In connection with the foregoing, and as may be appropriate from time to time, each of the Reporting Persons may consider the feasibility and advisability of various alternative courses of action with respect to its investment in the Issuer, including, without limitation: (a) the acquisition or disposition by the Reporting Persons of Common Stock, including through derivative transactions which may include security-based swaps and short sales; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) changes in the present board of directors or management of the Company; (e) a material change in the present capitalization or dividend policy of the Company; (f) other material changes in the Company's business or corporate structure; (g) changes in the Company's articles of incorporation or bylaws or other actions that may impede the acquisition of control of the Company by any person; (h) causing any class of the Company's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) causing a class of equity securities of the Company to become eligible for termination of registration pursuant to Section 12 of the Exchange Act; or (j) any action similar to those enumerated above.

Except as set forth in this Schedule 13D, no contract, arrangement, relationship or understanding (either oral or written) exists among the Reporting Persons as to the acquisition, disposition, voting or holding of Common Stock.

The Reporting Persons intend to review their investment in the Company from time to time on the basis of various factors, including the Company's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the Company's stock in particular, as well as other developments.

On August 31, 2017 (the **Effective Date**), the Company was reorganized pursuant to an Amended Prepackaged Joint Plan of Reorganization (the **Plan**). Under the terms of the Plan, on that date, all of the Company's previously issued and outstanding common stock was automatically cancelled and extinguished, including the common stock beneficially owned by the Reporting Persons.

On the Effective Date, and pursuant to and upon effectiveness of the Plan, holders of common stock outstanding immediately before effectiveness who did not object to the Plan and who did not opt-out of certain releases provided in the Plan were issued an aggregate of 400,000 shares of the Company's common stock, par value \$0.01 per share (the **Common Stock**), simultaneously with the cancellation and extinguishment of shares held by the Reporting Persons. Each of the Reporting Persons, other than SGF, was eligible to receive, and was issued its or his pro rata share of such shares of Common Stock.

On the Effective Date, and pursuant to the Plan, the Prepetition Second Lien Secured Claims (as defined in the Plan) held by holders thereof were extinguished and the holders were issued certain Exchange Notes (as defined in the Plan). The Exchange Notes are convertible, at any time at the option of the holder, in the aggregate, into 4,717,699 shares of Common Stock. SGF was a holder of Prepetition Second Lien Secured Claims and as such received its pro rata share of such Exchange Notes, having an aggregate principal amount of \$17,775,807.

On the Effective Date, and pursuant to the Plan, certain holders of indebtedness of the Issuer subscribed for and purchased New Money Notes (as defined in the Plan). The Reporting Persons may be deemed as part of a group consisting of the stockholder parties to the Stockholders Agreement. Each Reporting Person disclaims beneficial ownership of any shares of New Common Stock held by any other party to the Stockholders Agreement, except to the extent of any pecuniary interest such Reporting Person may have.

Pursuant to the Plan, the Reporting Persons entered into a Registration Rights Agreement, dated August 31, 2017, by and among the Company, the Reporting Persons and certain other investors (the **Registration Rights Agreement**). The Registration Rights Agreement, among other things, grants the investors customary shelf registration rights and additional registration rights.

The foregoing descriptions of the terms of the Stockholders Agreement and the Registration Rights Agreement are not complete and are qualified in their entirety by reference to the text of the Stockholders Agreement and the Registration Rights Agreement, which are referenced as Exhibits 99.2 and 99.3, respectively, and incorporated herein by reference.
