PROXY STATEMENT

FOR 2013 ANNUAL MEETING OF STOCKHOLDERS

to be held on Tuesday, June 4, 2013 at 11:00 a.m. Pacific Daylight Time

This proxy statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by our board of directors for use at the annual meeting of stockholders (the Annual Meeting) to be held on June 4, 2013, and any postponements, adjournments or continuations thereof. The Annual Meeting will be held at the Sofitel San Francisco Bay Hotel, located at 223 Twin Dolphin Drive, Redwood City, California 94065, on June 4, 2013 at 11:00 a.m. Pacific Daylight Time. On or about April 22, 2013, we expect to mail to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement for our annual meeting and our annual report to stockholders.

The information provided in the question and answer format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully.

What matters am I voting on?

You will be voting on:

the election of two Class I directors to hold office until the 2016 annual meeting of stockholders or until their successors are duly elected and qualified;

a proposal to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2013; and

any other business that may properly come before the meeting.

How does the board of directors recommend I vote on these proposals?

The board of directors recommends a vote:

FOR the nominees for election as Class I directors; and

FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2013.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 10, 2013, the record date, may vote at the Annual Meeting. As of the record date, we had 31,667,462 shares of common stock outstanding. In deciding all matters at the Annual Meeting, each stockholder will be entitled to one vote for each share of common stock held on the record date. We do not have cumulative voting rights for the election of directors.

Edgar Filing: QUALYS, INC. - Form DEF 14A

Registered Stockholders. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

How do I vote?

There are four ways to vote:

by Internet at <http://www.proxyvote.com>, 24 hours a day, seven days a week, until 11:59 p.m. on June 3, 2013 (have your proxy card in hand when you visit the website);

by toll-free telephone at 1-800-690-6903 (have your proxy card in hand when you call);

by completing and mailing your proxy card (if you received printed proxy materials); or

by written ballot at the Annual Meeting.

Can I change my vote?

Yes. You can change your vote or revoke your proxy any time before the Annual Meeting by:

entering a new vote by Internet or by telephone;

returning a later-dated proxy card;

notifying the Corporate Secretary of Qualys, Inc., in writing, at the address listed on the front page; or

completing a written ballot at the Annual Meeting.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxies by our board of directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instruction of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors as described above. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Why did I receive a notice regarding the availability of proxy materials on the Internet instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (SEC), we have elected to furnish our proxy materials, including this proxy statement and our annual report to our stockholders, primarily via the Internet. On or about April 22, 2013, we expect to mail to our stockholders a Notice of Internet Availability of Proxy Materials (the Notice) that contains instructions on how to access our proxy materials on

Edgar Filing: QUALYS, INC. - Form DEF 14A

the Internet, how to vote at the meeting, and how to request printed copies of the proxy materials and annual report. Stockholders may request to receive all future

proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings.

What is a quorum?

A quorum is the minimum number of shares required to be present at the annual meeting for the meeting to be properly held under our bylaws and Delaware law. The presence, in person or by proxy, of a majority of all issued and outstanding shares of common stock entitled to vote at the meeting will constitute a quorum at the meeting. A proxy submitted by a stockholder may indicate that all or a portion of the shares represented by the proxy are not being voted (stockholder withholding) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (broker non-vote) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. See How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions? The shares subject to a proxy that are not being voted on a particular matter because of either stockholder withholding or broker non-vote will count for purposes of determining the presence of a quorum. Abstentions are also counted in the determination of a quorum.

How many votes are needed for approval of each matter?

Proposal No. 1: The election of directors requires a plurality vote of the shares of common stock voted at the meeting. Plurality means that the individuals who receive the largest number of votes cast for are elected as directors. As a result, any shares not voted for a particular nominee (whether as a result of a stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election.

Proposal No. 2: The ratification of the appointment of Grant Thornton LLP must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote thereon to be approved. Abstentions are considered votes cast and thus, will have the same effect as a vote against the proposal. Broker non-votes will have no effect on the outcome of this proposal.

How are proxies solicited for the Annual Meeting?

The board of directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending these proxy materials to you if a broker or other nominee holds your shares.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter the proposal to ratify the appointment of Grant Thornton LLP. Your broker will not have discretion to vote on the election of directors absent direction from you.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Qualys, Inc. or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called householding, which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, the proxy materials to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, the proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that Qualys only send a single copy, of the Notice and, if applicable, the proxy materials, stockholders may contact us as follows:

Qualys, Inc.
Attention: Investor Relations
1600 Bridge Parkway
Redwood City, California 94065

(650) 801-6100

Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2014 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than December 20, 2013. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to:

Qualys, Inc.
Attention: Corporate Secretary
1600 Bridge Parkway
Redwood City, California 94065
(650) 801-6100

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual

meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the meeting by or at the direction of our board of directors, or (iii) properly brought before the meeting by a stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2014 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

not earlier than February 6, 2014; and

not later than the close of business on March 8, 2014.

In the event that we hold our 2014 annual meeting of stockholders more than 30 days before or more than 60 days after the one-year anniversary date of the 2013 annual meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

the 90th day prior to such annual meeting; or

the 10th day following the day on which public announcement of the date of such meeting is first made.

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our nominating and corporate governance committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to the Corporate Secretary of Qualys, Inc. at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see Board of Directors and Corporate Governance Stockholder Recommendations for Nominations to the Board of Directors.

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time period described above under Stockholder Proposals for stockholder proposals that are not intended to be included in our proxy statement.

Availability of Bylaws

A copy of our bylaws may be obtained by accessing Qualys' filings on the SEC's website at www.sec.gov. You may also contact our Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

PROPOSAL NO. 1**ELECTION OF DIRECTORS**

Our business affairs are managed under the direction of our board of directors, which is currently composed of seven members. Six of our directors are independent under the NASDAQ Stock Market listing standards. Our board of directors is divided into three staggered classes of directors. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his successor, or his earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

The following table sets forth the names and certain other information for each of the nominees for election as a director and for each of the continuing members of the board of directors as of April 19, 2013:

	Class	Age	Position	Director Since	Current Term Expires	Expiration of Term For Which Nominated

Director Independence

Our board of directors has reviewed the independence of each director. Based on information provided by each director concerning his or her background, employment and affiliations, our board of directors has determined that each of Ms. Bergeron, Mr. Dixon, Mr. Hank, Gen. Pace, Mr. Schmidt and Mr. Sisteron do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of the NASDAQ Stock Market. In making these determinations, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Leadership Structure

Mr. Courtot currently serves as both Chairman of our board of directors and President and Chief Executive Officer. Our board of directors believes that the current board leadership structure, coupled with a strong emphasis on board independence, provides effective independent oversight of management while allowing the board of directors and management to benefit from Mr. Courtot's leadership and years of experience as an executive in the technology industry. Serving on our board of directors since 2000 and as Chief Executive Officer since 2001, Mr. Courtot is best positioned to identify strategic priorities, lead critical discussion and execute our strategy and business plans. Mr. Courtot possesses detailed in-depth knowledge of the issues, opportunities, and challenges facing us. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside of our company, while the Chief Executive Officer brings company specific experience and expertise. The board of directors believes that Mr. Courtot's combined role enables strong leadership, creates clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Lead Independent Director

Our board of directors has appointed Mr. Dixon to serve as our lead independent director. a member. Mr. Schmidt joined the board of directors in June 2012 and attended one of two board meetings held between the date he joined the board of directors and December 31, 2012.

Although we do not have a formal policy regarding attendance by members of our board of directors at annual meetings of stockholders, we encourage, but do not require, directors to attend.

Our board of directors has an audit committee, a compensation committee, and a nominating and corporate governance committee, each of which will have the composition and responsibilities described below. Members serve on these committees until their resignation or until otherwise determined by our board of directors.

Our audit committee consists of Ms. Bergeron, Mr. Hank and Mr. Sisteron, with Mr. Hank serving as Chairman. The audit committee operates under a written charter that was adopted by our board of directors and satisfies the applicable rules of the SEC and the listing standards NASDAQ Stock Market. A copy of the Audit Committee Charter is available on our website at <http://investor.qualys.com>.

promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code. The purpose of our compensation committee is to discharge the responsibilities of our board of directors relating to compensation of our executive officers. Our compensation committee will, among other things:

review, approve and determine, or make recommendations to our board of directors regarding, the compensation of our executive officers;

establish and review general policies relating to compensation and benefits of our employees.

The compensation committee operates under a written charter that was adopted by our board of directors and satisfies the applicable rules of the SEC and the listing standards of the NASDAQ Stock Market. A copy of the Compensation Committee Charter is available on our website at <http://investor.qualys.com>.

Nominating and Corporate Governance Committee

Our nominating and governance committee consists of Gen. Pace, Mr. Schmidt and Mr. Sisteron, with Mr. Schmidt serving as Chairman. The composition of our nominating and corporate governance committee meets the requirements for independence under current NASDAQ Stock Market listing standards and SEC rules and regulations. Our nominating and corporate governance committee will, among other things:

identify, evaluate and select, or make recommendations to our board of directors regarding, nominees for election to our board of directors and its committees;

evaluate the performance of our board of directors and of individual directors;

consider and make recommendations to our board of directors regarding the composition of our board of directors and its committees;

review developments in corporate governance practices;

Considerations in Evaluating Director Nominees

The nominating and corporate governance committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of directors candidates, the nominating and corporate governance committee will consider the current size and composition of the

Edgar Filing: QUALYS, INC. - Form DEF 14A

board of directors and the needs of the board of directors and the respective committees of the board of directors. Some of the qualifications that the nominating and corporate governance committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other

commitments. Nominees must also have the ability to offer advice and guidance to our Chief Executive Officer based on past experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. Director candidates must have sufficient time available in the judgment of the nominating and corporate governance committee to perform all board of director and committee responsibilities. Members of the board of directors are expected to prepare for, attend, and participate in all board of director and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although the nominating and corporate governance committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders best interests. The nominating and corporate governance committee will also seek appropriate input from the Chief Executive Officer from time to time in assessing the needs of the board of directors for relevant background, experience, diversity and skills of its members.

Although the board of directors does not maintain a specific policy with respect to board diversity, the board of directors believes that the board should be a diverse body, and the nominating and corporate governance committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, the nominating and corporate governance committee may take into account the benefits of diverse viewpoints. The nominating and corporate governance committee also considers these and other factors as it oversees the annual board of director and committee evaluations.

Stockholder Recommendations for Nominations to the Board of Directors

The nominating and corporate governance committee will consider candidates for director recommended by stockholders so long as such recommendations comply with the certificate of incorporation and bylaws of our company and applicable laws, rules and regulations, including those promulgated by the SEC. The committee will evaluate such recommendations in accordance with its charter, our bylaws and the regular nominee criteria described above. This process is designed to ensure that the board of directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our General Counsel in writing. Such recommendations must include information about the candidate, a statement of support by the recommending stockholder, evidence of the recommending stockholders ownership of our stock and a signed letter from the candidate confirming willingness to serve on our board of directors. The committee has discretion to decide which individuals to recommend for nomination as directors.

A stockholder of record can nominate a candidate directly for election to the board of directors by complying with the procedures in Section 2.4(ii) of our bylaws. Any eligible stockholder who wishes to submit a nomination should review the requirements in the bylaws on nominations by stockholders. Any nomination should be sent in writing to the Qualys, Inc., Attention: Corporate Secretary, 1600 Bridge Parkway, Redwood City, California 94065. Notice must be received by us no earlier than February 6, 2014, and no later than March 8, 2014. The notice must state the information required by Section 2.4(ii)(b) of our bylaws and otherwise must comply with applicable federal and state law.

Stockholder Communications with the Board of Directors

Stockholders wishing to communicate with the board of directors or with an individual member of the board of directors may do so by writing to the board of directors or to the particular member of the board of directors, and mailing the correspondence to: Qualys, Inc., Attention: General Counsel, 1600 Bridge Parkway, Redwood City, California 94065. All such stockholder communications will be forwarded to the appropriate member or members of the board of directors, or if none is specified, to the Chairman of the board of directors.

Corporate Governance Guidelines and Codes of Business Conduct and Ethics

Our board of directors has adopted Corporate Governance Guidelines. These guidelines address, among other items, the responsibilities of our directors, the structure and composition of our board of directors and corporate governance policies and standards applicable to us in general. In addition, our board of directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior financial officers. The full text of our Corporate Governance Guidelines and Code of Business Conduct and Ethics is posted on the Corporate Governance portion of our website at <http://investor.qualys.com>. We will post amendments to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers on the same website.

Risk Management

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our board of directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our board of directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our board of directors believes that open communication between management and the board of directors is essential for effective risk management and oversight. Our board of directors meets with our Chief Executive Officer and other members of the senior management team at quarterly board meetings, where, among other topics, they discuss strategy and risks facing the company.

While our board of directors is ultimately responsible for risk oversight, our board committees assist the board of directors in fulfilling its oversight responsibilities in certain areas of risk. The audit committee assists our board of directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, legal and regulatory compliance, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk management. The audit committee also reviews management's assessment of the key risks facing us, including the key controls it relies on to mitigate those risks. The audit committee also monitors certain key risks at each of its regularly scheduled meetings, such as risk associated with internal control over financial reporting and liquidity risk. The nominating and corporate governance committee assists our board of directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. The compensation committee assesses risks created by the incentives inherent in our compensation policies. Finally, the full board of directors reviews strategic and operational risk in the context of reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

Non-Employee Director Compensation

The following table provides information regarding compensation paid by us to certain of our non-employee directors during 2012. Directors who are also our employees receive no additional compensation for their service as a director. During 2012, one director, Mr. Courtot, our Chairman, President and Chief Executive Officer, was an employee. Mr. Courtot's compensation is discussed under the heading Executive Compensation. We reimburse our directors for expenses associated with attending meetings of our board of directors and meetings of committees of our board.

Outside Director Compensation Program

In November 2012, our board of directors, upon the recommendation of the compensation committee, approved the compensation program for our non-employee directors (Outside Directors). The compensation committee's recommendation program to adopt the same was based, in part, upon the results of a review conducted by Compensia, a compensation consultant previously engaged by the compensation committee to review our compensation practices for Outside Directors and to compare such practices to the compensation practices of comparable companies. Outside Directors will receive compensation in the form of equity and cash, as described below:

Equity Compensation

Upon joining the board, each newly elected Outside Director will receive an option to purchase 21,000 shares of our common stock (the Initial Award). The term of the Initial Award will be ten years and the exercise price will be the fair market value, as determined in accordance with our 2012 Equity Incentive Plan (the 2012 Plan), on the date of the grant. The shares underlying the Initial Award will vest as to 1/36th of the total shares subject to such award monthly over a period of three years following the date of grant, subject to continued service as a director through each vesting date.

On the date of each annual meeting of our stockholders, each Outside Director who has served on the Board for at least six months prior to such date will be granted an option to purchase 12,000 shares of our common stock (the Annual Option Award). The term of the Annual Option Award will be ten years and the exercise price will be the fair market value, as determined in accordance with our 2012 Plan on the date of the grant. All of the shares underlying the Annual Option Award will vest as to 1/12th of the total shares subject to such award monthly over a period of one year following the date of grant, subject to continued service on the Board through each vesting date.

Notwithstanding the vesting schedules described above, the vesting of each Initial Award and each Annual Option Award will accelerate in full upon a change in control (as defined in the 2012 Plan).

Cash Compensation

Each year, each Outside Director will receive a cash retainer of \$30,000 for serving on the board of directors (the Annual Retainer). In addition to the Annual Retainer, the lead independent director will be entitled to an additional cash retainer of \$15,000.

The chairpersons and members of the board's three standing committees will be entitled to the following cash retainers each year:

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of the board of directors has appointed Grant Thornton LLP (Grant Thornton), independent registered public accountants, to audit our financial statements for the year ending December 31, 2013. During the year ended December 31, 2012, Grant Thornton served as our independent registered public accounting firm.

Notwithstanding its selection and even if our stockholders ratify the selection, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in the best interests of Qualys, Inc. and its stockholders. At the Annual Meeting, the stockholders are being asked to ratify the appointment of Grant Thornton as our independent registered public accounting firm for the year ending December 31, 2013. Our audit committee is submitting the selection of Grant Thornton to our stockholders because we value our stockholders views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Grant Thornton will be present at the Annual Meeting, and they will have an opportunity to make statements and will be available to respond to appropriate questions from stockholders.

If the stockholders do not ratify the appointment of Grant Thornton, the board of directors may reconsider the appointment.

Fees Paid to the Independent Registered Public Accounting Firm

The following table presents fees for professional audit services and other services rendered to our company by Grant Thornton for the years ended December 31, 2011 and 2012.

	2011	2012

Audit-Related Fees (2)	32,821	52,028
	\$ 309,276	\$ 970,669

- (1) Audit fees consist of fees for professional services provided in connection with the audit of our annual consolidated financial statements, review of our quarterly consolidated financial statements, accounting consultations and our initial public offering.
- (2) Audit-Related fees consist of fees for professional services provided in connection with the issuance of our Service Organization Control Report (SOC1), which provides assurance to our customers that we have adequate controls and safeguards over the processing of their data.

Auditor Independence

In 2012, there were no other professional services provided by Grant Thornton that would have required the audit committee to consider their compatibility with maintaining the independence of Grant Thornton.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Consistent with requirements of the SEC and the Public Company Oversight Board, or PCAOB, regarding auditor independence, our audit committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this

responsibility, our audit committee has established a policy for the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

Before engagement of the independent registered public accounting firm for the next year's audit, the independent registered public accounting firm submits a detailed description of services expected to be rendered during that year for each of the following categories of services to the audit committee for approval:

Audit services. Audit services include work performed for the audit of our financial statements and the review of financial statements included in our quarterly reports, as well as work that is normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings.

Audit-Related services. Audit-Related services are for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not covered above under audit services.

Tax services. Tax services include all services performed by the independent registered public accounting firm's tax personnel for tax compliance, tax advice and tax planning.

Other services. Other services are those services not described in the other categories.

The audit committee pre-approves particular services or categories of services on a case-by-case basis. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the services must be pre-approved by the audit committee before the independent registered public accounting firm is engaged. Pre-approval fee levels or budgeted amounts for all services to be provided by the independent registered public accounting firm are established annually by the audit committee. Any proposed services exceeding these levels or amounts require specific pre-approval by the audit committee. All fees paid to Grant Thornton since our initial public offering, effective September 27, 2012, were pre-approved by the audit committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP.

REPORT OF THE AUDIT COMMITTEE

The audit committee is a committee of the board of directors comprised solely of independent directors as required by the listing standards of the NASDAQ Stock Market and rules of the SEC. The audit committee operates under a written charter approved by the board of directors, which is available on the Investors portion of our web site at www.qualys.com. The composition of the audit committee, the attributes of its members and the responsibilities of the audit committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The audit committee reviews and assesses the adequacy of its charter and the audit committee's performance on an annual basis.

With respect to the financial reporting process of Qualys, Inc. (the Company), the management of the Company is responsible for (1) establishing and maintaining internal controls and (2) preparing the Company's consolidated financial statements. Grant Thornton LLP (Grant Thornton) is responsible for auditing these financial statements. It is the responsibility of the audit committee to oversee these activities. It is not the responsibility of the audit committee to prepare or certify our financial statements or guarantee the audits or reports of Grant Thornton. These are the fundamental responsibilities of management and Grant Thornton. In the performance of its oversight function, the audit committee has:

reviewed and discussed the audited financial statements with management and Grant Thornton;

discussed with Grant Thornton the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), and as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

received the written disclosures and the letter from Grant Thornton required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Grant Thornton its independence.

Based on the audit committee's review and discussions with management and Grant Thornton, the audit committee recommended to the board of directors that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2012 for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the audit committee of the board of directors:

Jeffrey P. Hank (Chair)

The option may be subject to accelerated vesting as described below.

Non-Equity Incentive Plan Compensation

We provide our named executive officers with an opportunity to receive quarterly formula-based incentive amounts.

2012 Non-Equity Incentive Payments

For 2012, the target incentive amounts and the aggregate annual payments (paid on a quarterly basis) earned by our named executive officers under our 2012 Corporate Bonus Plan were the following:

Named Executive Officer	Target Award Opportunity	Actual Award Amount
Philippe F. Courtot	\$ 120,000	\$ 90,000
Donald C. McCauley	90,000	67,500
Bruce K. Posey	49,135(1)	17,617

- (1) The target was pro-rated based on the time that Mr. Posey was employed by us in 2012.

The amount of the incentive payment was determined based on the growth in our bookings for the applicable quarter over the same quarter of the prior year. This bookings metric is calculated as the sum of the amounts of all new, renewal and upsell subscriptions purchased by customers and channel partners in each quarter. A named executive officer's quarterly incentive payment is paid at 100% of target if the bookings metric for the applicable quarter equals or exceeds a certain target threshold as compared to the same quarter in the prior year. The quarterly incentive amount scales down to 25% of target if the bookings metric for the applicable quarter equals a minimum target threshold as compared to the same quarter in the prior year, and is zero if such minimum target threshold is not reached. To be eligible for a quarterly incentive payment under our 2012 Corporate Bonus Plan, an individual must be employed as of the last day of the quarter.

Executive Employment Arrangements

Philippe F. Courtot

We entered into an offer letter agreement on December 7, 2000 with Philippe F. Courtot, our Chairman, President and Chief Executive Officer. The offer letter agreement has no specific term and constitutes at-will employment. Mr. Courtot's annual base salary was \$300,000 in 2012 and is currently \$350,000, effective January 1, 2013. He was eligible for annual incentive payments equal to 40% of his base salary pursuant to our 2012 Corporate Bonus Plan and is eligible for annual incentive payments equal to 50% of his base salary pursuant to our 2013 Corporate Bonus Plan.

As of December 31, 2012, Mr. Courtot held one stock option that remained partially unvested. This option was granted on December 3, 2009 covering 1,053,235 shares with a vesting commencement date of January 25, 2011 and an exercise price per share of \$3.80. This option is scheduled to vest, subject to Mr. Courtot's continued employment, as to 1/4th of the total shares on each monthly anniversary of the vesting commencement date and is early-exercisable as to unvested shares, subject to our right to repurchase any unvested shares upon termination of employment for any reason at a repurchase price per share equal to the lesser of the original purchase price per share or the fair market value per share on the termination of employment date. This option was granted pursuant to our 2000 Plan and an individual stock option agreement thereunder.

Mr. Courtot's option provides that if, within 12 months following a change of control (as defined in his stock option grant notice), his employment is terminated without cause (as defined in his stock option grant notice) or he resigns for good reason (as defined in his stock option grant notice), then, in each case, subject to the execution of a release of claims, he receives 100% vesting acceleration of such option. In addition, by the terms of our 2000 Plan, (i) upon a change in control transaction where the acquiring entity does not assume or substitute for our outstanding stock options, and/or (ii) upon an acquisition by any person of securities representing at least 50% of the combined voting power entitled to vote for directors, Mr. Courtot's outstanding and unvested option fully accelerates, in each case, subject to Mr. Courtot's continuous employment through the applicable transaction.

Donald C. McCauley

We entered into an offer letter agreement on February 7, 2006, which we amended September 7, 2012, with Donald C. McCauley, our Chief Financial Officer. The offer letter agreement has no specific term and constitutes at-will employment. Mr. McCauley's current annual base salary is \$300,000. Mr. McCauley's offer letter provides that if his employment is terminated without cause, then, subject to execution of a release of claims, Mr. McCauley receives a lump sum severance payment equal to six months of his then-current base salary and six months of company paid COBRA coverage.

As of December 31, 2012, Mr. McCauley held one stock option that remained partially unvested. This option was granted on February 3, 2011 covering 150,000 shares with a vesting commencement date of February 29, 2012 and an exercise price per share of \$4.40. This option is scheduled to vest, subject to Mr. McCauley's continued employment, as to 1/24th of the total shares on each monthly anniversary of the option's vesting commencement date and is early-exercisable as to unvested shares, subject to our right to repurchase any unvested shares upon termination of employment for any reason at a repurchase price per share equal to the lesser of the original purchase price per share or the fair market value per share on the termination of employment date. All participants' interests in their deferrals are 100% vested when contributed. In 2012, we made no matching contributions into the 401(k) plan.
