## Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Effective May 1, 2015, the Compensation Committee of the Board of Directors of The Gorman-Rupp Company (the Company ) approved initial grants of performance-based restricted stock awards for the Company's executive officers and other officers and operating managers under The Gorman-Rupp Company 2015 Omnibus Incentive Plan (the Plan ).

Recipients of performance share awards will receive a target award of performance shares that vest at the end of a performance period beginning January 1, 2015 and ending December 31, 2017, based on the levels of achievement of the performance goals established by the Compensation Committee, which may range from 0% to 150% of the target number of performance shares. The performance goals for these performance share awards are based on targeted operating income growth and shareholders' equity growth, weighted 50% each. Each vested performance share represents the right to receive one common share of the Company.

The number of shares subject to the performance share awards granted to the Company's named executive officers are as follows:

Executive Officer	Number of Shares
Jeffrey S. Gorman	7,323
Wayne L. Knabel	5,492
Brigette A. Burnell	3,661

As part of its approval of the initial grants, the Compensation Committee also approved a form of Performance Share Grant Agreement (the Performance Share Agreement ) to be used to grant awards to eligible employee participants from time to time under the Plan. The Performance Share Agreement sets forth the terms of vesting and delivery of the shares underlying the respective award, including, among other things, the terms upon which the award may terminate and the vesting terms that may apply upon the termination of the participant's employment with the Company due to death, disability or retirement. If there is a change in control of the Company, as defined in the Performance Share Agreement, prior to the vesting date applicable to the award, then the grantee will become vested in the shares underlying the award as and to the extent provided under the terms of the Performance Share Agreement.

The description of the Performance Share Agreement as contained herein is qualified in its entirety by reference to the full text of the form of Performance Share Agreement, a copy of which is filed as Exhibit 10.1 and is incorporated by reference into this Item 5.02.
