Item 1.01. Entry into a Material Definitive Agreement.

Credit Agreement

On October 26, 2017 (the Closing Date), Express Scripts Holding Company (the Company) entered into an Amendment and Restatement Agreement with Express Scripts, Inc., Medco Health Solutions, Inc., the lenders party thereto, Citibank, N.A., as administrative agent, and Credit Suisse AG, Cayman Islands Branch, as administrative agent under the Company's existing credit agreement, which amended and restated the Company's existing credit agreement (as amended and restated, the Credit Agreement). The Credit Agreement provides for a five-year revolving loan facility (the Revolving Facility) in an aggregate principal amount of \$3.5 billion and continues an existing five-year term loan (the Term Loan) in an outstanding aggregate principal amount of \$2.625 billion.

The Term Loan is available for the Company's working capital needs and for general corporate purposes. The Revolving Facility was available on the Closing Date to repay certain existing indebtedness and to pay related fees and expenses and will be available on and after the Closing Date for the Company's working capital needs and for general corporate purposes.

The Term Loan will mature on April 28, 2020 and the Revolving Facility will mature on October 26, 2022. The Term Loan amortizes in equal quarterly installments in an annual amount of 10% of the original principal amount through June 30, 2018, 15% through June 30, 2019 and 65% through March 31, 2020, with the balance payable at maturity.

The obligations under the Credit Agreement are unsecured and are guaranteed by Express Scripts, Inc. and Medco Health Solutions, Inc., each a subsidiary of the Company (collectively, the Guarantors). In connection with the entry into the Credit Agreement, all subsidiaries of the Company that guaranteed the Company's obligations under its existing credit agreement (other than the Guarantors) were released from all of their obligations under the existing credit agreement and their respective guarantees.

Borrowings under the Credit Agreement will bear interest, at the Company's option, at a rate equal to either an adjusted base rate or LIBOR, in each case plus an applicable margin (which changes depending on the Company's consolidated leverage ratio for the Term Loan and the Company's consolidated leverage ratio and credit ratings for the Revolving Facility). The applicable margin for the Term Loan ranges from 0.0% to 0.50% for adjusted base rate loans and 1.0% to 1.5% for LIBOR loans. The applicable margin for the Revolving Facility ranges from 0.0% to 0.3% for adjusted base rate loans and 0.805% to 1.3% for LIBOR loans. Under the Credit Agreement, the Company is required to pay commitment fees on the Revolving Facility. The commitment fees range from 0.070% to 0.200%, which change depending on the Company's consolidated leverage ratio and credit ratings.

The Credit Agreement contains customary events of default and covenants, including, among other things and subject to certain exceptions, covenants that restrict the ability of the Company and/or certain of its subsidiaries to incur certain additional indebtedness, create or permit liens on assets and engage in mergers or consolidations, and a maximum consolidated leverage ratio. If an event of default under the Credit Agreement shall occur and be continuing, the commitments thereunder may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

Some of the lenders under the Credit Agreement and/or their affiliates have or may have had various relationships with the Company and its subsidiaries involving the provision of a variety of financial services, including investment banking, underwriting, commercial banking and letters of credit, for which the lenders and/or affiliates may receive customary fees and, in some cases, reimbursement for certain out-of-pocket expenses.

A copy of the Credit Agreement is filed as Exhibit 10.1 hereto and is incorporated by reference herein. The description of the Credit Agreement above is qualified in its entirety by reference to the full text of the Credit Agreement.

Commercial Paper Program

On October 27, 2017, the Company established a commercial paper program (the Program) pursuant to which the Company may issue short-term, unsecured commercial paper notes (the Notes) under the exemption from registration contained in Section 4(a)(2) of the Securities Act of 1933, as amended (the Securities Act). Amounts available under the Program may be borrowed, repaid and re-borrowed from time to time, with the aggregate face or principal amount of the Notes outstanding under the Program at any time not to exceed \$3.5 billion. The Notes will have maturities of up to 397 days from the date of issue. The Notes will be unconditionally guaranteed by the Guarantors (the Guaranty). The Notes will rank at least pari passu with all of the Company's other unsecured and unsubordinated indebtedness. The net proceeds of the issuances of the Notes are expected to be used for general corporate purposes. The Company plans to use the Revolving Credit Facility as a liquidity backstop for its borrowings under the Program. No Notes are currently outstanding under the Program.

One or more commercial paper dealers will each act as a dealer under the Program (each, a Dealer and collectively, the Dealers) pursuant to the terms and conditions of the respective commercial paper dealer agreement entered into between the Company and each Dealer (each, a Dealer Agreement and collectively, the Dealer Agreements). The Company may engage additional commercial paper dealers to act as dealers under the Program. A national bank will act as the issuing and paying agent under the Program pursuant to the terms of an issuing and paying agent agreement.

The Dealer Agreements provide the terms under which the Dealers will either purchase from the Company or arrange for the sale by the Company of the Notes. The Dealer Agreements contain customary representations, warranties, covenants and indemnification provisions. A copy of the form of Dealer Agreement used in the Program is filed as Exhibit 10.1 hereto and is incorporated by reference herein. The description of the Program above is qualified in its entirety by reference to the terms of the Program as set forth in each Dealer Agreement.

From time to time, the Dealers and certain of their respective affiliates have provided, and may in the future provide, a variety of financial services, including investment banking, underwriting, commercial banking and letters of credit to the Company, for which the lenders and/or affiliates may receive customary fees and, in some cases, reimbursement for certain out-of-pocket expense.

Neither the Notes nor the Guaranty have been or will be registered under the Securities Act or any state securities laws, and neither the Notes nor the Guaranty may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws. The information contained in this Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any securities.
