ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On February 3, 2015, CEVA, Inc. (the Company) announced its financial results for the quarter and year ended December 31, 2014. A copy of the press release, dated February 3, 2015, is attached and filed herewith as Exhibit 99.1. This information, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference to such filing.

In addition to the disclosure of financial results for the quarters and years ended December 31, 2014 and 2013 in accordance with generally accepted accounting principles in the United States (GAAP), the press release also included non-GAAP net income and diluted earnings per share (EPS) figures for the referenced periods.

Non-GAAP net income and diluted earnings per share for the fourth quarter of 2014 excluded: (a) equity-based compensation expense of \$1.0 million, (b) the impact of the amortization of acquired intangibles, net of taxes, of \$0.2 million associated with the acquisition of RivieraWaves SAS (the Acquisition), (c) \$0.1 million of costs associated with the Acquisition, and (d) one-time write off of a certain deferred tax asset of approximately \$2.2 million. Non-GAAP net income and diluted earnings per share for the fourth quarter of 2013 excluded an aggregate equity-based compensation expense, net of taxes, of \$1.3 million.

Non-GAAP net income and diluted earnings per share for 2014 excluded (a) equity-based compensation expense of \$5.0 million, (b) the impact of the amortization of acquired intangibles, net of tax, of \$0.4 million associated with the Acquisition, (c) a loss of approximately \$0.4 million from the sale of the Company's minority equity holdings in Antcor SA, (d) \$0.5 million of costs associated with the Acquisition, and (e) a one-time write off of a certain deferred tax asset of approximately \$1.9 million. Non-GAAP net income and diluted earnings per share for 2013 excluded an aggregate equity-based compensation expense, net of taxes, of \$5.3 million.

The Company believes that the reconciliation of financial measures in the press release is useful to investors in analyzing the results for the quarters and years ended December 31, 2014 and 2013 because the exclusion of such expenses may provide a more meaningful analysis of the Company's core operating results and comparison of quarterly results. Further, the Company believes it is useful for investors to understand how the expenses associated with the application of FASB ASC No. 718 are reflected on its statements of income. The reconciliation of financial measures should be reviewed in addition to and in conjunction with results presented in accordance with GAAP, and are intended to provide additional insight into the Company's operations that, when viewed with its GAAP results and the accompanying reconciliation, offer a more complete understanding of factors and trends affecting the Company's business. The reconciliation of financial measures should not be viewed as a substitute for the Company's reported GAAP results.
