Preliminary Prospectus Supplement dated March 8, 2018

Depositary Shares, Each Representing a 1/25th Interest in a Share of Fixed-to-Floating Rate Non-Cumulative Preferred Stock, Series FF

Bank of America Corporation is offering depositary shares, each representing a 1/25th interest in a share of our perpetual Fixed-to-Floating Rate Non-Cumulative Preferred Stock, Series FF, \$0.01 par value, with a liquidation preference of \$25,000 per share (equivalent to \$1,000 per depositary share) (the Preferred Stock). Each depositary share entitles the holder, through the depository for the Preferred Stock, to a proportional fractional interest in all rights and preferences of the Preferred Stock represented by the depositary share.

We may, at our option, redeem the Preferred Stock at any time on or after March 1, 2018, in whole or in part, at a redemption price equal to \$25,000 per share (equivalent to \$1,000 per depositary share), plus any accrued and unpaid dividends for the then-current dividend period to, but excluding, the redemption date, without accumulation of any undeclared dividends. We also may redeem the Preferred Stock upon the occurrence of certain events involving capital treatment as described in this prospectus supplement. Redeeming the Preferred Stock will cause the corresponding depositary shares to be redeemed.

Holders of the Preferred Stock will be entitled to receive, only when, as, and if declared by our board of directors or a duly authorized committee of our board, and to the extent we have funds legally available for the payment of dividends, cash dividends at a rate equal to (1) 6% per annum (equivalent to \$60 per depositary share per annum) for each semi-annual dividend period from the original issue date of the Preferred Stock to, but excluding, March 1, 2018, and (2) three-month LIBOR plus a spread of 1% per annum for each quarterly dividend period beginning on March 1, 2018. The determination provisions for three-month LIBOR are being modified. See page S-17.

When, as, and if declared by our board of directors or a duly authorized committee of our board, we will pay the semi-annual dividend payments, in arrears, on March and September of each year beginning on September 1, 2018, and quarterly dividend payments, in arrears, on March 1, June 1, September 1, and December 1 of each year beginning on June 1, 2018. Dividends on the Preferred Stock will not be cumulative.

We do not intend to apply to list the depositary shares or the Preferred Stock on any securities exchange.

Investing in the depositary shares involves risks. See Risk Factors beginning on page S-8.

We have not authorized any other person to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. If information in this prospectus supplement is inconsistent with the attached prospectus, the information in this prospectus supplement supersedes the information in the attached prospectus. You should not assume that the information contained or incorporated by reference in this prospectus supplement or the attached prospectus is accurate as of any date other than its respective date.

SUMMARY

The following information about the depositary shares and the Preferred Stock summarizes, and should be read in conjunction with, the information contained in this prospectus supplement and in the attached prospectus.

Securities Offered

We are offering depositary shares representing interests in our Preferred Stock, with each share of Preferred Stock having a liquidation preference of \$25,000 per share (equivalent to \$1,000 per depositary share). Each depositary share represents a 1/25th interest in a share of the Preferred Stock. Each depositary share entitles the holder to a proportional fractional interest in the Preferred Stock represented by that depositary share, including dividend, voting, redemption, and liquidation rights.

We may elect from time to time to issue additional depositary shares representing interests in the Preferred Stock, without notice to, or consent from, the existing holders of Preferred Stock, and all those additional depositary shares would be deemed to form a single series with the Preferred Stock, described by this prospectus supplement and the attached prospectus.

Dividends

Dividend Rate. We will pay cash dividends on the Preferred Stock only when, as, and if declared by our board of directors or a duly authorized committee of our board, and to the extent that we have funds legally available for the payment of such dividends, from the date of issuance to, but excluding, March , 20 , at a rate of % per annum (equivalent to \$ per depositary share per annum), payable semi-annually, in arrears. Thereafter, we will pay cash dividends on the Preferred Stock when, as, and if declared by our board of directors or a duly authorized committee of our board at a floating rate equal to three-month LIBOR plus a spread of % per annum, payable quarterly, in arrears (each such rate, a dividend rate).

Dividend Payment Dates. Cash dividends on the Preferred Stock will be payable when, as, and if declared by our board of directors or a duly authorized committee of our board, and to the extent that we have funds legally available for the payment of such dividends, semi-annually on March and September of each year, beginning on September , 2018 to March , 20 , and, thereafter, quarterly, in arrears, on March , June , September , and December of each year, beginning on June , 20 (each, a dividend payment date). If any date on which dividends otherwise would be payable is not a Business Day (as defined below under Description of the Preferred Stock Dividends Dividend Payment Dates), then the dividend payment date will be the next succeeding day that is a Business Day, unless for the Fixed Rate Period (as defined below under Description of the Preferred Stock Dividends Dividend Rate), that day falls in the next calendar year, or, for the Floating Rate Period (as defined below under Description of the Preferred Stock Dividends Dividend Rate), that day falls in the next calendar month, then, in each case, the dividend payment date will be the immediately preceding Business Day.

Non-cumulative Dividends. Dividends on the Preferred Stock will not be cumulative. Accordingly, if for any reason our board of directors or a duly authorized committee of our board does not declare a dividend on the Preferred Stock for a dividend period (as defined herein) prior to the related dividend payment date, that dividend will not cumulate and will cease to accrue, and we will have no obligation to pay a dividend for that dividend period on the applicable dividend payment date or at any time in the future, whether or not our board of directors or a duly authorized committee of

Table of Contents

our board declares a dividend on the Preferred Stock or any other series of our preferred stock or common stock for any future dividend period. A dividend period is the period from, and including, a dividend payment date to, but excluding, the next dividend payment date, except that the initial dividend period will begin on and include the original issue date of the depositary shares and the Preferred Stock.

Priority of Dividends. So long as any share of Preferred Stock remains outstanding, (1) no dividend will be declared and paid or set aside for payment and no distribution will be declared and made or set aside for payment on any junior stock (as defined below under Description of the Preferred Stock Dividends Priority of Dividends) (other than a dividend payable solely in shares of junior stock), (2) no shares of junior stock will be repurchased, redeemed, or otherwise acquired for consideration by us, directly or indirectly (other than as a result of a reclassification of junior stock for or into other junior stock, or the exchange or conversion of one share of junior stock for or into another share of junior stock, and other than through the use of the proceeds of a substantially contemporaneous sale of other shares of junior stock) nor will any monies be paid to or made available for a sinking fund for the redemption of any such securities by us, and (3) no shares of parity stock (as defined below under Description of the Preferred Stock Dividends Priority of Dividends) will be repurchased, redeemed, or otherwise acquired for consideration by us otherwise than pursuant to pro rata offers to purchase all, or a pro rata portion, of the Preferred Stock and such parity stock, except by conversion into or exchange for shares of junior stock, during a dividend period, unless, in each case, the full dividends for the immediately preceding dividend period on all outstanding shares of the Preferred Stock have been paid in full or declared and a sum sufficient for the payment of those dividends has been set aside. The foregoing limitations do not apply to purchases or acquisitions of our junior stock pursuant to any employee or director incentive or benefit plan or arrangement (including any of our employment, severance, or consulting agreements) of ours or of any of our subsidiaries.

Except as provided below, for so long as any share of Preferred Stock remains outstanding, we will not declare, pay, or set aside for payment, dividends on any parity stock, unless we have paid in full, or set aside payment in full, all dividends for the immediately preceding dividend period for outstanding shares of Preferred Stock. To the extent that we declare dividends on the Preferred Stock and on any parity stock but cannot make full payment of those declared dividends, we will allocate the dividend payments on a pro rata basis among the holders of shares of Preferred Stock and the holders of any parity stock. For purposes of calculating the pro rata allocation of partial dividend payments, we will allocate dividend payments based on the ratio between the dividend payments due on shares of Preferred Stock and the aggregate of the current and accrued dividends due on any parity stock.

Subject to the conditions described above, and not otherwise, dividends (payable in cash, stock, or otherwise), as may be determined by the board of directors or a duly authorized committee of our board, may be declared and paid on our common stock and any other securities junior to the Preferred Stock from time to time out of any funds legally available for such payment, and the holders of the Preferred Stock shall not be entitled to participate in those dividends.

See Description of the Preferred Stock Dividends beginning on page S-16 for more information about the payment of dividends.

Optional Redemption

The Preferred Stock is perpetual and has no maturity date. We may redeem the Preferred Stock, in whole or in part, at any time on or after March 31, 2025, at a redemption price equal to \$25,000 per share (equivalent to \$1,000 per depositary share), plus any accrued and unpaid

Table of Contents

dividends for the then-current dividend period to, but excluding, the redemption date, without accumulation of any undeclared dividends. In addition, at any time within 90 days after a capital treatment event, as defined herein, we may provide notice to holders of the Preferred Stock that we will redeem the Preferred Stock and subsequently redeem, out of funds legally available therefor, the Preferred Stock, in whole but not in part, at a redemption price equal to \$25,000 per share (equivalent to \$1,000 per depositary share), plus any accrued and unpaid dividends for the then-current dividend period to, but excluding, the redemption date, without accumulation of any undeclared dividends. Redemption of the Preferred Stock is subject to our receipt of any required prior approval of the Board of Governors of the Federal Reserve System, or the Federal Reserve Board, or other appropriate federal banking agency. Our redemption of the Preferred Stock will cause the redemption of the corresponding depositary shares. Neither the holders of the Preferred Stock nor the holders of the related depositary shares will have the right to require redemption.

Liquidation Rights

In the event of our voluntary or involuntary liquidation, dissolution, or winding up, the holders of the Preferred Stock are entitled to receive out of our assets available for distribution to stockholders, before any distribution of assets is made to holders of our common stock or any of our other stock ranking junior to the Preferred Stock as to such distribution, a liquidating distribution of \$25,000 per share (equivalent to \$1,000 per depositary share), plus any declared and unpaid dividends, without accumulation of undeclared dividends. Distributions will be made only to the extent of our assets remaining available after payment of indebtedness and satisfaction of all other liabilities to creditors and subject to the rights of holders of any securities ranking senior to the Preferred Stock and pro rata as to the Preferred Stock and any other shares of our stock ranking equally as to such distribution.

Voting Rights

The holders of depositary shares of the Preferred Stock do not have voting rights, except as specifically required by Delaware law and except as provided below under Description of the Preferred Stock Voting Rights and Description of the Depositary Shares Voting the Preferred Stock in this prospectus supplement.

Ranking

The Preferred Stock will rank, as to payment of dividends and distribution of assets upon our liquidation, dissolution, or winding up, equally with our outstanding series of preferred stock described in this prospectus supplement under Description of the Preferred Stock General, and senior to our common stock. The Preferred Stock will be junior to our existing and future indebtedness.

Preemptive and Conversion Rights

The holders of the depositary shares do not have any preemptive or conversion rights.

Use of Proceeds

We intend to use the net proceeds from the sale of the depositary shares representing interests in the Preferred Stock for general corporate purposes, including, but not limited to, the repurchase or redemption of outstanding preferred securities. See Use of Proceeds.
