CBS Corporation Investor Information

On October 19, 2017, CBS Corporation (CBS) commenced an exchange offer (the exchange offer) related to the split-off of CBS 's radio business. CBS is offering to exchange up to 101,407,494 shares of common stock, par value \$0.01 per share (Radio Common Stock), of CBS Radio Inc. (CBS Radio), which are all of the shares of Radio Common Stock that are owned by CBS, for outstanding shares of Class B common stock, \$0.001 par value (CBS Class B Common Stock), that are validly tendered and not properly withdrawn, as described in further detail in the Prospectus dated October 19, 2017 (the Prospectus).

The number of shares of CBS Class B Common Stock that will be accepted if the exchange offer is completed will depend on the final exchange ratio and the number of shares of CBS Class B Common Stock tendered.

Immediately following consummation of the exchange offer (and, if necessary, the spin-off described below), a special purpose merger subsidiary of Entercom Communications Corp. will be merged with and into CBS Radio, and CBS Radio, as the surviving company, will become a wholly owned subsidiary of Entercom (the Merger). In the Merger, each share of Radio Common Stock will be converted into the right to receive one share of Class A common stock of Entercom, par value \$0.01 per share (Entercom Class A Common Stock). Accordingly, shares of Radio Common Stock will not be transferred to participants in the exchange offer (or the spin-off, if it occurs), such participants will instead receive shares of Entercom Class A Common Stock in the Merger. No trading market currently exists or will exist for shares of Radio Common Stock.

The per-share value of CBS Class B Common Stock and Radio Common Stock for purposes of calculating the exchange ratio will be determined by CBS by reference to the simple arithmetic average of the daily volume weighted average prices (VWAP) on each of the Valuation Dates (as defined below) of CBS Class B Common Stock and Entercom Class A Common Stock on the New York Stock Exchange (the NYSE) during a period of three consecutive

trading days ending on and including the second trading day preceding the expiration date of the exchange offer period (the Valuation Dates).

The daily VWAP will be as reported by Bloomberg L.P. as displayed under the heading Bloomberg VWAP on the Bloomberg pages CBS UN<Equity>AQR with respect to CBS Class B Common Stock and ETM UN<Equity>AQR with respect to Radio Common Stock (or any other recognized quotation source selected by CBS in its sole discretion if such pages are not available or are manifestly erroneous). The daily VWAPs of CBS Class B Common Stock and Entercom Class A Common Stock obtained from Bloomberg L.P. may be different from other sources of volume-weighted average prices or investors' or other security holders' own calculations. CBS will determine the simple arithmetic average of the VWAPs of each stock based on prices provided by Bloomberg L.P., and such determination will be final.

Based on an expiration date of November 16, 2017, which date may be extended, the Valuation Dates are expected to be November 10, November 13, and November 14, 2017. If CBS decides to extend the exchange offer, the Valuation Dates will be reset to the period of three consecutive trading days ending on and including the second trading day preceding such extended expiration date, as may be further extended.

For each \$1.00 of CBS Class B Common Stock accepted in the exchange offer, you will receive approximately \$1.08 of Radio Common Stock, subject to an upper limit of 5.7466 shares of Radio Common Stock per share of CBS Class B Common Stock. The exchange offer does not provide for a minimum exchange ratio. If the upper limit is in effect, then the exchange ratio will be fixed at that limit. IF THE UPPER LIMIT IS IN EFFECT, AND UNLESS YOU PROPERLY WITHDRAW YOUR SHARES, YOU WILL RECEIVE LESS THAN \$1.08 OF RADIO COMMON STOCK FOR EACH \$1.00 OF CBS CLASS B COMMON STOCK THAT YOU TENDER, AND YOU COULD RECEIVE MUCH LESS.

CBS will provide on this website the daily VWAP of both CBS Class B Common Stock and Entercom Class A Common Stock for each day during the exchange offer (including each of the Valuation Dates). The website will also provide indicative exchange ratios commencing on the third trading day of the exchange offer until the first Valuation Date. On the first two Valuation Dates, when the values of CBS Class B Common Stock and Entercom Class A Common Stock are calculated for the purposes of the exchange offer, the website will show the indicative exchange ratios based on indicative calculated per-share values calculated by CBS, which will equal: (i) on the first Valuation Date, the daily VWAP of CBS Class B Common Stock and the Entercom Class A Common Stock for that day; and (ii) on the second Valuation Date, the simple arithmetic mean of the daily VWAPs of CBS Class B Common Stock and the Entercom Class A Common Stock for the first and second Valuation Dates. The website will not provide an indicative exchange ratio on the third Valuation Date. The website will also provide the upper limit and, commencing on the third trading day of the exchange offer when indicative exchange ratios become available, will reflect whether the upper limit on the exchange ratio would be in effect.

Shareholders of CBS Class A common stock, par value \$0.001 per share (CBS Class A Common Stock) and, together with the CBS Class B Common Stock, the CBS Common Stock) may participate in the exchange offer either by converting their shares of CBS Class A Common Stock to shares of CBS Class B Common Stock in advance of the expiration of the exchange offer or by conditionally converting such shares of CBS Class A Common Stock into an equal number of shares of shares of CBS Class B Common Stock that will be converted to the extent the CBS Class B Common Stock is accepted for exchange in the exchange offer and, in either case, following the procedures for tendering such shares set forth in the Prospectus.

The exchange offer and withdrawal rights will expire at 11:59 p.m., New York City time, on November 16, 2017, unless the exchange offer is extended or terminated, except with respect to shares of CBS Class B Common Stock held through the CBS 401(k) Plan and the CBS Radio 401(k) Plan (together, the Savings Plans) which cannot be withdrawn after 1:00 p.m., New York City time, on November 10, 2017 (unless extended). If the exchange offer is extended, and if administratively feasible, the deadline for receipt of instructions to withdraw or change your

previously submitted instructions with respect to shares held through the Savings Plans may also be extended.

CBS will announce on this website and by press release the final exchange ratio as well as whether the upper limit will be in effect, in each case by 11:59 p.m., New York City time, at the end of the second trading day (currently expected to be November 14, 2017) immediately preceding the expiration date of the exchange offer (currently expected to be November 16, 2017).

If the exchange offer is oversubscribed and CBS cannot accept all tenders of CBS Class B common stock at the exchange ratio, then all shares of CBS Class B common stock that are validly tendered will generally be accepted for exchange on a pro rata basis in proportion to the number of shares tendered. We refer to this as proration. Stockholders who beneficially own odd-lots (less than 100 shares in the aggregate) of CBS Class B common stock and who validly tender all their shares will not be subject to proration (other than participants who hold odd-lot shares as a participant in the Savings Plans).

If the exchange offer is consummated but the exchange offer is not fully subscribed because less than all of the shares of Radio Common Stock owned by CBS are exchanged, or if the exchange offer is consummated but not all of the shares of Radio Common Stock owned by CBS are exchanged due to the upper limit being in effect, the remaining shares of Radio Common Stock owned by CBS will be distributed on a pro rata basis in a spin-off (the spin-off) based on the relative economic interest of each such holder in the total outstanding shares of CBS Common Stock, excluding those shares of CBS Class B Common Stock that have been validly tendered and not withdrawn in the exchange offer, to CBS stockholders whose shares of CBS Common Stock remain outstanding after the consummation of the exchange offer. The spin-off, if necessary, would also be consummated immediately prior to the Merger. Any holder of CBS Class B Common Stock who validly tenders (and does not properly withdraw) shares of CBS Class B Common Stock for shares of Radio Common Stock in the exchange offer will waive their rights with respect to such validly tendered shares (but not with respect to any other shares of CBS Class B Common Stock that are not validly tendered or validly tendered and properly withdrawn in the exchange offer) to receive, and forfeit any rights to, shares of Radio Common Stock distributed on a pro rata basis to CBS stockholders in the spin-off.

The completion of the exchange offer is subject to certain conditions as specified in the Prospectus. CBS may waive any or all of the conditions to the exchange offer, subject to limited exceptions.
