Dear Fellow Stockholders:

On behalf of the Board of Directors and management, I cordially invite you to attend the 2017 Annual Meeting of Stockholders (the Annual Meeting) of City Office REIT, Inc. (the Company or CIO). The Annual Meeting will be held at 9:00 a.m. Pacific Time on May 4, 2017 at the Erickson Room off the lobby of the Company s Corporate Office at 1075 West Georgia Street, Vancouver, BC V6E 3C9. Details of the business to be presented at the Annual Meeting can be found in this Proxy Statement.

We recognize that growing our Company is only valuable insofar as we are able to make the high-quality investments and create value at the property level. Importantly, we have coupled our growth and value creation at the property level with the implementation of core best practices in line with what we believe to be in the best interest of our stockholders. In 2016, we internalized management, surpassed \$500 million in real estate investments since our IPO, strengthened our balance sheet and materially reduced our overall leverage. Overall, we believe 2016 was an exceptional year for us, we are pleased with our progress last year and we believe that we are well positioned to create value for our investors in 2017 and in the years to come.

On behalf of the Board of Directors, we thank you for your ongoing support and investment in our Company.

Sincerely,

James Farrar
Chief Executive Officer and Director

Election of seven directors nominated by our Board of Directors (our Board of Directors) and listed in this Proxy Statement to serve until the 2018 Annual Meeting and until their successors are elected and qualify;

Table of Contents

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. Unless requested, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review the Proxy Statement and our 2016 Annual Report over the Internet at <http://www.astproxyportal.com/ast/18940/>. The Notice of Internet Availability of Proxy Materials also instructs you on how you may submit your proxy over the Internet, or how you can request a full set of proxy materials, including a proxy card to return by mail. If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on March 6, 2017, the record date for the Annual Meeting (the "Record Date"), are entitled to receive notice of, and vote at, the Annual Meeting.

If you hold your shares through a bank, broker or other nominee and intend to vote in person at the Annual Meeting, you will need to provide a legal proxy from your bank, broker or other holder of record.

What are the voting rights of stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting.

How many shares are outstanding?

At the close of business on March 6, 2017, the Record Date, 30,257,448 shares of common stock were issued and outstanding.

What constitutes a quorum?

The presence in person or by proxy of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will constitute a quorum for the transaction of business. Abstentions and broker non-votes, if any, will be counted for purposes of determining whether a quorum is present.

What is the difference between a stockholder of record and a street name holder?

These terms describe how your shares are held. If your shares are registered directly in your name with American Stock Transfer & Trust Company, LLC ("AST"), our transfer agent and registrar, you are a stockholder of record. If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a street name holder.

If you are a street name holder, you are considered the beneficial owner of shares held in street name and your broker or nominee is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares. You are also invited to attend the Annual Meeting and vote your shares in person; however, in order to vote your shares in person, you must provide us with a legal proxy from

your bank, broker or other stockholder of record.

Table of Contents

How do I vote?

If you are a registered stockholder, meaning that your shares are registered in your name, you have four voting options. You may vote:

over the Internet at the web address noted in the Notice of Internet Availability of Proxy Materials or proxy card you received (if you have access to the Internet, we encourage you to vote in this manner);

by telephone using the number noted on the proxy card you received (if you received a proxy card);

by signing and dating your proxy card (if you received a proxy card) and mailing it in the prepaid, preaddressed envelope enclosed therewith; or

by attending the Annual Meeting and voting in person.

Please carefully follow the directions in the Notice of Internet Availability of Proxy Materials or proxy card you received. Proxies submitted over the Internet or by telephone must be received by 11:59 p.m. Eastern Time, on May 3, 2017. Proxies submitted by mail must be received by the Company by 5:00 p.m. Pacific Time, on May 3, 2017.

Can I vote my shares in person at the meeting?

If you are a stockholder of record, you may vote your shares in person at the meeting. If you hold your shares in street name, you must obtain a proxy from your broker, bank, trustee or nominee, giving you the right to vote the shares at the meeting.

What do I need to do to attend the meeting in person?

Proof of stock ownership and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the meeting in person. If you wish to attend the Annual Meeting and vote in person, you may contact our Investor Relations at (604) 806-3366. **Only stockholders who owned our common stock as of the close of business on March 6, 2017 are entitled to attend the meeting.**

If your shares are registered in your name and you owned our common stock as of the close of business on March 6, 2017, you only need to provide some form of government-issued photo identification for admission.

If your shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the meeting if you bring a recent bank or brokerage statement showing that you owned shares of our common stock on March 6, 2017.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or proxy card?

It means that you have multiple accounts with our transfer agent and/or with a broker, bank or other nominee. You will need to vote separately with respect to each Notice of Internet Availability of Proxy Materials or proxy card you received. Please vote all of the shares you own.

Can I change my vote after I have mailed in my proxy card?

You may revoke your proxy by doing one of the following:

by sending a written notice of revocation to our Secretary at 1075 West Georgia Street, Suite 2010, Vancouver, BC V6E 3C9 so it is received prior to the meeting, stating that you revoke your proxy;

Table of Contents

by signing a later-dated proxy card and submitting it so it is received prior to the meeting in accordance with the instructions included in the proxy card(s); or

by attending the meeting and voting your shares in person.

How may I vote for each proposal?

Proposal 1 In the election of the seven director nominees, you may vote FOR, AGAINST or ABSTAIN with respect to each of the director nominees. If a quorum is present at the Annual Meeting, in an uncontested director election directors will be elected by receiving the affirmative vote of a majority of the total votes cast for and against the election of such nominee. Abstentions and broker non-votes, if any, are not treated as votes cast and thus will have no effect on the outcome of the vote on the election of directors, although they will be considered present for the purpose of determining the presence of a quorum. Under our Bylaws, cumulative voting is not permitted.

Under the terms of our director resignation policy included in our Second Amended and Restated Corporate Governance Guidelines (our corporate governance guidelines), by accepting a nomination to stand for election or re-election as a director of the Company or an appointment as director to fill a vacancy or new directorship, each candidate, nominee or appointee for director agrees that he or she will promptly tender, upon such nomination or appointment and as a condition thereof, a written offer of resignation to the Board, which offer of resignation will be effective on his or her failure to receive, in an uncontested election of directors, the vote required for election or re-election by the Bylaws. The nominating and corporate governance committee will promptly consider the director's offer of resignation and recommend to the Board whether to accept the resignation or reject it. The Board will act on the nominating and corporate governance committee's recommendation within 90 days following certification of the shareholder vote. In determining what action to recommend or take regarding the director's offer of resignation, each of the nominating and corporate governance committee and the Board may consider a range of alternatives as they deem appropriate.

In a contested director election (i.e., where the number of nominees exceeds the number of directors to be elected at such meeting), the directors will be elected by the vote of a plurality of the votes cast. Under the plurality standard, the number of individuals equal to the number of directorships to be filled who receive more votes than other nominees are elected to the board, regardless of whether they receive a majority of votes cast.

Proposal 2 If a quorum is present, the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2017 will be approved if the votes cast in favor of the proposal exceed the votes cast opposing the proposal. Abstentions and broker non-votes, if any, are not treated as votes cast and thus will have no effect on the outcome of the vote on this proposal, although they will be considered present for the purpose of determining the presence of a quorum.

None of the proposals, if approved, entitle stockholders to appraisal rights under Maryland law or our Charter.

What are the Board of Directors' recommendations on how I should vote my shares?

The Board of Directors unanimously recommends that you vote:

Proposal 1 ***For*** all of the Board of Directors' seven nominees for election as director.

Proposal 2 ***For*** the proposal to ratify the appointment of KPMG LLP as our independent registered public accountants for 2017.

Table of Contents

What if I authorize a proxy without specifying a choice on any given matter at the Annual Meeting?

If you are a stockholder of record as of the Record Date and you properly authorize a proxy (whether by Internet, telephone or mail) without specifying a choice on any given matter to be considered at the Annual Meeting, the proxy holders will vote your shares according to the Board of Directors' recommendation on that matter. If you are a stockholder of record as of the Record Date and you fail to authorize a proxy or vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

What if I hold my shares through a broker, bank or other nominee?

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange (the "NYSE"), your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal.

How are abstentions and broker non-votes treated?

A broker non-vote occurs when a bank, broker or other holder of record holding shares of common stock for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Pursuant to Maryland law, abstentions and broker non-votes are counted as present for purposes of determining the presence of a quorum.

Under the rules of the NYSE, brokerage firms may have the discretionary authority to vote their customers' shares of common stock on certain routine matters for which they do not receive voting instructions, including the ratification of independent auditors, and thus brokers may vote at their discretion on Proposal 2 if they do not receive voting instructions from you on Proposal 2. The rules of the NYSE state that the uncontested election of directors is not considered a routine matter for purposes of broker discretionary voting and therefore brokers may not vote on Proposal 1 if they do not receive voting instructions from you on Proposal 1.

What if I return my proxy card but do not provide voting instructions?

If you return a signed proxy card but do not provide voting instructions, your shares will be voted by the proxies identified in the proxy card as follows:

Proposal 1 ***For*** all of the Board of Directors' seven nominees for election as director.

Proposal 2 ***For*** the proposal to ratify the appointment of KPMG LLP as our independent registered public accountants for 2017.

What happens if additional matters are presented at the Annual Meeting?

We know of no other matters other than the items of business described in this Proxy Statement that can be considered at the meeting. If other matters requiring a vote do arise, the persons named as proxies will have the discretion to vote on those matters for you.

Who will count the votes?

A representative of AST or one of its affiliates will act as the inspector of election and will tabulate votes.

Table of Contents

Who pays the cost of this proxy solicitation?

We will pay the cost of preparing, assembling and mailing the proxy materials. We have retained AST to assist us in the distribution of proxy materials and the passive solicitation of proxies. We expect to pay AST and Broadridge Financial Services, Inc. approximately \$20,000 in the aggregate for services rendered, including passively soliciting proxies, reviewing of proxy materials, disseminating of brokers search cards, distributing proxy materials, operating online and phone voting systems, receiving executed proxies and tabulation of results. We will also request banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and will reimburse them for their reasonable expenses in doing so.

How do I submit a stockholder proposal for inclusion in the proxy materials for next year's annual meeting, and what is the deadline for submitting a proposal?

In order for a stockholder proposal to be properly submitted pursuant to Rule 14a-8 under the Exchange Act (Rule 14a-8) for presentation at our 2018 Annual Meeting and included in the proxy material for next year's annual meeting, we must receive written notice of the proposal at our executive offices by November 22, 2017. All proposals must contain the information specified in, and otherwise comply with, our Amended and Restated Bylaws (our Bylaws). Proposals should be sent via registered, certified or express mail to: 1075 West Georgia Street, Suite 2010, Vancouver, BC V6E 3C9, Attention: Anthony Maretic, Chief Financial Officer, Secretary and Treasurer. For more information regarding stockholder proposals, see Stockholder Proposals and Nominations below.

The Company's Bylaws provide that, in addition to any other applicable requirements, for business to be properly brought before the annual meeting by a stockholder, but not included in the Company's proxy statement, the stockholder must give timely notice in writing not earlier than 150 days nor later than 120 days prior to the first anniversary of the date of the proxy statement for preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced or delayed by more than 30 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. As to each matter, the notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and the business proposed to be brought before the annual meeting.

The Company's Bylaws provide that a stockholder of record, both at the time of the giving of the required notice set forth in this sentence and at the time of the 2018 annual meeting, entitled to vote at the annual meeting may nominate persons for election to the Board of Directors by mailing written notice to the Corporate Secretary of the Company not more than 150 days nor less than 120 days prior to the first anniversary of the date of the proxy statement for preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced or delayed by more than 30 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. The notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and each person whom the stockholder wishes to nominate for election as a Director. The notice must be accompanied by the written consent of each proposed nominee to serve as one of the Company's directors, if elected.

In addition to our Bylaws, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act, and the rules and regulations thereunder. Our Bylaw provisions do not affect any right of a stockholder to request inclusion of a proposal in, or our right to omit a proposal from, our Proxy Statement pursuant to Rule 14a-8 (or any successor provision).

Table of Contents

If I share my residence with another stockholder, how many copies of the Notice of Internet Availability of Proxy Materials should I receive?

We are sending only a single Notice of Internet Availability of Proxy Materials to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as householding and is permitted by rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us to reduce costs. Each stockholder will continue to receive a separate proxy card or voting instructions card. We will deliver promptly, upon written request or oral request, a separate copy of the 2016 Annual Report or Proxy Statement, as applicable, to a stockholder at a shared address to which a single copy of the documents were previously delivered. If you received a single set of these documents for your household for this year, but you would prefer to receive your own copy, you may direct requests for separate copies in the future to the following address: City Office REIT, Inc., c/o American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219; (800) 937-5449. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

What if I consent to have one set of materials mailed now but change my mind later?

You may withdraw your householding consent at any time by contacting AST at the address and phone number provided above. We will begin sending separate copies of stockholders communications to you within 30 days of receipt of your instructions.

The reason I receive multiple sets of materials is because some of the shares belong to my children. What happens if they move out and no longer live in my household?

When we receive notice of an address change for one of the members of the household, we will begin sending separate copies of stockholder communications directly to the stockholder at his or her new address. You may notify us of a change of address by contacting AST at the address and phone number provided above.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Policies with Respect to Conflicts of Interest

We adopted a code of ethics and related persons transactions policy that prohibits transactions involving conflicts of interest between us on the one hand, and our officers, employees and directors on the other hand, except for such transactions that are approved by a majority of our directors (including a majority of our independent directors) in compliance with the code of ethics and related persons transactions policy. A conflict of interest arises when the private interest of a person covered by the code interferes in any material respect with our interests or his or her service to us. Waivers of our code of ethics for certain covered persons must be disclosed in accordance with NYSE and SEC requirements. In addition, our Board of Directors is subject to certain provisions of Maryland law, which are also designed to eliminate or minimize conflicts. However, we cannot assure you that these policies or provisions of law will always succeed in eliminating the influence of such conflicts. If they are not successful, decisions could be made that might fail to reflect fully the interests of all stockholders.

We do not have a policy that expressly prohibits our directors, officers, security holders or any of our affiliates from engaging for their own account in business activities of the types conducted by us.

Registration Rights

Pursuant to the Stock Purchase Agreement signed in connection with the Internalization, subject to certain limitations, we were contractually obligated to file a registration statement covering the resale of the shares of our common stock issued to the sellers within 180 days of the closing of the Internalization. We filed a registration statement on Form S-3 on April 25, 2016 to meet this contractual obligation.

Central Fairwinds Earn-Out

As part of our formation transactions and contribution agreement with respect to the Central Fairwinds property, the Company was obligated to make additional payments to the Second City Group (each, a Fairwinds Earn-Out Payment) for up to a five year period commencing on the initial IPO date of April 21, 2014. Fairwinds Earn-Out Payments were contingent on the property reaching certain specified occupancy levels through new leases to qualified tenants and exceeding a net operating income threshold, which grows annually. The Second City Group was entitled to receive a Fairwinds Earn-Out Payment (net of the associated leasing costs and inclusive of leasing commissions and tenant improvements/allowances and free rent) as and when the occupancy of Central Fairwinds reached each of 70%, 80% and 90% (each, a Fairwinds Earn-Out Threshold) based on the incremental cash flow generated by new leases and a 7.75% stabilized capitalization rate. The Company was obligated make any additional Fairwinds Earn-Out Payment within 30 days of the end of the Fairwinds Earn-Out term based on new qualified leases entered into since the achievement of the last Fairwinds Earn-Out Threshold. Fairwinds Earn-Out Payments were subject to a claw-back if a qualified tenant defaults in the payment of rent and is not replaced with another qualified tenant.

As of December 31, 2016, the 90% Fairwinds Earn-Out Threshold had not yet been met. On February 15, 2017, the Company and Second City entered into an agreement to terminate the Company's obligation to make any future, as well as the claw-back rights discussed above, Fairwinds Earn-Out Payments in exchange for a single payment of \$2.4 million by the Company to Second City. As of February 21, 2017, the Company no longer has any remaining obligations pursuant to the Central Fairwinds Earn-Out.

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Our named executives and their principal offices during 2016 were:

Mr. James Farrar, our chief executive officer (CEO);

Mr. Gregory Tylee, our chief operating officer (COO) and President; and

Mr. Anthony Maretic, our chief financial officer (CFO), Treasurer and Secretary.

There were no other executive officers of CIO other than our CEO, COO and President and CFO, Treasurer and Secretary serving at the end of the fiscal year ended December 31, 2016.

Overview of Compensation Program and Philosophy

Prior to our Internalization on February 1, 2016, our Advisory Agreement provided that our Advisor was responsible for managing our affairs, our named executives and other officers. As discussed further below, upon the completion of the Internalization, we entered into employment agreements with our named executive officers. In addition, we continue to have the ability to compensate our named executives, other officers and individuals with equity and equity-based awards or other types of awards in accordance with our equity incentive plan (EIP) intended to align their interests with the interests of our stockholders. Awards that may be granted under our EIP include unrestricted stock, restricted stock, restricted stock units, deferred stock units, options, stock appreciation rights, performance awards, dividend equivalents, other stock based awards and any other right or interest relating to stock or cash (collectively referred to herein as awards). Our Compensation Committee will determine if and when any of our named executives, other officers or individuals will receive such awards. As discussed below, our Compensation Committee awarded restricted stock units to the named executives in March 2016 which related to CIO's 2015 performance. A restricted stock unit award represents the right to receive shares of our common stock in the future, after the applicable vesting criteria, determined by our Compensation Committee, as plan administrator, has been satisfied. The holder of an award of restricted stock units has no rights as a stockholder until shares of our common stock are issued in settlement of vested restricted stock units. Our Compensation Committee may provide for a grant of dividend equivalency rights in connection with the grant of restricted stock units; provided, however, that if the restricted stock units do not vest solely upon satisfaction of continued employment or service, any payment in respect to the related dividend equivalency rights will be held by us and paid when, and only to the extent that, the related restricted stock units vest.

2016 Company Performance

In applying our compensation program and philosophy to the named executives in 2016, the Compensation Committee sought to recognize the executive management team's financial and strategic accomplishments during 2016. During 2016, we acquired five office properties adding a total of 1.3 million square feet to its portfolio. We also disposed of a property located in a non-target market and recognized a \$15.9 million accounting gain. As of December 31, 2016, our existing portfolio was 91.0% leased. The Compensation Committee believes that we continue to successfully execute our business objectives and investment strategies. We provide an analysis of our financial and operational performance in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of our 2016 Annual Report on Form 10-K.

Employment Agreements

Pursuant to the completion of the Internalization, on February 1, 2016 the Company, through a wholly-owned subsidiary, entered into an employment agreement (collectively, the *Employment Agreements*) with each of James Farrar, the Company's Chief Executive Officer, Greg Tylee, the Company's President and Chief Operating Officer, and Anthony Maretic, the Company's Chief Financial Officer, Secretary and Treasurer.

Table of Contents

The Compensation Committee of the Company's Board of Directors (the Compensation Committee) approved the terms of the Employment Agreements. The Employment Agreements are effective as of February 1, 2016 and are effective until terminated. Pursuant to the terms of the employment agreements, Messrs. Farrar and Tylee each was paid an initial annual base salary of \$295,000 and Mr. Maretic was paid an initial annual base salary of \$160,000. On January 20, 2017, our Compensation Committee increased the base salaries of Messrs. Farrar, Tylee and Maretic to \$325,000, \$325,000 and \$180,000, respectively, for the 2017 calendar year in accordance with the terms of their respective Employment Agreement. In addition, each of Messrs. Farrar, Tylee and Maretic will be eligible to receive an annual bonus based on the achievement of performance goals that are established by the Company's Board of Directors or the Compensation Committee. The executives will also continue to be eligible to participate in the Company's EIP pursuant to which they may be entitled to receive restricted stock units, options or other equity awards as determined by the Compensation Committee.

Equity-Based Compensation

As discussed above, the Compensation Committee may, from time to time pursuant to the EIP, grant our named executives certain equity-based awards. These awards are designed to align the interests of our named executives with those of our stockholders, by allowing our named executives to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements, and are designed to promote the retention of management and to achieve strong performance for our company. These awards provide a further benefit to us by enabling us to attract, motivate and retain talented individuals. On March 9, 2017, we adopted stock ownership guidelines for our named executive officers and independent directors. This policy requires that each of our independent directors achieve ownership of our common stock having an aggregate value of at least three times his or her total annual base compensation in effect as of the date he or she first became an independent director prior to the fifth anniversary of the earlier of (a) February 1, 2016 or (b) the date he or she was first elected or appointed an independent director. In addition, we adopted a policy requiring each of our executive officers to achieve ownership of our common stock having an aggregate value of a certain multiple of the executive's annual base salary. Such multiples are as follows:

Position	Multiple
Chief Executive Officer	4x
Chief Operating Officer and President	3x
Chief Financial Officer, Treasurer and Secretary	3x

The Compensation Committee also intends to design long-term incentive awards to ensure that our named executives have a continuing stake in our long-term success, that the total compensation realized by our named executives reflects our multi-year performance as measured by the efficient use of capital and changes in stockholder value, and that a large portion of their total compensation opportunity is earned over a multi-year period and could be forfeitable in the event of termination of their service to us or our affiliates.

REIT regulations require us to pay at least 90% of our earnings to stockholders as dividends. As a result, we believe that our common stockholders are principally interested in receiving attractive risk-adjusted dividends and in the growth of dividends and market capitalization. Accordingly, we want to provide incentives to our named executives that rewards success in achieving these goals. Since we generally do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of our named executives with the interests of our stockholders since the value our named executives receive from these awards is largely dependent on the value of our common stock, the potential for appreciation of that value and our capability to pay dividends. We believe that this alignment of interests provides an incentive to our named executives to implement strategies that will enhance our overall

performance and promote growth in dividends and growth in our market capitalization.

The Compensation Committee does not use a specific formula to calculate the number of equity awards and other rights awarded to our named executives under our EIP. The Compensation Committee does not explicitly

Table of Contents

set future award levels/opportunities on the basis of what the named executives earned from prior awards. While the Compensation Committee will take past awards (if any) into account, it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the Compensation Committee will take into account factors such as our performance, the individual's position, his or her contribution to our performance, and general market practices of our peers and similarly sized companies. Awards, if any, are granted on an annual basis.

Grants of Equity Compensation to our Executive Officers

During the year ended December 31, 2016, pursuant to the restricted stock unit award agreements and under our Equity Incentive Plan, we issued 25,000 restricted stock units to Mr. Farrar, 25,000 restricted stock units to Mr. Tylee and 15,000 restricted stock units to Mr. Maretic. These restricted stock unit award agreements were approved by the Company's Board of Directors, as recommended by the Compensation Committee, on March 2, 2016. The restricted stock units pursuant to the Equity Incentive Plan. The awards were made pursuant to restricted stock unit award agreements between the Company and each of its executive officers, subject to vesting over a three-year period. Restricted stock units vest in three equal installments on each of the first three anniversaries of the grant date and shall vest in full upon the termination of employment without Cause (as defined in the form of award agreement). If earned, the restricted stock units will be settled in the form of shares of the Company's common stock, par value \$0.01 per share, pursuant to the Equity Incentive Plan, or if approved by the Compensation Committee, in cash of equivalent value. Restricted stock units do not entitle the recipient the rights of a holder of common stock until shares are issued in settlement of the vested units. The restricted stock units carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. In connection with the declaration of dividends \$0.235 per share on December 18, 2015, of \$0.235 on March 15, 2016, \$0.235 per share on June 20, 2016, and \$0.235 per share on September 15, 2016, Mr. Farrar was granted an additional 5,302 restricted stock units, Mr. Tylee was granted an additional 5,302 restricted stock units and Mr. Maretic was granted an additional 2,179 restricted stock units in satisfaction of their dividend equivalent rights granted under the RSU agreements. These additional restricted stock units vest in accordance with the same vesting schedule, and upon the same conditions, as the underlying restricted stock units as to which the dividend equivalent rights were granted with respect to (generally vesting on the first three annual anniversaries of the original grant date).

Future awards will be at the discretion of our Compensation Committee. For purposes of the foregoing, the number of total shares will be calculated as if all common units, other than common units held by us, are exchanged for shares of our common stock.

Risk Management and CIO's Compensation Policies and Procedures

As part of the Board of Director's role in risk oversight, the Compensation Committee considers the impact of our compensation plans, policies and practices, and the incentives created by the same, on our risk profile. Based on this consideration, the Compensation Committee concluded that our compensation policies and procedures are not reasonably likely to have a material adverse effect on CIO. Some of the factors the Compensation Committee considered as mitigating the risks of our compensation plans include:

The Compensation Committee retains discretion to determine incentive awards based on its consideration of multiple performance factors and does not rely on a purely formulaic approach; and

CIO would respond to any executive misconduct in the manner described below under Potential Impact on Compensation from Executive Misconduct.

Table of Contents

The Effect of Regulatory Requirements on Our Executive Compensation

IRC Section 162(m). Our policy with respect to the deductibility limit of Section 162(m) of the Code generally is to preserve the federal income tax deductibility of compensation paid when it is appropriate and is in our best interest. We reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate to do so under the circumstances, however, we do not currently expect to provide compensation that would exceed such deductibility limit.

IRC Section 409A. Section 409A of the IRC applies to all forms of nonqualified deferred compensation. The Compensation Committee will take Section 409A into account in determining the form and timing of compensation paid to our executives in the event CIO provides any nonqualified deferred compensation.

IRC Sections 280G and 4999. IRC Section 280G limits our ability to take a tax deduction for certain excess parachute payments (as defined in Section 280G) and IRC Section 4999 imposes excise taxes on each executive that receives excess parachute payments paid by CIO in connection with a change in control. The Compensation Committee does not expect to provide any compensation that would be considered an excess parachute payment.

Accounting Rules. Various rules under generally accepted accounting principles determine the manner in which CIO accounts for grants of equity-based compensation to our employees in our financial statements. The Compensation Committee takes into consideration the accounting treatment of alternative grant proposals under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, Stock Compensation (formerly, FASB Statement 123R), or FASB ASC Topic 718, when determining the form and timing of equity compensation grants to employees, including our named executives. The accounting treatment of such grants, however, is not determinative of the type, timing, or amount of any particular grant of equity-based compensation to our employees.

Potential Impact on Compensation from Executive Misconduct. If the Board of Directors determines that an executive officer has engaged in fraudulent or intentional misconduct, the Board of Directors would take action to remedy the misconduct, prevent its recurrence, and impose such discipline on the officer as would be appropriate. Discipline would vary depending on the facts and circumstances, and may include, without limit, termination of employment, initiating an action for breach of fiduciary duty and, if the misconduct resulted in a significant restatement of our financial results, seeking reimbursement of any portion of performance-based or incentive compensation paid or awarded to the executive that is greater than would have been paid or awarded if calculated based on the restated financial results, including cancellation or forfeiture of equity-based incentive compensation. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

If the named executive's employment is terminated by the Company for cause, the named executive shall be entitled to receive, and the Company shall pay or provide the named executive, any annual base salary, annual cash bonus or other benefit accrued through, but unpaid as of, the date of termination, but the named executive shall not be entitled to receive any other compensation or benefits on and after the date of termination.

Voluntary Termination by the Named Executive without Good Reason. If the named executive resigns, is unable to perform his employment obligations as a result of a disability which cannot be reasonably accommodated or otherwise voluntarily terminates his employment (other than for good reason), the named executive shall be entitled to receive, and the Company shall pay or provide the named executive, any annual base salary, annual cash bonus or other benefit accrued through, but unpaid as of, the date of termination, but the named executive shall not be entitled to receive any other compensation or benefits on and after the date of termination.

Change in Control. In the event of a change in control of the Company, all outstanding awards granted to the named executive under the EIP fully vest immediately upon the change in control. In addition, if the named executive resigns with good reason within twelve months of a change in control the named executive shall be entitled to receive:

a cash payment of two times the named executive's annual base salary;

a cash payment of two times the average annual cash bonus paid to the named executive for the prior two fiscal years preceding the change in control; and

continued coverage under the Company's group health plan for twelve months.

Director Compensation

We have approved and implemented a compensation program for our non-employee directors that consists of annual retainer fees and long-term equity awards. As compensation for serving on our Board of Directors, each director receives an annual base fee for his or her services of \$30,000. In addition, each non-employee director receives a meeting fee of \$1,000 for attending each Board of Directors meeting, committee meeting or telephonic meeting to approve investments. The Chairman of the Board of Directors receives an additional annual cash retainer of \$15,000, and the chairs of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and Investment Committee receive an additional annual cash retainer of \$5,000.

We also reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including, without limitation, travel expenses in connection with their attendance in-person at Board of Directors and committee meetings.

On August 12, 2014, our Board of Directors approved our independent director share grant program. Pursuant to this program, each independent director is to be granted a number of restricted stock units, up to 1,500, equal to the number of shares of our common stock that such director purchases on the open market, with Dividend Equivalent Rights (as defined in our EIP). The matching restricted stock units vest ratably over three years and carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. Pursuant to this program, each of Mr. McLernon, Mr. Flatt and Mr. Shraiberg has been granted 1,500 restricted stock units.

On March 3, 2016, the Compensation Committee awarded our directors with restricted stock units. The restricted stock units vest ratably over three years and carry the right to receive dividends (through a related grant of dividend equivalent rights), which will be reinvested in shares of our common stock and delivered to the applicable executive upon, and subject to, satisfaction of the vesting criteria applicable to the related restricted stock units. Pursuant to this program, each of Mr. McLernon, Mr. Flatt and Mr. Shraiberg were granted 1,500 restricted stock units.

We do not have, and we do not currently intend to adopt, any plans or programs for our directors that provide for pension benefits.

The table below sets forth information regarding the compensation paid or accrued by CIO during 2016 to each of our directors. James Farrar did not receive any additional compensation in connection with his role as a director.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and to furnish CIO with copies of all such reports.

Based solely on a review of the copies of such reports received by the Company and on written representations from certain reporting persons that no reports were required, or if required, such reports were filed on a timely basis for those persons, the Company believes that three reports were not filed on a timely basis. Each of John McLernon, Stephen Shraiberg and William Flatt failed to report on a Form 4 a single transaction related to the vesting of their respective restricted stock units. Each subsequently reported the transaction on Form 5.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Pursuant to Rule 14a-8, any stockholder desiring to make a proposal to be acted upon at the 2018 annual meeting of stockholders must present such proposal to the Company at its principal office in Vancouver, British Columbia not later than November 22, 2017, in order for the proposal to be considered for inclusion in the Company's proxy statement. The Company will not consider proposals received after November 22, 2017 for inclusion in the Company's proxy materials for the Company's 2018 annual meeting of stockholders.

The Company's Bylaws provide that, in addition to any other applicable requirements, for business to be properly brought before the annual meeting by a stockholder, but not included in the Company's proxy statement, the stockholder must give timely notice in writing not earlier than 150 days nor later than 120 days prior to the first anniversary of the date of the proxy statement for preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced or delayed by more than 30 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. As to each matter, the notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and the business proposed to be brought before the annual meeting.

The Company's Bylaws provide that a stockholder of record, both at the time of the giving of the required notice set forth in this sentence and at the time of the 2018 annual meeting, entitled to vote at the annual meeting may nominate persons for election to the Board of Directors by mailing written notice to the Corporate Secretary of the Company not more than 150 days nor less than 120 days prior to the first anniversary of the date of the proxy statement for preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced or delayed by more than 30 days, notice must be received not earlier than the 150th day prior to the date of the annual meeting and not later than the close of business on the later of the 120th day prior to the date of the annual meeting or the 10th day following the day on which the Company first publicly announces the date of the annual meeting. The notice must contain the information specified in the Bylaws regarding the stockholder giving the notice and each person whom the stockholder wishes to nominate for election as a Director. The notice must be accompanied by the written consent of each proposed nominee to serve as one of the Company's directors, if elected.

In addition to our Bylaws, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act, and the rules and regulations thereunder. Our Bylaw provisions do not affect any right of a stockholder to request inclusion of a proposal in, or our right to omit a proposal from, our Proxy Statement pursuant to Rule 14a-8 (or any successor provision).
