Item 1.01 Entry into a Material Definitive Agreement.

On February 27, 2014, Ampio Pharmaceuticals, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Citigroup Global Markets Inc. and Jefferies LLC as the underwriters (the Underwriters), related to the registered offering (the Offering) of 8,500,000 shares (the Shares) of the Company's common stock, par value \$0.0001 per share (Common Stock). The offering price to the public was \$7.00 per share. Under the terms of the Underwriting Agreement, the Company granted the Underwriters an option, exercisable for 30 days, to purchase 1,275,000 additional shares of Common Stock at the same price per share as the Shares.

The Offering is expected to close on March 5, 2014, subject to the satisfaction of customary closing conditions. The net proceeds to the Company are expected to be approximately \$55.0 million, after deducting underwriting discounts and commissions and estimated expenses payable by the Company associated with the Offering. The Offering is being made pursuant to the Company's existing shelf registration statements on Form S-3 (File Nos. 333-177116 and 333-193096), which were filed with the Securities and Exchange Commission (the Commission) on September 30, 2011 and December 26, 2013, respectively, and declared effective by the Commission on October 28, 2011 and January 22, 2014, respectively, and are described in more detail in a prospectus supplement filed February 24, 2014 and accompanying base prospectuses dated October 28, 2011 and January 22, 2014, respectively.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions.

Pursuant to the Underwriting Agreement, the Company and its directors and executive officers agreed, subject to certain exceptions, not to offer, issue or sell any shares of Common Stock or securities convertible into or exercisable or exchangeable for shares of Common Stock for a period of ninety (90) days following the Offering without the prior written consent of the Underwriters.

The Underwriting Agreement has been attached hereto as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of the Underwriting Agreement and as of specific dates, were solely for the benefit of the parties to the Underwriting Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement.

A copy of the opinion of Goodwin Procter LLP relating to the legality of the issuance and sale of the securities in the Offering is attached as Exhibit 5.1 hereto. A copy of the Underwriting Agreement is filed herewith as Exhibit 1.1 and is incorporated herein by reference. The foregoing description of the Offering by the Company and the documentation related thereto does not purport to be complete and is qualified in its entirety by reference to such Exhibits.
