Warrant Adjustments and Other Matters Related to the Special Dividend of Silver Bay Common Stock

As previously announced, on March 18, 2013, a special committee of the Board of Directors of Two Harbors Investment Corp. (the Company) declared a dividend pursuant to which the Company will distribute 17,824,647 shares of common stock, par value \$0.01 per share, of Silver Bay Realty Trust Corp.'s common stock (Silver Bay Common Stock) to its stockholders by way of a dividend (the Stock Dividend). The Stock Dividend will be distributed pro-rata to stockholders of the Company based on ownership of the Company's common stock at the close of business on the record date for the Stock Dividend, which is April 2, 2013 (the Record Date). On the Record Date, there were 365,065,756 shares of the Company's common stock issued and outstanding.

Under the terms of the warrant agreement governing the Company's warrants, the Stock Dividend requires an adjustment to (1) the exercise price payable upon exercise of the warrants (\$11.00 per warrant share prior to the adjustment), and (2) the number of shares of Company common stock issuable upon exercise of the warrants and payment of the exercise price therefore (one share of common stock per warrant share exercised prior to the adjustment) (together, the Warrant Adjustments). Calculation of the Warrant Adjustments is determined based on, among other things, the closing price of the Company's common stock on the business day immediately preceding the ex-dividend date for the Stock Dividend and the fair market value of the Stock Dividend to be received for each share of the Company's common stock on the ex-dividend date.

On April 2, 2013, the Company announced the Warrant Adjustments. Pursuant to the Warrant Adjustments, the exercise price of each warrant is now \$10.25 per warrant share and, upon exercise of their warrants, warrant holders will receive 1.0727 shares of the Company's common stock.

It is important to note that the Warrant Adjustments apply only to those warrants that are not exercised and remain outstanding following the Record Date. As of the close of business on the Record Date, there were approximately 4.8 million warrants outstanding.

The Company's press release on the Warrant Adjustments is attached hereto as Exhibit 99.1.
