Item 8.01 Other Events

During the first quarter of 2014, Humana Inc. (also referred to as Humana, we, us and our) reclassified certain of our businesses from our Healthcare Services segment to our Employer Group segment to correspond with internal management reporting changes. We continue to manage and report our operating results using the following segments: Retail, Employer Group, and Healthcare Services. We also disclose results for Other Businesses.

We began to report under our new structure effective with the filing of our Quarterly Report on Form 10-Q for the three months ended March 31, 2014. This Current Report on Form 8-K (this Form 8-K) updates and supersedes the information in Items 1, 7 and 8 of our Annual Report on Form 10-K for the year ended December 31, 2013 (the 2013 10-K) to reflect retrospective application of the new segments and reclassified historical results to conform to the new presentation. These adjustments had no impact on net income, cash flows or equity. Except as specifically provided, the information in this Form 8-K does not reflect any event or development occurring after February 19, 2014, the date we filed the 2013 10-K. For a discussion of events and developments subsequent to the filing of the 2013 10-K, please refer to our Securities and Exchange Commission (SEC) filings since that date. In our Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2014 and June 30, 2014, we adjusted the unaudited condensed consolidated financial statements for the three months ended March 31, 2013 and for the three and six months ended June 30, 2013 to reflect the retrospective application of our new segments. Accordingly, we are filing this Form 8-K so that our annual financial statement information for years prior to January 1, 2014 incorporated by reference in any registration statement and related prospectus supplements that we have filed or may file from time to time would reflect our reclassification of certain businesses.
