PRELIMINARY PROSPECTUS

Caesars Entertainment Operating Company, Inc.

OFFERS TO EXCHANGE

\$1,500,000,000 aggregate principal amount of its 9% Senior Secured Notes due 2020 and \$1,500,000,000 aggregate principal amount of its 9% Senior Secured Notes due 2020, the issuance of each of which has been registered under the Securities Act of 1933, as amended,

for

any and all of its outstanding 9% Senior Secured Notes due 2020 and 9% Senior Secured Notes due 2020, respectively.

Caesars Entertainment Operating Company, Inc. (the **Issuer** or **CEOC**) hereby offers, upon the terms and subject to the conditions set forth in this prospectus and the accompanying letter of transmittal (which together constitute the **exchange offers**), to exchange up to \$1,500,000,000 in aggregate principal amount of its registered 9% Senior Secured Notes due 2020 (the **2020(1) Exchange Notes**) and the guarantee thereof, and \$1,500,000,000 in aggregate principal amount of its registered 9% Senior Secured Notes due 2020 (the **2020(2) Exchange Notes**, and together with the 2020(1) Exchange Notes, the **exchange notes**) and the guarantee thereof, for a corresponding and like aggregate principal amount of its outstanding 9% Senior Secured Notes due 2020 (the **Original 2020(1) Notes**) and 9% Senior Secured Notes due 2020 (the **Original 2020(2) Notes**, and together with the Original 2020(1) Notes, the **original notes**), respectively. We refer to the Original 2020(1) Notes and the 2020(1) Exchange Notes collectively as the **2020(1) notes**. We refer to the Original 2020(2) Notes and the 2020(2) Exchange Note collectively as the **2020(2) notes**. We refer to the original notes and exchange notes collectively as the **notes**. The terms of the exchange notes and the guarantees thereof are identical to the terms of the related original notes and the guarantees thereof in all material respects, except for the elimination of some transfer restrictions, registration rights and additional interest provisions relating to the original notes. The notes are irrevocably and unconditionally guaranteed by Caesars Entertainment Corporation and are secured by first-priority liens, subject to permitted liens, on certain assets of the Issuer and certain wholly owned, domestic subsidiaries of the Issuer that pledge their assets to secure the Issuer's senior secured credit facilities (the **Subsidiary Pledgors**). Subject to the limitations described below and herein, the notes are secured by the pledge of the capital stock of the Issuer and the capital stock of the Subsidiary Pledgors. The notes will be exchanged in denominations of \$2,000 and in integral multiples of \$1,000.

We will exchange any and all original notes that are validly tendered and not validly withdrawn prior to 5:00 p.m., New York City time, on _____, 2013 (the **expiration date), unless extended.**

We have not applied, and do not intend to apply, for listing of the notes on any national securities exchange or automated quotation system.

PROSPECTUS SUMMARY

The following summary contains information about Caesars Entertainment Corporation, Caesars Entertainment Operating Company, Inc. and the notes. It does not contain all of the information that may be important to you in making a decision to participate in the exchange offers. For a more complete understanding of Caesars Entertainment Corporation, Caesars Entertainment Operating Company, Inc. and the notes, we urge you to read this prospectus carefully, including the sections entitled Risk Factors, Cautionary Statements Concerning Forward Looking Statements and Where You Can Find More Information. Unless otherwise noted or indicated by the context, the terms Caesars, Caesars Entertainment and CEC refer to Caesars Entertainment Corporation, and the Company, we, us and our refer to Caesars and its consolidated subsidiaries, and Caesars Operating, CEOC and the Issuer refer to Caesars Entertainment Operating Company, Inc.

As of March 31, 2013, CEC owned, operated or managed 52 casinos through its subsidiaries. In connection with the financing of the Acquisition described under Our History, six casinos were spun or transferred out of CEOC to entities that are side-by-side with CEOC (the spin-off and transfer are hereinafter referred to as the CMBS Transactions). In addition, in connection with the Acquisition, London Clubs and its subsidiaries became subsidiaries of CEOC (hereinafter referred to as the London Clubs Transfer). CEOC has remained a direct, wholly owned subsidiary of CEC and, as of March 31, 2013, owned, operated or managed, through subsidiaries, 46 of our 52 casinos. Notwithstanding these spin-offs and transfers, management of CEC continues to manage all of the properties of CEOC and those held by its sister subsidiaries as one company, but CEOC is not entitled to receive any direct contribution or proceeds from its sister subsidiaries' operations. CEC will guarantee the notes; the CMBS Borrowers (as defined below) will not. As a result, you should refer to the financial and pro forma financial information of CEC as well as financial information of CEOC which give a meaningful and complete presentation of the CMBS Transactions and the London Clubs Transfer, among others.

Our Company

We are the world's most diversified casino-entertainment provider and the most geographically diverse U.S. casino-entertainment company. As of March 31, 2013, we owned, operated, or managed, through various subsidiaries, 52 casinos in 13 U.S. states and seven countries. Of the 52 casinos, 38 are in the United States, including 19 land-based casinos, 11 riverboat or dockside casinos, three managed casinos on Indian lands, two managed casinos in Ohio, one casino combined with a greyhound racetrack, one casino combined with a thoroughbred racetrack, and one casino combined with a harness racetrack. Our 14 international casinos are comprised of eight land-based casinos in England, two in Egypt, one in Scotland, one in South Africa, one in Uruguay and one in Canada. As of March 31, 2013, our facilities had an aggregate of approximately three million square feet of gaming space and approximately 43,000 hotel rooms. Our industry-leading customer loyalty program, Total Rewards, has over 45 million members. We use the Total Rewards system to market promotions and to generate customer play across our network of properties. In addition, through Caesars Interactive Entertainment, Inc. (CIE), a majority-owned subsidiary, we own an online gaming business, providing for real money casino, bingo, and poker games in the United Kingdom, alliances with online gaming providers in Italy and France, play for fun offerings in other jurisdictions, and social games on Facebook and other social media websites and mobile application platforms. Also through CIE, we own the World Series of Poker tournament and brand.

Our History

We were incorporated on November 2, 1989 in Delaware and operated under predecessor companies prior to such date.

Table of Contents

On January 28, 2008, Caesars was acquired by affiliates of Apollo Global Management, LLC (Apollo) and affiliates of TPG Capital, LP (together with such affiliates, TPG and, together with Apollo, the Sponsors) in an all-cash transaction, hereinafter referred to as the Acquisition, valued at approximately \$30.7 billion, including the assumption of \$12.4 billion of debt, and the incurrence of approximately \$1.0 billion of acquisition costs. Subsequent to the Acquisition, CEC's stock was no longer publicly traded.

Effective February 8, 2012, as the result of CEC's public offering (the Public Offering), CEC's common stock trades on the NASDAQ Global Select Market under the symbol CZR.

Our Sponsors

Apollo

Founded in 1990, Apollo is a leading global alternative asset manager with offices in New York, Los Angeles, London, Frankfurt, Luxembourg, Singapore, Hong Kong and Mumbai. As of March 31, 2013, Apollo had assets under management of approximately \$114.3 billion in its private equity, credit and real estate businesses.

TPG

TPG is a leading global private investment firm founded in 1992 with approximately \$54.7 billion of capital under management and offices in San Francisco, Beijing, Fort Worth, Hong Kong, London, Luxembourg, Melbourne, Moscow, Mumbai, New York, Paris, Shanghai, Singapore and Tokyo. TPG has extensive experience with global public and private investments executed through leveraged buyouts, recapitalizations, spinouts, growth investments, joint ventures and restructurings.

Organizational Structure

The chart below is a summary of the organizational structure of CEC and CEOC and illustrates the long-term debt that will be outstanding following the exchange offers.

- (1) Shares held by funds affiliated with and controlled by the Sponsors and their co-investors, representing 69.9% of CEC's outstanding common stock, are subject to the irrevocable proxy that gives Hamlet Holdings LLC, the members of which are comprised of an equal number of individuals affiliated with the Sponsors, sole voting and sole dispositive power with respect to such shares.
- (2) CEC currently guarantees all of the debt securities of CEOC and the senior secured credit facilities. In addition, it has provided a payment guarantee of the operating leases under our \$4,664.1 million face value of mortgage loans and related mezzanine financing (the CMBS Financing). The guarantee by CEC of the obligations under all of the debt of CEOC set forth above is structurally subordinated to our CMBS Financing.
- (3) Includes captive insurance subsidiaries, Harrah's BC, Inc. (HBC) and Caesars Interactive Entertainment, Inc. and its subsidiaries.

Table of Contents

- (4) The subsidiaries of CEC that are borrowers under our CMBS Financing (the CMBS Borrowers) and their respective subsidiaries do not guarantee, or pledge their assets as security for, the notes and do not guarantee any of CEOC s debt securities set forth above or the senior secured credit facilities or any other indebtedness of CEOC and are not directly liable for any obligations thereunder.
- (5) Upon the closing of the Acquisition, we entered into the senior secured credit facilities, which include a \$2,000 million revolving credit facility that was reduced to \$140.5 million due to debt retirements and the conversion of a portion of the revolving credit facility into an extended term loan subsequent to the closing of the Acquisition. As of March 31, 2013, after giving pro forma effect to the Extended Revolver Commitments Closing (as defined below), \$128.7 million of additional borrowing capacity was available under our revolving credit facility, with an additional \$86.8 million committed to back outstanding letters of credit, all of which is secured on a first priority basis.
- (6) Includes (a) the 12.75% second-priority senior notes due 2018 issued under an indenture dated April 16, 2010, (b) the 10.00% second-priority senior notes due 2018 and the 10.00% second-priority senior notes due 2015 issued under a separate indenture on December 24, 2008 and (c) the 10.00% second-priority senior notes due 2018 issued under a separate indenture on April 15, 2009 (collectively, the Second Lien Notes).
- (7) Excludes notes currently held by HBC.
- (8) This amount excludes amounts payable by CEOC to CEC on an Intercompany Note Payable and excludes the notes currently held by HBC.
- (9) The senior secured credit facilities, the 11.25% Senior Secured Notes due 2017 (the 11.25% notes), the 8.5% Senior Secured Notes due 2020 (the 8.5% notes), the Second Lien Notes and the notes are secured by a pledge of assets by the same wholly owned domestic subsidiaries of CEOC, provided, however, that the equity interests of CEOC and of CEOC s subsidiaries that have been pledged to secure CEOC s obligations under its first lien indebtedness have not been pledged to secure CEOC s obligations under the Second Lien Notes.
- (10) Includes non-domestic subsidiaries, non-wholly owned subsidiaries (including Chester Downs and Marina, LLC (Chester Downs), qualified non-recourse subsidiaries, including Corner Investments Propco LLC (Corner) and unrestricted subsidiaries (including PHW Las Vegas, LLC, Octavius Linq Holding Co., LLC, Caesars Operating Escrow LLC and Caesars Escrow Corporation). None of these entities is a borrower under CEOC s senior secured credit facilities or a guarantor of, or pledgor with respect to, any other existing debt of CEOC. The Planet Hollywood Loan, the 9.25% Senior Secured Notes due 2020 of Chester Downs, the \$450.0 million Octavius Linq Holding Co., LLC senior secured loan and the Bill s Gamblin Hall & Saloon credit facility are non-recourse to CEOC, CEC or any other subsidiaries of CEC.

Recent Developments

Extended Revolver Commitments

In April 2013, we received regulatory approvals for the additional \$75.0 million of extended revolving facility commitments with a maturity of January 28, 2017 that were obtained as part of the amendment to CEOC s senior secured credit facilities that consummated on March 27, 2013 (the Extended Revolver Commitments Closing).

Caesars Growth Partners

On April 23, 2013, CEC s board of directors approved the material terms of a proposed strategic transaction, pursuant to which CEC will form a new growth-oriented entity, Caesars Growth Partners, LLC (Growth Partners), to be owned by CEC and participating CEC stockholders, including the Sponsors. Participating CEC stockholders will own their interests in Growth Partners through Caesars Acquisition Company (CAC), a new company created to facilitate the transaction. CAC will hold all of the voting units of Growth Partners. The Sponsors have advised CEC that they each intend to invest \$250 million in CAC, though they have not entered into any agreement to do so. Consummation of the transaction will be contingent on such investment by the Sponsors. Neither CAC nor CEC may sell or transfer any units of Growth Partners without the prior consent of

Table of Contents

the other prior to the fifth anniversary of the issuance. From and after the fifth anniversary of the issuance, CAC or CEC may transfer units of Growth Partners to a non-competitor of CEC. CAC shall have the right of first offer with respect to any transfer by CEC. In addition, after the fifth anniversary of the issuance, the non-voting units of Growth Partners will be exchangeable into non-voting shares of CAC with terms equivalent to the non-voting units and with rights to have such shares registered under the Securities Act.

CEC intends to distribute subscription rights at no charge to CEC stockholders on a pro rata basis. The subscription rights will afford each stockholder of CEC the right to acquire for cash at least the same pro rata ownership interest in CAC as such stockholder holds in CEC. CAC will use the proceeds from its sale of shares to acquire all of the voting interests in Growth Partners. CEC and its subsidiaries will contribute their shares of CIE and approximately \$1.1 billion face value of senior notes previously issued by CEOC (CEOC Notes) that are owned by another subsidiary of CEC, which together have been valued at \$1.275 billion, to Growth Partners in exchange for non-voting units. This valuation may be increased by up to \$225 million if earnings from CIE's social and mobile games business exceed a specified amount in 2015, in which case CEC or its subsidiaries will receive additional non-voting units of Growth Partners. As a result of these asset contributions, CEC's economic interest in Growth Partners at the closing of the transaction will be at least 57%, and may be as much as 77%, depending on the amount of proceeds raised by CAC through its sale of shares, prior to any potential valuation increase and certain other potential adjustments. Additionally, Growth Partners intends to use \$360 million of proceeds received from CAC to purchase from a CEC subsidiary the Planet Hollywood Resort & Casino in Las Vegas, CEC's joint venture interests in a casino under development in Baltimore (Horseshoe Baltimore) and a financial stake in the management fee stream for both of those properties, equal to 50% of the management fee. A subsidiary of Growth Partners will assume the current debt outstanding of \$515.5 million related to Planet Hollywood, subject to lender approval. CEC and its affiliated companies will continue to manage Planet Hollywood and Horseshoe Baltimore. Growth Partners will enter into a management services agreement with CEC and certain of its subsidiaries for access to advisory and business management services and corporate shared services, on arm's length terms. CEC and Growth Partners will have the opportunity to work together to develop future projects. CEC will have the option to (1) pursue any potential project itself or (2) decline the project for itself, after which Growth Partners may elect or decline to pursue the project. A committee of the board of directors of CEC consisting of disinterested directors will make determinations on behalf of CEC with respect to any new investment and acquisition opportunities. Each opportunity will be negotiated separately by CEC and Growth Partners, but the assumption for these transactions will be that Growth Partners will receive 50% of the ongoing management fee. CEC will have the first right to make an offer if Growth Partners plans to sell any assets acquired from CEC.

The transaction will include certain value-related adjustments at closing, as follows.

Value of the CEOC Notes. The actual value of the CEOC Notes will be recalculated on the closing date of the transaction using the 90 day trading average closing price for each tranche of the CEOC Notes for the period ended on the closing date of the transaction, net of certain costs, commissions and discounts. The ownership percentages of CEC and CAC in Growth Partners will be recalculated accordingly.

Restoration of fair market value of the rights. The aggregate value (the rights value), if any, of the CAC subscription rights that are distributed by CEC will be returned to CEC by Growth Partners in the form of CEOC Notes with equivalent value to the rights value. To determine the number of CEOC Notes to be returned to CEC, the value of the CEOC Notes will be recalculated based on the same methodology originally used to calculate the currently-agreed valuation of the CEOC Notes, but determined as of the date of the restoration. This transfer will not reduce the number of CEC non-voting units of Growth Partners or CAC's voting units of Growth Partners, but it will reduce CAC's capital account balance.

After the third anniversary of the closing of the transaction, CEC and/or its subsidiaries will have the right to acquire the voting units of Growth Partners, or at the election of CAC, the shares of CAC. The call right may

Table of Contents

be exercised, at CEC's option, for either cash or registered listed common stock of CEC or a combination thereof, provided that the cash portion of the consideration may not exceed 50% of the total consideration delivered in connection with any exercise of the call right. The call right may be exercisable in part by CEC (up to three times), but until the call right is exercised in full, any voting units acquired by CEC will be converted into non-voting units. Additionally, the call right may only be exercised if the following conditions are met: (x) CEC's common stock (i) is registered with the Securities and Exchange Commission, (ii) is listed for trading and trades on a national securities exchange and (iii) issuable upon exercise of the call will represent, in the aggregate, not more than 1/2 of the total CEC's common stock issued and outstanding giving effect to the exercise of the call; (y) CEC has a minimum liquidity of \$1 billion and a maximum net debt leverage ratio of 9.00 to 1.00; and (z) no event of default has occurred and is in effect under any financing agreement of CEC or its subsidiaries. The call price will be the greater of (a) CAC's pro rata share of the fair market value of the purchased shares at the time of the exercise of the call right and (b) CAC's net capital invested plus a 10.5% internal rate of return; however, the maximum internal rate of return that may be earned by CAC upon the exercise of the call right is 25%. Further, in the event that a stockholder vote of CEC is required in connection with the exercise of the call right, receipt of affirmative approval of such vote will be a condition to the exercise of the call right and at closing the Sponsors will enter into a voting support agreement in favor of any such stockholder approval. In addition, a majority of the independent directors of the board of directors of CEC must approve the exercise of the call right by CEC and/or its subsidiaries. The call right will be transferable by CEC to a transferee that also receives a transfer of all of the non-voting units of Growth Partners held by CEC and will be exercisable by the transferee upon the same terms and conditions that apply to CEC.

Following the fifth anniversary of the closing of the transaction and until the eight years and six months anniversary of the closing of the transaction, the board of directors of CAC will have the right to cause a liquidation of Growth Partners, which means the sale or winding up of Growth Partners, or other monetization of all of its assets and the distribution of the proceeds remaining after satisfaction of all liabilities of Growth Partners to the holders of Growth Partners' units. Unless otherwise agreed by the holders of the non-voting units, on the eight years and six months anniversary of the closing of the transaction, if CAC has not previously exercised its liquidation right, Growth Partners shall liquidate as described above. Upon a liquidation, all net cash and other assets of Growth Partners that are not monetizable shall, subject to applicable gaming regulatory laws, be distributed as follows: (i) first, to all units held by CAC until amounts distributed equal return of capital plus a 10.5% per annum return on investment (such return to begin accruing on the proceeds in excess of the purchase price of Planet Hollywood and Horseshoe Baltimore only upon the investment of such excess proceeds by Growth Partners); (ii) second, to all units held by CEC and/or its subsidiaries until CEC catches up to its respective amount distributed pursuant to clause (i) (including the 10.5% per annum return on investment) and (iii) third, to all holders of units pro rata.

Conrad Punta Del Este Resort & Casino

In November 2012, CEC announced that it had entered into a definitive agreement with Enjoy S.A. ("Enjoy") to form a strategic relationship in Latin America. On May 31, 2013, Enjoy acquired 45% of Baluma S.A., a subsidiary of CEC which owns and operates the Conrad Punta Del Este Resort & Casino located in Punta Del Este, Uruguay (the "Conrad"), and CEC acquired a 4.5% equity stake in Enjoy. Enjoy has assumed primary responsibility for management of the Conrad, and Enjoy will have the option to acquire the remaining stake in Baluma S.A. between years three and five following closing.

Summary of the Terms of the Exchange Offers

In connection with the issuance of the original notes, CEOC entered into registration rights agreements with the initial purchasers of the original notes. You are entitled to exchange in the exchange offers your original notes for exchange notes, which are identical in all material respects to the original notes except that:

the exchange notes have been registered under the Securities Act and will be freely tradable by persons who are not affiliated with us;

the exchange notes are not entitled to the registration rights applicable to the original notes under the registration rights agreements; and

our obligation to pay additional interest on the original notes due to the failure to consummate the exchange offers by a prior date does not apply to the exchange notes.

Original Notes

Original 2020(1) Notes	\$1,500,000,000 aggregate principal amount of 9% Senior Secured Notes due 2020 (the Original 2020(1) Notes).
Original 2020(2) Notes	\$1,500,000,000 aggregate principal amount of 9% Senior Secured Notes due 2020 (the Original 2020(2) Notes). We refer to the Original 2020(1) Notes and the Original 2020(2) Notes collectively as the original notes.

Notes Offered

2020(1) Exchange Notes	9% Senior Secured Notes due 2020 (the 2020(1) Exchange Notes). The terms of the 2020(1) Exchange Notes are substantially identical to those terms of the Original 2020(1) Notes, except that the transfer restrictions, registration rights and provisions for additional interest relating to the Original 2020(1) Notes do not apply to the 2020(1) Exchange Notes.
2020(2) Exchange Notes	9% Senior Secured Notes due 2020 (the 2020(2) Exchange Notes). The terms of the 2020(2) Exchange Notes are substantially identical to those terms of the Original 2020(2) Notes, except that the transfer restrictions, registration rights and provisions for additional interest relating to the Original 2020(2) Notes do not apply to the 2020(2) Exchange Notes. We refer to the 2020(1) Exchange Notes and the 2020(2) Exchange Notes collectively as the exchange notes.
Exchange Offers	CEOC is offering to exchange up to \$1,500,000,000 aggregate principal amount of its 2020(1) Exchange Notes, which have been registered under the Securities Act, for an equal amount of its Original 2020(1) Notes; and

up to \$1,500,000,000 aggregate principal amount of its 2020(2) Exchange Notes, which have been registered under the Securities Act, for an equal amount of its Original 2020(2) Notes.

Table of Contents

CEOC is also offering to satisfy certain of its obligations under the registration rights agreements that CEOC entered into in connection with the issuance of the original notes in transactions exempt from registration under the Securities Act.

In order to exchange your original notes, you must properly tender them and we must accept your tender. We will exchange all outstanding original notes that are validly tendered and not validly withdrawn. Original notes may be exchanged only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Expiration Date; Withdrawal of Tenders

Each exchange offer will expire at 5:00 p.m., New York City time, on _____, 2013, or such later date and time to which CEOC extends it. CEOC does not currently intend to extend the expiration date. A tender of original notes pursuant to the exchange offers may be withdrawn at any time prior to the expiration date. Any original notes not accepted for exchange for any reason will be returned without expense to the tendering holder promptly after the expiration or termination of the exchange offers.

Conditions to the Exchange Offers

The exchange offers are subject to customary conditions, some of which CEOC may waive. For more information, see [The Exchange Offers](#) [Certain Conditions to the Exchange Offers](#).

Procedures for Tendering Original Notes

If you wish to accept the exchange offers, you must complete, sign and date the accompanying letter of transmittal, or a copy of the letter of transmittal, according to the instructions contained in this prospectus and the letter of transmittal. You must also mail or otherwise deliver the letter of transmittal, or the copy, together with the original notes and any other required documents, to the exchange agent at the address set forth on the cover of the letter of transmittal. If you hold original notes through The Depository Trust Company (DTC) and wish to participate in the exchange offers, you must comply with the Automated Tender Offer Program procedures of DTC, by which you will agree to be bound by the letter of transmittal.

By signing or agreeing to be bound by the letter of transmittal, you will represent to us that, among other things:

any exchange notes that you receive will be acquired in the ordinary course of your business;

you have no arrangement or understanding with any person or entity, including any of our affiliates, to participate in the distribution of the exchange notes;

if you are a broker-dealer that will receive exchange notes for your own account in exchange for original notes that were acquired as a result of market-making activities, that you will deliver a prospectus, as required by law, in connection with any resale of the exchange notes; and

Table of Contents

you are not our affiliate as defined in Rule 405 under the Securities Act, or, if you are an affiliate, you will comply with any applicable registration and prospectus delivery requirements of the Securities Act.

Guaranteed Delivery Procedures

If you wish to tender your original notes and your original notes are not immediately available or you cannot deliver your original notes, the letter of transmittal or any other documents required by the letter of transmittal or comply with the applicable procedures under DTC's Automated Tender Offer Program prior to the expiration date, you must tender your original notes according to the guaranteed delivery procedures set forth in this prospectus under The Exchange Offers Guaranteed Delivery Procedures.

Effect on Holders of Original Notes

As a result of the making of, and upon acceptance for exchange of all validly tendered original notes pursuant to the terms of, the exchange offers, CEOC will have fulfilled a covenant contained in each of the registration rights agreements for the original notes and, accordingly, CEOC will not be obligated to pay additional interest as described in the registration rights agreements. If you are a holder of original notes and do not tender your original notes in the exchange offers, you will continue to hold such original notes and you will be entitled to all the rights and limitations applicable to the original notes in the indentures governing the original notes, except for any rights under the registration rights agreements that, by their terms, terminate upon the consummation of the exchange offers.

Consequences of Failure to Exchange

All untendered original notes will continue to be subject to the restrictions on transfer provided for in the original notes and in the indentures governing the original notes. In general, the original notes may not be offered or sold unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. Other than in connection with the exchange offers, CEOC does not currently anticipate that it will register the original notes under the Securities Act.

Resale of the Exchange Notes

Based on an interpretation by the staff of the SEC set forth in no-action letters issued to third parties, we believe that the exchange notes issued pursuant to the exchange offers in exchange for original notes may be offered for resale, resold and otherwise transferred by you (unless you are our affiliate within the meaning of Rule 405 under the Securities Act) without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that you:

are acquiring the exchange notes in the ordinary course of business; and

have not engaged in, do not intend to engage in, and have no arrangement or understanding with any person or entity, including any of Caesars' affiliates, to participate in, a distribution of the exchange notes.

Table of Contents

In addition, each participating broker-dealer that receives exchange notes for its own account pursuant to the exchange offers in exchange for original notes that were acquired as a result of market-making or other trading activity must also acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. For more information, see Plan of Distribution. Any holder of original notes, including any broker-dealer, who:

is our affiliate,

does not acquire the exchange notes in the ordinary course of its business, or

tenders in the exchange offers with the intention to participate, or for the purpose of participating, in a distribution of exchange notes,

cannot rely on the position of the staff of the Commission expressed in Exxon Capital Holdings Corporation, Morgan Stanley & Co., Incorporated or similar no-action letters and, in the absence of an exemption, must comply with the registration and prospectus delivery requirements of the Securities Act in connection with the resale of the exchange notes.

U.S. Federal Income Tax Considerations

The exchange of original notes for exchange notes in the exchange offers will not be a taxable event for U.S. federal income tax purposes. For more information, see Certain U.S. Federal Tax Considerations.

Use of Proceeds

We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offers.

Exchange Agent

U.S. Bank National Association is the exchange agent for the exchange offers. The address and telephone number of the exchange agent are set forth in the section captioned The Exchange Offers Exchange Agent.

become Subsidiary Pledgors with respect to the 2020(1) Exchange Notes, and their assets and property will secure the 2020(1) Exchange Notes to the extent described under Description of 2020(1) Exchange Notes Security for the Notes.

Table of Contents

As of March 31, 2013, on a pro forma basis after giving effect to the Extended Revolver Commitments Closing, the 2020(1) Exchange Notes would have ranked (1) effectively pari passu in right of payment to \$9,265.4 million of senior secured credit facilities and other first lien debt (including the 11.25% notes, the 8.5% notes and the 2020(2) notes), (2) effectively senior in right of payment to \$5,517.9 million of second lien notes and (3) effectively senior in right of payment to \$2,522.3 million of senior unsecured indebtedness, in each case, to the extent of the value of the collateral securing the 2020(1) Exchange Notes, of which \$1,146.3 million is owed to CEC. In addition, as of March 31, 2013, on a pro forma basis after giving effect to the Extended Revolver Commitments Closing, CEOC would have had \$128.7 million of unutilized capacity under its senior secured revolving credit facility after giving effect to approximately \$86.8 million committed to back letters of credit. As of March 31, 2013, subsidiaries of CEOC that are not Subsidiary Pledgors are obligors of \$1,479.6 million of indebtedness (excluding intercompany liabilities).

Substantially all of the operations of CEOC are conducted through its subsidiaries. The 2020(1) Exchange Notes will be effectively subordinated to holders of indebtedness and other creditors (including trade creditors) and preferred stockholders (if any) of subsidiaries of CEOC that are not Subsidiary Pledgors. See note 22 to our audited consolidated financial statements as of December 31, 2012 and note 20 to our unaudited consolidated condensed financial statements as of March 31, 2013 incorporated by reference in this prospectus for financial information regarding certain of our subsidiaries that are not subsidiary guarantors of certain other obligations of CEOC. As those subsidiary guarantors are identical to the Subsidiary Pledgors, information related to the assets and liabilities of the Subsidiary Pledgors and non-Subsidiary Pledgors can be found therein. Further, holders of the 2020(1) Exchange Notes will have recourse to the collateral pledged by the Subsidiary Pledgors, but they will have no direct recourse to the Subsidiary Pledgors themselves.

Collateral

The 2020(1) Exchange Notes will be secured by a first priority security interest in the collateral granted to the collateral agent for the benefit of the holders of the 2020(1) Exchange Notes and other future parity lien debt that may be issued in compliance with the terms of the indenture governing the 2020(1) Exchange Notes. The collateral securing the 2020(1) Exchange Notes is the same as the collateral securing the senior secured credit facilities, the 11.25% notes, the 8.5% notes and the 2020(2) notes. The liens securing the 2020(1) Exchange Notes are pari passu in priority to the liens on the collateral securing the senior secured credit facilities, the 11.25% notes, the 8.5% notes and the 2020(2) notes. The liens securing the 2020(1) Exchange Notes and other first priority lien obligations will be held by the collateral agent under the senior secured credit facilities.

Table of Contents

While the 2020(1) Exchange Notes will initially be secured by the pledge of CEOC's capital stock and the capital stock of the Subsidiary Pledgors, these pledges will be released to the extent that separate financial statements pursuant to Rule 3-16 of Regulation S-X would be required in connection with the filing of the registration statement, of which this prospectus forms a part, relating to the 2020(1) Exchange Notes. We expect that, as a result, a substantial portion of the capital stock of CEOC will be released. See Description of the 2020(1) Exchange Notes Security for the Notes.

Except as set forth above, the collateral securing the 2020(1) Exchange Notes is substantially all of CEOC's and the Subsidiary Pledgors' property and assets that secure the senior secured credit facilities, the 11.25% notes, the 8.5% notes and the 2020(2) notes, which excludes: (i) any property or assets owned by any foreign subsidiaries, (ii) certain real property and vessels, (iii) any vehicles, (iv) cash, deposit accounts and securities accounts (to the extent that a lien thereon must be perfected by any action other than the filing of customary financing statements), (v) subject to limited exceptions, any assets or any right, title or interest in any license, contract or agreement to the extent that taking a security interest in any of them would violate any applicable law or regulation (including gaming regulations) or any enforceable contractual obligation binding on the assets or would violate the terms of any such license, contract or agreement, and (vi) certain other limited exclusions. For more information, see Description of 2020(1) Exchange Notes Security for the Notes.

Parent Guarantee

The 2020(1) Exchange Notes will be irrevocably and unconditionally guaranteed by Caesars, subject to certain limitations. See Description of 2020(1) Exchange Notes Parent Guarantee.

Optional Redemption

CEOC may redeem the 2020(1) Exchange Notes, in whole or in part, at any time prior to February 15, 2016, at a price equal to 100% of the principal amount of the 2020(1) Exchange Notes plus accrued and unpaid interest to the date of redemption and an applicable make-whole premium. Thereafter, the 2020(1) Exchange Notes may be redeemed at the option of CEOC on the redemption dates and at the redemption prices specified under Description of 2020(1) Exchange Notes Optional Redemption.

Optional Redemption After Certain Equity Offerings

On or prior to February 15, 2015, CEOC may redeem up to 35% of the aggregate principal amount of 2020(1) Exchange Notes with the net cash proceeds of one or more equity offerings at the redemption price specified under Description of 2020(1) Exchange Notes Optional Redemption.

Change of Control	<p>If CEOC experiences a change of control (as defined in the indenture governing the 2020(1) Exchange Notes), CEOC will be required to make an offer to repurchase the 2020(1) Exchange Notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase. See Description of 2020(1) Exchange Notes Change of Control.</p>
Certain Covenants	<p>The indenture governing the 2020(1) Exchange Notes contains covenants limiting CEOC's ability and the ability of its subsidiaries to:</p> <ul style="list-style-type: none">incur additional debt or issue certain preferred shares;pay dividends on or make distributions in respect of its capital stock or make other restricted payments;make certain investments;sell certain assets;create liens on certain assets to secure debt;consolidate, merge, sell or otherwise dispose of all or substantially all of its assets;enter into certain transactions with its affiliates; anddesignate its subsidiaries as unrestricted subsidiaries. <p>The covenants are subject to a number of important limitations and exceptions. In addition, the restrictive covenants do not apply to Caesars. See Description of 2020(1) Exchange Notes. Certain covenants will cease to apply to the 2020(1) Exchange Notes for so long as the 2020(1) Exchange Notes have investment grade ratings from both Moody's Investors Service, Inc. and Standard & Poor's.</p>
Risk Factors	<p>See Risk Factors and the other information contained or incorporated by reference in this prospectus for a discussion of the factors you should carefully consider before deciding to invest in the 2020(1) Exchange Notes.</p>

**Summary Historical Condensed Consolidated Financial Data of
Caesars Entertainment Operating Company, Inc.**

The following table presents the historical consolidated financial data of CEOC for the years ended December 31, 2011 and 2012 and for the three month periods ended March 31, 2012 and 2013. CEOC does not report audited financial information on a stand-alone basis. Accordingly, the financial data presented herein for CEOC has been derived from CEC's financial statements for the relevant periods, as adjusted to remove the historical financial information of all subsidiaries of and account balances at CEC that are not components of CEOC.

We believe that the summary historical consolidated financial data for CEOC as the issuer of the exchange notes offered hereby provides a meaningful presentation for investors to consider given other operations and activities of Caesars that are not included in the credit of CEOC, including the separate real estate financing by other subsidiaries of CEC.

You should read this data in conjunction with CEC's financial statements and the related notes incorporated by reference herein.

- (1) CEOC operates businesses that have inherently low variable costs such that positive change in revenues should drive relatively large improvements in income from operations and EBITDA. A key determinant of hotel revenues is the average daily hotel rate, or ADR, that is charged. Increases in ADR would drive nearly a dollar for dollar improvement in income from operations and EBITDA and on CEOC's room base of approximately 27,000 rooms, CEOC anticipates that a \$5 increase in ADR on an annual basis would equate to an improvement to annual income from operations and EBITDA of approximately \$38 million. CEOC's average system-wide ADR was \$110 in 2007, compared to \$100 during the last twelve months ended March 31, 2013. Likewise, CEOC anticipates that a \$5 improvement in spend per rated customer gaming trip would equate to an improvement to its annual income from operations and EBITDA of approximately \$69 million, and a \$5 improvement per unrated customer gaming trip would equate to an improvement to its annual income from operations and EBITDA of approximately \$57 million. Average spending per rated customer gaming trip declined from \$184 in 2007 to \$163 during the last twelve months ended March 31, 2013. While CEOC uses 2007 as a measurement for its financial performance and the gaming industry in general, CEOC may not attain those financial levels in the near term, or at all.
- (2) Amounts presented for the years ended December 31, 2011 and 2012 have not been restated to give effect to the closure of the Alea Leeds casino. The table below recasts certain amounts in CEOC's consolidated statements of operations and cash flows for the years then ended to reflect the results of the Alea Leeds casino as discontinued operations. - (3) Amounts presented for the three months ended March 31, 2012 and 2013 reflect the Discontinued Operations. See Item 1. Unaudited Financial Statements Note 3 Acquisitions, Investments, Dispositions and Divestitures included in our Quarterly Report on Form 10-Q for the three months ended March 31, 2013, and Item 8. - (4) CEOC presents Property EBITDA as a supplemental measure of its performance. CEOC defines Property EBITDA as revenues less property operating expenses. Set forth below is a reconciliation of net income/(loss) attributable to CEOC, its most comparable measure in accordance with GAAP, to Property EBITDA. Property EBITDA is comprised of net income/(loss) attributable to CEOC before (i) interest expense, net of interest capitalized and interest income, (ii) (benefit)/provision for income taxes, (iii) depreciation and amortization, (iv) corporate expenses and (v) certain items that CEOC does not consider indicative of its ongoing operating performance at an operating property level. In evaluating Property EBITDA, you should be aware that in the future CEOC may incur expenses that are the same or similar to some of the adjustments in this presentation. CEOC's presentation of Property EBITDA

should not be construed as an inference that its future results will be unaffected by unusual or unexpected items.

Table of Contents

Property EBITDA is a non-GAAP financial measure commonly used in CEOC's industry and should not be construed as an alternative to net income/(loss) as an indicator of operating performance or as an alternative to cash flow provided by operating activities as a measure of liquidity (as determined in accordance with GAAP). Property EBITDA, as calculated in this prospectus, may not be comparable to similarly titled measures reported by other companies within CEOC's industry. CEOC has included Property EBITDA because its management uses Property EBITDA to measure performance and allocate resources, and CEOC believes that Property EBITDA provides investors with additional information consistent with that used by its management.

Property EBITDA has important limitations as an analytical tool, and you should not consider it in isolation, or as a substitute for analysis of CEOC's results as reported under GAAP. For example, Property EBITDA:

does not reflect any cash requirements for the assets being depreciated and amortized that may have to be replaced in the future;

excludes tax payments that represent a reduction in cash available to CEOC;

does not reflect CEOC's corporate expenses not specifically related to its properties, including, without limitation, management fees that may be paid to the Sponsors;

does not reflect CEOC's capital expenditures, future requirements for capital expenditures or contractual commitments; and

Edgar Filing: CAESARS ENTERTAINMENT Corp - Form S-4

does not reflect other amounts such as project opening costs and other items, acquisition and integration costs, and other types of costs that are excluded from management's performance measurement of its properties.

- (5) For purposes of computing the ratio of earnings to fixed charges, earnings consist of income before income taxes plus fixed charges and minority interests, excluding equity in undistributed earnings of less-than-50%-owned investments. Fixed charges include interest, amortization of debt expense, discount or premium related to indebtedness and such portion of rental expense management deems to be representative of interest. The method for calculating fixed charges for purposes of the ratio disclosed herein may differ from the method of calculating fixed charges under CEOC's debt agreements. For the year ended December 31, 2011, the year ended December 31, 2012, the three months ended March 31, 2012 and the three months ended March 31, 2013, CEOC's earnings were insufficient to cover its fixed charges by \$1,373.2 million, \$2,454.0 million, \$517.5 million and \$426.7 million, respectively.
- (6) LTM-Adjusted EBITDA Pro Forma is calculated in accordance with the indentures governing CEOC's existing notes and the credit agreement governing CEOC's senior secured credit facilities. LTM-Adjusted EBITDA Pro Forma is net income/(loss) attributable to CEOC adjusted for certain non-cash and other items that are included in net income (loss). CEOC presents LTM-Adjusted EBITDA Pro Forma as a supplemental measure of its performance and believes that LTM-Adjusted EBITDA Pro Forma provides investors with additional information and allows a better understanding of the results of operational activities separate from the financial impact of

Table of Contents

decisions made for the long-term benefit of CEOC. CEOC's ability to engage in activities such as incurring additional indebtedness, making investments and paying dividends is tied to a fixed charge coverage ratio, a total first priority secured leverage ratio and a consolidated leverage ratio under the senior secured credit facilities based on LTM-Adjusted EBITDA Pro Forma for CEOC and its consolidated restricted subsidiaries. In addition, CEOC is required to maintain a senior secured leverage ratio under its credit agreement.

Accordingly, CEOC believes it is useful to provide the calculation of LTM-Adjusted EBITDA Pro Forma for purposes of determining its ability to engage in these activities. CEOC is in compliance with all the covenants under its various debt agreements. CEOC also presents LTM-Adjusted EBITDA Pro Forma to provide investors with additional information regarding the pro forma impact of properties that are anticipated to be acquired or disposed and of yet-to-be realized savings from CEOC's cost savings initiatives.

LTM-Adjusted EBITDA Pro Forma is a non-GAAP financial measure and should not be construed as an alternative to net income/(loss) attributable to CEOC as an indicator of operating performance. LTM-Adjusted EBITDA Pro Forma is not comparable to similarly titled measures reported by other companies. CEOC has included LTM-Adjusted EBITDA Pro Forma because CEOC believes it provides investors with additional information to measure its performance and liquidity, consistent with the information used by its management and certain of its lenders to measure its performance and liquidity.

LTM-Adjusted EBITDA Pro Forma has important limitations as an analytical tool, and you should not consider it in isolation, or as a substitute for analysis of CEOC's results as reported under GAAP. For example, LTM-Adjusted EBITDA Pro Forma:

does not reflect the significant interest expenses, or the cash requirements necessary to service interest or principal payments, on CEOC's debt;

does not reflect any cash requirements for the assets being depreciated and amortized that may have to be replaced in the future;

excludes tax payments that represent a reduction in cash available to CEOC;

does not reflect changes in, or cash requirements for, CEOC's working capital needs;

does not reflect CEOC's capital expenditures, future requirements for capital expenditures or contractual commitments; and

does not reflect management fees that may be paid to the Sponsors.

LTM-Adjusted EBITDA Pro Forma includes further adjustments for pro forma adjustments for yet-to-be realized cost savings. No assurance can be given that such cost savings will occur. See Item 1A. Risk Factors Risks Related to Our Business We may not realize any or all of our projected cost savings, which would have the effect of reducing our LTM-Adjusted EBITDA Pro Forma, which would have a negative effect on our results of operations and negatively impact our covenant calculation and could have a negative effect on our securities included in our Annual Report on Form 10-K for the year ended December 31, 2012 (as amended), which is incorporated by reference in this prospectus.

LTM-Adjusted EBITDA Pro Forma includes the results of Planet Hollywood and certain other subsidiary entities, which results would be excluded for purposes of calculating last twelve months adjusted EBITDA for CEOC under its debt agreements, as the entities owning those properties are neither obligors nor guarantors under the debt agreements.

Adjustments similar to the ones reflected in the calculation of LTM-Adjusted EBITDA Pro Forma have been recorded in earlier periods, and similar types of adjustments can reasonably be expected to be recorded in future periods. CEOC's presentation of LTM-Adjusted EBITDA Pro Forma should not be construed as an inference that its future results will be unaffected by unusual or non-recurring items.

Using only the non-GAAP earnings measure would have material limitations because its calculation is based on the subjective determination of management regarding the nature and classification of events and circumstances that investors may find material. Management compensates for these limitations by using both GAAP and non-GAAP earnings measures reflected above to understand and analyze the results of the business. CEOC believes investors find the non-GAAP information helpful in understanding the ongoing performance of operations separate from items that may have a disproportionate positive or negative impact on CEOC's financial results in any particular period.

RISK FACTORS

*You should carefully consider the risk factors set forth below, as well as the other information contained in this prospectus or incorporated by reference in this prospectus. In addition to those listed below and elsewhere in this prospectus, you should also consider the risks, uncertainties and assumptions discussed under the caption **Item 1A. Risk Factors** included in our Annual Report on Form 10-K for the year ended December 31, 2012 (as amended), which is incorporated by reference in this prospectus. Any of these risks could materially and adversely affect our business, financial condition or results of operations. In such a case, you may lose all or a part of your original investment. These risk factors may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future.*

Risks Relating to the Exchange Offers

You may have difficulty selling the original notes that you do not exchange.

If you do not exchange your original notes for exchange notes in the exchange offers, you will continue to be subject to the restrictions on transfer of your original notes described in the legend on your original notes. The restrictions on transfer of your original notes arise because we issued the original notes under exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws. In general, you may only offer or sell the original notes if they are registered under the Securities Act and applicable state securities laws, or offered and sold under an exemption from these requirements. Except as required by the registration rights agreements, we do not intend to register the original notes under the Securities Act. The tender of original notes under the exchange offers will reduce the principal amount of the currently outstanding original notes. Due to the corresponding reduction in liquidity, this may have an adverse effect upon, and increase the volatility of, the market price of any currently outstanding original notes that you continue to hold following completion of the exchange offers. See **The Exchange Offers** **Consequences of Failure to Exchange**.

There is no public market for the exchange notes, and we do not know if a market will ever develop or, if a market does develop, whether it will be sustained.

The exchange notes are a new issue of securities for which there is no existing trading market. Accordingly, we cannot assure you that a liquid market will develop for the exchange notes, that you will be able to sell your exchange notes at a particular time or that the prices that you receive when you sell the exchange notes will be favorable.

We do not intend to apply for listing or quotation of the exchange notes on any securities exchange or automated quotation system. The liquidity of any market for the exchange notes is subject to a number of factors, including:

the number of holders of exchange notes;

our operating performance and financial condition;

our ability to complete the offers to exchange the original notes for the exchange notes;

the market for similar securities;

the interest of securities dealers in making a market in the exchange notes; and

prevailing interest rates.

We understand that one or more of the initial purchasers with respect to the original notes intend to make a market in the exchange notes. However, they are not obligated to do so, and any market-making activity with respect to the exchange notes may be discontinued at any time without notice. In addition, any market-making

activity will be subject to the limits imposed by the Securities Act and the Exchange Act and may be limited during the exchange offers or the pendency of an applicable shelf registration statement. There can be no assurance that an active trading market will exist for the exchange notes or that any trading market that does develop will be liquid.

You must comply with the exchange offer procedures in order to receive new, freely tradable exchange notes.

Delivery of exchange notes in exchange for original notes tendered and accepted for exchange pursuant to the exchange offers will be made only after timely receipt by the exchange agent of book-entry transfer of original notes into the exchange agent's account at DTC, as depository, including an agent's message (as defined herein). We are not required to notify you of defects or irregularities in tenders of original notes for exchange. Original notes that are not tendered or that are tendered but we do not accept for exchange will, following consummation of the exchange offers, continue to be subject to the existing transfer restrictions under the Securities Act and, upon consummation of the exchange offers, certain registration and other rights under the registration rights agreements will terminate. See The Exchange Offers Procedures for Tendering and The Exchange Offers Consequences of Failure to Exchange.

Some holders who exchange their original notes may be deemed to be underwriters, and these holders will be required to comply with the registration and prospectus delivery requirements in connection with any resale transaction.

If you exchange your original notes in the exchange offers for the purpose of participating in a distribution of the exchange notes, you may be deemed to have received restricted securities and, if so, will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

Risks Relating to the Notes and Other Indebtedness

The notes are structurally subordinated to all liabilities of CEOC's and CEC's subsidiaries that are not Subsidiary Pledgors.

The notes are structurally subordinated to indebtedness and other liabilities of CEOC's subsidiaries that are not Subsidiary Pledgors, and the claims of creditors of these subsidiaries, including trade creditors, will have priority as to the assets of these subsidiaries. As of March 31, 2013, subsidiaries of CEOC that are not Subsidiary Pledgors had \$1,479.6 million face value of outstanding indebtedness. In the event of a bankruptcy, liquidation or reorganization of any subsidiaries that are not Subsidiary Pledgors, these subsidiaries will pay the holders of their debts, holders of preferred equity interests and their trade creditors before they will be able to distribute any of their assets to CEOC. In addition, the guarantee of the notes by CEC is structurally subordinated to the CMBS Facilities of \$4,664.1 million, as well as any other indebtedness of subsidiaries of CEC that are not also Subsidiary Pledgors. See note 22 to the audited consolidated financial statements and note 20 to the unaudited consolidated financial statements incorporated by reference in this prospectus for financial information regarding certain of CEOC's subsidiaries that are not subsidiary guarantors of certain other obligations of CEOC (the entities referred to therein as subsidiary guarantors are identical to the Subsidiary Pledgors).

The notes are not secured by the assets of any of CEOC's non-U.S. subsidiaries or any other subsidiaries that are not wholly owned by CEOC. These subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the notes, or to make any funds available therefore, whether by dividends, loans, distributions or other payments. Any right that CEC, CEOC or the Subsidiary Pledgors have to receive any assets of any of these subsidiaries upon their liquidation or reorganization, and the consequent rights of holders of notes to realize proceeds from the sale of any of those subsidiaries' assets, will be effectively subordinated to the claims of those subsidiaries' creditors, including trade creditors and holders of preferred equity interests of those subsidiaries.

The notes are secured only to the extent of the value of the assets that have been granted as security for the notes, which may not be sufficient to satisfy our obligations under the notes.

No appraisals of any of the collateral have been prepared by us or on behalf of us in connection with the offerings of the original notes or these exchange offers. The fair market value of the collateral is subject to fluctuations based on factors that include, among others, our ability to implement our business strategy, the ability to sell the collateral in an orderly sale, general economic conditions, the availability of buyers and similar factors. In addition, courts could limit recoverability if they apply non-New York law to a proceeding and deem a portion of the interest claim usurious in violation of public policy. The amount to be received upon a sale of any collateral would be dependent on numerous factors, including but not limited to the actual fair market value of the collateral at such time, general, market and economic conditions and the timing and the manner of the sale.

In addition, the collateral securing the notes is subject to liens permitted under the terms of the indentures governing the notes and the intercreditor agreement, whether arising on or after the date the notes are issued. The existence of any permitted liens could adversely affect the value of the collateral securing the notes, as well as the ability of the collateral agent to realize or foreclose on such collateral.

There also can be no assurance that the collateral will be saleable and, even if saleable, the timing of its liquidation is uncertain. To the extent that liens, rights or easements granted to third parties encumber assets located on property owned by us, such third parties have or may exercise rights and remedies with respect to the property subject to such liens that could adversely affect the value of the collateral and the ability of the collateral agent to realize or foreclose on the collateral. By its nature, some or all of the collateral may be illiquid and may have no readily ascertainable market value. In the event that a bankruptcy case is commenced by or against us, if the value of the collateral is less than the amount of principal and accrued and unpaid interest on the notes and all other senior secured obligations, interest may cease to accrue on the notes from and after the date the bankruptcy petition is filed. In the event of a foreclosure, liquidation, bankruptcy or similar proceeding, we cannot assure you that the proceeds from any sale or liquidation of the collateral will be sufficient to pay the obligations due under the notes.

In addition, not all of CEOC's assets secure the notes. See [Description of 2020\(1\) Exchange Notes Security for the Notes](#) and [Description of 2020\(2\) Exchange Notes Security for the Notes](#). For example, the collateral does not include, among other things:

any property or assets owned by any foreign subsidiaries;

certain real property and vessels;

any vehicles;

cash, deposit accounts and securities accounts (to the extent that a lien thereon must be perfected by any action other than the filing of customary financing statements); or

subject to certain limitations, any assets or any right, title or interest in any license, contract or agreement to the extent that taking a security interest in any of them would violate any applicable law or regulation or any enforceable contractual obligation binding on the assets or would violate the terms of any such license, contract or agreement.

In addition, while the notes are initially secured by the pledge of CEOC's capital stock and the capital stock of the Subsidiary Pledgors, these pledges will be released to the extent that separate financial statements pursuant to Rule 3-16 of Regulation S-X would be required in connection with the filing of the registration statement of which this prospectus forms a part. Therefore, we expect that a substantial portion of the capital stock of CEOC will be released. See [Description of 2020\(1\) Exchange Notes Security for the Notes](#) and [Description of 2020\(2\) Exchange Notes Security for the Notes](#).

To the extent that the claims of the holders of the notes exceed the value of the assets securing the notes and other liabilities, those claims will rank equally with the claims of the holders of our outstanding second lien notes

and unsecured notes (except to the extent holders of the senior unsecured cash pay and PIK toggle notes hold senior claims against such subsidiaries pursuant to certain subsidiary guarantees executed in favor of such notes) and any other series of junior lien or unsecured senior indebtedness. As a result, if the value of the assets pledged as security for the notes and other liabilities is less than the value of the claims of the holders of the notes and other liabilities, those claims may not be satisfied in full before the claims of our junior lien and unsecured creditors are paid.

Even though the holders of the notes benefit from a first-priority lien on the collateral that secures our senior secured credit facilities, our 11.25% notes and our 8.5% notes, the representative of the lenders under the senior secured credit facilities initially controls actions with respect to that collateral.

The rights of the holders of the notes with respect to the collateral that secures the notes on a first-priority basis are subject to a first lien intercreditor agreement among all holders of obligations secured by that collateral on a first-priority basis, including the obligations under our senior secured credit facilities, our 11.25% notes and our 8.5% notes. Under the first lien intercreditor agreement, any actions that may be taken with respect to such collateral, including the ability to cause the commencement of enforcement proceedings against such collateral, to control such proceedings and to approve amendments to releases of such collateral from the lien of, and waive past defaults under, such documents relating to such collateral, are (1) at the direction of the authorized representative of the lenders under our senior secured credit facilities until (x) our obligations under our senior secured credit facilities are discharged (which discharge does not include certain refinancings of our senior secured credit facilities) or (y) 180 days after the occurrence of an event of default under the agreement governing the series of first priority lien obligations representing the largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral (other than our senior secured credit facilities) and has complied with the applicable notice provisions and (2) after the discharge of our obligations under our senior secured credit facilities (which discharge does not include certain refinancings of our senior secured credit facilities), at the direction of the authorized representative of holders of the series of first priority lien obligations representing the largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral until (x) the discharge of our obligations under such series of first priority lien obligations representing the largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral (which discharge does not include certain refinancings of such first-lien obligations) or (y) 180 days after the occurrence of an event of default under the agreement governing the series of first priority lien obligations representing the second-largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral and has complied with the applicable notice provisions. Bank of America, N.A., the administrative agent under our senior secured credit facilities, is also the collateral agent for such facilities and is the collateral agent for the noteholders as well.

However, even if the authorized representative of the notes gains the right to direct the collateral agent in the circumstances described in clause 1(y) or 2(y) above, the authorized representative must stop doing so (and those powers with respect to the collateral would revert to the authorized representative of the lenders under our senior secured credit facilities) if, in the case of clause 1(y) above, the authorized representative of the lenders under the senior secured credit facilities or, in the case of clause 2(y) above, the authorized representative of the lenders under the series of first priority lien obligations representing the largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral (other than our senior secured credit facilities) has commenced and is diligently pursuing enforcement action with respect to the collateral or the grantor of the security interest in that collateral (whether our company or the applicable subsidiary guarantor) is then a debtor under or with respect to (or otherwise subject to) an insolvency or liquidation proceeding.

In addition, we currently have \$2,095.0 million of 11.25% notes outstanding and \$1,250.0 million of 8.5% notes outstanding. The senior secured credit facilities, the indenture governing the 11.25% notes, the indenture governing the 8.5% notes and the indentures governing the notes permit us to issue additional series of notes or other debt that also have a first-priority lien on the same collateral. At any time that the representative of the lenders under our senior secured credit facilities does not have the right to take actions with respect to the

Table of Contents

collateral pursuant to the first lien intercreditor agreement, that right passes to the authorized representative of the holders of the next largest outstanding principal amount of indebtedness secured by a first-priority lien on the collateral. As of the issue date of the exchange notes, that would be the authorized representative for the 11.25% notes and, if we issue additional first lien notes or other debt in the future in a greater principal amount than the notes, then the authorized representative for those additional notes or other debt would be next in line to exercise rights under the first lien intercreditor agreement, rather than the authorized representative for the notes.

Under the first lien intercreditor agreement, the authorized representative of the holders of the notes may not object following the filing of a bankruptcy petition to any debtor-in-possession financing or to the use of the shared collateral to secure that financing, subject to conditions and limited exceptions. After such a filing, the value of this collateral could materially deteriorate, and holders of the notes would be unable to raise an objection.

The collateral that secures the notes on a first-priority basis is also subject to any and all exceptions, defects, encumbrances, liens and other imperfections as may be accepted by the authorized representative of the lenders under our senior secured credit facilities or, if our senior secured credit facilities have been discharged, the authorized representative for the series of first priority lien obligations representing the largest outstanding principal amount of indebtedness secured by a first priority lien on the collateral, during any period that such authorized representative controls actions with respect to the collateral pursuant to the first lien intercreditor agreement. The existence of any such exceptions, defects, encumbrances, liens and other imperfections could adversely
