**Response to certain press relating to increased dividend payout for fiscal year 2015:**

As part of Korea Electric Power Corporation's (KEPCO) proposed plan to use proceeds from the sale of its former headquarter site, KEPCO has reviewed utilizing sale proceeds for repayment of debt, increased investments, payment of headquarter relocation cost, payment of corporate taxes and dividend payout, etc., but no specific decision has been made.

Dividend payout for the fiscal year 2015 has not been determined yet and is expected to be finalized at the annual general meeting of shareholders depending on the results of operations for the fiscal year 2015 after such results become available and after consultation with the Korean government, which beneficially owns a majority of KEPCO shares.

KEPCO will provide further details through public filings once the specifics mentioned above are determined.
