PROXY STATEMENT FOR THE

2014 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 11, 2014

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors, or the Board, of Aerie Pharmaceuticals, Inc. is soliciting your proxy to vote at the 2014 Annual Meeting of Stockholders. This proxy statement and proxy card is being mailed to stockholders on or about April 30, 2014. As used in this proxy statement, the Company, we, us and our refer to Aerie Pharmaceuticals, Inc. The term Annual Meeting, as used in this proxy statement, includes any adjournment or postponement of such meeting.

Who can vote at the Annual Meeting?

Only stockholders of record as of the close of business on April 14, 2014, will be entitled to vote at the Annual Meeting. On this date, there were 23,328,576 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 14, 2014, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 14, 2014, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of our outstanding shares entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting or vote by proxy over the telephone or the Internet as instructed below. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairperson of the meeting or the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

Table of Contents

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of FOR votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Accordingly, the two nominees receiving the most FOR votes will be elected as directors.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, will require FOR votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal.

Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the voting on the proposals referenced above.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be routine, but may not vote the shares with respect to non-routine matters. The election of directors (Proposal 1) is a matter considered non-routine under applicable rules. The ratification of the appointment of independent registered public accounting firm (Proposal 2) is a matter considered routine under applicable rules.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 14, 2014.

What does it mean if I receive more than one proxy card?

You may receive more than one proxy card if your shares are registered in more than one name or are registered in different accounts. Please vote in the manner described below under How do I vote? for each proxy card to ensure that all of your shares are voted.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. The Board recommends a vote:

FOR the election of the two nominees to the Board; and

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy statement, the Board had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

Table of Contents

How do I vote?

You may vote (1) **FOR ALL**, to vote for all of the nominees to the Board; (2) **WITHHOLD ALL**, to withhold your vote from all of the nominees to the Board; or (3) **FOR ALL EXCEPT**, to vote for all of the nominees to the Board except for any nominee that you specify in the space provided. An instruction to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes, but will not count as a vote against the nominees. For the other matter to be voted on, you may vote **FOR** or **AGAINST**, or you may **ABSTAIN** from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy, as described under **May I change my vote after submitting my proxy card?** below.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote by proxy, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxy holders will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on June 10, 2014, to be counted.

To vote on the Internet, go to www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on June 10, 2014, to be counted.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares **FOR each of the nominees listed in Proposal 1 and **FOR** Proposal 2 as set forth in the Notice of Annual Meeting of Stockholders.**

If any other matter is presented, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than that listed in the Notice of Annual Meeting of Stockholders.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us.

Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

May I change my vote after submitting my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of the following four ways:

send a timely written revocation of the proxy to our Secretary;

Table of Contents

submit a signed proxy card bearing a later date;

enter a new vote over the Internet or by telephone; or

attend and vote in person at the Annual Meeting.

If your shares are not registered in your own name, you will need the appropriate documentation from the stockholder of record to vote personally at the Annual Meeting. If your shares are held by your broker, bank or another party as a nominee or agent, you should follow the instructions provided by such party.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Who will bear the expense of soliciting proxies?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by solicitation by telephone, via the Internet or in person by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

How can I find the voting results from the Annual Meeting?

Preliminary voting results will be announced at our Annual Meeting. Final voting results will be published in a Current Report on Form 8-K that we expect to file no later than four business days after the Annual Meeting. If final voting results are not available by the time we file the Form 8-K, we will disclose the preliminary results in the Form 8-K and, within four business days after the final voting results are known to us, file an amended Form 8-K to disclose the final voting results.

Obtaining an Annual Report on Form 10-K

We will provide a copy of our 2013 Annual Report on Form 10-K without charge, upon written request, to any registered or beneficial owner of common stock entitled to vote at the Annual Meeting. Requests can be made by email, sendmaterial@proxyvote.com, or in writing addressed to Richard J. Rubino, Secretary, Aerie Pharmaceuticals, Inc., 135 US Highway 206, Suite 15, Bedminster, NJ 07921. Please include your control number with your request. The Securities and Exchange Commission, or the SEC, also maintains a website at www.sec.gov that contains reports, proxy statements and other information regarding registrants, including our company.

Table of Contents**PROPOSAL 1****ELECTION OF DIRECTORS**

Our Board currently comprises eight directors. Our amended and restated certificate of incorporation provides for a classified Board consisting of three classes of directors, each of which shall consist, as nearly as may be possible, of one-third of the total number of directors. Currently, two classes consist of three directors and one class consists of two directors. Each class serves a staggered three-year term. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The terms of our Class I directors, Vicente Anido, Jr., PhD and Janet L. Conway, PhD, will expire at the Annual Meeting, and the terms of our Class II directors and Class III directors will expire at the annual meeting of stockholders to be held in 2015 and 2016, respectively.

Upon the recommendation of the nominating and corporate governance committee, our Board has nominated Dr. Anido for re-election as a Class I director at the Annual Meeting. Dr. Conway will not be standing for re-election to the Board. The Board and employees of the Company would like to acknowledge Dr. Conway for her years of service on the Board and dedication to the advancement of the Company's product candidates. Pursuant to our amended and restated certificate of incorporation, a vacancy on the Board can be filled only by a majority of our directors then in office. The nominating and corporate governance committee is currently in the process of identifying potential candidates to fill the vacancy created by Dr. Conway's impending departure. Alternatively, the Board can elect to reduce the number of directors on the Board. In order to ensure that each of the three classes of the Board continues to consist, as nearly as may be possible, of one-third of the total number of directors, the Board, upon the recommendation of the nominating and corporate governance committee, has nominated David W. Gryska, a current Class II director, for election as a Class I director at the Annual Meeting. If Mr. Gryska is elected as a Class I director at the Annual Meeting, he will cease to be a Class II director effective as of the Annual Meeting.

There are no arrangements or understanding between any director, or nominee for directorship, pursuant to which such director or nominee was selected as a director or nominee. We know of no reason why any nominee may be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board. If for any reason these nominees prove unable or unwilling to stand for election, the Board will nominate alternates or reduce the size of the Board to eliminate the vacancy. The Board has no reason to believe that its nominees would prove unable to serve if elected. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Nominees for Election as Directors

Set forth below are the names, ages, principal occupations, and business experience, as well as their prior service on the Board, if any, for the nominees for election as directors at the Annual Meeting. Unless otherwise indicated, principal occupations shown for each director have extended for five or more years. We believe that Mr. Gryska's business experience as a senior financial executive at a life sciences and biotechnology company and his experience serving as a director of other public companies provide him with the qualifications and skills to serve as a member of our Board.

Vote Required

Directors are elected by a plurality of the votes cast at the meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The two nominees receiving the highest number of For votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our Board.

Our Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE NOMINEES SET FORTH ABOVE.

Information about the Board of Directors and Corporate Governance

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in the day-to-day operations of the Company. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending meetings of the Board, which are held from time to time.

The Board held 8 meetings during the year ended December 31, 2013. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he or she has been a director and (ii) the meetings of the committee(s) on which that director served during such period.

It is our policy to encourage our directors to attend the Annual Meeting. As a newly public company, we did not hold an annual meeting of stockholders in 2013. It is currently anticipated that all members of the Board will be in attendance at the Annual Meeting.

Board of Directors Independence

Under the listing requirements and rules of the NASDAQ Global Market, or NASDAQ, independent directors must compose a majority of a listed company's board of directors. In addition, applicable NASDAQ rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating committees

must be independent within the meaning of applicable NASDAQ rules. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Table of Contents

Our Board has undertaken a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. In making this determination, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. As a result of this review, our Board determined that Dr. Cagle, Dr. Conway, Dr. Duyk, Mr. Goldberg, Mr. Gryska, Dr. Henner and Dr. Mehra qualify as independent directors within the meaning of the NASDAQ rules. The Board also determined that David Mack, PhD, who resigned from the Board in December 2013, was independent. As required under applicable NASDAQ rules, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. The lead independent director may call an executive session. The purpose of these executive sessions is to promote open and candid discussion among the non-employee directors.

Committees of the Board of Directors

The Board has three committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The following table provides membership and meeting information for the year ended December 31, 2013, for each committee:

Under the applicable NASDAQ rules, we are permitted to phase in our compliance with the independent audit committee requirements set forth in Rule 5605 of the NASDAQ listing standards on the same schedule as we are permitted to phase in our compliance with the independent audit committee requirement pursuant to Rule 10A-3 under the Exchange Act. Under these phase-in rules, each member of our audit committee is required to be independent starting one year after our initial public offering, or IPO, in October 2013.

Our Board has determined that Mr. Goldberg and Mr. Gyska are independent as independence is currently defined in Rule 5605 of the NASDAQ listing standards and Rule 10A-3 under the Exchange Act. We expect that membership of this committee will be changed to comply with independence requirements prior to the end of the one-year phase-in period described above.

Table of Contents

overseeing and discussing with management our policies with respect to risk assessment and risk management, and our significant financial and operational risk exposures;

setting policies for our hiring of employees or former employees of our independent registered public accounting firm;

reviewing and assessing the adequacy of our audit committee charter periodically; and

establishing procedures for receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters, and for confidential, anonymous submissions of accounting and auditing concerns by employees.

Table of Contents

The nominating and corporate governance committee periodically determines the qualifications, qualities, skills and other expertise required to be a director and develops, subject to approval by the full Board, criteria to be considered in selecting nominees for director. Among other things, the nominating and corporate governance committee considers whether the Board reflects the balance of knowledge, experience, skills, expertise, integrity, ability to make analytical inquiries, and diversity as a whole that the committee deems appropriate. The nominating and corporate governance committee has not adopted a policy regarding the consideration of diversity in identifying director nominees. The nominating and corporate governance committee may use outside consultants to assist in identifying or evaluating candidates. Final approval of director candidates is determined by the full Board.

The nominating and corporate governance committee will consider qualified nominations for directors recommended by stockholders. Board Leadership

Dr. Anido, our chief executive officer, serves as chairman of our Board. Our Board believes that this leadership structure is appropriate for us, given Dr. Anido's extensive experience with and knowledge of the pharmaceutical industry and his ability to effectively identify strategic priorities for the Company. Furthermore, our Board believes that Dr. Anido's combined role of chief executive officer and chairman promotes effective execution of strategic goals and facilitates information flow between management and our Board. Dr. Anido chairs all Board meetings, except for executive sessions at which only independent directors are present and which are chaired by Mr. Gryska, our lead independent director.

Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing the Company. Throughout the year, senior management reviews these risks with the Board at regular Board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks.

Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, and our audit committee is responsible for overseeing our significant financial and operational

risk exposures and the steps our management has taken to monitor and control these exposures.

Table of Contents

The audit committee also monitors compliance with legal and regulatory requirements. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines and considers and approves or disapproves any related-persons transactions. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our website at www.aeriepharma.com. We intend to satisfy applicable disclosure requirements regarding an amendment to, or a waiver from, a provision of our code of business conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions, by posting such information on our website at the internet address set forth above. PROPOSAL 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's stockholders are being asked by the audit committee of the Board to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm. The audit committee is solely responsible for selecting the Company's independent registered public accounting firm, and stockholder approval is not required to appoint PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014. However, the Board believes that submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification is good corporate governance. If the stockholders do not ratify this appointment, the audit committee will reconsider whether to retain PricewaterhouseCoopers LLP. If the selection of PricewaterhouseCoopers LLP is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of the Company and its stockholders.

The Mitro Employment Agreement had provided for an annual base salary of \$335,000 and an annual performance bonus opportunity of up to 20% of his base salary then in effect. Pursuant to the Restated Mitro Employment Agreement, Mr. Mitro is entitled to an annual base salary of \$380,000 and is eligible to earn an annual performance bonus of up to 50% of his base salary. The Restated Mitro Employment Agreement provides for an initial term beginning on December 18, 2013 and ending on the fourth anniversary thereof, which term shall automatically be renewed for successive one-year periods unless either party provides 90 days' notice of non-renewal (the initial term and any renewal term, collectively, the Mitro Agreement Term). Mr. Mitro's base salary may be increased annually at the discretion of the Board, and may be decreased only in connection with an overall reduction in executive officer salaries.

The Restated Mitro Employment Agreement provides that if, during the four-year period commencing on December 18, 2013, any of the payments or benefits provided by the Company to Mr. Mitro would constitute a parachute payment within the meaning of Section 280G of the Code that would be subject to the excise tax imposed under Section 4999 of the Code or any interest or penalties with respect to such excise tax, Mr. Mitro will be entitled to an additional payment equal to the sum of such excise tax and related interest or penalties plus the amount necessary to put him in the same after-tax position that he would have been in had he not incurred any tax liability under Section 4999 of the Code.

The Restated Mitro Employment Agreement also provides that during the Mitro Agreement Term and for a period of 12 months thereafter, Mr. Mitro shall not, directly or indirectly, without the Company's prior written consent (a) hire,

contact, induce or solicit for employment any person who is, or within six months prior to the date of such hiring, contacting, inducing or soliciting was, an employee of the Company or any of its affiliates, or (b) induce or solicit any customer, client or vendor of, or other person having a business relationship with, the

Company or any of its affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or any of its affiliates, or interfere with any relationship between the Company or any of its affiliates and any of their respective customers, clients, vendors or any other business contacts.

Richard J. Rubino. On September 24, 2012, we entered into a letter agreement with Mr. Rubino (the Rubino Letter Agreement), which was amended and restated effective as of December 18, 2013 (the Restated Rubino Employment Agreement), pursuant to which Mr. Rubino continues to serve as our Chief Financial Officer. The Rubino Letter Agreement had provided for a base salary of \$300,000 per annum and an annual performance bonus of up to 20% of his base salary for the relevant calendar year. The Restated Rubino Employment Agreement provides that Mr. Rubino will receive an annual base salary of \$365,000 and, beginning with the 2014 calendar year, be eligible to receive an annual performance bonus of up to 45% of his base salary for the relevant calendar year. The Restated Rubino Employment Agreement provides for an initial term beginning on December 18, 2013 and ending on the third anniversary thereof, which term shall automatically be renewed for successive one-year periods unless either party provides 90 days notice of non-renewal (the initial term and any renewal term, collectively, the Rubino Agreement Term). Mr. Rubino's base salary may be increased annually at the discretion of the Board, and may be decreased only in connection with an overall reduction in executive officer salaries.

The Restated Rubino Employment Agreement provides that to the extent any of the payments or benefits provided by the Company to Mr. Rubino would constitute a parachute payment within the meaning of Section 280G of the Code that would be subject to Section 4999 of Code, then such payments will be payable either (i) in full or (ii) as to such lesser amount which would result in no portion of such payment being subject to Section 4999 of the Code; whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in Mr. Rubino's receipt on an after-tax basis, of the greatest amount of economic benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code.

The Restated Rubino Employment Agreement also provides that during the Rubino Agreement Term and for a period of 12 months thereafter, Mr. Rubino shall not, directly or indirectly, without the Company's prior written consent (a) hire, contact, induce or solicit for employment any person who is, or within six months prior to the date of such hiring, contacting, inducing or soliciting was, an employee of the Company or any of its affiliates, or (b) induce or solicit any customer, client or vendor of, or other person having a business relationship with, the Company or any of its affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or any of its affiliates, or interfere with any relationship between the Company or any of its affiliates and any of their respective customers, clients, vendors or any other business contacts.

Thomas J. van Haarlem. On July 25, 2013, Dr. Anido, Chairman of our Board, was named Chief Executive Officer and will continue as our Chairman. Dr. Anido replaced our founding Chief Executive Officer Thomas J. van Haarlem, M.D., who resigned from his positions as our President, Chief Executive Officer and Director. Dr. van Haarlem serves as a consultant to us pursuant to the terms of the consulting agreement described below. The following summary for Dr. van Haarlem reflects the terms and conditions of his employment prior to the separation date.

On July 5, 2005, we entered into a letter agreement with Dr. van Haarlem, which was amended effective September 28, 2009. The initial employment term, and the subsequent renewal term entered into pursuant to the amendment effective September 28, 2009, concluded on July 5, 2008 and December 31, 2010, respectively. The letter agreement provided that Dr. van Haarlem was entitled to base salary of \$389,622 per annum as of December 31, 2012. Dr. van Haarlem was eligible to receive an annual performance bonus of up to 50% of his base salary for the relevant calendar year.

Dr. van Haarlem's letter agreement provided that for the one-year period following his termination of employment, he is prohibited from (i) soliciting any of our competitors, customers, or employees, and

(ii) inducing or encouraging any of our third-party licensors, licensees, distributors, or research, development or commercialization collaborators to terminate or reduce its business activities with us. In connection with the execution of his letter agreement, Dr. van Haarlem also entered into a confidentiality, inventions and noncompetition agreement, which provided that for a period of one year following his termination he is prohibited from (i) engaging in any business related to our fields of interest anywhere in the Noncompetition Area (as defined in the agreement), (ii) from interfering with the relationship between us (and any of our affiliates) and our customers then existing or existing at any time within one year prior to termination and (iii) from interfering with the relationship between us and our suppliers then existing or existing at any time within one year prior to termination.

On July 25, 2013, or the Separation Date, we entered into a Separation and General Release Agreement with Dr. van Haarlem, pursuant to which Dr. van Haarlem resigned from his positions as President, Chief Executive Officer and director. Pursuant to the terms of the Separation Agreement, Dr. van Haarlem has released us from any and all claims, known or unknown, that he had, has or may have against us up until the Separation Date. In consideration for such release, we have agreed to provide: (a) continued payment of annual base salary of \$397,414 over a period of 12 months, payable in regular installments in accordance with our usual payroll practices; (b) reimbursement for any unreimbursed business expenses incurred by him prior to the Separation Date in accordance with Company policy; (c) 12 months of benefits continuation under our health and dental plan; and (d) reimbursement for the pro-rata number of unused vacation days during 2013. Pursuant to the terms of the Separation Agreement, Dr. van Haarlem also received payment of an amount equal to \$146,108 following the completion of our IPO in October 2013. In addition, we have released Dr. van Haarlem from the non-competition obligations in his confidentiality, inventions and noncompetition agreement.

In accordance with the terms of the Separation Agreement, we and Dr. van Haarlem also entered into a consulting agreement, or the Consulting Agreement, effective as of the Separation Date through June 30, 2014 (the Expiration Date). The Consulting Agreement provides for (i) the payment of \$100.00 per month; (ii) the continuation of the vesting of options to purchase 41,678 shares of common stock held by Dr. van Haarlem in accordance with the vesting schedule applicable immediately prior to the Separation Date until the Expiration Date; and (iii) the extension of the exercise period of options to purchase 443,623 shares of common stock, all of which were vested on or prior to the Separation Date, until the Expiration Date, following which date all then unexercised options shall automatically expire. Dr. van Haarlem will be entitled to exercise his vested options prior to the Expiration Date by means of a cashless exercise. The Consulting Agreement also provides that during the term and for a period of 12 months thereafter, Dr. van Haarlem shall not, directly or indirectly, without our prior written consent (a) solicit or induce any of our employees to leave our company; or (b) solicit the business of any of our agents, clients or customers with respect to products or services similar to and competitive with those provided or supplied by us. Dr. van Haarlem also agreed to maintain the confidentiality of any of our proprietary information at all times during and after the term, and to assign to us all rights in any inventions conceived by him during the term of the agreement. Moreover, pursuant to the terms of each of the Consulting Agreement and Separation Agreement, we and Dr. van Haarlem each agree to refrain from making or encouraging any other individual to make any public or private comments that would disparage the other, and in the case of us, our officers, directors or managers.

Equity Incentive Awards

Our named executive officers have historically been eligible to receive long-term equity-based incentive awards under the Aerie Pharmaceuticals, Inc. 2005 Stock Option Plan (the 2005 Plan) and are currently eligible to receive long-term equity-based incentive awards under the Aerie Pharmaceuticals, Inc. 2013 Omnibus Incentive Plan (the 2013 Equity Plan). While we believe that long-term equity awards are an important element of the mix of compensation paid to our named executive officers, we do not maintain any formal grant-making policy. Instead, the Board (or the compensation committee) periodically reviews the total level and mix of compensation paid to each of our named

executive officers in order to determine the appropriate timing and amounts of long-term equity awards so as to continue to promote the alignment of our executive officers' interests with those of our stockholders.

Richard J. Rubino. Pursuant to the terms of an incentive stock option agreement, on October 15, 2012, we granted Mr. Rubino an option to purchase 345,000 shares of common stock scheduled to vest over a period of four years beginning on the anniversary of the date of grant, which option agreement was subsequently amended on March 21, 2013 to provide that (i) the option would no longer be an incentive stock option as described in Section 422 of the Code, (ii) the option would be fully vested and (iii) Mr. Rubino may elect to net exercise his option such that the number of shares delivered would reflect the total number of shares underlying the option reduced by the number of shares of common stock having a fair market value on the date of exercise equal to the aggregate exercise price for the total number of shares underlying the option (net exercise). As described in greater detail in footnote 6 to the Outstanding Equity Awards at Fiscal Year-End table, this option was exercised in full by Mr. Rubino in March 2013. We also made an additional option grant to purchase 174,939 shares of common stock, which was the equivalent number of shares he surrendered to us in connection with the cashless exercise of his October 2012 option. Potential Payments Upon Termination or Change in Control

A description of Dr. van Haarlem's entitlements following his resignation, as provided under the terms of his Separation Agreement and Consulting Agreement, are described above in the section Executive Agreements.

Table of Contents

Vicente Anido, Jr. In the event of a termination of Dr. Anido's employment by us without Cause (as such term is defined in the Anido Employment Agreement) or by Dr. Anido for Good Reason (as such term is defined in the Anido Employment Agreement), Dr. Anido will be entitled to (i) a lump sum severance payment equal to six months of base salary, (ii) commencing on the date that is six months following the termination date, continued payment of Dr. Anido's base salary at the rate in effect at the time of termination for a period of six months, (iii) 12 months of Company-paid COBRA continuation coverage less the amount payable by an active employee for such coverage, and (iv) payment of the greater of (x) the target annual performance bonus for the year in which termination occurs and (y) the average of the annual performance bonus received by Dr. Anido for the three years immediately preceding the year in which termination occurs (together with the payments provided under (i), (ii) and (iii), the Anido Severance Payments). In the event Dr. Anido's employment is terminated by us with or without Cause, or he resigns for or without Good Reason, he will have a post-termination exercise period of 90 days during which he may exercise the portion of the options that was vested as of the termination date. In the event of a termination by us without Cause or by Dr. Anido for Good Reason at any time during the 12 months following a Transfer of Control, he will be entitled to (i) the Anido Severance Payments (provided that the base salary continuation and COBRA continuation coverage shall continue for a period of 18 months following termination if we are a publicly reporting company at the time of the Transfer of Control) and (ii) full vesting of all options and other equity incentive awards which were unvested immediately prior to such termination. In the event that the Board approves a decision to liquidate, dissolve, or terminate our business or operations (other than in connection with the sale of the assets or merger of our company), Dr. Anido will immediately resign from all then-held employment, officer and director positions, and will not be required to oversee, participate or assist in any in such liquidation, provided, however, that in the event of such resignation, Dr. Anido would not be entitled to any severance benefits or payments.

Under the terms of each Employment Agreement for Messrs. Mitro and Rubino, in the event of a termination by the Company without Cause (as such term is defined in the applicable Employment Agreement) or by the executive for Good Reason (as such term is defined in the applicable Employment Agreement), the executive is entitled to (i) base salary continuation for a period of 12 months following the date of termination and (ii) COBRA continuation coverage for himself and his dependents for a period of 12 months (or, if earlier, such time as the executive obtains new employment) (collectively, the Severance Benefits). In the event of a termination by the Company with or without Cause, or by the executive for any reason, the vesting applicable to equity awards then held by the executive shall cease and the executive will have a period of 90 days following such termination during which he may exercise the portion of such equity awards that was vested as of the termination date. If, following a Change in Control (as defined in the Company's 2013 Equity Plan) during the Term, either (a) the successor corporation (or a parent or subsidiary of the successor corporation) does not offer the executive employment on terms comparable to the executive's then existing terms of employment with the Company and in connection therewith, the executive terminates employment or (b) the executive's employment is terminated by the successor corporation without Cause or by the executive for Good Reason within the one-year period following the Change in Control, the executive shall be entitled to (i) the Severance Benefits; (ii) a performance bonus equal to the greater of (x) the target bonus for the applicable calendar year and (y) the average of the performance bonus received by the executive for the two years immediately preceding termination; and (iii) immediate vesting of all of his then unvested equity awards. The executive will have a period of 90 days following such termination during which he may exercise such equity awards.

Treatment of Equity in the Event of a Transfer of Control. The 2005 Plan provides that in the event of a Transfer of Control (as defined in the 2005 plan), each outstanding option shall be assumed or an equivalent option substituted by the successor corporation (or a parent or subsidiary of the successor corporation). If the successor corporation in a Transfer of Control refuses to assume or substitute for any outstanding option, the option shall fully vest and become exercisable. An option shall be considered assumed if, following the Transfer of Control, the option confers upon the holder the right to receive, in respect of each share underlying such option, the per share consideration (whether in the form of stock, cash or other securities or property) received by holders of our common stock (as of the effective date

of the transaction) in the Transfer of Control, provided, however, that if such consideration received in the Transfer of Control is not solely capital stock of the successor corporation (or

Table of Contents

parent thereof), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the option, for each share subject to the option, to be solely capital stock of the successor corporation (or parent thereof) equal in fair market value to the per share consideration received by holders of our common stock in the Transfer of Control. Upon occurrence of a Transfer of Control, each outstanding option, to the extent not exercised prior to or concurrently with the Transfer of Control, shall terminate as of the effective time of the Transfer of Control, unless such option is assumed or replaced with an option to purchase shares of capital stock in the successor corporation. Notwithstanding the foregoing, if the successor corporation (or a parent or subsidiary of the successor corporation), either (A) does not offer employment to the executive on terms comparable to his then existing terms of employment (as determined by the Board) or (B) terminates the executive's employment without cause (as such term is defined in the executive's agreement or 2005 Plan, as applicable) within one year after the Transfer of Control, then the entire unexercisable portion of the outstanding option that would become exercisable during the twelve months following the occurrence of either of the events set forth in clauses (A) or (B) above, shall become immediately exercisable.

Treatment of Equity in the Event of a Corporate Transaction. The 2013 Equity Plan provides that in the event of a Corporate Transaction (as defined in the 2013 Equity Plan), each outstanding option may (a) continue following such Corporate Transaction, which may include, in the discretion of the compensation committee, the assumption, continuation or substitution of the options, in each case with appropriate adjustments to the number, kind of shares, and exercise prices; or (b) terminate. If the outstanding options are terminated in the event of a Corporate Transaction, the holders of vested options must be provided either (a) fifteen days to exercise their options or (b) payment (in cash or other consideration) in respect of each share covered by the option being cancelled in an amount equal to the excess of the per share price to be paid to stockholders in the Corporate Transaction over the price of the option. If the per share price to be paid to stockholders in the Corporate Transaction is less than the exercise price of the option, the options may be terminated without payment of any kind. Unvested options may be treated, at the discretion of the Committee, in the same manner as described above for vested options. The Committee may also accelerate the vesting on any unvested options and provide holders of such options a reasonable opportunity to exercise the award. Notwithstanding the foregoing, in connection with a Corporate Transaction, the Committee may, in its sole and absolute discretion, cause any of the following actions to be taken effective upon or at any time prior to the Corporate Transaction (and such action may be made contingent upon the occurrence of the Corporate Transaction): (a) cause and or all unvested options to become fully vested and immediately exercisable and/or provide holders of options a reasonable period of time prior to the Corporate Transaction to exercise their options; or (b) with respect to unvested options that are terminated in connection with the Corporate Transaction, provide to holders a payment (in cash or other consideration) in respect of each share underlying the options equal to all or a portion of the excess, if any, of the per share price to be paid or distributed to stockholders in the Corporate Transaction over the exercise price of the option, which may be paid in accordance with the vesting schedule of the options as set forth in the applicable award agreement.

In addition, newly appointed non-employee directors shall be eligible to receive a one-time initial option award to purchase 25,000 shares of common stock, which will vest quarterly over a three-year period subject to the director's continued service on the Board. Thereafter, each non-employee director shall be eligible to receive on the date of each annual meeting of stockholders an annual option award to purchase 13,500 shares of common stock, which will vest on the one-year anniversary of the date of grant, subject to the director's continued service on the Board.

Director Compensation Table

The following table sets forth the compensation paid to our non-employee directors for the year ended December 31, 2013, for their service on our Board. Directors who are also our employees receive no additional compensation for their services as directors and are not set forth in the table below.

TRANSACTIONS WITH RELATED PERSONS

Policies and Procedures for Related Person Transactions

All related person transactions are reviewed and approved by our audit committee. This review covers any material transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, and a related person had or will have a direct or indirect material interest, including, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. A related person is any person who is or was one of our executive officers, directors or director nominees or is a holder of more than 5% of our common stock, or their immediate family members or any entity owned or controlled by any of the foregoing persons.

All of the transactions described below were entered into prior to the adoption of this policy and were approved by our Board.

Certain Related-Person Transactions

We describe below transactions and series of similar transactions, since January 1, 2013, to which we were a party or will be a party, in which:

the amounts involved exceeded or will exceed \$120,000; and

any of our directors, executive officers, holders of more than 5% of our capital stock or any member of their immediate family had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described where required under Executive Compensation Executive Agreements and Director Compensation.

Convertible Note and Warrant Issuances

In December 2012, we entered into a note and warrant purchase agreement with certain of our existing investors providing for the issuance from time to time of convertible notes (the 2012 Notes) up to a maximum of \$15.0 million of aggregate principal amount. In August 2013, we amended the note and warrant purchase agreement allowing for the issuance of an additional \$3.0 million of aggregate principal amount and extending the issuance period through November 30, 2013 as further described in Note 6 to our audited financial statements included in our Annual Report on Form 10-K filed with the SEC on March 26, 2014.

Concurrently with entering into the note and warrant purchase agreement in December 2012, we issued \$3.0 million in aggregate principal amount of 2012 Notes to existing investors identified in the table below. In March 2013, May 2013, August 2013 and September 2013, we issued an additional \$3.0 million, \$4.5 million, \$4.5 million and \$3.0 million, respectively, in aggregate principal amount of 2012 Notes to these existing investors. The 2012 Notes accrued interest at a rate of 8% per annum. On October 30, 2013, upon closing of our IPO, the aggregate principal amount of the 2012 Notes together with accrued interest was converted into shares of our common stock at a conversion price equal to the IPO price of \$10.00 per share.

In connection with the issuances of 2012 Notes, we also issued warrants to purchase shares of our Series B convertible preferred stock (the Series B warrants). The Series B warrants are exercisable at a price of \$0.05 per share at any time during their seven year term, subject to adjustment. In connection with our IPO, 408,614 Series B warrants were net exercised and were subsequently automatically converted into shares of common stock. The remaining 408,295 Series B warrants automatically became exercisable for shares of our common stock at an exercise price of \$0.05 per share.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information known to us regarding beneficial ownership of our common stock as of March 31, 2014 by:

our named executive officers;

our directors;

all of our executive officers and directors as a group; and

each person, or group of affiliated persons, known by us to be the beneficial owner of more than 5% of our common stock.

We have based our calculation of beneficial ownership on 23,328,576 shares of common stock outstanding as of March 31, 2014.

Information with respect to beneficial ownership is based upon information furnished to us by each director, executive officer or 5% or more stockholder, and Schedules 13D or 13G filed with the SEC, as the case may be. Beneficial ownership is determined in accordance with SEC rules. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities and include shares of common stock issuable upon the exercise of stock options or warrants that are immediately exercisable or exercisable within 60 days after March 31, 2014. Common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of March 31, 2014 are deemed to be outstanding and beneficially owned by the person holding the options or warrants. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them. The information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise indicated in the table below, addresses of named beneficial owners are in care of Aerie Pharmaceuticals, Inc., 135 US Highway 206, Suite 15, Bedminster, New Jersey 07921.
