Item 7.01 Regulation FD Disclosure.

As described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016, certain outstanding shares of Class A Common Stock and Class B Common Stock are (or were during the fiscal year ended December 31, 2016) subject to lock-up restrictions contained in the Amended and Restated Global Hyatt Agreement, the Amended and Restated Foreign Global Hyatt Agreement and the 2007 Stockholders' Agreement.

The Amended and Restated Global Hyatt Agreement and the Amended and Restated Foreign Global Hyatt Agreement include restrictions on the number of shares that may be sold by Pritzker family stockholders in specified 12 month periods commencing November 5th of each year. In accordance with such lock-up restrictions (and assuming such lock-up restrictions are not amended, waived or terminated and that there are no transfers of shares amongst Pritzker family stockholders), during the 12 month period from November 5, 2017 through November 4, 2018, 23,260,307 restricted shares will be available for sale by Pritzker family stockholders in the public market pursuant to the terms of such agreements and applicable securities laws.

Another 2,270,395 restricted shares of Class B Common Stock held by other stockholders party to the 2007 Stockholders' Agreement are available for sale in the public market at any time subject to applicable securities laws and certain rights of first refusal of the Company pursuant to the terms of the 2007 Stockholders' Agreement.

An additional 14,203 restricted shares are available for sale in the public market at any time subject to applicable securities laws and are not subject to any lock-up restrictions contained in the foregoing agreements. The foregoing numbers are based on information as of the date of this filing.

For additional information regarding the restrictions contained in the Amended and Restated Global Hyatt Agreement, Amended and Restated Foreign Global Hyatt Agreement and 2007 Stockholders' Agreement, see Part I, Item 1, Business Stockholder Agreements Amended and Restated Global Hyatt Agreement, Amended and Restated Foreign Global Hyatt Agreement and 2007 Stockholders' Agreement of our Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Forward-Looking Statements

Forward-Looking Statements in this Current Report on Form 8-K, which are not historical facts, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include statements about financial estimates, the anticipated transaction closing date or future events and involve known and unknown risks that are difficult to predict. As a result, our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as may, could, expect, intend, plan, seek, anticipate, believe, estimate, predict, potential, continue, likely, will, would and variations of these terms and similar expressions, or the negative of these terms or similar expressions. and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, among others, the risks discussed in the Company's filings with the SEC, including our annual report on Form 10-K, which filings are available from the SEC. We caution you not to place undue reliance on any forward-looking statements, which are made only as of the date of this Current Report on Form 8-K. We do not undertake or assume any obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable law.
