone occupied one seat and had the right to designate one of the remaining board members, and Carlyle had the right to designate four board members. Accordingly, Mr. Stone designated Normand A. Boulanger; and Carlyle designated Campbell R. Dyer, William A. Etherington, Allan M. Holt and Claudius E. Watts, IV. Subsequently, the stockholders agreement was amended to provide that Mr. Stone and Carlyle would jointly designate two board members (Jonathan E. Michael and David A. Varsano) and the number of board members Carlyle was entitled to designate was reduced from four to two as the result of a reduction in its percentage ownership of our common stock. In May 2012, Mr. Etherington was re-elected to our board of directors by our stockholders for a three-year term. The number of board members which Mr. Stone is entitled to designate (including himself) will be reduced to one director if Mr. Stone holds less than 15% of our common stock. The number of board members which Carlyle is entitled to designate will be reduced to one director if Carlyle holds less than 15% of our common stock. Based on our shares outstanding as of March 11, 2013, assuming the sale by the selling stockholders of all 7,750,000 shares of our common stock covered by this prospectus and assuming no other sales or purchases of our common stock by the selling stockholders, following completion of the offering, Mr. Stone will beneficially own approximately 20.49% of our common stock and investment funds affiliated with Carlyle will beneficially own approximately 18.85% of our common stock.

Mr. Stone's rights under the board of directors designation provisions of the stockholders agreement will terminate at such time as he holds less than 10% of our common stock. Carlyle's rights under the board of directors designation provisions of the stockholders agreement will terminate at such time as Carlyle holds less than 10% of our common stock.

Table of Contents

Bring-along rights. If any party to the stockholders agreement proposes to transfer 50% or more of all common stock held by the parties to the stockholders agreement to a third-party purchaser, then such transferring stockholder can require the other stockholders who are parties to the agreement to transfer their common stock on the same terms and conditions as the transferring holder.

Other rights. The stockholders agreement also contained certain tag-along and preemptive rights which terminated upon completion of our initial public offering in March 2010, or our IPO.

Service Provider Stockholders Agreement

On November 23, 2005, all of our members of management (other than Mr. Stone) and all employee option holders whose SS&C options were converted into options to acquire common stock of SS&C Holdings became parties to a service provider stockholders agreement with Carlyle and SS&C Holdings. In addition, certain holders of options to purchase our common stock have subsequently become parties to the service provider stockholders agreement. SS&C Holdings and Carlyle amended certain provisions of the service provider stockholders agreement in April 2008. Under the agreement, if Carlyle proposes to transfer 50% or more of our outstanding common stock to a third-party purchaser, then Carlyle can require the members of our management and employee option holders who are parties to the agreement to transfer their common stock and options on the same terms and conditions as Carlyle (bring-along rights).

Registration Rights Agreement

On November 23, 2005, Mr. Stone became a party to a registration rights agreement with SS&C Holdings and Carlyle, which provides for certain registration rights. Under the registration rights agreement, either Carlyle or Mr. Stone can demand that we file a registration statement for all or a portion of their common stock. Carlyle and Mr. Stone are also entitled to request that their shares be covered by a registration statement that we are otherwise filing with respect to our common stock. These registration rights are subject to conditions and limitations, including the right of the underwriters of an offering to limit the number of shares included in certain registrations. Under the registration rights agreement, we have also agreed to indemnify the selling stockholders against certain liabilities relating to the selling of the common stock, including liabilities arising under the Securities Act, and to pay the costs and fees of registering the shares of common stock; however, the selling stockholders will pay any brokerage commissions, discounts or other expenses relating to the sale of shares of common stock. The registration statement of which this prospectus is a part was filed at the request of Carlyle pursuant to the registration rights agreement.

Management Rights Agreement

Carlyle, SS&C Holdings and SS&C entered into a management rights agreement on November 23, 2005, pursuant to which Carlyle Partners IV, L.P. was granted (1) the right to nominate one director to serve as a member of our board of directors and to appoint one non-voting board observer to the board of directors of SS&C, (2) reasonable access to the books and records of SS&C Holdings and SS&C and their subsidiaries and (3) the right to consult from time to time with the management of SS&C Holdings and SS&C and their subsidiaries at their respective place of business regarding operating and financial matters. The management rights agreement will terminate with respect to SS&C when SS&C Holdings and its affiliates no longer beneficially own any voting securities of SS&C. The management rights agreement will terminate with respect to SS&C Holdings when Carlyle and its affiliates no longer beneficially own any voting securities of SS&C Holdings.

Fund Administration Services Agreement

On August 12, 2008, Walkers SPV Limited acting solely in its capacity as trustee of the Carlyle Series Trust and its classes or sub-trusts, Carlyle Loan Investment Ltd., CLP Cayman Holdco, Ltd., CCPMF Cayman Holdco, Carlyle Credit Partners Financing I, Ltd., which we refer to collectively as the Funds, and Carlyle Investment Management L.L.C. entered into a fund administration services agreement with SS&C. Pursuant to the fund administration services agreement, the Funds appointed SS&C to act as administrator, registrar and transfer agent and to provide the Funds with certain fund administration services, including daily processing and reconciliation services, fund accounting services and unitholder services, and such ancillary services as are set forth in work requests that may be executed by the parties from time to time. The agreement became effective on July 1, 2008, and the Funds are in the process of liquidation. SS&C is paid a monthly charge based on annual rates derived from the net asset value of the Funds, subject to a minimum monthly fee. SS&C also receives certain hourly and other fees for any ancillary services that it provides under the agreement. From January 1, 2012 through December 31, 2012, the Funds paid an aggregate of \$31,000 to SS&C under the agreement.

Processing Services Agreement

On June 22, 2009, Carlyle Investment Management L.L.C. entered into a processing services agreement with SS&C. Pursuant to the agreement, SS&C provides investment accounting and data processing services. The agreement was amended in June 2011 to extend it through June 21, 2014. SS&C is paid a monthly fee based on annual rates derived from the net asset value of Carlyle Investment Management L.L.C., subject to a minimum monthly fee. SS&C also receives other fees for certain ancillary services that it provides under the agreement. From January 1, 2012 through December 31, 2012, Carlyle Investment Management L.L.C. paid an aggregate of \$0.2 million to SS&C under the agreement.

Amended and Restated Stock Option Agreement

On April 8, 2003, Mr. Stone was granted a stock option, expiring on April 8, 2013, to purchase 1,275,000 shares of common stock at an exercise price of \$1.89 per share. On March 7, 2013 our board of directors approved, and on March 10, 2013 SS&C Holdings and Mr. Stone entered into, an Amended and Restated Stock Option Agreement to provide that the option covers class A non-voting common stock rather than voting common stock. On March 7, 2013, our board of directors also approved the ability of Mr. Stone to satisfy any withholding taxes payable in connection with exercise of this option through (1) the surrender to SS&C Holdings of shares of common stock owned by Mr. Stone and/or (2) the withholding of shares of common stock otherwise issuable to Mr. Stone upon exercise of the option, in either case with the fair market value of the surrendered and/or withheld shares being equal to the exercise price payable upon exercise. In the event that Mr. Stone satisfies his withholding tax obligations with shares of common stock, SS&C Holdings would be required to pay the withholding taxes in cash to the applicable taxing authorities. In lieu of satisfying his withholding tax obligations with shares of common stock, Mr. Stone intends to use a significant portion of his net proceeds from the sale of his shares offered hereby to pay the exercise price and taxes associated with his exercise of this stock option prior to its expiration.

In May 2011, we entered into a similar Amended and Restated Stock Option Agreement with Mr. Stone, pursuant to which a stock option to acquire 637,500 shares of SS&C Holdings common stock was amended such that it became a stock option to purchase 637,500 shares of SS&C Holdings class A non-voting common stock. Mr. Stone subsequently exercised this stock option.

The selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;

ordinary brokerage transactions and transactions in which the broker solicits purchasers;

block trades in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

in options transactions.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In connection with distributions of the shares or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of the common stock in the course of hedging the positions they assume with a selling stockholder. The selling stockholders may also sell the common stock short and redeliver the shares to close out such short positions. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The selling stockholders may also pledge shares to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution, may effect sales of the pledged shares pursuant to this prospectus (as supplemented or amended to reflect such transaction).

In effecting sales, broker-dealers or agents engaged by the selling stockholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholders in amounts to be negotiated immediately prior to the sale.

In offering the shares covered by this prospectus, any broker-dealers who execute sales for the selling stockholders may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. The compensation of any broker-dealer may be deemed to be underwriting discounts and commissions.

The specific terms of the lock-up provisions, if any, in respect of any given offering will be described in the applicable prospectus supplement.

In order to comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their respective affiliates. In addition, we will make copies of this prospectus available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

Item 15. Indemnification of Directors and Officers.

Section 102 of the Delaware General Corporation Law allows a corporation to eliminate the personal liability of directors of a corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. We have included such a provision in our Restated Certificate of Incorporation.

Section 145 of the General Corporation Law of Delaware provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against amounts paid and expenses incurred in connection with an action or proceeding to which he is or is threatened to be made a party by reason of such position, if such person shall have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal proceeding, if such person had no reasonable cause to believe his conduct was unlawful; provided that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the adjudicating court determines that such indemnification is proper under the circumstances.

Our Restated Certificate of Incorporation provides that we will indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, other than an action by or in the right of us, by reason of the fact that he or she is or was, or has agreed to become, a

director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, all such persons being referred to as an indemnitee, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom, if such indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful.

Our Restated Certificate of Incorporation provides that we will indemnify any indemnitee who was or is a party to or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of us to procure a judgment in our favor by reason of the fact that the indemnitee is or was, or has agreed to become, our director or officer, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses, including attorneys' fees, and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred by or on behalf of the indemnitee in connection with such action, suit or proceeding, and any appeal therefrom, if the indemnitee acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, our best interests, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to us, unless a court determines that, despite such adjudication but in view of all of the circumstances, he or she is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any indemnitee has been successful, on the merits or otherwise, we will indemnify him or her against all expenses, including attorneys' fees, actually and reasonably incurred in connection therewith. Expenses must be advanced to an indemnitee under certain circumstances.

We have entered into indemnification agreements with each of our directors in addition to the indemnification provided for in our Restated Certificate of Incorporation. These indemnification agreements require us, among other things, to indemnify our directors for certain expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director in any action or proceeding arising out of his service as one of our directors, or any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

We maintain a general liability insurance policy that covers certain liabilities of directors and officers of our corporation arising out of claims based on acts or omissions in their capacities as directors or officers.

Item 512(a) of Regulation S-K. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), that are incorporated by reference in this Registration Statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser,

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

Item 512(b) of Regulation S-K. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Item 512(h) of Regulation S-K. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities

and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 512(i) of Regulation S-K. The undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
