Pursuant to the Plan, the Company intends to reduce its global headcount by approximately 600 employees. This action, which the Company expects to be substantially completed by the end of the first quarter of fiscal year 2018, is expected to result in total pre-tax charges of approximately \$50 million, primarily in the first quarter of fiscal year 2018. The majority of the charges will be comprised of cash expenditures on severance and employee-related costs.
