Why might I receive more than one set of Proxy Materials?

Some associate stockholders may receive more than one ballot by mail because their shares may be held in different ways, both as a beneficial holder and as a registered holder.

Shares held as a beneficial holder include Class A common shares held for you in accounts at Morgan Stanley Smith Barney or with another bank or broker.

Shares held as a registered holder include Class A shares that are held in your name on the records of the Company's transfer agent, American Stock Transfer and Trust Company, LLC.

In addition, you may receive more than one ballot if your shares are held in more than one name.

Regardless of how many proxy ballots you receive, it is very important you vote all your share positions promptly.

Is it possible that I will need to vote multiple times?

Yes, if you receive more than one proxy ballot, but only vote one of your share positions, you will not have voted all the shares you own. To ensure that all your shares are voted at the Special Meeting, please vote all your share positions. You may vote through the Internet after receiving your proxy ballot. You may vote through the Internet, by telephone or by sending your ballots back in the mail.

If you already signed up to receive your Proxy materials by email, you will receive an email that has your 12-digit control number, and also a PIN number.
