## Disclosures in Connection with Potential Financing

In August 2016, Intelsat S.A. (the Company or Intelsat) executed confidentiality agreements with certain unaffiliated investment funds (the Holders) holding, or serving as investment advisor with respect to, 6-3/4% Senior Notes due 2018 (the 2018 Notes) issued by the Company's wholly-owned subsidiary Intelsat (Luxembourg) S.A. (Intelsat Luxembourg) to facilitate discussions in respect of a potential transaction involving the 2018 Notes (a 2018 Notes Transaction). Pursuant to the confidentiality agreements, Intelsat agreed to disclose publicly after a specified period, among other things, that the Company and the Holders engaged in discussions concerning a 2018 Notes Transaction. The information included in this Report on Form 6-K is being furnished, in part, to satisfy Intelsat's public disclosure obligations under the confidentiality agreements.

In connection with these discussions in respect of a 2018 Notes Transaction, the Company made an indicative non-binding proposal with respect to such a transaction and the Holders responded. The proposals considered involved an exchange offer pursuant to which holders of 2018 Notes would receive new notes, all or a portion of which would have a maturity beyond 2018 and which would be entitled to certain credit enhancements (including, in certain scenarios and subject to limitations imposed by the Company's other indebtedness, security interests in cash and other assets held by Intelsat Luxembourg), additional restrictions on usage of cash by Intelsat Luxembourg, a put right and call protection with terms that varied over the life of the notes and an increased interest rate exceeding that applicable to the senior secured notes due 2022 issued by Intelsat Jackson Holdings S.A. on June 30, 2016. No agreement with respect to a 2018 Notes Transaction was reached and discussions are not continuing at this time. We continually evaluate ways to simplify our capital structure and opportunistically extend our maturities. Accordingly, discussions regarding a possible 2018 Notes Transaction may resume at any time, but there is no assurance that any such discussions will occur or result in a consummated transaction.

### Intelsat Safe Harbor Statement

Statements in this Report on Form 6-K constitute forward-looking statements that do not directly or exclusively relate to historical facts. When used in this document, the words may, will, might, should, expect, plan, anticipate, believe, estimate, predict, intend, potential, outlook, and continue, and the negative of these terms, and other expressions are intended to identify forward-looking statements and information.

The forward-looking statements reflect Intelsat's intentions, plans, expectations, assumptions, anticipations, projections, estimations, predictions and beliefs about future events and are subject to risks, uncertainties and other factors, many of which are outside of Intelsat's control. Important factors that could cause actual results to differ materially from the expectations expressed or implied in the forward-looking statements include known and unknown risks. Known risks include, among others, market conditions, potential judicial decisions regarding our compliance with our debt agreements and the risks described in Intelsat's annual report on Form 20-F for the year ended December 31, 2015, quarterly report on Form 6-K for the quarter ended June 30, 2016 and its other filings with the U.S. Securities and Exchange Commission.

Because actual results could differ materially from Intelsat's intentions, plans, expectations, assumptions and beliefs about the future, you are urged to view all forward-looking statements with caution. Intelsat does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
