Subject: Significant Day for BV

BV Team,

Today is a significant day in the history of our company. We are announcing that we have entered into an agreement to be acquired by an affiliate of Marlin Equity Partners, a private equity firm, for \$5.50 per share in cash. More on the transaction in a moment.

I'm sure many of you are asking why are we doing this? Our board of directors has to do what it believes is in the best interests of our stockholders. Our board decided to enter into this deal after considering lots of factors like our business, our strategy, our markets and the alternatives available to us.

You're probably also asking is this good for us? If the deal closes, Bazaarvoice will become a private company again which we believe will give us better flexibility to execute our strategy

without the constraints placed on us as a public company allowing us to make longer term growth decisions without the short term focus and scrutiny.

Becoming part of Marlin Equity also gives us access to additional capital for growth which can help us expand our products and services. Additionally, we will have access to Marlin Equity's broad market and business intelligence and expertise that will assist us in building an even better company operationally.

About the transaction:

As was mentioned, Marlin Equity is buying BV for \$5.50 a share, for a total transaction value of approximately \$521M. If approved by the stockholders, we anticipate the transaction could close in the first calendar quarter of 2018. Until then, Bazaarvoice will continue to operate as a public company.

For all of us at Bazaarvoice, we will remain focused on our business priorities and plans for the second half of FY 18. The most important thing each of you can do is to remain focused on delivering the same high level of service to our retail and brand clients that they have come to expect from us.

One of the core objectives of this acquisition in addition to growth is to leverage Marlin Equity's expertise to help us improve our operating efficiency and profitability. As we approach the close of the deal, we will provide more material updates as they become available. Any proposed operating changes will be communicated as soon as possible.

Lastly, this announcement may generate increased interest in Bazaarvoice among members of the press and financial community. As always, it is important that we speak with one voice. If you are contacted about this transaction, please immediately refer all financial media, analyst or investor questions to Linda Wells (Linda.Wells@bazaarvoice.com) and all press requests to Emily Reagan (Emily.Reagan@bazaarvoice.com), each of whom will respond on the company's behalf. **Do not make any comment on these matters on social media or any other public forum or forward any communication you have received.** We will be providing field-facing teams an external FAQ to use in the event they get questions from clients, prospects or partners ask about the transaction.

We know you have many questions. Please see the attached FAQ to provide further insight and answers to your questions, and join us for a special gong session about this announcement today at 10:00 CST.

As I said in the beginning, this is a significant and a new day for us. I am confident that by partnering with Marlin, we can be an even stronger company. Thank you for your continued hard work and dedication to Bazaarvoice. We look forward to a very successful future.

Gene

After many months of consideration and process, our Board decided that this transaction is in the best interest of our shareholders.

As a management team, we believe this is the right step for Bazaarvoice to pursue our growth strategy, while also increasing our efficiency and profitability. A: The transaction has not yet closed, but for now, we expect things to remain business as usual. As we approach the close of the deal, we will provide updates as they become available.
