RISK FACTORS

Our business is subject to uncertainties and risks. You should carefully consider and evaluate all of the information included and incorporated by reference in this prospectus, including the risk factors incorporated by reference from OceanFirst's Annual Report on Form 10-K for the year ended December 31, 2016 under the section entitled "Item 1A. Risk Factors," and from time to time in other filings with the SEC. We encourage you to read these risk factors in their entirety. In addition to these risks, other risks and uncertainties not presently known to us or that we currently deem immaterial may also adversely affect our business operations and financial condition. Such risks could cause actual results to differ materially from anticipated results. This could cause the trading price of our common stock to decline, perhaps significantly, and you may lose part or all of your investment.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements. These forward-looking statements may include: any statements of the plans and objectives of management for future operations, products or services, including the execution of integration plans relating to the Integrated Mergers; any statements of expectation or belief; projections related to certain financial metrics; and any statements of assumptions underlying any of the foregoing. Forward-looking statements are typically identified by words such as believe, expect, anticipate, intend, estimate, forecast, and other similar words and expressions. Forward-looking statements are subject to numerous assumptions, risks and uncertainties, which change over time and are beyond our control. Forward-looking statements speak only as of the date they are made. OceanFirst does not assume any duty and does not undertake to update forward-looking statements. Because forward-looking statements are subject to assumptions and uncertainties, actual results or future events could differ, possibly materially, from those that OceanFirst anticipated in its forward-looking statements and future results could differ materially from historical performance. Factors that could cause or contribute to such differences include, but are not limited to, those included under Item 1A "Risk Factors" in OceanFirst's Annual Report on Form 10-K, those disclosed in OceanFirst's other periodic reports filed with the SEC, as well as the possibility that expected benefits of the Integrated Mergers and may not materialize in the timeframe expected or at all, or may be more costly to achieve; that OceanFirst is unable to successfully implement integration strategies relating to the Integrated Mergers; reputational risks and the reaction of the companies' customers, employees and other constituents to the Transactions; and diversion of management time on merger-related matters. For any forward-looking statements made in this joint proxy statement/prospectus or in any documents, OceanFirst claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the shares of our common stock covered by this prospectus other than proceeds from the exercise of the OceanFirst Options whose underlying shares of common stock are covered by this prospectus. We have no plans for the application of any of these proceeds other than for general corporate purposes. We have no assurance that any of the OceanFirst Options will be exercised.

DESCRIPTION OF EQUITY INCENTIVE PLANS

Sun Bancorp, Inc. 2015 Omnibus Stock Incentive Plan

Types of Awards

The Sun Bancorp, Inc. 2015 Omnibus Stock Incentive Plan (the "2015 Plan") provided for the grant of: (i) nonqualified stock options ("NSOs"), (ii) incentive stock options ("ISOs"), (iii) stock appreciation rights ("SARs"), (iv) restricted stock

awards, (v) restricted stock units (RSUs), (vi) performance units and (vii) other stock-based awards.

Table of Contents

Transferability of Awards

The holder may not transfer, assign, or dispose of an option or SAR granted under the 2015 Plan in any manner, other than (i) by will or the laws of descent and distribution or (ii) in the case of NSOs or free-standing SARs, as otherwise permitted by the committee in charge of administering employment plans (the Committee). Tandem SARs are only transferable with the related option to the extent such option may be transferred under the terms of the 2015 Plan.

With respect to restricted stock awards and RSUs, the holder may not sell, transfer, assign, or pledge shares subject to the grant until full vesting has occurred. The holder may, however, transfer restricted stock awards, as well as performance units and other stock-based awards, by will or the laws of descent and distribution upon the holder's death. In addition, if the holder is an executive officer or director of the plan sponsor, the holder may not sell or transfer shares subject to awards granted under the 2015 Plan until the second anniversary of vesting or exercise of the award, as applicable, except the holder may transfer such awards if it is for valid estate planning purposes and is permitted under applicable tax and securities laws (in such case, the two-year restriction on sale will remain applicable to the transferred shares).

Voting Rights

The holder has no voting rights with respect to shares covered by options until the holder exercises the options and takes ownership of the shares. The holder is entitled to vote shares subject to the holder's restricted stock awards, regardless of vesting. The holder has no voting rights with respect to RSUs because restricted stock units are not actual shares.

Adjustments

Under the 2015 Plan, in the event of certain extraordinary corporate transactions or events affecting the plan sponsor, the Committee will make such substitutions or adjustments as it deems appropriate and equitable to the aggregate number and kind of shares subject to options, SARs, restricted stock awards, RSUs and other stock-based awards and, in the case of options, the exercise price, to preserve the holder's rights under the 2015 Plan. In the case of corporate transactions such as a merger or consolidation, such adjustments may include the cancellation of outstanding awards in exchange for cash or other property or the substitution of other property for the shares subject to outstanding awards.

Amendment and Termination

Subject to the terms and conditions of the 2015 Plan and applicable law, the Board of Directors of the plan sponsor (the Board) or the Committee may amend, alter, discontinue or terminate the 2015 Plan at any time, provided that it does not, without the holder's written consent, materially impair the holder's rights with respect to a previously granted award. Subject to the terms of the 2015 Plan and applicable law, the Committee may also amend any individual award agreement, provided that it does not cause certain awards to cease to qualify for exemptions under Section 162(m) of the Internal Revenue Code (the Code) or, without the holder's written consent, materially impair the holder's rights with respect to a previously granted award. In no event shall the Board, without shareholder approval, amend the 2015 Plan in any manner that will allow any option to be granted with an exercise price below the fair market value of the granted common stock on the day of grant, or allows the exercise price of any option to be reduced after the date of grant.

Sun Bancorp, Inc. 2014 Performance Equity Plan

Types of Awards

The Sun Bancorp, Inc. 2014 Performance Equity Plan (the 2014 Plan) provided for the grant of: (i) NSOs, (ii) ISOs and (iii) restricted stock awards.

Transferability of Awards

The holder may not transfer, assign, or dispose of an option granted under the 2014 Plan in any manner, other than by will or the laws of intestate succession. In addition, options and any shares purchased pursuant to an option may not be sold or transferred until the first anniversary of the date such option becomes fully vested and exercisable. The holder may, however, transfer NSOs granted under the 2014 Plan if the transfer is for valid estate planning purposes and is permitted under applicable tax and securities laws, subject to the Committee's approval. With respect to restricted stock awards, the holder may not sell, transfer, assign, or pledge shares subject to the grant until the first anniversary of the date such restricted stock awards become fully vested. The holder may, however, transfer restricted stock awards by will or the laws of descent and distribution upon the holder's death or pursuant to a qualified domestic relations order.

Table of Contents

Voting Rights

The holder has no voting rights with respect to shares covered by options until the holder exercises the options and takes ownership of the shares. The holder is not entitled to vote shares subject to the holder's restricted stock awards until full vesting has occurred, until which time the Committee will vote such shares in accordance with the stock power held by the plan sponsor applicable to such restricted stock award.

Adjustments

Under the 2014 Plan, in the event of any increase or decrease in the number of issued and outstanding shares resulting from the subdivision or consolidation of shares (including merger, consolidation, recapitalization, reclassification or split-up) or the payment of a stock dividend, the number of shares subject to stock awards and, in the case of options, the exercise price may be proportionately adjusted to preserve the holder's rights under the 2014 Plan. In the case of a change in control, such as a merger or consolidation, such adjustments may include the cancellation of outstanding awards in exchange for appropriate consideration.

Amendment and Termination

Subject to the terms and conditions of the 2014 Plan and applicable law, the Board may alter, suspend or discontinue the 2014 Plan at any time, provided that the Board may not, without shareholder approval, increase the maximum number of shares permitted to be issued under the 2014 Plan, materially increase the benefits accruing to participants under the 2014 Plan or materially modify the requirements for eligibility for participation in the 2014 Plan. In no event shall the Board or Committee, without shareholder approval, amend the 2014 Plan in any manner that will allow any option to be granted with an exercise price below the fair market value of the granted common stock on the day of grant, or allows the exercise price of any option to be reduced after the date of grant.

Sun Bancorp, Inc. 2010 Stock-Based Incentive Plan

Types of Awards

The Sun Bancorp, Inc. 2010 Stock-Based Incentive Plan (the "2010 Plan") provided for the grant of: (i) NSOs, (ii) ISOs, (iii) SARs and (iv) stock awards.

Transferability of Awards

The holder may not transfer, assign, or dispose of an option, SAR or stock award granted under the 2010 Plan in any manner, other than by will or the laws of descent and distribution. The holder may, however, transfer NSOs granted under the 2010 Plan if the transfer is for valid estate planning purposes and is permitted under applicable tax and securities laws, subject to the Committee's approval. With respect to stock awards, the holder may not sell, transfer, assign, or pledge shares other than by will or the laws of descent and distribution upon the holder's death.

Voting Rights

The holder has no voting rights with respect to shares covered by options and SARs until the holder exercises the options and takes ownership of the shares. The holder is not entitled to vote shares subject to the holder's stock awards until full vesting has occurred.

Adjustments

Under the 2010 Plan, in the event of any increase or decrease in the number of issued and outstanding shares resulting from the subdivision or consolidation of shares (including merger, consolidation, recapitalization, reclassification or split-up) or the payment of a stock dividend, the number of shares subject to stock awards and, in the case of options, the exercise price may be proportionately adjusted to preserve the holder's rights under the 2010 Plan. In the case of a change in control, such as a merger or consolidation, such adjustments may include the cancellation of outstanding awards in exchange for appropriate consideration.

Amendment and Termination

Subject to the terms and conditions of the 2010 Plan and applicable law, the Board may alter, suspend or discontinue the 2010 Plan at any time, provided that the Board may not, without shareholder approval, increase the maximum number of shares permitted to be issued under the 2010 Plan, materially increase the benefits accruing to participants under the 2010 Plan or materially modify the requirements for eligibility for participation in the 2010 Plan. In no event shall the Board or Committee, without shareholder approval, amend the 2010 Plan in any manner that will allow any option to be granted with an exercise price below the fair market value of the granted common stock on the day of grant, or allows the exercise price of any option to be reduced after the date of grant.

OceanFirst's certificate of incorporation contains a provision which, subject to certain exceptions described below, eliminates the liability of a director or an officer to OceanFirst or its stockholders for monetary damages for any breach of duty as a director or officer.

OceanFirst's certificate of incorporation provides that OceanFirst shall indemnify, to the fullest extent authorized by the DGCL, all directors, officers, employees, agents of OceanFirst, and any person who, at OceanFirst's request, is or was serving as director, officer, employee, or agent of another corporation, or of a partnership, joint venture, trust or other enterprise, against expense, liability and loss and expenses in any proceeding arising out of their status or activities in any of the foregoing capacities except when the party's activities do not meet the applicable standard of conduct set forth in the DGCL.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to OceanFirst's directors, officers and controlling persons under the foregoing provisions, or otherwise, OceanFirst has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed by a registrant pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to the Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
