SUPPLEMENT TO DEFINITIVE PROXY STATEMENT

FOR ANNUAL MEETING

TO BE HELD ON TUESDAY, MAY 24, 2016

***Explanatory Note:** This supplement (this **Supplement**) to the definitive proxy statement (the **2016 Proxy Statement**) of Blucora, Inc. To the extent that information in this Supplement differs from or updates information contained in the 2016 Proxy Statement, the information in this Supplement is more current. The 2016 Proxy Statement contains important information. This Supplement should be read in conjunction with the 2016 Proxy Statement. Supplemental Disclosure Concerning Proposal Four

The purpose of this Supplement is to update the 2016 Proxy Statement to inform you that on May 10, 2016, after reviewing the analysis of Institutional Shareholder Services (ISS) related to Proposal Four for Approval of the 2015 Incentive Plan as Amended and Restated, our Board of Directors amended Section 15.3(a) of the 2015 Incentive Plan as Amended and Restated (the A&R Plan) to clarify the situations resulting in acceleration of vesting of awards granted under the A&R Plan in the event of a change in control. We believe this amendment effectively addresses the concerns raised in the ISS analysis with respect to Proposal Four. The description of Change in Control in Proposal Four is revised to read in its entirety as follows:

Change in Control

Effect of Change in Control. Under the Plan, unless the Committee determines otherwise in the instrument evidencing an award or in a written employment, services or other agreement between a participant and the Company or a related company, in the event of a change in control:

If the change in control is a company transaction in which awards, other than performance shares and performance units, could be converted, assumed, substituted for or replaced by the successor company, then, to the extent that the successor company converts, assumes, substitutes for, or replaces such awards, the vesting restrictions and forfeiture provisions applicable to such awards will not be accelerated or lapse, and all such vesting restrictions and forfeiture provisions will continue with respect to any shares of the successor company or other consideration that may be received with respect to such awards. If and to the extent outstanding awards, other than performance shares and performance units, are not or cannot be converted, assumed, substituted for or replaced by the successor company in a company transaction, such awards will become fully vested and exercisable or payable, and all applicable restrictions or forfeiture provisions will lapse, immediately prior to the change in control. Such awards will then terminate at the effective time of the change in control.

All performance shares and performance units earned and outstanding as of the date the change in control occurs and for which the payout level has been determined will be payable in full in accordance with the payout schedule included in the instrument evidencing the award. Any remaining outstanding performance shares or performance units for which the payout level has not been determined will be prorated at the target payout level up to and including the date of the change in control and will be payable in accordance with the payout schedule included in the instrument

evidencing the award.

The Committee may in its discretion instead provide that a participant's outstanding awards will terminate in exchange for a cash payment.

Definitions of Change in Control and Company Transaction. Unless the Committee determines otherwise with respect to an award at the time it is granted or unless otherwise defined for purposes of an award in a written employment, services or other agreement between a participant and the Company or a related company, a change in control of the Company generally means the occurrence of any of the following events:

an acquisition by any individual, entity or group of beneficial ownership of 40% or more of either (a) the then outstanding shares of common stock or (b) the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (generally excluding any acquisition directly from the Company, any acquisition by the Company, any acquisition by any employee benefit plan of the Company or a related company, or an acquisition pursuant to certain related party transactions);

a change in the composition of the Board during any two-year period such that the incumbent Board members cease to constitute at least a majority of the Board (not including directors whose election, or nomination for election by stockholders, was approved by a majority of the incumbent Board); or

consummation of a company transaction, which is generally defined as a merger or consolidation, a sale of all of the Company's outstanding voting securities, or a sale, lease or other transfer of all or substantially all of the assets of the Company, unless (a) after such transaction the beneficial owners of common stock and voting securities immediately prior to the transaction retain at least 50% of such common stock and voting securities of the company resulting from such transaction, (b) no person beneficially owns 40% or more of the then outstanding common stock or voting securities of the company resulting from such transaction, and (c) at least a majority of the board of directors of the company resulting from such transaction were incumbent directors of the Company prior to such transaction.

If we dissolve or liquidate, unless the Committee determines otherwise, outstanding awards will terminate immediately prior to such dissolution or liquidation.

A copy of the complete text of the A&R Plan (including the amended Section 15.3(a) revised as marked) is included in Appendix A to this supplemental soliciting material.

The Board and the Compensation Committee believe that approval of Proposal Four is important to enhance long-term stockholder value. Approval of Proposal Four will enable the Company to maintain competitive employee compensation, incentive, and retention programs. Providing employees and other key contributors an equity stake in our success is a vital component of these programs. The Board and Compensation Committee further believe that the number of shares of common stock currently available under the Blucora, Inc. 2015 Incentive Plan is insufficient to meet our current and future equity compensation needs, particularly in light of our acquisition of HD Vest and our recent hire of a new President and Chief Executive Officer. Stockholder approval of the A&R Plan is intended to ensure that we have sufficient shares available to attract and retain employees and to further our growth and development.

We urge you to vote FOR Proposal Four, revised as described above.

If you have voted or hereafter vote your shares by proxy FOR approval of Proposal Four, such vote will constitute a vote FOR approval of Proposal Four amended as described above.

Your vote For Proposal Four is important. If you have already voted Against Proposal Four, we urge you to reconsider and to submit a new vote FOR Proposal Four. Please note that abstentions and broker non-votes will have no effect on the outcome of the vote.

Your vote is important. As a reminder, the Annual Meeting of Stockholders will be held on Tuesday, May 24, 2016, so we appreciate your timely consideration of our request.

If you vote by telephone or on the Internet and wish to change your vote, you should call the toll-free number or go to the Internet site, whichever method you used earlier, and follow the directions for changing your vote.

If you are a beneficial owner, you may change your vote by submitting new voting instructions to your broker, trustee or nominee as set forth in the voting instruction form.

Please make sure that your Blucora shares are voted at our Annual Meeting of Stockholders on May 24, 2016. Thank you.

BLUCORA, INC.

2015 INCENTIVE PLAN AS AMENDED AND RESTATED

SECTION 1. PURPOSE

The purpose of the Blucora, Inc. 2015 Incentive Plan as Amended and Restated is to attract, retain and motivate employees, officers, directors, consultants, agents, advisors and independent contractors of the Company and its Related Companies by providing them with the opportunity to acquire a proprietary interest in the Company and to align their interests and efforts with the long-term interests of the Company's stockholders.

SECTION 2. DEFINITIONS

Certain capitalized terms used in the Plan have the meanings set forth in Appendix A.

SECTION 3. ADMINISTRATION

3.1 Administration of the Plan

(a) The Plan shall be administered by the Board or the Compensation Committee. The Board will cause the Compensation Committee to be composed of two or more directors and to satisfy the applicable requirements of any stock exchange on which the Common Stock may then be listed. For purposes of Awards granted pursuant to Section 16 of the Plan, to the extent required by Code Section 162(m), Compensation Committee means all of the members of the Compensation Committee who are outside directors within the meaning of Section 162(m) of the Code, or any successor provision thereto. For purposes of Awards to Grantees who are subject to Section 16 of the Exchange Act, Compensation Committee means all of the members of the Compensation Committee who are non-employee directors within the meaning of Rule 16b-3(b)(3) promulgated under the Exchange Act, or any successor definition adopted by the Securities and Exchange Commission. Awards to Nonemployee Directors shall be made by the Board upon recommendation of the Compensation Committee.

(b) Notwithstanding the foregoing, the Board may delegate concurrent responsibility for administering the Plan, including with respect to designated classes of Eligible Persons, to different committees consisting of one or more members of the Board, subject to such limitations as the Board deems appropriate, except with respect to Awards granted to Participants who are subject to Section 16 of the Exchange Act or Awards granted pursuant to Section 16 of the Plan. Members of any committee shall serve for such term as the Board may determine, subject to removal by the Board at any time. To the extent consistent with applicable law, the Board or the Compensation Committee may authorize one or more officers of the Company to grant Awards to designated classes of Eligible Persons, within limits specifically prescribed by the Board or the Compensation Committee; provided, however, that no such officer shall have or obtain authority to grant Awards to himself or herself or to any Participants who are subject to Section 16 of the Exchange Act or to grant Awards pursuant to Section 16 of the Plan.

(c) All references in the Plan to the *Committee* shall be, as applicable, to the Board, the Compensation Committee or any other committee or any officer to whom authority has been delegated to administer the Plan.

3.2 Administration and Interpretation by Committee

(a) Except for the terms and conditions explicitly set forth in the Plan and to the extent permitted by applicable law, the Committee shall have full power and exclusive authority, subject to such orders or resolutions not inconsistent

with the provisions of the Plan as may from time to time be adopted by the Board or a Committee composed of members of the Board, to (i) select the Eligible Persons to whom Awards may from time to time be granted under the Plan; (ii) determine the type or types of Awards to be granted to each Participant under the Plan; (iii) determine the number of shares of Common Stock to be covered by each Award granted under the Plan; (iv) subject to Section 4.5, determine the terms and conditions of any Award granted under the Plan; (v) approve the forms of notice or agreement for use under the Plan; (vi) subject to Section 4.5, amend, modify, suspend, discontinue or terminate the Plan, waive any restrictions or conditions applicable to any Award or amend or modify the terms and conditions of any outstanding Award; (vii) determine whether, to what extent and under what circumstances Awards may be settled in cash, shares of Common Stock or other property or canceled or suspended; (viii) interpret and administer the Plan and any instrument evidencing an Award, notice or agreement executed or entered into under the Plan; (ix) establish such rules and regulations as it shall deem appropriate for the proper administration and operation of the Plan; (x) delegate ministerial duties to such of the Company's employees as it so determines; and (xi) make any other determination and take any other action that the Committee deems necessary or desirable for administration of the Plan.

A-1

(b) In no event, however, shall the Committee have the right, without stockholder approval, to (i) lower the exercise or grant price of an Option or SAR after it is granted, except in connection with adjustments provided in Section 15.1; (ii) take any other action that is treated as a repricing under generally accepted accounting principles; (iii) cancel an Option or SAR at a time when its exercise or grant price exceeds the Fair Market Value of the underlying stock, in exchange for cash, another option, stock appreciation right, restricted stock, or other equity, unless the cancellation and exchange occurs in connection with a merger, acquisition, spin-off or other similar corporate transaction.

(c) The effect on the vesting of an Award of a Company-approved leave of absence or a Participant's reduction in hours of employment or service shall be determined by the Company's General Counsel or, with respect to directors or executive officers, by the Compensation Committee, whose determination shall be final.

(d) Decisions of the Committee shall be final, conclusive and binding on all persons, including the Company, any Participant, any stockholder and any Eligible Person. A majority of the members of the Committee may determine its actions.

SECTION 4. SHARES SUBJECT TO THE PLAN

4.1 Authorized Number of Shares

Subject to adjustment from time to time as provided in Section 15.1, the number of shares of Common Stock available for issuance under the Plan shall be:

(a) 10,383,767 shares; plus

(b) (i) up to 4,766,250 authorized shares subject to outstanding awards under the Company's Restated 1996 Flexible Stock Incentive Plan (the **Prior Plan**) as of April 4, 2016 that cease to be subject to such awards following the Effective Date (other than by reason of exercise or settlement of the awards to the extent they are exercised for or settled in vested or nonforfeitable shares), which shares shall cease to be set aside or reserved for issuance pursuant to the Prior Plan effective on the date upon which they cease to be so subject to such awards and shall instead be set aside and reserved for issuance pursuant to the Plan.

Shares issued under the Plan shall be drawn from authorized and unissued shares or shares now held or subsequently acquired by the Company as treasury shares.

4.2 Share Usage

(a) If any Award lapses, expires, terminates or is canceled prior to the issuance of shares thereunder or if shares of Common Stock are issued under the Plan to a Participant and thereafter are forfeited to the Company, the shares subject to such Awards and the forfeited shares shall again be available for issuance under the Plan. The following shares shall not again become available for issuance under the Plan: (i) shares of Common Stock tendered by a Participant or retained by the Company as full or partial payment to the Company upon exercise of an Option, (ii) shares of Common Stock reserved for issuance upon grant of SARs, to the extent the number of reserved shares exceeds the number of shares actually issued upon exercise of the SARs, and (iii) shares of Common Stock withheld by, or otherwise tendered to, the Company to satisfy a Participant's tax withholding obligations in connection with an Award. The number of shares of Common Stock available for issuance under the Plan shall not be reduced to reflect any dividends or dividend equivalents that are reinvested into additional shares of Common Stock or credited as additional shares of Common Stock subject or paid with respect to an Award.

(b) The Committee shall also, without limitation, have the authority to grant Awards as an alternative to or as the form of payment for grants or rights earned or due under other compensation plans or arrangements of the Company.

(c) Notwithstanding any other provision of the Plan to the contrary, the Committee may grant Substitute Awards under the Plan. Substitute Awards shall not reduce the number of shares authorized for issuance under the Plan. In the event that an Acquired Entity has shares available for awards or grants under one or more preexisting plans not adopted in contemplation of such acquisition or combination, then, to the extent determined by the Board or the Compensation Committee, the shares available for grant pursuant to the terms of such preexisting plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to holders of common stock of the entities that are parties to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the number of shares of Common

A-2

Stock authorized for issuance under the Plan; provided, however, that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of such preexisting plans, absent the acquisition or combination, and shall only be made to individuals who were not employees or directors of the Company or a Related Company prior to such acquisition or combination. In the event that a written agreement between the Company and an Acquired Entity pursuant to which a merger or consolidation is completed is approved by the Board and that agreement sets forth the terms and conditions of the substitution for or assumption of outstanding awards of the Acquired Entity, those terms and conditions shall be deemed to be the action of the Committee without any further action by the Committee, except as may be required for compliance with Rule 16b-3 under the Exchange Act, and the persons holding such awards shall be deemed to be Participants.

(d) Notwithstanding the other provisions in this Section 4.2 to the contrary, the maximum number of shares that may be issued upon the exercise of Incentive Stock Options shall be 5,000,000 shares, subject to adjustment as provided in Section 15.1.

4.3 Fungible Share Provision

The aggregate number of shares of Common Stock available for issuance under the Plan shall be reduced by 2.0 shares for each share delivered in settlement of Awards other than Options or SARs and one share for each share delivered in settlement of Options or SARs. Any shares of Common Stock that again become available for issuance under the Plan pursuant to Section 4.2(a) shall be added back to the Plan as 2.0 shares if such shares were subject to Awards other than Options or SARs and one share if such shares were subject to Options or SARs.

4.4 Limitation on Nonemployee Director Awards

No Nonemployee Director may be granted any Award or Awards denominated in shares that exceed in the aggregate \$700,000 in value (such value computed as of the date of grant in accordance with applicable financial accounting rules) in any calendar year period, plus an additional \$700,000 in value for one-time awards to a newly appointed or elected Nonemployee Director. The foregoing limit shall not apply to any Award made pursuant to deferred compensation arrangements in lieu of all or a portion of cash retainers.

4.5 Vesting/Acceleration Restriction

Awards shall not provide for any vesting prior to at least twelve (12) months from grant. In addition, the Committee will not permit the discretionary acceleration of vesting of Awards. Notwithstanding the foregoing, the Committee may permit (i) acceleration of vesting of Awards in the event of the Participant's death or Disability, or Change in Control and (ii) the vesting of Awards on any basis prior to twelve (12) months from grant or any acceleration of vesting of Awards representing up to an aggregate of five percent (5%) of the shares reserved and available for grant under the Plan.

SECTION 5. ELIGIBILITY

An Award may be granted to any employee, officer or director of the Company or a Related Company whom the Committee from time to time selects. An Award may also be granted to any consultant, agent, advisor or independent contractor for bona fide services rendered to the Company or any Related Company that (a) are not in connection with the offer and sale of the Company's securities in a capital-raising transaction and (b) do not directly or indirectly promote or maintain a market for the Company's securities.

SECTION 6. AWARDS

6.1 Form, Grant and Settlement of Awards

The Committee shall have the authority, in its sole discretion, to determine the type or types of Awards to be granted under the Plan. Such Awards may be granted either alone or in addition to or in tandem with any other type of Award. Any Award settlement may be subject to such conditions, restrictions and contingencies as the Committee shall determine.

6.2 Evidence of Awards

Awards granted under the Plan shall be evidenced by a written, including an electronic, instrument that shall contain such terms, conditions, limitations and restrictions as the Committee shall deem advisable and that are not inconsistent with the Plan.

A-3

6.3 Dividends and Distributions

Participants may, if the Committee so determines other than with respect to Options or Stock Appreciation Rights, be credited with dividends or dividend equivalents for dividends paid with respect to shares of Common Stock underlying an Award in a manner determined by the Committee in its sole discretion; provided, however, that with respect to Awards that are subject to achievement of performance goals, any such credited dividends or dividend equivalents may only be paid with respect to the portion of such Awards that is actually earned. The Committee may apply any restrictions to the dividends or dividend equivalents that the Committee deems appropriate. The Committee, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, shares of Common Stock, Restricted Stock or Stock Units. Also notwithstanding the foregoing, the right to any dividends or dividend equivalents declared and paid on Restricted Stock must comply with or qualify for an exemption under Section 409A.

SECTION 7. OPTIONS

7.1 Grant of Options

The Committee may grant Options designated as Incentive Stock Options or Nonqualified Stock Options.

7.2 Option Exercise Price

Options shall be granted with an exercise price per share not less than 100% of the Fair Market Value of the Common Stock on the Grant Date (and such exercise price shall not be less than the minimum exercise price required by Section 422 of the Code with respect to Incentive Stock Options), except in the case of Substitute Awards.

7.3 Term of Options

Subject to earlier termination in accordance with the terms of the Plan and the instrument evidencing the Option, the maximum term of an Option shall be seven years from the Grant Date.

7.4 Exercise of Options

Subject to Section 4.5, the Committee shall establish and set forth in each instrument that evidences an Option the time at which, or the installments in which, the Option shall vest and become exercisable.

To the extent an Option has vested and become exercisable, the Option may be exercised in whole or from time to time in part by delivery, as directed by the Company, to the Company or a brokerage firm designated or approved by the Company of a properly executed stock option exercise agreement or notice, in a form and in accordance with procedures established by the Committee, setting forth the number of shares with respect to which the Option is being exercised, the restrictions imposed on the shares purchased under such exercise agreement or notice, if any, and such representations and agreements as may be required by the Committee, accompanied by payment in full as described in Section 7.5. An Option may be exercised only for whole shares and may not be exercised for less than a reasonable number of shares at any one time, as determined by the Committee.

7.5 Payment of Exercise Price

The exercise price for shares purchased under an Option shall be paid in full to the Company by delivery of consideration equal to the product of the Option exercise price and the number of shares purchased. Such consideration must be paid before the Company will issue the shares being purchased and must be in a form or a combination of forms acceptable to the Committee for that purchase, which forms may include:

- (a) cash;
- (b) check or wire transfer;
- (c) having the Company withhold shares of Common Stock that would otherwise be issued on exercise of the Option that have an aggregate Fair Market Value equal to the aggregate exercise price of the shares being purchased under the Option;
- (d) tendering (either actually or, so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, by attestation) shares of Common Stock owned by the Participant that have an aggregate Fair Market Value equal to the aggregate exercise price of the shares being purchased under the Option;
- (e) so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, and to the extent permitted by law, delivery of a properly executed exercise agreement or notice, together with irrevocable instructions to a brokerage firm designated or approved by the Company to deliver promptly to the Company the aggregate amount of proceeds to pay the Option exercise price and any withholding tax obligations that may arise in connection with the exercise, all in accordance with the regulations of the Federal Reserve Board; or
- (f) such other consideration as the Committee may permit.

7.6 Effect of Termination of Service

(a) The Committee shall establish and set forth in each instrument that evidences an Option whether the Option shall continue to be exercisable, and the terms and conditions of such exercise, after a Termination of Service, any of which provisions may be waived or modified by the Committee at any time.

(b) If the exercise of the Option following a Participant's Termination of Service, but while the Option is otherwise exercisable, would be prohibited solely because the issuance of Common Stock would violate the registration requirements under the Securities Act or similar requirements under the laws of any state or foreign jurisdiction, then the Option shall remain exercisable until the earlier of (i) the Option Expiration Date and (ii) the expiration of a period of three months (or such longer period of time as determined by the Committee in its sole discretion) after the Participant's Termination of Service during which the exercise of the Option would not be in violation of such Securities Act or other requirements.

SECTION 8. INCENTIVE STOCK OPTION LIMITATIONS

Notwithstanding any other provision of the Plan to the contrary, the terms and conditions of any Incentive Stock Options shall in addition comply in all respects with Section 422 of the Code, or any successor provision, and any applicable regulations thereunder. If the shareholders of the Company do not approve the Plan within 12 months after the Board's adoption of the Plan (or the Board's adoption of any amendment to the Plan that constitutes the adoption of a new plan for purposes of Section 422 of the Code) Incentive Stock Options granted under the Plan after the date of the Board's adoption (or approval) will be treated as Nonqualified Stock Options. No Incentive Stock Options may be granted more than ten years after the earlier of the approval by the Board or the shareholders of the Plan (or any amendment to the Plan that constitutes the adoption of a new plan for purposes of Section 422 of the Code). In interpreting and applying the provisions of the Plan, any Option granted as an Incentive Stock Option pursuant to the Plan shall, to the extent permitted by law, be construed as an incentive stock option within the meaning of Section 422 of the Code.

SECTION 9. STOCK APPRECIATION RIGHTS

9.1 Grant of Stock Appreciation Rights

Subject to Section 4.5, the Committee may grant Stock Appreciation Rights to Participants at any time on such terms and conditions as the Committee shall determine in its sole discretion. An SAR may be granted in tandem with an Option or alone (freestanding). The grant price of a tandem SAR shall be equal to the exercise price of the related Option. The grant price of a freestanding SAR shall be established in accordance with procedures for Options set forth in Section 7.2. An SAR may be exercised upon such terms and conditions and for the term as the Committee determines in its sole discretion; provided, however, that, subject to earlier termination in accordance with the terms of the Plan and the instrument evidencing the SAR, the maximum term of a freestanding SAR shall be seven years, and in the case of a tandem SAR, (a) the term shall not exceed the term of the related Option and (b) the tandem SAR may be exercised for all or part of the shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option, except that the tandem SAR may be exercised only with respect to the shares for which its related Option is then exercisable.

9.2 Payment of SAR Amount

Upon the exercise of an SAR, a Participant shall be entitled to receive payment in an amount determined by multiplying: (a) the difference between the Fair Market Value of the Common Stock on the date of exercise over the grant price of the SAR by (b) the number of shares with respect to which the SAR is exercised. At the discretion of the Committee as set forth in the instrument evidencing the Award, the payment upon exercise of an SAR may be in cash,

in shares, in some combination thereof or in any other manner approved by the Committee in its sole discretion.

SECTION 10. STOCK AWARDS, RESTRICTED STOCK AND STOCK UNITS

10.1 Grant of Stock Awards, Restricted Stock and Stock Units

Subject to Section 4.5, the Committee may grant Stock Awards, Restricted Stock and Stock Units on such terms and conditions and subject to such repurchase or forfeiture restrictions, if any, which may be based on continuous employment or service with the Company or a Related Company or the achievement of any performance goals, as the Committee shall determine in its sole discretion, which terms, conditions and restrictions shall be set forth in the instrument evidencing the Award.

A-5

10.2 Vesting of Restricted Stock and Stock Units

Upon the satisfaction of any terms, conditions and restrictions prescribed with respect to Restricted Stock or Stock Units, or upon a Participant's release from any terms, conditions and restrictions on Restricted Stock or Stock Units, as determined by the Committee (a) the shares of Restricted Stock covered by each Award of Restricted Stock shall become freely transferable by the Participant, and (b) Stock Units shall be paid in shares of Common Stock or, if set forth in the instrument evidencing the Awards, in cash or a combination of cash and shares of Common Stock. Any fractional shares subject to such Awards shall be paid to the Participant in cash.

SECTION 11. PERFORMANCE AWARDS

11.1 Performance Shares

The Committee may grant Awards of Performance Shares, designate the Participants to whom Performance Shares are to be awarded and determine the number of Performance Shares and, subject to Section 4.5, the terms and conditions of each such Award. Performance Shares shall consist of a unit valued by reference to a designated number of shares of Common Stock, the value of which may be paid to the Participant by delivery of shares of Common Stock or, if set forth in the instrument evidencing the Award, of such property as the Committee shall determine, including, without limitation, cash, shares of Common Stock, other property, or any combination thereof, upon the attainment of performance goals, as established by the Committee, and other terms and conditions specified by the Committee. The amount to be paid under an Award of Performance Shares may be adjusted on the basis of such further consideration as the Committee shall determine in its sole discretion.

11.2 Performance Units

The Committee may grant Awards of Performance Units, designate the Participants to whom Performance Units are to be awarded and determine the number of Performance Units and, subject to Section 4.5, the terms and conditions of each such Award. Performance Units shall consist of a unit valued by reference to a designated amount of property other than shares of Common Stock, which value may be paid to the Participant by delivery of such property as the Committee shall determine, including, without limitation, cash, shares of Common Stock, other property, or any combination thereof, upon the attainment of performance goals, as established by the Committee, and other terms and conditions specified by the Committee. The amount to be paid under an Award of Performance Units may be adjusted on the basis of such further consideration as the Committee shall determine in its sole discretion.

SECTION 12. OTHER STOCK OR CASH-BASED AWARDS

Subject to the terms of the Plan and such other terms and conditions as the Committee deems appropriate, the Committee may grant other incentives denominated in cash, shares of Common Stock or other property under the Plan, which incentives may be paid to the Participant by delivery of such property as the Committee shall determine, including, without limitation, cash, shares of Common Stock, other property, or any combination thereof, subject to the terms and conditions specified by the Committee.

SECTION 13. WITHHOLDING

(a) The Company or any Related Company may require the Participant to pay to the Company or any Related Company, as applicable, the amount of (i) any taxes that the Company or any Related Company is required by applicable federal, state, local or foreign law to withhold with respect to the grant, vesting or exercise of an Award (tax withholding obligations) and (ii) any amounts due from the Participant to the Company or to any Related Company (other obligations). Notwithstanding any other provision of the Plan to the contrary, the Company shall not be required to issue any shares of Common Stock or otherwise settle an Award under the Plan until such tax

withholding obligations and other obligations are satisfied.

(b) The Committee may permit or require a Participant to satisfy all or part of the Participant's tax withholding obligations and other obligations by (i) paying cash to the Company or a Related Company, as applicable (ii) having the Company or a Related Company, as applicable, withhold an amount from any cash amounts otherwise due or to become due from the Company or a Related Company, as applicable, to the Participant, (iii) having the Company withhold a number of shares of Common Stock that would otherwise be issued to the Participant (or become vested, in the case of Restricted Stock) having a Fair Market Value equal to the tax withholding obligations and other obligations, or (iv) surrendering a number of shares of Common Stock the Participant already owns having a value equal to the tax withholding obligations and other obligations. The value of the shares so withheld or tendered may not exceed the employer's minimum required tax withholding rate.

A-6

SECTION 14. ASSIGNABILITY

No Award or interest in an Award may be sold, assigned, pledged (as collateral for a loan or as security for the performance of an obligation or for any other purpose) or transferred by a Participant or made subject to attachment or similar proceedings otherwise than by will or by the applicable laws of descent and distribution, except to the extent the Participant designates one or more beneficiaries on a Company-approved form who may exercise the Award or receive payment under the Award after the Participant's death. During a Participant's lifetime, an Award may be exercised only by the Participant. Notwithstanding the foregoing and to the extent permitted by Section 422 of the Code, the Committee, in its sole discretion, may permit a Participant to assign or transfer an Award subject to such terms and conditions as the Committee shall specify.

SECTION 15. ADJUSTMENTS

15.1 Adjustment of Shares

In the event that, at any time or from time to time, a stock dividend, stock split, spin-off, combination or exchange of shares, recapitalization, merger, consolidation, distribution to stockholders other than a normal cash dividend, or other change in the Company's corporate or capital structure results in (i) the outstanding shares of Common Stock, or any securities exchanged therefor or received in their place, being exchanged for a different number or kind of securities of the Company or (ii) new, different or additional securities of the Company or any other company being received by the holders of shares of Common Stock, or in the event of an extraordinary cash dividend, then the Committee shall make proportional adjustments in (1) the maximum number and kind of securities available for issuance under the Plan; (2) the maximum number and kind of securities issuable as Incentive Stock Options as set forth in Section 4.2; (3) the maximum numbers and kind of securities set forth in Section 4.3 and Section 16.3; and (4) the number and kind of securities that are subject to any outstanding Award and/or the per share price of such securities. The determination by the Committee, as to the terms of any of the foregoing adjustments shall be conclusive and binding.

Notwithstanding the foregoing provisions of this Section 15.1, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services rendered, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, outstanding Awards. Also notwithstanding the foregoing, a dissolution or liquidation of the Company or a Change in Control or Significant Operating Unit Transaction shall not be governed by this Section 15.1 but shall be governed by Sections 15.2, 15.3 and 15.4, respectively.

15.2 Dissolution or Liquidation

To the extent not previously exercised or settled, and unless otherwise determined by the Committee in its sole discretion, Awards shall terminate immediately prior to the dissolution or liquidation of the Company. To the extent a vesting condition, forfeiture provision or repurchase right applicable to an Award has not been waived by the Committee, the Award shall be forfeited immediately prior to the consummation of the dissolution or liquidation.

15.3 Change in Control

Notwithstanding any other provision of the Plan to the contrary, unless the Committee shall determine otherwise in the instrument evidencing the Award or in a written employment, services or other agreement between the Participant and the Company or a Related Company, in the event of a Change in Control:

(a) If the Change in Control is a Company Transaction in which Awards, other than Performance Shares, Performance Units or other performance-based Awards, could be converted, assumed, substituted for or replaced by the Successor

Company, then, if and to the extent that the Successor Company converts, assumes, substitutes or replaces an Award, the vesting restrictions and/or forfeiture provisions applicable to such Award shall not be accelerated or lapse, and all such vesting restrictions and/or forfeiture provisions shall continue with respect to any shares of the Successor Company or other consideration that may be received with respect to such Award. If and to the extent that ~~such~~ Awards, other than Performance Shares, Performance Units or other performance-based Awards, are not ~~or cannot be~~ converted, assumed, substituted for or replaced by the Successor Company in a Company Transaction, such Awards shall become fully vested and exercisable or payable, and all applicable restrictions or forfeiture provisions shall lapse, immediately prior to the Change in Control and such Awards shall terminate at the effective time of the Change in Control.

~~If the Change of Control is not a Company Transaction in which Awards, other than Performance Shares, Performance Units or other performance-based Awards, could be converted, assumed, substituted for or replaced by the Successor Company, all outstanding Awards, other than Performance Shares, Performance Units or other performance-based Awards, shall become fully vested and exercisable or payable, and all applicable restrictions or forfeiture provisions shall lapse, immediately prior to the Change of Control and shall terminate at the effective time of the Change of Control.~~

For the purposes of this Section 15.3(a), an Award shall be considered converted, assumed, substituted for or replaced by the Successor Company if following the Company Transaction the option or right confers the right to purchase or receive, for each share of Common Stock subject to the Award immediately prior to the Company Transaction, the consideration (whether stock, cash or other securities or property) received in the Company Transaction by holders of Common Stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the Company Transaction is not solely common stock of the Successor Company, the Committee may, with the consent of the Successor Company, provide for the consideration to be received pursuant to the Award, for each share of Common Stock subject thereto, to be solely common stock of the Successor Company substantially equal in fair market value to the per share consideration received by holders of Common Stock in the Company Transaction. The determination of such substantial equality of value of consideration shall be made by the Committee, and its determination shall be conclusive and binding.

(b) All Performance Shares, Performance Units or other performance-based Awards earned and outstanding as of the date the Change in Control is determined to have occurred and for which the payout level has been determined shall be payable in full in accordance with the payout schedule pursuant to the instrument evidencing the Award. Any remaining outstanding Performance Shares, Performance Units or other performance-based Awards (including any applicable performance period) for which the payout level has not been determined shall be prorated at the target payout level up to and including the date of such Change in Control and shall be payable accordance with the payout schedule pursuant to the instrument evidencing the Award. Any existing deferrals or other restrictions not waived by the Committee in its sole discretion shall remain in effect.

(c) Notwithstanding the foregoing, the Committee, in its sole discretion, may instead provide in the event of a Change in Control that is a Company Transaction that a Participant's outstanding Awards shall terminate upon or immediately prior to such Company Transaction and that such Participant shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (x) the value of the per share consideration received by holders of Common Stock in the Company Transaction, or, in the event the Company Transaction is one of the transactions listed under subsection (c) in the definition of Company Transaction or otherwise does not result in direct receipt of consideration by holders of Common Stock, the value of the deemed per share consideration received, in each case as determined by the Committee in its sole discretion, multiplied by the number of shares of Common Stock subject to such outstanding Awards (to the extent then vested and exercisable or whether or not then vested and exercisable, as determined by the Committee in its sole discretion) exceeds (y) if applicable, the respective aggregate exercise price or grant price for such Awards.

(d) For the avoidance of doubt, nothing in this Section 15.3 requires all outstanding Awards to be treated similarly.

15.4 Significant Operating Unit Transaction.

Notwithstanding any other provision of the Plan to the contrary, unless the Committee shall determine otherwise in the instrument evidencing the Award or in a written employment, services or other agreement between the Participant and the Company or a Related Company, in the event of a Significant Operating Unit Transaction, the Committee shall have the discretion to determine the effect upon an Award held by a Participant who is employed by, or providing services to, the Significant Operating Unit that is the subject of the Significant Operating Unit Transaction, including but not limited to:

- (a) arranging for the conversion, assumption, substitution for or replacement of an Award by the Successor Company;
- (b) providing for the acceleration or extension of any time periods, or the waiver of any other conditions, relating to the vesting, exercise, payment or distribution of an Award so that an Award of a Participant who has a Termination of Service as a result of the Significant Operating Unit Transaction may continue to vest, become vested and exercisable,

paid or distributed in part or in full, and in connection therewith the Committee may (i) provide for an extended period to exercise an Option or Stock Appreciation Right (not to exceed the original term of the Option or Stock Appreciation Right) and (ii) determine the level of attainment of any applicable performance goals; and

(c) provide that an Award shall terminate upon or immediately prior to the Significant Operating Unit Transaction and that such Participant shall receive, in exchange therefor, a cash payment of substantial equivalent value as shall be determined by the Committee in its sole discretion, whose determination shall be conclusive and binding.

(d) For the avoidance of doubt, nothing in this Section 15.4 requires all outstanding Awards to be treated similarly.

A-8

15.5 Further Adjustment of Awards

Subject to Sections 4.5, 15.2, 15.3 and 15.4, the Committee shall have the discretion, exercisable at any time before a sale, merger, consolidation, reorganization, liquidation, dissolution or change of control of the Company, as defined by the Committee, to take such further action as it determines to be necessary or advisable with respect to Awards. Such authorized action may include (but shall not be limited to) establishing, amending or waiving the type, terms, conditions or duration of, or restrictions on, Awards so as to provide for earlier, later, extended or additional time for exercise, lifting restrictions and other modifications, and the Committee may take such actions with respect to all Participants, to certain categories of Participants or only to individual Participants. The Committee may take such action before or after granting Awards to which the action relates and before or after any public announcement with respect to such sale, merger, consolidation, reorganization, liquidation, dissolution or change of control that is the reason for such action.

15.6 No Limitations

The grant of Awards shall in no way affect the Company's right to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

15.7 No Fractional Shares

In the event of any adjustment in the number of shares covered by any Award, each such Award shall cover only the number of full shares resulting from such adjustment, and any fractional shares resulting from such adjustment shall be disregarded.

15.8 Section 409A

Notwithstanding any other provision of the Plan to the contrary, (a) any adjustments made pursuant to this Section 15 to Awards that are considered deferred compensation within the meaning of Section 409A shall be made in compliance with the requirements of Section 409A and (b) any adjustments made pursuant to this Section 15 to Awards that are not considered deferred compensation subject to Section 409A shall be made in such a manner as to ensure that after such adjustment the Awards either (i) continue not to be subject to Section 409A or (ii) comply with the requirements of Section 409A.

SECTION 16. CODE SECTION 162(m) PROVISIONS

Notwithstanding any other provision of the Plan to the contrary, if the Committee determines, at the time Awards are granted to a Participant who is, or is likely to be as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee, then the Committee may provide that this Section 16 is applicable to such Award.

16.1 Performance Criteria

If an Award is subject to this Section 16, then the lapsing of restrictions thereon and the distribution of cash, shares of Common Stock or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of specified levels of one of or any combination of the following performance criteria for the Company as a whole or any business unit of the Company, as reported or calculated by the Company: cash flows (including, but not limited to, operating cash flow, free cash flow or cash flow return on capital); working capital; earnings per share; book value per share; operating income (including or excluding depreciation, amortization, extraordinary items, restructuring charges or

other expenses); revenues; operating margins; return on assets; return on equity; debt; debt plus equity; market or economic value added; stock price appreciation; total stockholder return; cost control; strategic initiatives; market share; net income; return on invested capital; improvements in capital structure; or customer satisfaction, employee satisfaction, services performance, subscriber, cash management or asset management metrics (together, the ***Performance Criteria***).

Such performance goals also may be based on the achievement of specified levels of Company performance (or performance of an applicable affiliate or business unit of the Company) under one or more of the Performance Criteria described above relative to the performance of other corporations. Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, or any successor provision thereto, and the regulations thereunder.

The Committee may provide in any such Award that any evaluation of performance may include or exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation or claim judgments or settlements, (iii) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results, (iv) any reorganization and restructuring programs, (v) extraordinary, unusual and/or non-recurring items of gain or

loss, that in all of the foregoing the Company identifies in its audited financial statements, including notes to the financial statements, or the Management's Discussion and Analysis section of the Company's periodic reports, (vi) acquisitions or divestitures, (vii) foreign exchange gains and losses, (viii) gains and losses on asset sales, and (ix) impairments. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that satisfies the requirements for performance-based compensation within the meaning of Section 162(m)(4)(C) of the Code, or any successor provision thereto.

16.2 Adjustment of Awards

Notwithstanding any provision of the Plan other than Section 15, with respect to any Award that is subject to this Section 16, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance goals except in the case of the death or disability of the Covered Employee.

16.3 Limitations

Subject to adjustment from time to time as provided in Section 15.1, no Covered Employee may be granted Awards, other than Performance Units or other Awards denominated in cash or other property subject to this Section 16 in any calendar year period with respect to more than 1,500,000 shares of Common Stock for such Awards, except that the Company may make additional one-time grants of such Awards for up to 1,500,000 shares to newly hired or newly promoted individuals, and the maximum dollar value payable with respect to Performance Units or other Awards denominated in cash or other property, subject to this Section 16 granted to any Covered Employee in any one calendar year is \$3,000,000.

The Committee shall have the power to impose such other restrictions on Awards subject to this Section 16 as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for performance-based compensation within the meaning of Section 162(m)(4)(C) of the Code, or any successor provision thereto.

SECTION 17. AMENDMENT AND TERMINATION

17.1 Amendment, Suspension or Termination

The Board or the Compensation Committee may amend, suspend or terminate the Plan or any portion of the Plan at any time and in such respects as it shall deem advisable; provided, however, that, to the extent required by applicable law, regulation or stock exchange rule, stockholder approval shall be required for any amendment to the Plan; and provided, further, that any amendment that requires stockholder approval may be made only by the Board. Subject to Section 17.3, the Committee may amend the terms of any outstanding Award, prospectively or retroactively.

17.2 Term of the Plan

Unless sooner terminated as provided herein, the Plan shall terminate ten years from the Effective Date. After the Plan is terminated, no future Awards may be granted, but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and the Plan's terms and conditions.

17.3 Consent of Participant

The amendment, suspension or termination of the Plan or a portion thereof or the amendment of an outstanding Award shall not, without the Participant's consent, materially adversely affect any rights under any Award theretofore granted to the Participant under the Plan. Any change or adjustment to an outstanding Incentive Stock Option shall not, without the consent of the Participant, be made in a manner so as to constitute a modification that would cause such

Incentive Stock Option to fail to continue to qualify as an Incentive Stock Option. Notwithstanding the foregoing, any adjustments made pursuant to Section 15 shall not be subject to these restrictions.

SECTION 18. GENERAL

18.1 No Individual Rights

No individual or Participant shall have any claim to be granted any Award under the Plan, and the Company has no obligation for uniformity of treatment of Participants under the Plan.

Furthermore, nothing in the Plan or any Award granted under the Plan shall be deemed to constitute an employment contract or confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Related Company or limit in any way the right of the Company or any Related Company to terminate a Participant's employment or other relationship at any time, with or without cause.

18.2 Issuance of Shares

(a) Notwithstanding any other provision of the Plan, the Company shall have no obligation to issue or deliver any shares of Common Stock under the Plan or make any other distribution of benefits under the Plan unless, in the opinion of the Company's counsel, such issuance, delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act or the laws of any state or foreign jurisdiction) and the applicable requirements of any securities exchange or similar entity.

(b) The Company shall be under no obligation to any Participant to register for offering or resale or to qualify for exemption under the Securities Act, or to register or qualify under the laws of any state or foreign jurisdiction, any shares of Common Stock, security or interest in a security paid or issued under, or created by, the Plan, or to continue in effect any such registrations or qualifications if made.

(c) As a condition to the exercise of an Option or any other receipt of Common Stock pursuant to an Award under the Plan, the Company may require (i) the Participant to represent and warrant at the time of any such exercise or receipt that such shares are being purchased or received only for the Participant's own account and without any present intention to sell or distribute such shares and (ii) such other action or agreement by the Participant as may from time to time be necessary to comply with the federal, state and foreign securities laws. At the option of the Company, a stop-transfer order against any such shares may be placed on the official stock books and records of the Company, and a legend indicating that such shares may not be pledged, sold or otherwise transferred, unless an opinion of counsel is provided (concurring in by counsel for the Company) stating that such transfer is not in violation of any applicable law or regulation, may be stamped on stock certificates to ensure exemption from registration. The Committee may also require the Participant to execute and deliver to the Company a purchase agreement or such other agreement as may be in use by the Company at such time that describes certain terms and conditions applicable to the shares.

(d) To the extent the Plan or any instrument evidencing an Award provides for issuance of stock certificates to reflect the issuance of shares of Common Stock, the issuance may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

18.3 Indemnification

Each person who is or shall have been a member of the Board, or a committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Section 3, shall be indemnified and held harmless by the Company against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit or proceeding to which such person may be a party or in which such person may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by such person in settlement thereof, with the Company's approval, or paid by such person in satisfaction of any judgment in any such claim, action, suit or proceeding against such person; provided, however, that such person shall give the Company an opportunity, at its own expense, to handle and defend the same before such person undertakes to handle and defend it on such person's own behalf, unless such loss, cost, liability or expense is a result of such person's own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such person may be entitled under the Company's certificate of incorporation or bylaws, as a matter of law, or otherwise, or of any power that the Company may have to indemnify or hold harmless.

18.4 No Rights as a Stockholder

Unless otherwise provided by the Committee or in the instrument evidencing the Award or in a written employment, services or other agreement, no Award, other than a Stock Award or Restricted Stock Award, shall entitle the

Participant to any cash dividend, voting or other right of a stockholder unless and until the date of issuance under the Plan of the shares that are the subject of such Award.

18.5 Section 409A

(a) *General.* This Plan and Awards granted under this Plan are intended to be exempt from the requirements of Section 409A to the maximum extent possible, whether pursuant to the short-term deferral exception described in Treasury Regulation section 1.409A-1(b)(4), the exclusion applicable to stock options and certain other equity-based compensation under Treasury Regulation section 1.409A-1(b)(5), or otherwise. To the extent Section 409A is applicable to this Plan or any Award granted under this Plan, it is intended that this Plan and any Awards granted under this Plan comply with the deferral, payout and other limitations and restrictions imposed under Section 409A. Notwithstanding any other provision of this Plan or any Award granted under this Plan to the contrary, this Plan and any Award granted under this Plan shall be interpreted, operated and administered in a manner consistent with such intentions.

A-11

(b) *Separation from Service; Six Month Delay.* Without limiting the generality of the foregoing, and notwithstanding any other provision of this Plan or any Award granted under this Plan to the contrary, with respect to any payments and benefits under this Plan or any Award granted under this Plan to which Section 409A applies, all references in this Plan or any Award granted under this Plan to the termination of the Participant's employment or service are intended to mean the Participant's separation from service, within the meaning of Section 409A(a)(2)(A)(i). In addition, if the Participant is a specified employee, within the meaning of Section 409A, then to the extent necessary to avoid subjecting the Participant to the imposition of any additional tax under Section 409A, amounts that would otherwise be payable under this Plan or any Award granted under this Plan during the six-month period immediately following the Participant's separation from service, within the meaning of Section 409A(a)(2)(A)(i), shall not be paid to the Participant during such period, but shall instead be accumulated and paid to the Participant (or, in the event of the Participant's death, the Participant's estate) in a lump sum on the first business day after the earlier of the date that is six months following the Participant's separation from service or the Participant's death.

(c) *Unilateral Amendment.* Notwithstanding any other provision of this Plan to the contrary, the Committee, to the extent it deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to unilaterally amend or modify this Plan and any Award granted under this Plan so that the Award qualifies for exemption from or complies with Section 409A; provided that the Committee makes no undertaking to preclude Section 409A from applying to Awards granted under this Plan.

(d) *No Guarantee of Tax Treatment.* Notwithstanding any provision of this Plan to the contrary, the Company does not guarantee to any Participant or any other person(s) with an interest in an Award that (i) any Award intended to be exempt from Section 409A shall be so exempt, (ii) any Award intended to comply with Section 409A shall so comply, or (iii) any Award shall otherwise receive a specific tax treatment under any other applicable tax law, nor in any such case will the Company or any affiliate be required to indemnify, defend or hold harmless any individual with respect to the tax consequences of any Award.

18.6 Participants in Other Countries or Jurisdictions

Without amending the Plan, the Committee may grant Awards to Eligible Persons who are foreign nationals on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan and shall have the authority to adopt such modifications, procedures, subplans and the like as may be necessary or desirable to comply with provisions of the laws or regulations of other countries or jurisdictions in which the Company or any Related Company may operate or have employees to ensure the viability of the benefits from Awards granted to Participants employed in such countries or jurisdictions, meet the requirements that permit the Plan to operate in a qualified or tax-efficient manner, comply with applicable foreign laws or regulations and meet the objectives of the Plan.

18.7 No Trust or Fund

The Plan is intended to constitute an unfunded plan. Nothing contained herein shall require the Company to segregate any monies or other property, or shares of Common Stock, or to create any trusts, or to make any special deposits for any immediate or deferred amounts payable to any Participant, and no Participant shall have any rights that are greater than those of a general unsecured creditor of the Company.

18.8 Successors

All obligations of the Company under the Plan with respect to Awards shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all the business and/or assets of the Company.

18.9 Severability

If any provision of the Plan or any Award is determined to be invalid, illegal or unenforceable in any jurisdiction, or as to any person, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or, if it cannot be so construed or deemed amended without, in the Committee's determination, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

A-12

18.10 Choice of Law and Venue

The Plan, all Awards granted thereunder and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by the laws of the United States, shall be governed by the laws of the State of Delaware without giving effect to principles of conflicts of law. Participants irrevocably consent to the nonexclusive jurisdiction and venue of the state and federal courts located in the State of Delaware.

18.11 Legal Requirements

The granting of Awards and the issuance of shares of Common Stock under the Plan are subject to all applicable laws, rules and regulations and to such approvals by any governmental agencies or national securities exchanges as may be required.

18.12 Recoupment

Awards shall be subject to the requirements of (i) Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (regarding recovery of erroneously awarded compensation) and any implementing rules and regulations thereunder, (ii) similar rules under the laws of any other jurisdiction, (iii) any compensation recovery or clawback policies adopted by the Company to implement any such requirements or (iv) any other compensation recovery or clawback policies as may be adopted from time to time by the Company, all to the extent determined by the Committee in its discretion to be applicable to a Grantee.

SECTION 19. EFFECTIVE DATE

The effective date (the *Effective Date*) is the date on which the Plan is approved by the stockholders of the Company. If the stockholders of the Company do not approve the Plan within 12 months after the Board's adoption of the Plan, any Incentive Stock Options granted under the Plan will be treated as Nonqualified Stock Options.
