**Item 1.01. Entry into a Material Definitive Agreement.**

On July 1, 2016, Blucora, Inc. ( Blucora or the Company ) and its wholly owned subsidiary, Infospace LLC ( Infospace ) entered into an Asset Purchase Agreement (the Purchase Agreement ) with InfoSpace Holdings LLC (the Purchaser ), a wholly-owned subsidiary of OpenMail LLC (the Purchaser Parent ) pursuant to which Infospace will sell substantially all of its assets to the Purchaser, the Purchaser will assume certain specified liabilities in exchange for \$45,000,000 in cash, and the Purchaser Parent is a guarantor for Purchaser s obligations (the Transaction ). The purchase price is subject to customary adjustments, including a working capital adjustment at closing.

The Purchase Agreement contains customary representations and warranties, covenants and agreements, including covenants regarding the parties efforts to cause the closing of the Transaction to be completed. Further, Blucora and Infospace have jointly agreed to indemnify the Purchaser with respect to certain indemnity claims.

The closing of the Transaction is subject to various customary conditions, which may be waived by the applicable parties, including conditions that Infospace obtain certain third party consents and that the parties enter into a transition services agreement under which Blucora will, post-closing, provide certain services in exchange for fees covering Blucora s costs for providing those services. There can be no assurance as to when the closing conditions will be satisfied, if at all. Subject to certain limitations, either Blucora or the Purchaser may terminate the Purchase Agreement if the transaction has not been consummated by August 30, 2016.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

The description of the Transaction and the Purchase Agreement are being provided solely to inform investors and prospective investors about the transaction and the terms of the Purchase Agreement, and are not intended to provide any other factual or disclosure information about Blucora, Infospace, or the other parties to the Purchase Agreement. The representations and warranties contained in the Purchase Agreement have been made solely for the benefit of the other parties and:

should not in all instances be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate;

may have been qualified by disclosures that were made to the other party in connection with the negotiation of the Purchase Agreement, which disclosures are not necessarily reflected in the Purchase Agreement;

may apply standards of materiality in a way that is different from what may be viewed as material to you or other investors; and

were made only as of the date of the Purchase Agreement or such other date or dates as may be specified in the Purchase Agreement and are subject to more recent developments;

Accordingly, the representations and warranties may not describe the actual state of affairs as of the date they were made or at any other time.

This current report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 that are subject to certain risks and uncertainties that could cause actual results to differ materially from those projected.
