PROXY STATEMENT

FOR OUR 2016 ANNUAL MEETING OF STOCKHOLDERS to be held on May 19, 2016

These proxy materials are being made available in connection with the solicitation of proxies by the Board of Directors (the Board) of Paramount Group, Inc., a Maryland corporation, for use at our 2016 annual meeting of stockholders to be held on Thursday, May 19, 2016, at 12:00 p.m., local time, at the New York Hilton Midtown, 1335 Avenue of the Americas, New York, New York, or at any postponement or adjournment of the annual meeting. References in this proxy statement to we, us, our, ours and the Company refer to Paramount Group, Inc. unless the context otherwise requires. This proxy statement and a form of proxy have been made available to our stockholders on the internet and the Notice of Internet Availability of Proxy Materials has been mailed to stockholders on or about April 7, 2016.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Who is entitled to vote at the annual meeting?

Holders of record of our common stock, \$0.01 par value per share, at the close of business on March 21, 2016, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the annual meeting. If you are a holder of record of our common stock as of the record date, you may vote the shares that you held on the record date even if you sell such shares after the record date. Each outstanding share as of the record date entitles its holder to cast one vote for each matter to be voted upon and, with respect to the election of directors, one vote for each director to be elected. Stockholders do not have the right to cumulate voting for the election of directors.

What is the purpose of the annual meeting?

At the annual meeting, you will be asked to vote on the following proposals:

Proposal 1: the election of the nine director nominees named in this proxy statement to serve on our Board until our next annual meeting of stockholders and until their successors are duly elected and qualified;

Proposal 2: the approval, on a non-binding advisory basis, of the compensation paid to our named executive officers, as described in this proxy statement;

Proposal 3: the recommendation, on a non-binding advisory basis, of whether an advisory vote on executive compensation should be held every one, two or three years; and

Proposal 4: the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

You also may be asked to consider and act upon any other matters that may properly be brought before the annual meeting and at any adjournments or postponements thereof.

What constitutes a quorum?

The presence, in person or by proxy, of holders of a majority of the total number of outstanding shares entitled to vote at the annual meeting is necessary to constitute a quorum for the transaction of any business at the annual meeting. As of March 21, 2016, there were 213,036,508 shares

outstanding and entitled to vote at the annual meeting.

Table of Contents

Each share of common stock outstanding on the record date is entitled to one vote on each matter properly submitted at the annual meeting and, with respect to the election of directors, one vote for each director to be elected. Abstentions and broker non-votes (*i.e.*, shares represented at the meeting held by brokers, as to which instructions have not been received from the beneficial owners or persons entitled to vote such shares and with respect to which, on a particular matter, the broker does not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the annual meeting.

What vote is required to approve each proposal?

In respect of Proposal 1, a director is elected if he or she receives more votes for his or her election than votes against his or her election. Under our Corporate Governance Guidelines, any director who fails to be elected by a majority vote in an uncontested election is required to tender his or her resignation to the Board, subject to acceptance. Our Nominating and Corporate Governance Committee is required to make a recommendation to the Board with respect to the resignation. The Board is required to take action with respect to this recommendation and to disclose its decision and, if applicable, the Board's reasons for rejecting the tendered resignation. The policy is described more fully below under the caption Corporate Governance Matters Annual Elections; Majority Voting. Abstentions and broker non-votes with respect to Proposal 1 will have no effect on the election of directors.

A majority of all of the votes cast with respect to the proposal is required for approval of each of Proposals 2, 3 and 4. In respect of Proposals 2, 3 and 4, abstentions and broker non-votes will have no effect on the votes for these proposals. In respect of Proposal 3, in the event that no option receives a majority of the votes cast, we will consider the option that receives the most votes to be the option selected by stockholders. In either case, the votes for Proposals 2 and 3 are advisory and not binding on the Board or the Company in any way.

Can I change my vote after I submit my proxy card?

If you cast a vote by proxy, you may revoke it at any time before it is voted by:

filing a written notice revoking the proxy with our Secretary at our address;

properly submitting to us a proxy with a later date; or

appearing in person and voting by ballot at the annual meeting.

If you attend the annual meeting, you may vote in person whether or not you previously have given a proxy, but your presence (without further action) at the annual meeting will not constitute revocation of a previously given proxy. Unless you have received a legal proxy to vote the shares, if you hold your shares through a bank, broker or other nominee, that is, in street name, only that bank, broker or other nominee can revoke your proxy on your behalf.

You may revoke a proxy for shares held by a bank, broker or other nominee by submitting new voting instructions to the bank, broker or other nominee or, if you have obtained a legal proxy from the bank, broker or other nominee giving you the right to vote the shares at the annual meeting, by attending the annual meeting and voting in person.

How do I vote?

Voting in Person at the Annual Meeting. If you hold your shares in your own name as a holder of record with our transfer agent, Computershare Trust Company, N.A., and attend the annual meeting, you may vote in person at the annual meeting. If your shares are held by a bank, broker or other nominee, that is, in street name, and you wish to vote in person at the annual meeting, you will need to obtain a legal proxy from the bank, broker or other nominee that holds your shares of record.

Table of Contents

Voting by Proxy. If your shares are registered directly in your name with our transfer agent, the Notice of Internet Availability of Proxy Materials was sent directly to you by us. In that case, you may instruct the proxy holders named in the proxy card how to vote your shares of common stock in one of the following ways:

Vote online. You can access proxy materials and vote at www.proxyvote.com. To vote online, you must have a stockholder identification number provided in the Notice of Internet Availability of Proxy Materials.

Vote by telephone. If you received printed materials, you also have the option to vote by telephone by following the "Vote by Phone" instructions on the proxy card.

Vote by regular mail. If you received printed materials and would like to vote by mail, then please mark, sign and date your proxy card and return it promptly in the postage-paid envelope provided.

If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name," and the Notice of Internet Availability of Proxy Materials was forwarded to you by that organization. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. You should instruct your broker or nominee how to vote your shares by following the voting instructions provided by your broker or nominee. If you request printed copies of the proxy materials by mail, you will receive a vote instruction form for this purpose.

Even if you plan to attend the annual meeting, we recommend that you submit a proxy to vote your shares in advance so that your vote will be counted if you later are unable to attend the annual meeting.

How is my vote counted?

If you authorize your proxy to vote your shares electronically via the internet or by telephone, or, if you received a proxy card by mail and you properly marked, signed, dated and returned it, the shares that the proxy represents will be voted in the manner specified on the proxy. If no specification is made, your shares will be voted "for" the election of the nominees for the directors named in this proxy statement, "for" advisory approval of the compensation of our named executive officers, "for" a one-year frequency of submitting the compensation of our named executive officers to the stockholders for approval, and "for" ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. It is not anticipated that any matters other than those set forth in this proxy statement will be presented at the annual meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.

How does the Board recommend that I vote on each of the proposals?

The Board recommends that you vote:

FOR Proposal 1: the election of Albert Behler, Thomas Armbrust, Martin Bussmann, Dan Emmett, Lizanne Galbreath, Karin Klein, Peter Linneman, David O' Connor and Katharina Otto-Bernstein as directors to serve on our Board until our next annual meeting of stockholders and until their successors are duly elected and qualified;

FOR Proposal 2: the approval, on a non-binding advisory basis, of the compensation paid to our named executive officers, as described in this proxy statement;

FOR EVERY YEAR ("1 YEAR" on the proxy card) in respect of Proposal 3: the recommendation, on a non-binding advisory basis, of whether an advisory vote on executive compensation should be held every one, two or three years; and

FOR Proposal 4: the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Table of Contents

What other information should I review before voting?

Our 2015 annual report, including our consolidated financial statements for the fiscal year ended December 31, 2015, is being made available to you along with this proxy statement. You may obtain, free of charge, copies of our 2015 annual report and our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, which contains additional information about the Company, on our website at www.paramount-group.com or by directing your request in writing to Paramount Group, Inc., 1633 Broadway, Suite 1801, New York, New York 10019, Attention: Investor Relations. The 2015 annual report and the Annual Report on Form 10-K, however, are not part of the proxy solicitation materials, and the information found on, or accessible through, our website is not incorporated into, and does not form a part of, this proxy statement or any other report or document we file with or furnish to the Securities and Exchange Commission (the "SEC").

Who is soliciting my proxy?

This solicitation of proxies is made by and on behalf of the Board. We will pay the cost of the solicitation of proxies. In addition to the solicitation of proxies by mail, our directors, officers and employees may solicit proxies personally or by telephone. No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

Why didn't I automatically receive a paper copy of the proxy statement, proxy card and annual report?

Pursuant to rules adopted by the SEC, we have elected to provide access to our proxy materials via the internet. Accordingly, rather than paper copies of our proxy materials, we are sending a Notice of Internet Availability of Proxy Materials to our stockholders.

How can I change how I receive proxy materials in the future?

The Notice of Internet Availability of Proxy Materials includes instructions on how to access our proxy materials over the internet at www.proxyvote.com and how to request a printed set of the proxy materials by mail or an electronic set of materials by e-mail.

Instead of receiving a Notice of Internet Availability of Proxy Materials in the mail, stockholders may elect to receive future proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. Choosing to receive future proxy materials by e-mail will save the Company the cost of printing and mailing documents to you and will reduce the environmental impact of the annual meeting. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. You can change your election by sending a blank e-mail with the 12-digit control number on your proxy card to sendmaterial@proxyvote.com, via the internet at www.proxyvote.com or by telephone at (800) 579-1639. Your election to receive future proxy materials by e-mail will remain in effect until you terminate it.

No person is authorized on our behalf to give any information or to make any representations with respect to the proposals other than the information and the representations contained in this proxy statement, and, if given or made, such information and/or representations must not be relied upon as having been authorized.

Table of Contents**PROPOSAL 1: ELECTION OF DIRECTORS**

The Board currently consists of nine members. As previously announced, on March 23, 2016, we increased the size of the Board from seven to nine members and appointed Martin Bussmann and Karin Klein to the Board as directors. Each member of the Board is serving for a term of one year and until their successors are duly elected and qualified. Their term expires at each annual meeting of stockholders. Our charter and bylaws provide that a majority of the entire Board may at any time increase or decrease the number of directors. However, the number of directors may never be less than the minimum number required by the Maryland General Corporation Law which is one and, unless our bylaws are amended, more than nine.

At the 2016 annual meeting, all of the directors will be elected to serve until the 2017 annual meeting and until their successors are duly elected and qualified. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Albert Behler, Thomas Armbrust, Martin Bussmann, Dan Emmett, Lizanne Galbreath, Karin Klein, Peter Linneman, David O Connor and Katharina Otto-Bernstein to serve as directors. Each of these nominees is a current director of the Company. The Board anticipates that each nominee will serve, if elected, as a director. However, if any nominee is unable to accept election, proxies voted in favor of such nominee will be voted for the election of such other person or persons as the Board may select.

Our bylaws provide for majority voting in uncontested director elections. Pursuant to our bylaws, in an uncontested election a director is elected if he or she receives more votes for his or her election than votes against his or her election. Under our Corporate Governance Guidelines, any director who fails to be elected by a majority vote in an uncontested election is required to tender his or her resignation to our Board, subject to acceptance. Our Nominating and Corporate Governance Committee will make a recommendation to our Board on whether to accept or reject the resignation, or whether other action should be taken. Our Board will then act on our Nominating and Corporate Governance Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of election results. If the resignation is not accepted, the director will continue to serve until the next annual meeting and until the director's successor is duly elected and qualified. The director who tenders his or her resignation will not participate in our Board's decision.

We will treat broker non-votes as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes, if any, will have no effect on this proposal.

The Board unanimously recommends that you vote FOR each of its director nominees.

Director Independence

Our Board has determined that each of the following, constituting a majority of our Board, is an independent director as defined by the New York Stock Exchange (the "NYSE") rules: Martin Bussmann, Dan Emmett, Lizanne Galbreath, Karin Klein, Peter Linneman and David O'Connor. Our independent directors will meet regularly in executive sessions without the presence of our officers and non-independent directors.

Lead Independent Director

Table of Contents

Compensation Committee and Nominating and Corporate Governance Committee are composed exclusively of independent directors, in accordance with the NYSE listing standards. The principal functions of each committee are briefly described below. The current charters for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are available on our website at www.paramount-group.com under the Investors Corporate Governance section. Further, we will provide a copy of these charters free of charge to each stockholder upon written request. Requests for copies should be addressed to Gage Johnson, Senior Vice President, General Counsel and Secretary, at Paramount Group, Inc., 1633 Broadway, Suite 1801, New York, New York 10019. Audit Committee. Our Audit Committee consists of Dan Emmett (chair), Peter Linneman and Lizanne Galbreath, each of whom is an independent director. The Board has determined that Dr. Linneman qualifies as an audit committee financial expert as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards and that each of the Audit Committee members is financially literate as that term is defined by the NYSE corporate governance listing standards. The Board has also determined that Dr. Linneman's simultaneous service on the audit committees of four other public companies would not impair his ability to serve on our Audit Committee. We have adopted an Audit Committee charter, which details the principal functions of the Audit Committee, including oversight related to:

our accounting and financial reporting processes;

the integrity of our consolidated financial statements;

our systems of disclosure controls and procedures and internal control over financial reporting;

our compliance with financial, legal and regulatory requirements;

the performance of our internal audit function; and

our overall risk assessment and management.

The Audit Committee is also responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also prepares the Audit Committee Report required by SEC regulations to be included in this proxy statement. Our Audit Committee held eight meetings during fiscal year 2015. Additional information regarding the functions performed by our Audit Committee is set forth in the Audit Committee Report.

Compensation Committee. Our Compensation Committee consists of Lizanne Galbreath (chair), David O' Connor and Dan Emmett, each of whom is an independent director. We have adopted a Compensation Committee charter, which details the principal functions of the Compensation Committee, including:

reviewing and approving the corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating our Chief Executive Officer's performance in light of such goals and objectives and determining and approving the remuneration of our Chief Executive Officer based on such evaluation;

Our Compensation Committee held six meetings during fiscal year 2015.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Peter Linneman (chair), David O Connor and Dan Emmett, each of whom is an independent director. We have adopted a Nominating and Corporate Governance Committee charter, which details the principal functions of the Nominating and Corporate Governance Committee, including:

identifying and recommending to the Board qualified candidates for election as directors and recommending nominees for election as directors at the annual meeting of stockholders;

developing and recommending to the Board corporate governance guidelines and implementing and monitoring such guidelines;

reviewing and making recommendations on matters involving the general operation of the Board, including board size and composition, and committee composition and structure;

recommending to the Board nominees for each committee of the Board;

annually facilitating the assessment of the Board's performance, as required by applicable laws, regulations and the NYSE corporate governance listing standards; and

annually reviewing and making recommendations to the Board regarding revisions to the Corporate Governance Guidelines and the Code of Business Conduct and Ethics.

Our Nominating and Corporate Governance Committee held three meetings during fiscal year 2015.

Edgar Filing: Paramount Group, Inc. - Form DEF 14A

an additional annual retainer of \$50,000 to our lead director (currently Peter Linneman);

an additional annual retainer of \$15,000 to each chair of a committee; and

an additional annual retainer of \$5,000 to each member of a committee.

We will also reimburse each of our directors for his or her travel expenses incurred in connection with his or her attendance at full Board and committee meetings.

In order to encourage our non-employee directors to acquire a significant equity stake in us and to align our non-employee directors and stockholders, at each annual stockholder meeting we will grant each of our non-employee directors LTIP units or shares of restricted common stock under our 2014 Equity Incentive Plan with a value of \$100,000 which will vest upon the earlier of the anniversary of the date of grant or the next annual stockholder meeting.

**PROPOSAL 2: ADVISORY VOTE ON THE COMPENSATION OF
OUR NAMED EXECUTIVE OFFICERS**

Section 14A(a)(1) of the Exchange Act generally requires each public company to include in its proxy statement a separate resolution subject to a non-binding stockholder vote to approve the compensation of the company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K, not less frequently than once every three years. This is commonly known as, and is referred to herein as, a "say-on-pay" proposal or resolution.

Accordingly, pursuant to Section 14A(a)(1) of the Exchange Act, the Company is providing stockholders with the opportunity to approve the following non-binding, advisory resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

The Board unanimously recommends a vote FOR this resolution.

We are asking our stockholders to indicate their support for our named executive officers' compensation as described in this proxy statement. This vote is not limited to any specific item of compensation, but rather addresses the overall compensation of our named executive officers and our philosophy, policies and practices relating to their compensation as described in this proxy statement pursuant to Item 402 of Regulation S-K.

The say-on-pay resolution is advisory, and therefore will not have any binding legal effect on the Company or the Compensation Committee. However, the Compensation Committee does value the opinions of our stockholders and intends to take the results of the vote on this proposal into account in its future decisions regarding the compensation of our named executive officers.

Table of Contents

PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF STOCKHOLDER ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Section 14A(a)(2) of the Exchange Act enables our stockholders to vote on a non-binding advisory basis on how frequently we will submit say-on-pay proposals, similar to Proposal 2, to our stockholders in the future. Our stockholders have the following three alternatives to choose from: (1) every year (1 YEAR on the proxy card), (2) every two years (2 YEARS on the proxy card) or (3) every three years (3 YEARS on the proxy card). In addition, our stockholders may choose to abstain from voting on this proposal.

Our Board believes that, of the three choices, submitting a non-binding, advisory say-on-pay resolution to stockholders every year is preferable. Annual votes will provide the Company with clearer feedback regarding the compensation of our named executive officers. The primary focus of the disclosure of the compensation of our named executive officers required to be included in the Company's proxy statements is compensation granted in or for the prior fiscal year. Additionally, the Compensation Committee re-evaluates the compensation of our named executive officers each year. An annual say-on-pay resolution will match the annual focus of this proxy statement disclosure and provide the Company with the clearest and most timely feedback of the three options. This feedback may then be considered by the Compensation Committee in its next annual decision-making process. Additionally, the administrative process of submitting a non-binding, advisory say-on-pay resolution to stockholders on an annual basis is not expected to impose any substantial additional costs on the Company.

The votes that are the subject of this proposal are all non-binding, advisory votes, and therefore will not have any binding legal effect on the Company or our Board. However, our Board does intend to take the results of the vote on this proposal into account in its decision regarding the frequency with which the Company submits say-on-pay proposals in the future.

The Board unanimously recommends a vote for EVERY YEAR (1 YEAR on the proxy card) as the frequency for future non-binding advisory votes on the compensation of our named executive officers.

**PROPOSAL 4: RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has appointed the accounting firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Stockholder ratification of the appointment of Deloitte & Touche LLP is not required by law, the NYSE or the Company's organizational documents. However, as a matter of good corporate governance, the Board has elected to submit the appointment of Deloitte & Touche LLP to the stockholders for ratification at the 2016 annual meeting. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interest of the Company and its stockholders. If stockholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of an independent registered public accounting firm. Deloitte & Touche LLP has served as our independent registered public accounting firm since our formation in 2014 and is considered by our management to be well-qualified. Deloitte & Touche LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in the Company or any of our subsidiaries in any capacity.

A representative of Deloitte & Touche LLP will be present at the annual meeting, will be given the opportunity to make a statement at the annual meeting if he or she so desires and will be available to respond to appropriate questions.

A majority of all of the votes cast with respect to this proposal is required for the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Abstentions do not constitute a vote for or against and will not be counted as votes cast. Abstentions and broker non-votes will have no effect on this proposal.

Fee Disclosure

The following is a summary of the fees billed by Deloitte & Touche LLP for professional services rendered to us for the fiscal years ended December 31, 2015 and for the period from November 24, 2014 to December 31, 2015:

Table of Contents

All Other Fees

All Other Fees refers to fees and related expenses for products and services other than services described above.

Our Audit Committee considers whether the provision by Deloitte & Touche LLP of any services that would be required to be described under All Other Fees would be compatible with maintaining Deloitte & Touche LLP's independence from both management and the Company.

Pre-Approval Policies and Procedures of our Audit Committee

Our Audit Committee must pre-approve all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any *de minimis* non-audit services. Non-audit services are considered *de minimis* if: (i) the aggregate amount of all such non-audit services constitutes not more than five percent of the total amount of revenues we paid to our independent registered public accounting firm during the fiscal year in which they are provided; (ii) we did not recognize such services at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to our Audit Committee's or any of its members' attention and approved by our Audit Committee or any of its members who has authority to give such approval prior to the completion of the audit. None of the fees reflected above were incurred as a result of non-audit services provided by our independent registered public accounting firm pursuant to this *de minimis* exception. Our Audit Committee may delegate to one or more of its members who is an independent director the authority to grant pre-approvals.

The Board unanimously recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2016.

Code of Business Conduct and Ethics

Our Board has established a Code of Business Conduct and Ethics that applies to our officers, directors and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;

compliance with laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the Code of Business Conduct and Ethics.

Any waiver of the Code of Business Conduct and Ethics for our directors or officers may be made only by our Board or our Nominating and Corporate Governance Committee and will be promptly disclosed as required by law or NYSE regulations. We intend to disclose on our website any amendment to, or waiver of, any provisions of our Code of Business Conduct and Ethics applicable to our directors and executive officers that would otherwise be required to be disclosed under the rules of the SEC or the NYSE.

Audit Committee Financial Expert

The Board has determined that Peter Linneman qualifies as an audit committee financial expert, as defined in Item 401(h) of SEC Regulation S-K.

Communications with the Board

We have a process by which stockholders and other interested parties may communicate with the non-employee directors, both individually and as a group, through the Board's Lead Independent Director. In cases where stockholders or other interested parties wish to communicate directly with non-employee directors, messages can be sent in writing or by email to: Peter Linneman, Lead Independent Director, Paramount Group, Inc., c/o Issuer Direct Corporation (IDC) using the following link: https://irdirect.net/PGRE/whistleblower_iframe/, or any other link to or toll-free number of a third party reporting service approved by the Lead Independent Director from time to time and posted on our website or otherwise appropriately disseminated. IDC acts as agent for the Lead Independent Director in facilitating direct communications to him and any other non-employee directors he requests. Any such communications may be made anonymously.

Audit Committee Complaint Procedures

Our Audit Committee has established procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls, or auditing matters and (ii) the confidential,

anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. If you wish to contact our Audit Committee to report complaints or concerns relating to the financial reporting of the Company, you may do so in writing to the Chairperson of our Audit Committee, c/o IDC using the following link: https://irdirect.net/PGRE/whistleblower_iframe/, or the toll-free number provided in the link, or any other link to or toll-free number of a third party reporting service approved by the Chairperson of the Audit Committee from time to time and posted on our website or otherwise appropriately disseminated. Any such communications may be made anonymously.

Director Attendance at Annual Meetings

We encourage each member of the Board to attend each annual meeting of stockholders. All of our directors serving at that time attended the annual meeting of stockholders held on May 21, 2015.

Identification of Director Candidates

Our Nominating and Corporate Governance Committee assists the Board in identifying and reviewing director candidates to determine whether they qualify for membership on the Board and recommends director nominees to the Board to be considered for election at our annual meeting of stockholders. Our Nominating and Corporate Governance Committee has adopted a written policy on the criteria and process of identifying and reviewing director candidates.

At a minimum, the Nominating and Corporate Governance Committee must be satisfied that each director candidate (i) has experience at a strategic or policymaking level in a business, legal, accounting, government, non-profit or academic organization of high standing, (ii) is highly accomplished in his or her respective field, (iii) is well regarded in the community and shall have a reputation for the highest ethical and moral standards and (iv) has sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve.

In addition to the minimum qualifications for each nominee set forth above, the Nominating and Corporate Governance Committee must recommend that the Board select persons for nomination to help ensure that (i) a majority of the Board will be independent in accordance with the standards established pursuant to Section 303A of the NYSE Listed Company Manual, (ii) each of its Audit, Compensation and Nominating and Corporate Governance Committees will be comprised entirely of independent directors and (iii) at least one member of the Audit Committee will have accounting or related financial management expertise.

Finally, in addition to any other standards the Nominating and Corporate Governance Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Nominating and Corporate Governance Committee may, but is not required to, consider (i) whether the nominee has direct experience in the real estate industry, particularly in the office real estate industry, or in the markets in which the Company operates, and (ii) whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

Our Nominating and Corporate Governance Committee may consider director candidates recommended by our stockholders. Our Nominating and Corporate Governance Committee will apply the same standards in considering candidates submitted by stockholders as it does in evaluating candidates submitted by members of the Board. Any recommendations by stockholders are to follow the procedures outlined under Stockholder Proposals in this proxy statement and should provide the reasons supporting a candidate's recommendation, the candidate's qualifications and the candidate's written consent to being considered as a director nominee.

Executive Sessions of Non-Management Directors

Our Corporate Governance Guidelines require the non-management directors serving on the Board to meet at regularly scheduled executive sessions without management participation and to hold an executive session at least once each year with only independent directors present. In accordance with such requirement, our non-management directors and/or our independent directors meet in executive sessions from time to time on such a basis. The executive sessions are chaired by our Lead Independent Director.

Annual Elections; Majority Voting

Each of our directors will be elected by our stockholders to serve until our next annual meeting of stockholders and until his or her successor is duly elected and qualified. Our bylaws provide for majority voting in uncontested director elections. Pursuant to our bylaws, in a contested election, directors are elected by a plurality of all of the votes cast in the election of directors, and in an uncontested election, a director is elected if he or she receives more votes for his or her election than votes against his or her election. Under our Corporate Governance Guidelines, any director who fails to be elected by a majority vote in an uncontested election is required to tender his or her resignation to our Board, subject to acceptance. Our Nominating and Corporate Governance Committee will make a recommendation to our Board on whether to accept or reject the resignation, or whether other action should be taken. Our Board will then act on our Nominating and Corporate Governance Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of election results. If the resignation is not accepted, the director will continue to serve until the next annual meeting and until the director's successor is duly elected and qualifies. The director who tenders his or her resignation will not participate in our Board's decision.

Board Leadership Structure

As noted above, our Board currently is comprised of six independent and three non-independent directors. Albert Behler, our Chief Executive Officer and President, serves as Chairman of the Board. Our Board believes that the Company and our stockholders are best served by having Mr. Behler serve as Chairman and Chief Executive Officer.

Mr. Behler's over 24 years of experience leading the Company and its predecessor and significant ownership interest in the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. In addition, our Board believes that Mr. Behler's combined role as an executive officer and the Chairman of our Board promotes unified leadership and direction for our Board and executive management, and it allows for a single, clear focus for the chain of command to execute our strategic initiatives and business plans.

The Board has appointed Peter Linneman, one of the independent directors, as Lead Independent Director. We believe that the number of independent, experienced directors that make up our Board, along with the independent oversight of our Lead Independent Director, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations, and that no one structure is suitable for all companies. Our current Board leadership structure is optimal for us because it demonstrates to our employees and other stakeholders that the Company is under strong leadership. In our judgment, the Company, like many companies, has been well-served by this leadership structure.

The Lead Independent Director has the following responsibilities:

presiding at all meetings of the Board at which the Chairman is not present, including executive sessions of independent directors;

serving as liaison between the Chairman and the independent directors;

approving information sent to our Board;

Table of Contents

approving Board meeting agendas;

approving Board meeting schedules to assure that there is sufficient time for discussion of all agenda items; and

if requested by major stockholders, ensuring that he or she is available for consultation and direct communication.

Our Lead Independent Director also has the authority to call meetings of the independent directors.

We believe that the Lead Independent Director is an integral part of the Board's structure that promotes strong, independent oversight of our management and affairs.

Anti-Hedging and Anti-Pledging Policy

None of our executives have engaged in any hedging transactions with respect to our stock and none of our executives have engaged in any pledging transactions with respect to our stock except as noted in Security Ownership of Certain Beneficial Owners and Management. Under our policies no executive or director may buy or sell puts, calls, other derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Company's securities or an opportunity, direct or indirect, to profit from any change in the value of the Company's securities or engage in any other hedging transaction with respect to the Company's securities, at any time unless such transaction has been approved by the Nominating and Corporate Governance Committee.

We also have an anti-pledging policy whereby, no executive or director may pledge Company securities as collateral for a loan (or modify an existing pledge) unless the pledge has been approved by the Nominating and Corporate Governance Committee.

Minimum Share Ownership Guidelines for Executive Officers and Directors

We have adopted minimum stock ownership guidelines that require each executive officer to maintain a minimum number of shares of our common stock (including operating partnership units and LTIP units) having a value equal to or greater than a multiple (six times, in the case of our Chief Executive Officer, and three times, in the case of all other Section 16 executive officers) of such executive officer's base salary. Each executive officer must achieve the minimum equity investment within five years from the later of the date of the adoption of the policy (for executive officers in place at that time) and the date of such officer's appointment (for subsequently appointed executive officers), and until such time as the executive officer achieves such minimum, he or she must retain 50 percent of the value of any vested award, net of taxes.

We have adopted minimum stock ownership guidelines that require our independent directors to hold a number of shares of our common stock (including operating partnership units and LTIP units) having a market value equal to or greater than five times the portion of the annual base retainer which is eligible to be paid in cash. Each independent director must achieve the minimum equity investment within five years from the later of the date of the adoption of the policy (for directors in place at that time) and the date of such director's election to our Board (for subsequently appointed directors) to attain compliance with the stock ownership requirements.

Risk Oversight

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy and the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board also is apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

Table of Contents

The Board has delegated to the Audit Committee oversight of the Company's risk management process. Among its duties, the Audit Committee reviews with management (a) the Company policies with respect to risk assessment and management of risks that may be material to the Company, (b) the Company's system of internal controls over financial reporting and (c) the Company's compliance with legal and regulatory requirements. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

In addition, our Compensation Committee considers the risks to the Company's stockholders and to achievement of our goals that may be inherent in the Company's compensation program.

The Company's management is responsible for day-to-day risk management, including the primary monitoring and testing function for companywide policies and procedures, and management of the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial, operational and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

Executive Summary

Executive Compensation Philosophy

Our executive compensation program is designed to incentivize the creation of long-term shareholder value by aligning the compensation structure for executives with the achievement of our business strategies and to maximize total shareholder return over the long-term. In order to meet our objectives, our executive compensation program includes several elements designed to:

Attract and Retain Highly Talented Executives: We provide fixed base salaries that reflect the highly competitive market in which we operate, changes in responsibilities, and merit increases;

Pay for Performance: We seek to align the interests of our executives with our long-term shareholders by tying the vast majority of their non-salary compensation to performance based incentives, through:

An Annual Incentive Cash Bonus program designed to motivate our executives through a strong emphasis on performance, with the flexibility to reward financial, operational and individual performance;

Long-Term Equity Incentive Compensation program to create an appropriate link between compensation and the creation of shareholder value, including multi-year performance-based awards tied to absolute and relative total shareholder returns; and

Create a Balanced Approach: Our Compensation Committee recognizes that our unique portfolio of highly coveted assets is among the most concentrated in the industry, both in terms of the number of markets in which we operate, as well as in the unusually high value per asset that we own. As such, in order to mitigate some of the potential volatility which can arise through concentration, the Compensation Committee believes that an executive compensation program with a greater number of elements (but with less value in each) will:

Edgar Filing: Paramount Group, Inc. - Form DEF 14A

Reduce the volatility of annual compensation, resulting in potentially higher employee retention;

Potentially mitigate the risk that any individual element may receive inordinate focus and encourage excessively risky behaviors; and

Table of Contents

Promote a long-term view by connecting executives' eventual realized compensation to the decisions that they make, as the majority of their annual compensation vests over a period of four years.

2015 Business Highlights

During 2015, we achieved the following:

Significantly exceeded our leasing goal of 1.0 million square feet by leasing approximately 1.4 million square feet bringing our portfolio leased percentage to 95.3% at year end, up 140 basis points from the prior year;

Achieved very strong positive mark-to-markets of 16.0% on a GAAP basis and 15.6% on a cash basis;

Completed a \$1.0 billion refinancing of 1633 Broadway in December 2015, well ahead of the December 2016 maturity of the prior \$926.3 million loan, contributing to the reduction of our weighted average interest cost by nearly 100 basis points from the prior year;

Enhanced the value of our portfolio by purchasing the remaining 35.8% of 31 West 52nd Street that we did not previously own, giving us the ability to recapture the best space in the building to unlock a significant mark-to-market opportunity that would not otherwise have been available to us for the next 10 years.

Roles of our Compensation Committee, Compensation Consultant and Management

Compensation Committee

Our Compensation Committee is comprised entirely of independent directors. Our Compensation Committee has overall responsibility for monitoring the performance of our executives and evaluating and approving our executive compensation plans, policies and programs. In addition, our Compensation Committee oversees and administers our 2014 Equity Incentive Plan.

Our Compensation Committee, after taking into account recommendations from our independent compensation consultant, determines all components of our Chief Executive Officer's compensation. With respect to the other named executive officers, our Compensation Committee seeks input from our Chief Executive Officer in addition to our independent compensation consultant, and then reviews and grants final approval of all components of our other named executive officers' compensation as well.

Compensation Consultant

Our Compensation Committee initially engaged FTI Consulting (FTI), an outside compensation consultant, to provide guidance with respect to the development and implementation of our compensation programs. FTI provided our Compensation Committee with advice concerning the types and levels of compensation to be paid to our named executive officers. FTI also guided our Compensation Committee in the design of our 2015-2018 performance-based equity grants. In the fall of 2015, in part due to a change in personnel at our compensation consultant, our Compensation Committee selected FPL Associates LP (FPL), to serve as its independent compensation consultant instead of FTI.

Our Compensation Committee performs an annual assessment of the compensation consultant's independence to determine whether the consultant is independent. Our Compensation Committee has determined that both FTI and FPL are independent, and that their work has not raised any conflict of interests. During 2015, neither FTI nor FPL provided services to our Company other than the aforementioned services to our Compensation Committee.

Table of Contents

Management

Our Chief Executive Officer attends Compensation Committee meetings, as appropriate, provides information as to the individual performance of the other executive officers and makes annual recommendations to our Compensation Committee of appropriate compensation levels for all executive officers other than himself. Nonetheless, all components of our executive officers' compensation must be approved by our Compensation Committee in its sole discretion.

Peer Group

In developing our executive compensation programs, our Compensation Committee commissions a peer group compensation analysis to ensure that our programs are competitive with those of other publicly traded REITs. Our Compensation Committee developed an appropriate peer group for our Company with the advice of FPL, comprised of publicly traded REITs focused on the office sector. The members of our peer group are:

Alexandria Real Estate Equities, Inc.

Boston Properties, Inc.

Corporate Office Properties Trust

Douglas Emmett, Inc.

Empire State Realty Trust, Inc.

Equity Commonwealth

Highwoods Properties, Inc.

Hudson Pacific Properties, Inc.

Kilroy Realty Corporation

Lexington Realty Trust

Piedmont Office Realty Trust, Inc.

SL Green Realty Corp.

Edgar Filing: Paramount Group, Inc. - Form DEF 14A

Vornado Realty Trust

After our peer group was established, FPL provided market data and practices of the peer group for our Compensation Committee to consider, as well as executive compensation trends and developments. Specifically, FPL provided information regarding the design and levels of compensation paid by our peers and overall counsel to determine the appropriate incentive design for our Company. Such compensation data for peers was analyzed by our Compensation Committee with the assistance of FPL.

For purposes of determining our overall level of executive compensation (*i.e.* base salary, annual incentive cash bonus and long-term equity incentive compensation), our Compensation Committee reviews both total compensation and mix of compensation components paid by our peer group to executives in comparable positions. However, an executive's target compensation is not mechanically set to be a particular percentage of the peer group. Our Compensation Committee also takes into account the executive's role and experience, as compared to our peers' executives, and other factors, such as experience, retention and responsibility. In addition, our Compensation Committee believes that ultimately the decision as to appropriate target compensation for a particular executive should be made based on the full review of individual and Company performance as well as market data.

Our Compensation Committee will evaluate the members of our peer group each year to ensure that they continue to be appropriate and to determine whether other companies should be added.

Compensation Best Practices

Our executive compensation program incorporates the following best practices, such as:

WHAT WE DO	WHAT WE DON T DO
A significant portion of our executives total compensation opportunity is based on performance.	We do not provide tax gross-up payments to any executive.
We have adopted clawback, anti-pledging and anti-hedging policies.	We do not provide single trigger change in control cash severance payments.
We have adopted robust stock ownership guidelines.	We do not allow repricing of stock options without stockholder approval.
Our Compensation Committee retains and meets regularly with an independent compensation consultant to advise on executive compensation.	We do not guarantee annual salary increases or minimum cash bonuses.

Elements of Our Compensation Program

The compensation provided to our named executive officers typically consists of base salary, annual incentive cash bonus, deferred cash bonuses, long-term equity incentive compensation and other perquisites and benefits, each of which is described in more detail below. The following charts illustrate the mix of compensation elements (base salary, annual incentive cash bonus, deferred cash bonus, performance-based LTIP units and time-based LTIP units) for our Chief Executive Officer and other named executive officers.

* Other NEOs comprise Ms. Bott and Messrs. Koltis and Paes.

Table of Contents*Base Salary*

The base salary payable to each named executive officer provides a fixed component of compensation that reflects the executive's position and responsibilities. Base salaries are reviewed annually by our Compensation Committee and may be adjusted to better match competitive market levels or to recognize an executive's professional growth, development and increased responsibility. Below are the details of the 2015 Base Salaries for each of our named executive officers.

Wilbur Paes	\$ 450,000	\$ 450,000	0.0%

Annual Incentive Cash Bonus

Annual Incentive Cash Bonuses are designed to reward each named executive officer for strong financial, operational and individual performance. In connection with our initial public offering, our executive team, including our named executive officers, accepted reduced target incentive cash bonuses for 2015; however, our Compensation Committee retained discretion to approve such reduced incentive cash bonuses. In connection with this decision, our Compensation Committee took into account our total stockholder return compared to our peer group (54th percentile from IPO date through end of 2015; 46th percentile in 2015) and our excellent leasing results. Below are the details of the 2015 Cash Bonuses for each of our named executive officers.

Executive	Cash Bonus ⁽¹⁾		% Change
	2015	2014 ⁽²⁾	
Albert Behler	\$ 650,000 ⁽³⁾	\$ 1,250,000	-48.0%

Wilbur Paes ⁽⁴⁾	\$ 200,000	\$ 150,000	33.3%

(1) Excludes deferred compensation bonuses aggregating \$900,000, which were awarded to three of our named executive officers, in relation to their base salaries, as follows: Mr. Behler \$455,172; Mr. Walsh \$248,276; and Ms. Bott \$196,552.

(2) 75.0% of the amounts in this column were paid by our predecessor.

(3) Messrs. Behler, Walsh and Koltis elected to exchange all or a portion of their 2015 cash bonus for equity, pursuant to our Bonus Exchange Program, as more fully described below.

(4) Mr. Paes was hired in August 2014; accordingly, his 2014 bonus was pro-rated based on a target of \$400,000.

Bonus Exchange Program

In order to encourage our named executive officers to increase their equity holdings, our Compensation Committee approved a bonus exchange program whereby our named executive officers could elect to convert all or a portion of their 2015 annual incentive cash bonuses (which was paid in the first quarter of 2016) into (i) fully vested options or fully vested LTIP units of our operating partnership, with a value equal to the cash bonus

Table of Contents

exchanged, or (ii) options or LTIP units, each subject to three-year vesting (40%, 40% and 20%), with a value equal to 125% of the cash bonus exchanged. Below are the details of the 2015 Bonus Exchange Program.

Executive	Bonus Exchange	
	Grant Date Fair Value of Options in Lieu of Cash Bonus	Grant Date Fair Value of LTIP Units in Lieu of Cash Bonus
Albert Behler	\$ 812,500 ⁽¹⁾	\$
Michael Walsh	\$	\$ 287,500 ⁽²⁾
Jolanta Bott	\$	\$
Theodore Koltis	\$	\$ 145,000 ⁽³⁾
Wilbur Paes	\$	\$

- (1) Mr. Behler exchanged his entire 2015 incentive cash bonus of \$650,000 and received an option to acquire 238,971 shares of our common stock at an exercise price of \$14.94, subject to vesting over three years.
- (2) Mr. Walsh exchanged his entire 2015 incentive cash bonus of \$230,000 and received 19,244 LTIP units, subject to vesting over three years.
- (3) Mr. Koltis exchanged 20.0% of his 2015 incentive cash bonus, or \$116,000, and received 9,706 LTIP units, subject to vesting over three years.

Long-Term Equity Incentive Compensation

Our Compensation Committee believes that a substantial portion of each named executive officer's annual compensation should be in the form of long-term equity incentive compensation. Equity incentive awards encourage management to create stockholder value over the long term, because the value of the equity awards is directly attributable to changes in the price of our common stock over time. In addition, equity awards are an effective tool for management retention because full vesting of the awards generally requires continued employment for multiple years. Long-term equity incentive compensation is granted in the form of LTIP units, representing a class of partnership interests in our operating partnership and which are comprised of both performance-based LTIP units (60.0%) and time-based LTIP units (40.0%). These long-term equity awards were approved by our Compensation Committee for 2015 performance and granted on March 18, 2016. Below are the details of the annual long-term equity incentive awards that were granted to each of our named executive officers.

Executive	Long-Term Equity Awards		
	Grant Date Fair Value of Performance-Based LTIP Units ⁽¹⁾	Grant Date Fair Value of Time-Based LTIP Units ⁽²⁾	Total Grant Date Fair Value of Long Term Equity Awards
Albert Behler	\$ 4,080,000	\$ 2,720,000	\$ 6,800,000
Michael Walsh	\$	\$	\$
Jolanta Bott	\$ 900,000	\$ 600,000	\$ 1,500,000
Theodore Koltis	\$ 900,000	\$ 600,000	\$ 1,500,000
Wilbur Paes	\$ 900,000	\$ 600,000	\$ 1,500,000

- (1) In early March 2016, our Compensation Committee approved the 2016 Performance Program, a multi-year performance-based equity compensation program. The purpose of the 2016 Performance Program is to further align the interests of our stockholders with that of management by encouraging our senior officers to create stockholder value in a "pay for performance" structure. Under the 2016 Performance Program, participants may earn awards in the form of LTIP units of our operating partnership based on our total return to stockholders (TRS) over a three-year performance measurement period beginning on March 18, 2016 and continuing through March 17, 2019, on both an absolute basis and relative basis. 25.0% of the award is earned if we outperform a predetermined absolute TRS and the remaining 75.0% is earned if we outperform

Table of Contents

a predetermined relative TRS. Specifically, participants begin to earn awards under the 2016 Performance Program if our TRS for the performance measurement period equals or exceeds 21.0% on an absolute basis and is within 250 basis points of the performance of the SNL Office REIT Index on a relative basis, and awards will be fully earned if our TRS for the performance measurement period equals or exceeds 36.0% on an absolute basis and exceeds the performance of the SNL Office REIT Index by 400 basis points on a relative basis. Participants will not earn any awards under the 2016 Performance Program if our TRS during the performance measurement period does not meet either of these minimum thresholds. The number of LTIP units that are earned if performance is above the minimum thresholds, but below the maximum thresholds, will be determined based on linear interpolation between the percentages earned at the minimum and maximum thresholds. During the performance measurement period, participants will receive per unit distributions equal to one-tenth of the per share dividends otherwise payable to our common stockholders with respect to their LTIP units. If the LTIP units are ultimately earned based on the achievement of the designated performance objectives, participants will receive cash or additional LTIP units based on the additional amount the participants would have received if per unit distributions during the performance measurement periods for the earned LTIP units had equaled per share dividends paid to our common stockholders less the amount of distributions participants actually received during the performance measurement period. If the designated performance objectives are achieved, awards earned under the 2016 Performance Program will also be subject to vesting based on continued employment with us through March 17, 2020, with 50.0% of each award vesting following the conclusion of the performance measurement period, and the remaining 50.0% vesting on March 17, 2020. Pursuant to the 2016 Performance Program, the following LTIP units were granted to our named executive officers: Mr. Behler, 512,312 LTIP units; Ms. Bott, 113,011 LTIP units; Mr. Koltis, 113,011 LTIP units; and Mr. Paes, 113,011 LTIP units. Mr. Walsh's employment ended prior to the approval of our 2016 Performance Program, and he was not granted any LTIP units thereunder.

(2) The time-based LTIP units vest ratably over four years, subject to continued employment.

2015 Total Direct Compensation

Under the rules and regulations of the SEC, each year the Summary Compensation Table must disclose the salary paid during that year, the annual cash incentive earned for that year and the equity-based, long-term incentive awards granted during that year, which for us represents the equity-based, long-term incentive award earned for the *prior* year. As discussed above, because the equity-based pay we award in the first quarter of each year (similar to the cash bonus paid in the first quarter of each year) was earned in the prior year, the SEC's approach prevents us from showing together all the pay salary, annual cash incentive and equity-based pay earned for performance in any one calendar year. In order to provide our stockholders with the aggregate amount of compensation *earned* by each named executive officer for a given calendar year, we are including below a supplemental Total Direct Compensation Table. We believe the Total Direct Compensation Table enables a more meaningful annual compensation presentation than the Summary Compensation Table presented later in this proxy statement. The Total Direct Compensation Table consists of (i) the actual salary paid for the year, (ii) the annual incentives and deferred bonuses awarded for the year and (iii) the annual grant date fair value of equity grants awarded for service and performance for the year, irrespective of when such amounts ultimately were granted, paid and/or vested. This table illustrates one of the analyses undertaken by our Compensation Committee in determining each element of our named executive officers' compensation for the particular year in light of each executive's performance during the year.

The principal differences between the Total Direct Compensation Table presented below and the Summary Compensation Table, presented later in this proxy statement, is that the Total Direct Compensation Table achieves an *apples to apples* presentation of both cash and equity-based incentives by showing the value of equity awards in the year to which such grants relate, rather than the year in which such grants were made, as reflected in the Summary Compensation Table. Other companies may calculate Total Direct Compensation differently than we do.

Table of Contents*Total Direct Compensation Table*

The Total Direct Compensation earned by our named executive officers for 2015 is set forth in the table below. We have omitted Mr. Spence from the Total Direct Compensation Table because his employment ended in March of 2015.

(1) Represents the grant date fair value of each named executive officer's allocation in the 2016 Performance Program, which was approved by our Compensation Committee on March 4, 2016, effective March 18, 2016. Pursuant to the 2016 Performance Program, participants may earn equity compensation awards if and only if certain absolute and/or relative TRS objectives are achieved during a three-year performance measurement period, and awards are subject to one year of additional time-based vesting after the end of the performance measurement period. See Elements of Our Compensation Program Long-Term Equity Incentive Compensation above for additional details on our 2016 Performance Program.

(2) Mr. Walsh's employment commenced March 26, 2015 and ended on March 2, 2016. His annualized base salary for 2015 was \$600,000. *2016 Base Salary*

Our Compensation Committee reviews the base salary payable to each named executive officer annually and makes adjustments to better match competitive market levels or to recognize an executive's professional growth, development and increased responsibility. Below are the details of the 2016 Base Salaries for each of our named executive officers.

2016 Annual Incentive Cash Bonus

Our Compensation Committee has approved a new annual incentive cash bonus program for 2016. This program includes both corporate and individual objective components. The corporate objectives include the following objective performance criteria: Core FFO per share, annual square footage of leases signed, same-store leased percentage, mark-to-market on signed leases for second generation space, weighted average debt maturity, fixed

charge coverage ratio, liquidity and general and administrative expenses. Below are the details of the allocation between corporate and individual objective components for each of our named executive officers.

Other Compensation Policies and Practices*Employment Agreements and Executive Severance Plan*

We have employment agreements with Messrs. Behler, Walsh and Paes and Ms. Bott. We have also adopted an Executive Severance Plan in which Mr. Koltis is a covered participant. (See Potential Payments Upon Termination or Change in Control below.) These agreements and the Executive Severance Plan provide a certain level of severance in the event of a termination by us without cause or by the executives for good reason. In return, each executive agrees to certain restrictive covenants, including non-competition and non-solicitation covenants during their employment with us and for a limited period after termination of employment. We believe that these agreements and the Executive Severance Plan are fair to the executives and to our stockholders and, because the severance benefits are agreed to in advance, avoid the need for protracted negotiations in the event of termination of employment.

Other Elements of Compensation

Employee Benefits. Our full-time employees, including our named executive officers, are eligible to participate in health and welfare benefit plans, such as medical, dental, life and long-term disability insurance.

401(k) Plan. We have a 401(k) Savings/Retirement Plan (401(k) Plan) that covers eligible employees, including our named executive officers. Our 401(k) Plan permits eligible employees to contribute up to 25.0% of their pre-tax compensation and/or up to 25.0% of their after-tax compensation as a Roth contribution, subject to certain limitations imposed by the Internal Revenue Code (the Code). The employees' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan. Our 401(k) Plan includes a matching contribution, subject to Code limitations, equal to 100.0% of the first 6.0% and 50.0% of the next 6.0% of the participant's compensation.

Deferred Compensation Plan. In connection with our formation transactions, we assumed a deferred compensation plan that had been maintained by our predecessor in which Mr. Behler and Ms. Bott had participated. Mr. Walsh also became a participant when he joined us in 2015. Under this deferred compensation plan, deferred bonuses were awarded to participants and participants were permitted to defer a portion of their

Table of Contents

income on a pre-tax basis and receive a tax-deferred return on these deferrals based on the performance of specific investments selected by the participants. In connection with this plan, our predecessor set aside assets in a rabbi trust held by an independent trustee and the trustee is directed to make similar or identical investments as those selected by each participant in order to generally match its liabilities to the participants under the deferred compensation plan with equivalent assets and thereby limit market risk. We also acquired these investments from our predecessor in connection with our formation transactions. All amounts deferred under this deferred compensation plan will be paid to a participant upon his or her attainment of Social Security retirement age. In the future, we may permit one or more of our executive officers to elect to defer a portion of his or her compensation pursuant to this deferred compensation plan or make additional awards to our executive officers of deferred compensation pursuant to this deferred compensation plan.

Perquisites and Other Personal Benefits. We reimburse Mr. Behler for his club memberships up to \$20,000 each year and provide him with life insurance coverage of \$5.0 million and long-term disability insurance coverage of at least 60.0% of the sum of Mr. Behler's base salary and target bonus, in effect from time to time. Mr. Behler also has personal use of a Company-leased car as well as limousine service. We provide Ms. Bott and Mr. Paes with an annual car allowance of \$9,600 and free parking. We also reimburse Ms. Bott the cost of her automobile insurance.

Clawback Policy

We have adopted a formal clawback policy, which allows us to recoup compensation paid to an officer covered by the policy if the related financial results are subsequently restated as described below. The policy covers all of our current and former named executive officers as well as certain other specified officers. Pursuant to this policy, if we are required to prepare an accounting restatement due to material non-compliance with any financial reporting requirement, then our Compensation Committee may require an employee covered by the policy to repay or forfeit to the Company excess compensation. Excess compensation includes annual cash bonus and long term incentive compensation in any form (including options and LTIP units, whether time-based or performance-based) received by that employee during the three-year period preceding the publication of the restated financial statements that our Compensation Committee determines was in excess of the amount that such employee would have received if such compensation had been determined based on the financial results reported in the restated financial statements. In making its determination to recoup compensation from an officer, the Compensation Committee may take into account any factors it deems reasonable, including any determination whether the officer engaged in fraud, willful misconduct or committed acts or omissions which materially contributed to the events that led to the restatement.

Our Compensation Committee intends to periodically review this clawback policy and, as appropriate, conform it to any applicable final rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Anti-Hedging and Anti-Pledging Policies

None of our executives have engaged in any hedging transactions with respect to our stock and none of our executives have engaged in any pledging transactions with respect to our stock except as noted in Security Ownership of Certain Beneficial Owners and Management. Under our policies, no executive or director may buy or sell puts, calls, other derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Company's securities or an opportunity, direct or indirect, to profit from any change in the value of the Company's securities or engage in any other hedging transaction with respect to the Company's securities, at any time unless such transaction has been approved by the Nominating and Corporate Governance Committee.

We also have an anti-pledging policy whereby no executive or director may pledge Company securities as collateral for a loan (or modify an existing pledge) unless the pledge has been approved by the Nominating and Corporate Governance Committee.

Table of Contents

Minimum Share Ownership Guidelines for Executive Officers and Directors

We have adopted minimum stock ownership guidelines that require each executive officer to maintain a minimum number of shares of our common stock (including operating partnership units and LTIP units) having a value equal to or greater than a multiple (six times, in the case of our Chief Executive Officer, and three times, in the case of all other Section 16 executive officers) of such executive officer's base salary. Each executive officer must achieve the minimum equity investment within five years from the later of the date of the adoption of the policy (for executive officers in place at that time) and the date of such officer's appointment (for subsequently appointed executive officers), and until such time as the executive officer achieves such minimum, he or she must retain 50 percent of the value of any vested award, net of taxes.

We have adopted minimum stock ownership guidelines that require our independent directors to hold a number of shares of our common stock (including operating partnership units and LTIP units) having a market value equal to or greater than five times the portion of the annual base retainer which is eligible to be paid in cash. Each independent director must achieve the minimum equity investment within five years from the later of the date of the adoption of the policy (for directors in place at that time) and the date of such director's election to our Board (for subsequently appointed directors) to attain compliance with the stock ownership requirements.

Tax Gross-Up Payments

We do not provide any golden parachute tax gross-up payments to our named executive officers. Under the employment agreements with certain of our named executive officers, if any payments or benefits to be paid or provided to the executive would be subject to golden parachute excise taxes under Section 280G of the Code, the executive's payments and benefits under his or her employment agreement will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for the executive.

Tax Considerations

Deductibility of Executive Compensation. Under Section 162(m) of the Code, a publicly held corporation may not deduct compensation of more than \$1 million paid to any covered employee in any year unless the compensation qualifies as performance-based compensation within the meaning of Section 162(m). We expect Section 162(m) to have limited impact on the Company for a number of reasons. First, as a newly public company, certain compensation payable by us to our executive officers during a transition period that may extend until the annual meeting of stockholders that occurs in the fourth calendar year after our initial public offering may be exempt from the cap on deduction imposed by Section 162(m) under a special transition rule provided by the regulations promulgated under Section 162(m). Second, based on our interpretation of certain private letter rulings, it is our position that compensation payable to our executive officers that is attributable to services for our operating partnership is not subject to Section 162(m) as our operating partnership is not a publicly held corporation within the meaning of Section 162(m). As a result, and based on the level of cash compensation expected to be payable to our executive officers, the possible loss of a U.S. federal tax deduction would not be expected to have a material impact on us. Accordingly, we do not expect Section 162(m) to have a significant impact on our Compensation Committee's compensation decisions for our executive officers.

Section 409A of the Code. Section 409A of the Code requires that nonqualified deferred compensation be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, penalty taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our named executive officers, so that they are either exempt from, or satisfy the requirements of, Section 409A.

Accounting Standards

Our Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives. ASC Topic 718 requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of equity awards under the 2014 Equity Incentive Plan will be accounted for under ASC Topic 718.

Risk Considerations in Our Compensation Programs

Our Compensation Committee has discussed the concept of risk as it relates to our compensation programs with management and FPL, and our Compensation Committee does not believe the goals, or the underlying philosophy, of our compensation programs encourage excessive or inappropriate risk taking.

We structure the compensation to our executive officers to consist of both fixed and variable compensation. The fixed portion (base salary) of compensation is designed to provide a base level of income regardless of our financial or share price performance. The variable portion of compensation (annual cash incentive and long-term equity) is designed to encourage and reward both short- and long-term financial, operational and individual performance, with appropriate caps on the maximum amount of annual cash incentive compensation and shares and/or units that can be earned. We have also put in place various policies (anti-hedging and pledging and clawback policies and stock ownership guidelines) that address and mitigate compensation-related risks.

Separation Agreement with Michael Walsh

Pursuant to the Separation Agreement, as required by the terms of Mr. Walsh's employment agreement, Mr. Walsh received a single lump sum payment in the amount of \$1,019,265 less applicable tax-related deductions and withholdings. In addition, Mr. Walsh's outstanding unvested time-based option and LTIP units were fully vested and the period in which he may exercise his option was extended to two years following his termination. His performance-based LTIP units remain outstanding and may be earned on a pro-rata basis based on our performance through the end of the three-year performance period.

Mr. Walsh has agreed to provide transition consulting services to the Company for up to three months after the effective date of his Separation Agreement.

Pursuant to the terms of the employment agreement with Mr. Walsh, Mr. Walsh will remain subject to certain restrictive covenants, including a non-competition covenant during the consulting period and non-solicitation and non-interference covenants for 12 months after March 2, 2016.

Compensation Committee Report

Our Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, and, based on such review and discussions, our Compensation Committee recommended to our Board of Directors that our Compensation Discussion and Analysis be included in this Proxy Statement.

- (1) Reflects the aggregate grant date fair value of stock awards, performance-based awards and option awards granted, calculated in accordance with ASC Topic 718, disregarding the estimate for forfeitures. The assumptions we used for calculating the grant date fair values are set forth in note 18 to our combined consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. The grant date fair value for awards under our 2015 Performance Plan is based upon the probable outcome. Assuming that maximum performance is achieved under our 2015 Performance Plan, the value at the grant date of the awards made under our 2015 Performance Plan during 2015 would each have been as follows: Mr. Behler \$4,450,410; Mr. Walsh \$1,068,098; Ms. Bott \$890,082; Mr. Koltis \$1,068,098 and Mr. Paes \$979,090, respectively.

- (1) The information in these columns represents awards made under our 2015 Performance Program (which have not been earned). The terms of our 2015 Performance Program, including the vesting terms, are described below under 2015 Performance Program.
- (2) The award grant of LTIP units entitles the holder to receive distributions from our operating partnership that are equivalent to the dividends and distributions that would be made with respect to the number of shares of our common stock underlying the LTIP unit award. This award, together with the option to acquire 100,000 shares of our common stock, were granted to Mr. Walsh as initial equity awards under his employment agreement.

2015 Performance Program

On April 1, 2015, our Compensation Committee approved the 2015 Performance Program, a multi-year performance-based equity compensation program. The purpose of the 2015 Performance Program was to further align the interests of our stockholders with that of management by encouraging our senior officers to create stockholder value in a pay for performance structure. Under the 2015 Performance Program, participants may earn awards in the form of LTIP units of our operating partnership based on our TRS over a three-year performance measurement period beginning on April 1, 2015 and continuing through March 31, 2018, on both an absolute basis and relative basis. 50% of the award is earned if we outperform a predetermined absolute TRS and the remaining 50% is earned if we outperform a predetermined relative TRS. Specifically, participants begin to earn awards under the 2015 Performance Program if our TRS for the performance measurement period equals or exceeds 21% on an absolute basis and exceeds the performance of the SNL Office REIT Index by 100 basis points on a relative basis, and awards will be fully earned if our TRS for the performance measurement period equals or exceeds 40% on an absolute basis and exceeds the performance of the SNL Office REIT Index by 700 basis points on a relative basis. Participants will not earn any awards under the 2015 Performance Program if our TRS during the performance measurement period does not meet these minimum thresholds. The number of LTIP units that are earned if performance is above the minimum thresholds, but below the maximum thresholds, will be determined based on linear interpolation between the percentages earned at the minimum and maximum thresholds. During the performance measurement period, participants will receive per unit distributions equal to one-tenth of the per share dividends otherwise payable to our common stockholders with respect to their LTIP units. If the LTIP units are ultimately earned based on the achievement of the designated performance objectives, participants will receive cash or additional LTIP units based on the amount the participants would have received if per unit distributions during the performance measurement period for the earned LTIP units had equaled per share dividends paid to our common stockholders less the amount of distributions participants actually received.

Table of Contents

during the performance measurement period. If the designated performance objectives are achieved, awards earned under the 2015 Performance Program will also be subject to vesting based on continued employment with us through April 1, 2020, with 50% of each award vesting following the conclusion of the performance period, and 25% vesting on each of April 1, 2019 and April 1, 2020.

2015 Option Exercises and Stock Vested

The following table sets forth the aggregate number of options to purchase shares of our common stock exercised by our named executive officers in 2015 and the aggregate number of shares of common stock and LTIP units that vested in 2015. The value realized on exercise is the product of (i) the closing price on the New York Stock Exchange of a share of common stock on the date of exercise minus the exercise price, multiplied by (ii) the number of shares of common stock underlying exercised options. The value realized on vesting is the product of (i) the closing price on the New York Stock Exchange of a share of common stock on the vesting date (or, if there were no reported sales on such date, the most recent previous date on which there were reported sales), multiplied by (ii) the number of shares/LTIP units vesting.

Potential Payments Upon Termination or Change in Control**Employment Agreements**

Pursuant to the terms of the employment agreements with Messrs. Behler and Walsh and Ms. Bott, upon the termination of the executive's employment by us without cause (as defined in the applicable employment agreement) or by the executive for good reason (as defined in the applicable employment agreement), subject to the executive signing a separation agreement and mutual release, the executive will be entitled to the following severance payments and benefits:

a lump sum cash payment equal to the sum of the executive's earned but unpaid base salary, earned but unpaid annual cash incentive bonus, unpaid expense reimbursement and accrued but unused vacation time to the date of termination;

a lump sum cash payment equal to a multiple of (x) the executive's then-current annual base salary, plus (y) the average of the annual cash incentive bonuses earned by the executive with respect to the three most recent fiscal years ending on or before the date of termination (but not less than \$1,250,000 for Mr. Behler); the multiple is two for Mr. Behler and one for Mr. Walsh and Ms. Bott or, in the event such termination occurs in connection with or within two years after a change in control (as defined in the applicable employment agreement), three for Mr. Behler and two for Mr. Walsh and Ms. Bott;

a prorated portion of the annual bonus for the year of termination, calculated based on the executive's target bonus for such year;

a lump sum cash payment equal to a multiple of annual premium payable by us for the executive's health and dental insurance; the multiple is two for Mr. Behler and one for Mr. Walsh and Ms. Bott; or, in the event such termination occurs in connection with or within two years after a change in control, two for Mr. Behler and 1.5 for Mr. Walsh and Ms. Bott; and

accelerated vesting of all equity grants subject to only time-based vesting based on continued employment, with the vesting of equity grants with performance vesting only accelerated to the extent provided by the applicable award agreement.

None of the employment agreements provide for any tax gross ups and, in the event the executive becomes subject to the Section 280G golden parachute excise tax under Section 4999 of the Code, the amounts payable as described above would be reduced to the level so that the excise tax will not apply, but only if such reduction would result in a greater after-tax amount to the executive. Each employment agreement provides that, upon a change in control, we will set aside funds in a rabbi trust in an amount sufficient to pay the severance payments due in the event of the termination of the executive in connection with or within two years after a change in control of our company either by us without cause or by the executive for good reason, provided that the

Table of Contents

executive will only be entitled to these funds in the event the executive's employment is actually terminated in connection with or within two years after a change in control of our company either by us without cause or by the executive for good reason.

All of the cash severance payments described above are to be made as lump sum payments within 30 days after the date of termination of employment. However, to the extent necessary to avoid the imposition of an additional tax under Section 409A of the Code, severance pay and benefits will be delayed until six months and one day after termination during which time the payments will accrue interest at the short-term applicable federal rate.

Each employment agreement also provides that in the event the executive's employment is terminated on account of his or her death or disability, the executive or his or her beneficiary in the case of death will receive the following payments:

a lump sum cash payment equal to the sum of the executive's earned but unpaid base salary, earned but unpaid annual cash incentive bonus, unpaid expense reimbursement and accrued but unused vacation time to the date of termination;

a prorated portion of the annual bonus payable for the year of such termination, calculated based on actual achievement of applicable performance metrics for the applicable year; and

accelerated vesting of all equity grants subject to only time-based vesting based on continued employment, with the vesting of equity grants with performance vesting only accelerated to the extent provided by the applicable award agreement.

Under the employment agreement, each executive is subject to certain restrictive covenants, including non-competition and non-solicitation covenants during their employment with us and for six months after termination of employment, for Mr. Behler and Ms. Bott, or for 12 months after termination of employment, for Mr. Walsh.

Executive Severance Plan

We have adopted an Executive Severance Plan for the benefit of certain specified executive officers who are not parties to an employment agreement, including Mr. Koltis. In the event a participating officer is terminated by us without cause, subject to the officer signing a separation agreement and release with restrictive covenants, including non-competition and non-solicitation covenants for six months after termination of employment, this plan will provide severance benefits in the amount of the sum of the officer's base salary, most recent cash bonus and an amount equal to the annual premium payable by us for the officer's health and dental insurance.

As of December 31, 2015, we did not have an employment or severance agreement with Mr. Paes.

Table of Contents

The following tables set forth the amounts that would have been paid to our continuing named executive officers in the event of a termination by us without cause or by the executive for good reason other than in connection with a change in control; upon death or disability; upon a change in control without termination and upon a termination by us without cause or by the executive for good reason in connection with a change in control occurring, in each case, as of December 31, 2015. The amounts in the tables below exclude payments that would be made for (i) accrued salary and vacation pay; (ii) distribution of plan balances under our 401(k) plan; (iii) life insurance proceeds in the event of death; and (iv) disability insurance payouts in the event of disability to the extent they have been earned prior to the termination of employment or are provided on a non-discriminatory basis to salaried employees upon termination of employment.

- (1) For all of the executives, outstanding equity awards with time-based vesting fully vest upon a change in control, the executive's termination upon death or disability or termination by us without cause or by the executive for good reason. As of December 31, 2015, Messrs. Behler, Walsh, Koltis and Paes and Ms. Bott held unvested time-based LTIP units as follows: Mr. Behler 228,571 LTIP units; Mr. Walsh 90,000 LTIP units; Ms. Bott 64,000 LTIP units; Mr. Koltis 45,714 LTIP units; and Mr. Paes 13,714 LTIP units. For purposes of the tables above, the value of the equity awards that vest are based on the value of unvested awards set forth in the Outstanding Equity Awards at Fiscal Year-End 2015 table above.
- (2) All of the executives' outstanding stock options fully vest upon a change in control, the executive's termination upon death or disability, termination by us without cause or by the executive for good reason. Information regarding unvested stock options held by our named executive officers as of December 31, 2015 is contained in the Outstanding Equity Awards at Fiscal Year-End 2015 table above.
- (3) Under the 2015 Performance Program, in the event of a change in control during the performance period, the performance period will be shortened to end on the date of the change in control and the executives' awards will be based on performance through that date, with further proration if the change in control occurs during the first year of the performance period. Any LTIP units earned upon a change in control will remain subject to time-based vesting through April 1, 2020 but will be fully vested in the event of termination by us without cause or by the executive for good reason within 18 months following the change in control.

If an executive's employment is terminated before the end of a performance period as a result of death or disability, or is terminated by us without cause or by the executive for good reason, the executive's award will be calculated as of the end of the performance period in the same manner as if such termination had not occurred, but prorated based on the number of days in the performance period during which such executive was employed by us. Any LTIP units so earned will be fully vested. For purposes of this table, we have prepared the calculations on the basis that the performance period had ended on December 31, 2015.

- (4) Benefits payment includes a lump sum cash payment equal to a multiple of annual premium payable by us for the executive's health and dental insurance; the multiple is two for Mr. Behler and one for Mr. Walsh, Ms. Bott and Mr. Koltis; or, in the event such termination occurs in connection with or within two years after a change in control, two for Mr. Behler, 1.5 for Mr. Walsh and Ms. Bott, and one for Mr. Koltis.
- (5) In the event the executive becomes subject to the Section 280G golden parachute excise tax under Section 4999 of the Code, the amounts payable as described above would be reduced to the level so that the excise tax will not apply, but only if such reduction would result in a greater after-tax amount to the executive.
- (6) Payments under the Executive Severance Plan are subject to Mr. Koltis signing a separation agreement and release with restrictive covenants, including non-competition and non-solicitation covenants for six months after termination of employment.
- (7) These payments will only be made under the Executive Severance Plan if Mr. Koltis is terminated by us without cause.

The following table presents information regarding the beneficial ownership of shares of our common stock and units in our operating partnership as of February 1, 2016, with respect to:

each of our directors;

each of our named executive officers;

each person known by us to be the beneficial owner of 5% or more of the outstanding shares of our common stock or the outstanding shares of our common stock and units in our operating partnership; and

Except as noted by footnote, and subject to community property laws where applicable, we believe based on the information provided to us that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock and units in our operating partnership shown as beneficially owned by them. Shares of our common stock and units in our operating partnership that a person has the right to acquire within 60 days of February 1, 2016 are deemed to be outstanding and beneficially owned by the person having the right to acquire such shares or units for purposes of the table below, but are not deemed outstanding for the purpose of computing the percentage of beneficial ownership for any other person.

As of February 1, 2016, there were 212,112,137 shares of our common stock outstanding and 51,660,088 units of our operating partnership outstanding, consisting of 50,658,280 common operating partnership units and 1,001,808 LTIP units (excluding 891,015 unvested performance-based LTIP units granted to the Company's executive officers and employees pursuant to the 2015 Performance Plan, which may be earned based on the achievement of designated performance objectives).

To compute the percentage of outstanding shares of common stock held by each person and unless otherwise noted, any share of common stock which such person has the right to acquire pursuant to the exercise of stock options exercisable within 60 days of February 1, 2016 is deemed to be outstanding, but is not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. The percentage of outstanding shares of common stock and units held by each person is calculated in the same manner as the percentage of outstanding shares of common stock, except that in performing this calculation we assume that: (i) all outstanding LTIP units held by all persons have vested in full and have been converted into an equal number of common units in the operating partnership, and (ii) all common units in the operating partnership held by all persons, other than us, have been exchanged for shares of common stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the NYSE. Officers, directors and persons who own more than 10% of a registered class of our equity securities are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. To our knowledge, based solely on review of the copies of such reports and any amendments thereto furnished to us during or with respect to our most recent fiscal year, all Section 16(a) filing requirements applicable to our executive officers, directors and persons who own more than 10% of a registered class of our equity securities were satisfied.

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS****Management Agreements**

In connection with the formation transactions, we assumed certain management agreements of our predecessor pursuant to which we provide property management, leasing, reporting or other services for certain properties or business entities owned by members of the Otto family, including the Commercial National Bank Building, which is 100% indirectly owned by Maren Otto, Katharina Otto-Bernstein and Alexander Otto. Pursuant to the Commercial National Bank Building property management agreement, we receive (i) property management fees of 3.0% of the property's annual gross revenue; (ii) construction service fees of 3.0% of certain costs, tenant improvements and tenant allowances; and (iii) disposition fees of 0.50% of the gross consideration paid in connection with a disposition of the property. During 2015, we received fees of \$776,000 pursuant to these agreements, including \$482,000 from the agreement relating to property management and leasing for the Commercial National Bank Building. The property management agreement automatically renews for annual terms unless terminated by either party by giving three months written notice to the other before the end of any calendar year. The other management agreements automatically renew for annual terms unless terminated by either party by giving thirty days written notice to the other before the end of any calendar year.

Note Payable

Prior to the completion of the formation transactions, in lieu of certain cash distributions, certain of the entities comprising our predecessor distributed a \$24,500,000 note, which is payable to CNBB-RDF Holdings, which is an entity owned by Maren Otto, Katharina Otto-Bernstein and Alexander Otto, and a \$2,799,000 note, which is payable to a different entity owned by members of the Otto family. The notes, which were distributed in lieu of certain cash distributions prior to the completion of the formation transactions, bear interest at a fixed rate of 0.50% and mature three years from the date of distribution. From January 1, 2015 through December 31, 2015 we paid \$136,000 in interest in connection with the notes.

1633 Broadway Lease

Our predecessor leased 3,330 square feet of space in 1633 Broadway to CNBB-RDF Holdings at an annual base rent of \$57.00 per square foot, with five months of free rent and no tenant improvement allowance. The term of the lease extends through 2019. We believe that the terms of this lease, at the time it was signed, were at least as favorable to us as the terms we could have obtained from a third party in an arm's length transaction for the lease of this space.

Hamburg Trust HTC Consulting GmbH

We have engaged Hamburg Trust HTC Consulting GmbH (HTC), a licensed broker in Germany, to supervise selling efforts for our private equity real estate funds (or investments in feeder vehicles for these funds) to investors in Germany, including an ongoing engagement to distribute securitized notes of a feeder vehicle for Paramount Group Real Estate Fund VIII, LP (Fund VIII), a private equity real estate fund that we control. Pursuant to this engagement, which was begun by our predecessor, we have agreed to pay HTC for the costs it incurred to sell investments in this feeder vehicle and other funds, which primarily consist of commissions paid to third party agents, and other incremental costs incurred by HTC as a result of the engagement, plus, in each case, a mark-up of 10%. HTC is 100% owned by Albert Behler, our Chairman, Chief Executive Officer and President. We paid or accrued \$349,000 for the fees and expense reimbursements due to HTC for the services it provided during 2015. The fees and expense reimbursements for 2015 include payments made pursuant to this engagement in connection with the sales of investments in the feeder vehicle for Fund VIII. Any future engagement of HTC by us will be subject to the approval of a majority of disinterested directors.

Other

During 2015, certain of the private equity real estate funds that we control received an aggregate of \$5,482,000 (of which our share was \$121,000) from CNBB-RDF Holdings for the reimbursement of certain costs and expenses incurred when these funds were controlled by our predecessor.

Review and Approval of Future Transactions with Related Persons

Our Board has adopted a Related Person Transaction Approval and Disclosure Policy for the review, approval or ratification of any related person transaction. This policy provides that all related person transactions, other than a transaction for which an obligation to disclose under Item 404 of Regulation S-K (or any successor provision) arises solely from the fact that a beneficial owner, other than members of the Otto family, Wilhelm von Finck and entities controlled directly or indirectly by such individuals, of more than 5% of a class of our voting securities (or an immediate family member of any such beneficial owner) has an interest in the transaction, must be reviewed and approved by a majority of the disinterested directors on our Board in advance of us or any of our subsidiaries entering into the transaction; provided that, if we or any of our subsidiaries enter into a transaction without recognizing that such transaction constitutes a related person transaction, the approval requirement will be satisfied if such transaction is ratified by a majority of the disinterested directors on the Board promptly after we recognize that such transaction constituted a related person transaction. Disinterested directors are directors that do not have a personal financial interest in the transaction that is adverse to our financial interest or that of our stockholders. The term related person transaction refers to a transaction required to be disclosed by us pursuant to Item 404 of Regulation S-K (or any successor provision) promulgated by the SEC.

OTHER MATTERS

Solicitation of Proxies

We will pay the cost of solicitation of proxies. Our directors, officers and employees may solicit proxies personally, by telephone, via the internet or by mail without additional compensation for such activities. We also will request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send a Notice of Internet Availability of Proxy Materials to and obtain proxies from such beneficial owners. We will reimburse such holders for their reasonable expenses. No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary.

Stockholder Proposals

Stockholders who, in accordance with the Rule 14a-8 under the Exchange Act, wish to present proposals for inclusion in the proxy materials to be distributed by us in connection with our 2017 annual meeting must submit their proposals to our Corporate Secretary on or before December 8, 2016.

Apart from the SEC's Rule 14a-8 that addresses the inclusion of stockholder proposals in our proxy materials, under our bylaws, certain procedures are provided that a stockholder must follow to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. These procedures provide that nominations for director nominees and/or an item of business to be introduced at an annual meeting of stockholders must be timely submitted in writing to Gage Johnson, Secretary, at Paramount Group, Inc., 1633 Broadway, Suite 1801, New York, New York 10019. To be considered timely, we must receive the notice of your intention to introduce a nomination or proposed item of business at our annual meeting:

not earlier than the 150th day nor later than 5:00 p.m., New York time, on the 120th day prior to the first anniversary of the date of the notice for the preceding year's annual meeting; or

not earlier than the 150th day prior to the date of the annual meeting and not later than 5:00 p.m., New York time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made, in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting.

Assuming that our 2017 annual meeting is not advanced or delayed by more than 30 days from the first anniversary of the date of the 2016 annual meeting, we must receive notice of your intention to introduce a nomination or other item of business at the 2017 annual meeting after November 8, 2016 and no later than 5:00 p.m., New York time, on December 8, 2016.

Attendance at the Meeting

All stockholders of record of shares of common stock at the close of business on the record date, or their designated proxies, are authorized to attend the annual meeting. If you are not a stockholder of record but hold shares through a broker, bank or other nominee, you should provide proof of beneficial ownership as of the record date, such as an account statement reflecting your stock ownership as of the record date, a copy of the voting instruction card provided by your broker, bank or other nominee, or other similar evidence of ownership. If you do not have proof of ownership, you may not be admitted to the annual meeting. Each stockholder and proxy may be asked to present a valid government-issued photo identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted, and attendees may be subject to security inspections and other security precautions.

Householding of Proxy Materials

If you and other residents at your mailing address own shares of common stock in street name, your broker, bank or other nominee may have sent you a notice that your household will receive only one Notice of Internet Availability of Proxy Materials, annual report and/or proxy statement, as applicable. This procedure, known as householding, is intended to reduce the volume of duplicate information stockholders receive and also reduce our printing and postage costs. Under applicable law, if you consented or were deemed to have consented, your broker, bank or other nominee may send one copy of the applicable proxy materials to your address for all residents that own shares of common stock in street name. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee. If you are receiving multiple copies of our proxy materials, you may be able to request householding by contacting your broker, bank or other nominee.

If you wish to request extra copies free of charge of our proxy materials, please send your request in writing to Paramount Group, Inc., 1633 Broadway, Suite 1801, New York, New York 10019, Attention: Investor Relations or by telephone at (212) 237-3100.

Other Matters

The Board does not know of any matters other than those described in this proxy statement that will be presented for action at the annual meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.
