⁽¹⁾ *The Issue Spread is a comparable and shows the basis point difference between the yield on the Notes and the yield on the specified Government of Canada (GoC) benchmark bond(s) of similar maturity. Comparables means information that compares an issuer to other issuers. The Issue Spread is the customary method for benchmarking yields on Canadian investment grade debt instruments issued in Canada. Information about the GoC benchmark bond(s) of similar maturity (including the yield) was obtained from public sources and has not been verified by the Company or any of the Agents. Numerous factors affect the value of an investment in the Notes other than the Issue Spread. If the information concerning the GoC benchmark bond(s) (including the yield) used in calculating the Issue Spread contains a misrepresentation, investors do not have a remedy under securities legislation in any province of Canada. Investors are cautioned to not put undue reliance on the Issue Spread in making an*

investment decision.

The Company has filed a registration statement (File No. 333-192197) (including a short form base shelf prospectus dated November 15, 2013) and will file a prospectus supplement dated September 10, 2014 (including the short form base shelf prospectus, the Prospectus) with the U.S. Securities and Exchange Commission (the SEC) for the offering to which this communication relates.
