Item 1.01 Entry into a Material Definitive Agreement

On November 19, 2014, Nanophase Technologies Corporation (the Company) and Roche Diagnostics GmbH (Roche) entered into the First Amendment (the Amendment) to the Supply Agreement of March 3, 2006 (the Supply Agreement), between the Company and Roche. The Amendment sets forth the minimum product order size and the binding product quantities that Roche has ordered from the Company for delivery during the second half of 2014 and during 2015 and 2016, as well as the fixed price per kilogram that will be charged by the Company for such orders. The Amendment also revises the time period for payment by Roche and addresses the use of Roche's trademarks and trade/company names by the Company.

All other terms and conditions in the Supply Agreement as in effect immediately prior to the Amendment remain in full force and effect thereafter. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the text of the Amendment, which is filed, with confidential portions redacted, as Exhibit 10.1 hereto and is incorporated herein by reference.
