Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Indemnification

The certificate of incorporation of the Company limits the liability of the Company's directors to the fullest extent permitted by the Delaware General Corporation Law (the "DGCL"). The DGCL provides that a corporation may limit the personal liability of its directors for monetary damages for breach of that individual's fiduciary duties as a director except for liability for any of the following: (a) a breach of the director's duty of loyalty to the corporation or its stockholders; (b) any act or omission not in good faith or that involves intentional misconduct or a knowing violation of the law; (c) certain unlawful payments of dividends or unlawful stock repurchases or redemptions; or (d) any transaction from which the director derived an improper personal benefit. This limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Section 145 of the DGCL generally provides that a corporation may indemnify directors and officers, as well as other employees and individuals, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed action, suit or proceeding in which such person was or is a party or is threatened to be made a party by reason of such person being or having been a director, officer, employee or agent of the corporation. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise.

The Company's certificate of incorporation provides that the Company is required to indemnify its directors and officers to the fullest extent permitted or required by the DGCL, although, except with respect to certain actions, suits or proceedings to enforce rights to indemnification, a director or officer will only be indemnified with respect to any action, suit or proceeding such person initiated to the extent such action, suit or proceeding was authorized by the Company's board of directors. The Company's certificate of incorporation also requires the Company to advance expenses incurred by a director or officer in connection with the defense of any action, suit or proceeding arising out of that person's status or service as director or officer of the Company or as director, officer, employee or agent of another enterprise, if serving at the Company's request. In addition, the Company's certificate of incorporation permits the Company to secure insurance to protect itself and any director, officer, employee or agent of the Company or any other corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss.

In addition, the Company has entered into indemnification agreements with each of its directors and executive officers containing provisions that obligate the Company to, among other things:

indemnify, defend and hold harmless the director or officer to the fullest extent permitted or required by Delaware law, except that, subject to certain exceptions, the director or officer will be indemnified with respect to a claim initiated by such director or officer against the Company or any other director or officer of the Company only if the Company has joined in or consented to the initiation of such claim;

advance prior to the final disposition of any indemnifiable claim any and all expenses relating to, arising out of or resulting from any indemnifiable claim paid or incurred by the director or officer or which the director or officer determines is reasonably likely to be paid or incurred by him or her; and

utilize commercially reasonable efforts to cause to be maintained in effect policies of directors and officers liability insurance providing coverage that is at least substantially comparable in scope and amount to that provided by the Company's policies of directors and officers liability insurance at the time the parties enter into such indemnification agreement.

The indemnification provisions in our certificate of incorporation and the indemnification agreements entered into with our directors and officers may be sufficiently broad to permit indemnification of our directors and officers for liabilities arising under the Securities Act. We are covered by liability insurance policies which indemnify our and our subsidiaries directors and officers against loss arising from claims by reason of their legal liability for acts as such directors, officers, or trustees, subject to limitations and conditions as set forth in the policies.

The foregoing discussion of our certificate of incorporation and Delaware law is not intended to be exhaustive and is qualified in its entirety by such certificate of incorporation or law.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
