WHEELER REAL ESTATE INVESTMENT TRUST, INC.

Unless the context otherwise requires or indicates, references to the company , we , our or us refers to Wheeler Real Estate Investment Trust, Inc., a Maryland corporation, together with its consolidated subsidiaries, including Wheeler REIT, L.P., a Virginia limited partnership, of which we are the sole general partner, or the Operating Partnership.

We are a fully-integrated, self-managed commercial real estate investment company focused on acquiring and managing income-producing retail properties with a primary focus on grocery-anchored centers. Our strategy is to opportunistically acquire and reinvigorate well-located, potentially dominant retail properties in secondary and tertiary markets that generate attractive risk-adjusted returns, with a particular emphasis on grocery-anchored retail centers. We target competitively protected properties in communities that have stable demographics and have historically exhibited favorable trends, such as strong population and income growth. We generally lease our properties to national and regional retailers that offer consumer goods and generate regular consumer traffic. We believe our tenants carry goods that are less impacted by fluctuations in the broader U.S. economy and consumers' disposable income, generating more predictable property level cash flows.

We have an integrated team of professionals with experience across all stages of the real estate investment, development and re-development cycle. We internally handle, among other duties:

performing and administering our day-to-day operations;

determining investment criteria in conjunction with our Board of Directors;

sourcing, analyzing and executing asset acquisitions, sales and financings;

performing asset management duties;

performing property management duties;

performing leasing duties;

in-house and third-party development; and

performing financial and accounting management.

We were organized as a Maryland corporation on June 23, 2011 and elected to be taxed as a REIT under Sections 856 through 860 of the Code beginning with our taxable year ended December 31, 2012. We conduct substantially all of our business through the Operating Partnership, of which we are the sole general partner. We are structured as an UPREIT, which means that we own all of our properties through our Operating Partnership and its subsidiaries. As an

UPREIT, we may be able to acquire properties on more attractive terms from sellers who can defer tax obligations by contributing properties to our Operating Partnership in exchange for Operating Partnership units, which will be redeemable for cash or exchangeable for shares of our Common Stock at our election.

Our headquarters is located at Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452. Our telephone number is (757) 627-9088. The following table provides information regarding JSC and the number of shares of our Common Stock it may offer pursuant to this prospectus. Under the rules of the SEC, beneficial ownership includes shares over which the indicated beneficial owner exercises voting or investment power.

On November 3, 2016, the Company, through WHLR-JANAF, LLC, a Delaware limited liability company (WHLR-JANAF) and a wholly-owned subsidiary of the Operating Partnership, of which the Company is the sole general partner, entered into a purchase and sale agreement (as amended, the Purchase Agreement) with JSC, JANAF Shops, LLC, a Virginia limited liability company (Shops), JANAF HQ, LLC, a Virginia limited liability company (JHQ), and JANAF Crossings, LLC, a Virginia limited liability company (Crossings and, collectively with JSC, Shops and JHQ, the Sellers). Pursuant to the Eleventh Amendment the Sellers and WHLR-JANAF agreed that up to \$1.5 million of the purchase price for JANAF could to be comprised of the Company s Common Stock by mutual consent of the parties. Accordingly, in connection with the closing of JANAF, the Company and JSC entered into a Securities Purchase Agreement dated January 18, 2018. Pursuant to the terms of the Securities Purchase Agreement, on January 18, 2018 the Company agreed to issue 150,000 shares of Common Stock valued at \$7.53 per share based upon the closing price of the Common Stock on January 17, 2018.

DESCRIPTION OF SECURITIES

General

Our charter, as amended, provides that we may issue a maximum of 18,750,000 shares of Common Stock, and 15,000,000 shares of preferred stock, without par value per share. Our charter authorizes our Board of Directors, with the approval of a majority of the entire Board of Directors and without any action by our stockholders, to amend our charter to increase or decrease the aggregate number of authorized shares of stock or the number of authorized shares of any class or series of our stock and classify any unissued shares of preferred stock. As of February 8, 2018, 8,941,537 shares of our Common Stock, 562 shares of our Series A Preferred Stock, 1,875,848 shares of our Series B Preferred Stock and 3,600,636 shares of our Series D Preferred Stock were issued and outstanding. Under Maryland law, stockholders generally are not personally liable for our debts or obligations solely as a result of their status as stockholders.

As of February 8, 2018, there were outstanding (i) 329,378 warrants that are exercisable for 329,378 shares of our Common Stock, in 750,000 shares of the Company's Common Stock may be issued upon exercise of a warrant, solely in the event of a default under a loan agreement in which we serve as a guarantor and (ii) 631,191 units of our Operating Partnership, with each unit exchangeable for one share of our Common Stock, or, at our option, the cash value of one share of our Common Stock. Other than those described in the previous sentence, there are no outstanding warrants or rights of any other kind in respect of our Common Stock.

Common Stock

The following description of the Common Stock sets forth the general terms and provisions of the Common Stock to which any prospectus supplement may relate, including a prospectus supplement providing that Common Stock will be issuable upon conversion of debt securities or preferred stock or upon the exercise of common stock warrants. The statements below describing the Common Stock are in all respects subject to and qualified in their entirety by reference to the applicable provisions of our charter and bylaws. Subject to the preferential rights of any other class or series of stock and to the provisions of our charter regarding the restrictions on ownership and transfer of our stock, holders of shares of our Common Stock are entitled to receive dividends and other distributions on such shares if, as and when authorized by our Board of Directors out of assets legally available therefore and declared by us and to share ratably in the assets of our company legally available for distribution to our stockholders in the event of our liquidation, dissolution or winding up after payment or establishment of reserves for all known debts and liabilities of our company.

Unless full cumulative dividends equal to the full amount of all accumulated, accrued and unpaid dividends on the Series A Preferred Stock, Series B Preferred Stock and Series D Preferred Stock have been, or are concurrently therewith, declared and paid or declared and set apart for payment for all past dividend periods, no dividends shall be declared and paid or declared and set apart for payment and no other distribution of cash or other property may be declared and made, directly or indirectly, by us with respect to any shares of Common Stock.

Subject to the provisions of our charter regarding the restrictions on ownership and transfer of our stock and except as may otherwise be specified in the terms of any class or series of our Common Stock, each outstanding share of our Common Stock entitles the holder to one vote on all matters submitted to a vote of stockholders, including the election of directors, and, except as provided with respect to any other class or series of stock, the holders of shares of Common Stock will possess the exclusive voting power. There is no cumulative voting in the election of our directors. Directors are elected by a plurality of all of the votes cast in the election of directors.

Edgar Filing: Wheeler Real Estate Investment Trust, Inc. - Form S-3

Holders of shares of our Common Stock have no preference, conversion, exchange, sinking fund or redemption rights and have no preemptive rights to subscribe for any securities of our company. Our charter provides that our stockholders generally have no appraisal rights unless our Board of Directors determines prospectively that appraisal rights will apply to one or more transactions in which holders of our Common Stock

Table of Contents

would otherwise be entitled to exercise appraisal rights. Subject to the provisions of our charter regarding the restrictions on ownership and transfer of our stock, holders of our Common Stock will have equal dividend, liquidation and other rights. Under the MGCL, a Maryland corporation generally cannot dissolve, amend its charter, merge, consolidate, sell all or substantially all of its assets or engage in a statutory share exchange unless declared advisable by its Board of Directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of all of the votes entitled to be cast on the matter unless a lesser percentage (but not less than a majority of all of the votes entitled to be cast on the matter) is set forth in the corporation's charter. Our charter provides for approval of any of these matters by the affirmative vote of stockholders entitled to cast a majority of the votes entitled to be cast on such matters, except that the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast generally in the election of directors is required to remove a director and the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on such matter is required to amend the provisions of our charter relating to the removal of directors or specifying that our stockholders may act without a meeting only by unanimous consent, or to amend the vote required to amend such provisions.

Maryland law also permits a Maryland corporation to transfer all or substantially all of its assets without the approval of the stockholders of the corporation to an entity if all of the equity interests of the entity are owned, directly or indirectly, by the corporation. Because our operating assets may be held by our Operating Partnership or its subsidiaries, these subsidiaries may be able to merge or transfer all or substantially all of their assets without the approval of our stockholders.

Our charter authorizes our Board of Directors to reclassify any unissued shares of our Common Stock into other classes or series of stock, to establish the designation and number of shares of each class or series and to set, subject to the provisions of our charter relating to the restrictions on ownership and transfer of our stock, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of each such class or series.

On February 8, 2018, the closing price of our Common Stock reported on the Nasdaq Stock Market was \$5.01 per share.

Power to Increase or Decrease Authorized Shares of Common Stock and Issue Additional Shares of Common and Preferred Stock

We believe that the power of our Board of Directors to amend our charter to increase or decrease the aggregate number of authorized shares of stock, to authorize us to issue additional authorized but unissued shares of our Common Stock or preferred stock and to classify or reclassify unissued shares of our Common Stock or preferred stock and thereafter to authorize us to issue such classified or reclassified shares of stock will provide us with increased flexibility in structuring possible future financings and acquisitions and in meeting other needs that might arise. The additional classes or series, as well as the additional authorized shares of Common Stock, will be available for issuance without further action by our stockholders, unless such action is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed or traded. Although our Board of Directors does not currently intend to do so, it could authorize us to issue a class or series of stock that could, depending upon the terms of the particular class or series, delay, defer or prevent a transaction or a change of control of our company that might involve a premium price for holders of our Common Stock or that our common stockholders otherwise believe to be in their best interests.

Restrictions on Ownership and Transfer

Edgar Filing: Wheeler Real Estate Investment Trust, Inc. - Form S-3

In order for us to qualify as a REIT under the Code, our stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months (other than the first year for which an election to be a REIT has been made) or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of the outstanding shares of stock (after taking into account options to acquire shares of stock) may be

Table of Contents

owned, directly, indirectly or through application of attribution rules by five or fewer individuals (as defined in the Code to include certain entities such as private foundations) at any time during the last half of a taxable year (other than the first year for which an election to be a REIT has been made).

Due to limitations on the concentration of ownership of REIT stock imposed by the Code, our charter generally prohibits any person from beneficially or constructively owning more than 9.8% in value or number of shares, whichever is more restrictive, of the aggregate of the outstanding shares of our Common Stock or more than 9.8% in value of the aggregate outstanding shares of all classes and series of our stock (the Ownership Limits) that are intended to assist us in complying with these requirements and continuing to qualify as a REIT. The relevant sections of our charter provide that, subject to the exceptions described below, no person or entity may actually or beneficially own, or be deemed to own by virtue of the applicable constructive ownership provisions of the Code, more than 9.8% (in value or in number of shares, whichever is more restrictive) of the aggregate of the outstanding shares of our Common Stock, or 9.8% in value of the aggregate of the outstanding shares of all classes and series of our stock, in each case excluding any shares of our Common Stock that are not treated as outstanding for federal income tax purposes. A person or entity that would have acquired beneficial or constructive ownership of our stock but for the application of the Ownership Limits or any of the other restrictions on ownership and transfer of our stock discussed below is referred to as a prohibited owner.

The constructive ownership rules under the Code are complex and may cause stock owned actually or constructively by a group of related individuals and/or entities to be owned constructively by one individual or entity. As a result, the acquisition of less than 9.8% of our Common Stock (or the acquisition of an interest in an entity that owns, beneficially or constructively, our Common Stock) by an individual or entity, could, nevertheless cause that individual or entity, or another individual or entity, to own constructively in excess of 9.8% of our outstanding Common Stock and thereby violate the applicable ownership limit.

Our Board of Directors, in its sole and absolute discretion, prospectively or retroactively, may exempt a person from either or both of the Ownership Limits if doing so would not result in us being closely held within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise failing to qualify as a REIT and our Board of Directors determines that:

such waiver will not cause or allow five or fewer individuals to actually or beneficially own more than 49% in value of the aggregate of the outstanding shares of all classes and series of our stock; and

subject to certain exceptions, the person does not and will not own, beneficially or constructively, an interest in a tenant of ours (or a tenant of any entity owned in whole or in part by us) that would cause us to constructively own more than a 9.8% interest (as set forth in Section 856(d)(2)(B) of the Code) in such tenant.

As a condition of the exception, our Board of Directors may require an opinion of counsel or Internal Revenue Service, or IRS, ruling, in either case in form and substance satisfactory to our Board of Directors, in its sole and absolute discretion, in order to determine or ensure our status as a REIT and such representations and undertakings from the person requesting the exception as are reasonably necessary to make the determinations above. Our Board of Directors may impose such conditions or restrictions as it deems appropriate in connection with such an exception.

In connection with a waiver of an Ownership Limit or at any other time, our Board of Directors may, in its sole and absolute discretion, increase or decrease one or both of the Ownership Limits for one or more persons, except that a

decreased ownership limit will not be effective for any person whose actual, beneficial or constructive ownership of our stock exceeds the decreased ownership limit at the time of the decrease until the person's actual, beneficial or constructive ownership of our stock equals or falls below the decreased ownership limit, although any further acquisition of our stock will violate the decreased Ownership Limit. Our Board of Directors may not increase or decrease any Ownership Limit if, among other limitations, the new ownership limit would allow five or fewer persons to actually or beneficially own more than 49% in value of our outstanding stock or could otherwise cause us to fail to qualify as a REIT.

Table of Contents

Our charter further prohibits:

any person from beneficially or constructively owning shares of our stock that could result in us being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise cause us to fail to qualify as a REIT (including, but not limited to, actual, beneficial or constructive ownership of shares of our stock that could result in us constructively owning an interest in a tenant that is described in Section 856(d)(2)(B) of the Code, if the income we derive from such tenant taking into account our other income that would not qualify under the gross income requirements of Section 856(c) of the Code, would cause us to fail to satisfy any the gross income requirements imposed on REITs); and

any person from transferring shares of our stock if such transfer would result in shares of our stock being beneficially owned by fewer than 100 persons (determined without reference to any rules of attribution). Any person who acquires or attempts or intends to acquire actual, beneficial or constructive ownership of shares of our stock that will or may violate the Ownership Limits or any of the other restrictions on ownership and transfer of our stock described above must give written notice immediately to us or, in the case of a proposed or attempted transaction, provide us at least 15 days prior written notice, and provide us with such other information as we may request in order to determine the effect of such transfer on our status as a REIT.

The Ownership Limits and other restrictions on ownership and transfer of our stock described above will not apply if our Board of Directors determines that it is no longer in our best interests to attempt to qualify, or to continue to qualify, as a REIT or that compliance is no longer required in order for us to qualify as a REIT.

Pursuant to our charter, if any purported transfer of our stock or any other event would otherwise result in any person violating the Ownership Limits or such other limit established by our Board of Directors, or could result in us being closely held within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise failing to qualify as a REIT, then that number of shares causing the violation (rounded up to the nearest whole share) will be automatically transferred to, and held by, a trust for the exclusive benefit of one or more charitable organizations selected by us. The prohibited owner will have no rights in shares of our stock held by the trustee. The automatic transfer will be effective as of the close of business on the business day prior to the date of the violative transfer or other event that results in the transfer to the trust. Any dividend or other distribution paid to the prohibited owner, prior to our discovery that the shares had been automatically transferred to a trust as described above, must be repaid to the trustee upon demand. If the transfer to the trust as described above is not automatically effective, for any reason, to prevent violation of the applicable restriction on ownership and transfer of our stock, then that transfer of the number of shares that otherwise would cause any person to violate the above restrictions will be void. If any transfer of our stock would result in shares of our stock being beneficially owned by fewer than 100 persons (determined without reference to any rules of attribution), then any such purported transfer will be void and of no force or effect and the intended transferee will acquire no rights in the shares.

Shares of our stock transferred to the trustee are deemed offered for sale to us, or our designee, at a price per share equal to the lesser of (1) the price per share in the transaction that resulted in the transfer of the shares to the trust (or, in the event of a gift, devise or other such transaction, the last reported sale price on the Nasdaq Capital Market on the day of the transfer or other event that resulted in the transfer of such shares to the trust) and the last reported sale price on the Nasdaq Capital Market on the date we accept, or our designee accepts, such offer. We must reduce the amount

payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee and pay the amount of such reduction to the trustee for the benefit of the charitable beneficiary. We have the right to accept such offer until the trustee has sold the shares of our stock held in the trust. Upon a sale to us, the interest of the charitable beneficiary in the shares sold terminates and the trustee must distribute the net proceeds of the sale to the prohibited owner and any dividends or other distributions held by the trustee with respect to such stock will be paid to the charitable beneficiary.

If we do not buy the shares, the trustee must, within 20 days of receiving notice from us of the transfer of shares to the trust, sell the shares to a person or persons designated by the trustee who could own the shares, without violating the Ownership Limits or other restrictions on ownership and transfer of our stock. Upon such sale, the trustee must distribute to the prohibited owner an amount equal to the lesser of (1) the price paid by the prohibited owner for the shares (or, if the prohibited owner did not give value in connection with the transfer or other event that resulted in the transfer to the trust (e.g., a gift, devise or other such transaction), the last reported sale price on the Nasdaq Stock Market on the day of the transfer or other event that resulted in the transfer of such shares to the trust) and (2) the sales proceeds (net of commissions and other expenses of sale) received by the trustee for the shares. The trustee will reduce the amount payable to the prohibited owner by the amount of dividends and other distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. Any net sales proceeds in excess of the amount payable to the prohibited owner will be immediately paid to the charitable beneficiary, together with any dividends or other distributions thereon. In addition, if prior to discovery by us that shares of our stock have been transferred to the trustee, such shares of stock are sold by a prohibited owner, then such shares shall be deemed to have been sold on behalf of the trust and, to the extent that the prohibited owner received an amount for or in respect of such shares that exceeds the amount that such prohibited owner was entitled to receive, such excess amount shall be paid to the trustee upon demand.

The trustee will be designated by us and will be unaffiliated with us and with any prohibited owner. Prior to the sale of any shares by the trust, the trustee will receive, in trust for the charitable beneficiary, all dividends and other distributions paid by us with respect to such shares, and may exercise all voting rights with respect to such shares for the exclusive benefit of the charitable beneficiary.

Subject to Maryland law, effective as of the date that the shares have been transferred to the trust, the trustee may, at the trustee's sole discretion:

rescind as void any vote cast by a prohibited owner prior to our discovery that the shares have been transferred to the trust; and

recast the vote in accordance with the desires of the trustee acting for the benefit of the beneficiary of the trust.

However, if we have already taken irreversible corporate action, then the trustee may not rescind and recast the vote.

If our Board of Directors or a committee thereof determines in good faith that a proposed transfer or other event has taken place that violates the restrictions on ownership and transfer of our stock set forth in our charter, our Board of Directors or such committee may take such action as it deems advisable in its sole discretion to refuse to give effect to or to prevent such transfer, including, but not limited to, causing us to redeem shares of stock, refusing to give effect to the transfer on our books or instituting proceedings to enjoin the transfer.

Every owner of 5% or more (or such lower percentage as required by the Code or the U.S. Treasury regulations promulgated thereunder) of the outstanding shares of our stock, within 30 days after the end of each taxable year, must give written notice to us stating the name and address of such owner, the number of shares of each class and series of our stock that the owner beneficially owns and a description of the manner in which the shares are held. Each such owner also must provide us with any additional information that we request in order to determine the effect, if any, of the person's actual or beneficial ownership on our status as a REIT and to ensure compliance with the Ownership Limits. In addition, any person that is an actual owner, beneficial owner or constructive owner of shares of our stock

and any person (including the stockholder of record) who is holding shares of our stock for an actual owner, beneficial owner or constructive owner must, on request, disclose to us such information as we may request in good faith in order to determine our status as a REIT and comply with requirements of any taxing authority or governmental authority or to determine such compliance.

Any certificates representing shares of our stock will bear a legend referring to the restrictions on ownership and transfer of our stock described above.

These restrictions on ownership and transfer could delay, defer or prevent a transaction or a change of control of our company that might involve a premium price for our Common Stock that our stockholders believe to be in their best interest.

Business Combinations

Under the MGCL, certain business combinations (including a merger, consolidation, share exchange or, in certain circumstances specified under the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and any interested stockholder, or an affiliate of such an interested stockholder, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder.

Maryland law defines an interested stockholder as:

any person who beneficially owns, directly or indirectly, 10% or more of the voting power of the corporation's outstanding voting stock; or

an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation. A person is not an interested stockholder under the statute if the Board of Directors approved in advance the transaction by which the person otherwise would have become an interested stockholder. In approving a transaction, however, a Board of Directors may provide that its approval is subject to compliance, at or after the time of the approval, with any terms and conditions determined by it.

A person is not an interested stockholder under the statute if the Board of Directors approved in advance the transaction by which the person otherwise would have become an interested stockholder. In approving a transaction, however, a Board of Directors may provide that its approval is subject to compliance, at or after the time of the approval, with any terms and conditions determined by it.

After such five-year period, any such business combination must be recommended by the Board of Directors of the corporation and approved by the affirmative vote of at least:

80% of the votes entitled to be cast by holders of outstanding shares of voting stock of the corporation; and

two-thirds of the votes entitled to be cast by holders of voting stock of the corporation other than shares held by the interested stockholder with whom (or with whose affiliate) the business combination is to be effected or held by an affiliate or associate of the interested stockholder.

These supermajority approval requirements do not apply if, among other conditions, the corporation's common stockholders receive a minimum price (as defined in the MGCL) for their shares and the consideration is received in cash or in the same form as previously paid by the interested stockholder for its shares.

These provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by a corporation's Board of Directors prior to the time that the interested stockholder becomes an interested stockholder. Our Board of Directors has, by board resolution, elected to opt out of the business combination provisions of the MGCL. However, we cannot assure you that our Board of Directors will not opt to be subject to such business

combination provisions in the future. Notwithstanding the foregoing, an alteration or repeal of this resolution will not have any effect on any business combinations that have been consummated or upon any agreements existing at the time of such modification or repeal.

Control Share Acquisitions

The MGCL provides that holders of control shares of a Maryland corporation acquired in a control share acquisition have no voting rights with respect to any control shares except to the extent approved by the

affirmative vote of at least two-thirds of the votes entitled to be cast in the election of directors, generally, excluding shares of stock in a corporation in respect of which any of the following persons is entitled to exercise or direct the exercise of the voting power of such shares in the election of directors:

(1) the person who made or proposes to make a control share acquisition, (2) an officer of the corporation or (3) an employee of the corporation who is also a director of the corporation. Control shares are voting shares of stock that, if aggregated with all other such shares of stock previously acquired by the acquirer or in respect of which the acquirer is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquirer to exercise voting power in electing directors within one of the following ranges of voting power:

one-tenth or more but less than one-third;

one-third or more but less than a majority; or

a majority or more of all voting power.

Control shares do not include shares that the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A control share acquisition means the acquisition, directly or indirectly, of ownership of, or the power to direct the exercise of voting power with respect to, issued and outstanding control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses and making an acquiring person statement as described in the MGCL), may compel the corporation to call a special meeting of stockholders to be held within 50 days of demand to consider the voting rights of the control shares. If no request for a special meeting is made, the corporation may itself present the question at any stockholders meeting.

If voting rights of control shares are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then, subject to certain conditions and limitations, the corporation may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquirer or of any meeting of stockholders at which the voting rights of such shares are considered and not approved. If voting rights for control shares are approved at a stockholders meeting and the acquirer becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights. The fair value of the shares as determined for purposes of such appraisal rights may not be less than the highest price per share paid by the acquirer in the control share acquisition.

The control share acquisition statute does not apply to: (1) shares acquired in a merger, consolidation or share exchange if the corporation is a party to the transaction or (2) acquisitions approved or exempted by the charter or bylaws of the corporation.

Our bylaws contain a provision exempting from the control share acquisition statute any and all acquisitions by any person of shares of our stock. We cannot provide you any assurance, however, that our Board of Directors will not amend or eliminate this provision at any time in the future.

Subtitle 8

Subtitle 8 of Title 3 of the MGCL permits a Maryland corporation with a class of equity securities registered under the Exchange Act and at least three independent directors to elect to be subject, by provision in its charter or bylaws or a resolution of its Board of Directors and notwithstanding any contrary provision in the charter or bylaws, to any or all of the following five provisions:

a classified board;

a two-thirds vote requirement for removing a director;

a requirement that the number of directors be fixed only by vote of the directors;

a requirement that a vacancy on the board be filled only by the remaining directors and for the remainder of the full term of the class of directors in which the vacancy occurred; or

a majority requirement for the calling of a special meeting of stockholders.

Our charter provides that, at such time as we become eligible to make a Subtitle 8 election and except as may be provided by our Board of Directors in setting the terms of any class or series of stock, we elect to be subject to the provisions of Subtitle 8 relating to the filling of vacancies on our Board of Directors. Through provisions in our charter and bylaws unrelated to Subtitle 8, we currently (1) require a two-thirds vote for the removal of any director from the board, which removal will be allowed only for cause, (2) vest in the board the exclusive power to fix the number of directorships, subject to limitations set forth in our charter and bylaws and (3) require, unless called by the chairman of our Board of Directors, our president, our chief executive officer or our Board of Directors, the request of stockholders entitled to cast not less than a majority of all votes entitled to be cast on a matter at such meeting to call a special meeting to consider and vote on any matter that may properly be considered at a meeting of stockholders. We have not elected to create a classified board. In the future, our Board of Directors may elect, without stockholder approval, to create a classified board or elect to be subject to one or more of the other provisions of Subtitle 8.
