PROXY STATEMENT

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on May 14, 2018:

The proxy statement is available

at <https://www.proxy-direct.com/lmf-29765>

The accompanying proxy is solicited by the Board of Trustees of the Fund for use at the annual meeting of shareholders of the Fund to be held on May 14, 2018 at 8:30 a.m., Pacific Time, in the Board Room, Fifth Floor, 385 E. Colorado Boulevard, Pasadena, California (the Annual Meeting), and at any adjournment(s) or postponement(s) thereof. At the Annual Meeting, shareholders of the Fund will be asked to consider the election of seven Trustees to the Board of Trustees of the Fund. This Proxy Statement and the form of proxy were first mailed to shareholders on or about April 16, 2018.

The Board of Trustees has fixed the close of business on April 4, 2018 as the record date (Record Date) for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment(s) or postponement(s) thereof. As of the Record Date, the Fund had issued and outstanding 11,904,750 common shares of beneficial interest, no par value (the Shares).

Shareholders of the Fund as of the Record Date will be entitled to one vote for each Share held, and a fractional vote with respect to fractional Shares, on each matter to which they are entitled to vote, with no cumulative voting rights.

The Fund's Declaration of Trust, as amended, (the Declaration of Trust) provides that the Board of Trustees will consist of such number of Trustees as may be fixed from time to time by a majority of the Trustees, which number is currently seven.

Thirty percent of the total Shares of the Fund entitled to vote at the Annual Meeting must be represented in person or by proxy to constitute a quorum for the election of the Trustees. Each shareholder has the right to revoke his or her proxy at any time before it is voted. A proxy may be revoked by filing with the Secretary of the Fund a written revocation or a properly executed proxy bearing a later date or by voting in person at the Annual Meeting. Any shareholder may attend the Annual Meeting, whether or not he or she has previously given a proxy.

The solicitation of proxies for the Annual Meeting will be made primarily by mail. However, additional solicitation may take place in writing or by telephone or personal interview by officers of the Fund (or their designees), who will not receive compensation from the Fund for such services. In addition, you may receive a telephone call from our proxy solicitor, Computershare Inc. (operating through its Computershare Fund Services division), a Delaware corporation (CFS), which has been retained to assist shareholders in the voting process. For these services, the Fund will pay CFS a fee that is expected to be approximately \$21,000. However, the exact cost will depend on the amount and types of services rendered. The Fund will reimburse

brokers and other nominees, in accordance with New York Stock Exchange approved reimbursement rates, for their expenses in forwarding solicitation material to the beneficial owners of shares of the Fund. All expenses incurred in connection with the solicitation of proxies, including the services of CFS, will be borne by the Fund.

Abstentions and broker non-votes (i.e., proxies signed and returned by brokers with respect to Shares held by brokers or nominees as to which one or more votes is not indicated because (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will be counted as Shares present for purposes of determining whether a quorum is present, but will not be counted as having been voted on the matter in question. Assuming that a quorum would otherwise be present, abstentions and broker non-votes will accordingly have no effect for the purpose of determining whether a Trustee has been elected.

Charles A. Ruys de Perez, Richard Sennett, and Marc De Oliveira, the persons named as proxies on the proxy card accompanying this Proxy Statement, were selected by the Board of Trustees to serve in such capacity or substituted by the persons selected by the Board of Trustees. Mr. Ruys de Perez is the General Counsel of Western Asset Management Company, the Fund's investment adviser (the Investment Adviser). Mr. Sennett is the Treasurer and Principal Financial Officer of the Fund, and Mr. De Oliveira is an Assistant Secretary of the Fund. Each executed and returned proxy will be voted in accordance with the directions indicated thereon or, if no direction is indicated, such proxy will be voted for the election as Trustees of the Fund the Board of Trustees nominees listed in this proxy statement. Discretionary authority is provided in the proxy as to any matters not specifically referred to therein.

The Board of Trustees is not aware of any other matters which are likely to be brought before the Annual Meeting. However, if any such matters properly come before the Annual Meeting, the persons named in the proxy are fully authorized to vote thereon in accordance with their judgment and discretion. Except where a different vote is required by any provision of law or the Declaration of Trust or Bylaws, a plurality of a quorum of the Shares necessary for the transaction of business at a shareholders' meeting will decide any question.

HOW TO SUBMIT A PROXY

Shareholders of record may complete, sign, and date the proxy card and return it in the prepaid envelope provided.

PROPOSAL 1

Additional Information Concerning the Board of Trustees

The Board believes that each Nominee's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Nominees lead to the conclusion that the Board possesses the requisite skills and attributes. The Board believes that the Trustees /Nominees' ability to review, critically evaluate, question and discuss information provided to them, to interact effectively with the Investment Adviser, the Subadvisers, other service providers, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board also has considered the following experience, qualifications, attributes and/or skills, among others, of its members in reaching its conclusion: his or her character and integrity; such person's length of service as a board member of the Fund; such person's willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee; as to each Nominee other than Mr. Olson and Ms. Trust, his or her status as not being an interested person (as defined in the 1940 Act) of the Fund (such Trustees or Nominees who are not interested persons of the Fund being referred to as the Independent Trustees); and, as to Ms. Trust, her status as a representative of Legg Mason, Inc. In addition, the following specific experience, qualifications, attributes and/or skills apply as to each Trustee/Nominee: Mr. Abeles, business, accounting and finance expertise and experience as a chief financial officer, board member and/or executive officer of various businesses and other organizations; Ms. DeFrantz, business expertise and experience as a president, board member and/or executive officer of various businesses and non-profit and other organizations; Mr. Poladian, business, finance and accounting expertise and experience as a board member of various businesses and/or as a partner of a multi-national accounting firm; Mr. Siart, business and finance expertise and experience as a president, chairman, chief executive officer and/or board member of various businesses and non-profit and other organizations; Ms. Studenmund, business and finance expertise and experience as a president, board member and/or chief operating officer of various businesses; Mr. Olson, business and legal expertise and experience as a partner of a law firm and/or board member of various businesses and non-profit and other organizations; and Ms. Trust, investment management and risk oversight experience as an executive and portfolio manager and in leadership roles with Legg Mason and affiliated entities. References to the qualifications, attributes and skills of Trustees and Nominees are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Trustee or Nominee as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

The Board is responsible for overseeing the management and operations of the Fund. William E.B. Siart serves as Chairman of the Board. Mr. Siart is an Independent Trustee. Independent Trustees constitute more than 70% of the Board. As described further below, the Board has three standing committees: the Audit Committee, the Executive and Contracts Committee and the Governance and Nominating Committee. Each of

the Audit, Governance and Nominating and Executive and Contracts Committees is chaired by an Independent Trustee and is composed entirely of Independent Trustees. Where deemed appropriate, the Board constitutes ad hoc committees.

The Board has determined that its leadership structure is appropriate given the business and nature of the Fund. In connection with its determination, the Board considered that the Chairman of the Board is an Independent Trustee. The Chairman of the Board can play an important role in setting the agenda of the Board and also serves as a key point person for dealings between management and the other Independent Trustees. The Independent Trustees believe that the Chairman's independence facilitates meaningful dialogue between fund management and the Independent Trustees. The Board also considered that the chairperson of each Board committee is an Independent Trustee, which yields similar benefits with respect to the functions and activities of the various Board committees (e.g., each committee's chairperson works with the Investment Adviser and other service providers to set agendas for the meetings of the applicable Board committees). Through the committees the Independent Trustees consider and address important matters involving the Fund, including those presenting conflicts or potential conflicts of interest for management. The Independent Trustees also regularly meet outside the presence of management and are advised by independent legal counsel. The Board has determined that its committees help ensure that the Fund has effective and independent governance and oversight. The Board also believes that its leadership structure facilitates the orderly and efficient flow of information to the Independent Trustees from management, including the Investment Adviser and Subadvisers. The Board reviews its structure on an annual basis.

As an integral part of its responsibility for oversight of the Fund in the interests of shareholders, the Board oversees risk management of the Fund's investment program and business affairs. The function of the Board with respect to risk management is one of oversight and not active involvement in, or coordination of, day-to-day risk management activities for the Fund. The Board has emphasized to the Fund's Investment Adviser and Subadvisers the importance of maintaining vigorous risk management. The Board exercises oversight of the risk management process primarily through the Audit Committee and Executive and Contracts Committee, and through oversight by the Board itself.

The Fund faces a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity, and legal, compliance and regulatory risk. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, shareholder services, investment performance or reputation of the Fund. Under the overall supervision of the Board or the applicable Committee, the Fund, the Investment Adviser, the Subadvisers, and the affiliates of the Investment Adviser and the Subadvisers, and other service providers to the Fund employ a variety of processes, procedures and controls to identify various of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed with respect to different types of risks. Various personnel, including the Fund's and the Investment Adviser's CCO and the Investment Adviser's chief risk officer, as well as various personnel of other service providers such as the Fund's independent accountants, report to the Audit Committee, Executive and Contracts Committee and/or to the Board with respect to various aspects of risk management, as well as events and circumstances that have arisen and responses thereto. These reports and other similar reports received by the Trustees as to risk management matters are typically summaries of the relevant information. The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or

mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness.

Audit Committee. The Board of Trustees has established an Audit Committee composed solely of Independent Trustees, consisting of Messrs. Abeles, Poladian and Siart and Meses. DeFrantz and Studenmund. Each member of the Audit Committee is independent, as independence for audit committee members is defined in the currently applicable listing standards of the New York Stock Exchange, on which the Shares of the Fund are listed and traded. The Audit Committee provides oversight with respect to the accounting and financial reporting policies and procedures of the Fund and, among other things, considers the selection of the independent registered public accounting firm for the Fund and the scope of the audit and approves services proposed to be performed by the independent registered public accounting firm on behalf of the Fund and, under certain circumstances, the Investment Adviser, Subadvisers and certain affiliates. The Audit Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at www.lmcef.com and click on the name of the Fund.

The Audit Committee of the Fund has submitted the following report:

The Audit Committee has reviewed and discussed with management of the Fund the audited financial statements for the last fiscal year. The Audit Committee has discussed with the Fund's independent registered public accounting firm the matters required to be discussed by Statements on Auditing Standards No. 114 (SAS No. 114, which supersedes SAS No. 61). SAS No. 114 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent registered public accounting firm's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit Committee has received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Public Company Accounting Oversight Board Rule 3526 (requiring the independent registered public accounting firm to make written disclosures to and discuss with the Audit Committee various matters relating to its independence), and has discussed with such independent registered public accounting firm its independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Trustees the inclusion of the audited financial statements for the last fiscal year in the Fund's annual report to shareholders.

Governance and Nominating Committee. The Board of Trustees has established a Governance and Nominating Committee composed solely of Independent Trustees, consisting of Meses. DeFrantz and Studenmund and Messrs. Abeles, Poladian and Siart. The Governance and Nominating Committee meets to select nominees for election as Trustees of the Fund, to review and make recommendations to the Board with

respect to Trustee compensation, and consider other matters of Board policy. The Governance and Nominating Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at www.lmcef.com and click on the name of the Fund.

The Governance and Nominating Committee requires that Trustee candidates have a college degree or equivalent business experience, but has not otherwise established specific, minimum qualifications that must be met by an individual to be considered by the Committee for nomination as a Trustee. The Governance and Nominating Committee may take into account a wide variety of factors in considering Trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board of Trustees, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (vi) overall diversity of the Board's composition.

Although the Governance and Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying Trustee nominees, as a matter of practice the Committee typically considers the overall diversity of the Board's composition when identifying nominees. Specifically, the Governance and Nominating Committee considers the diversity of skill sets desired among the Board members in light of the Fund's characteristics and circumstances and how those skill sets might complement each other. The Governance and Nominating Committee also takes into account the personal background of current and prospective Trustees in considering the composition of the Board. In addition, as part of its annual self-evaluation, the Trustees have an opportunity to consider the diversity of the Board, both in terms of skill sets and personal background, and any observations made by the Board during the self-evaluation inform the Governance and Nominating Committee in its decision making process.

The Governance and Nominating Committee may consider candidates for Trustee recommended by the Fund's current Trustees, officers, Investment Adviser or Subadvisers, shareholders or any other source deemed to be appropriate by the Governance and Nominating Committee. Candidates properly submitted by shareholders (as described below) will be considered and evaluated on the same basis as candidates recommended by other sources.

The policy of the Governance and Nominating Committee is to consider nominees recommended by shareholders to serve as Trustee, provided that any such recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund, not less than one hundred and twenty calendar days nor more than one hundred and thirty-five calendar days prior to the date of the meeting at which the nominee would be elected and that such shareholder recommendation contains the information about such nominee required by the Fund's procedures for shareholders to submit nominee candidates, which are a part of the Governance and Nominating Committee's Charter. The Governance and Nominating Committee has full discretion to reject nominees recommended by shareholders, and there is no assurance that any such person so recommended and considered by the Governance and Nominating Committee will be nominated for election to the Fund's Board of Trustees.

Executive and Contracts Committee. The Board of Trustees has established an Executive and Contracts Committee consisting of Messrs. Abeles, Siart, Poladian and Ms. DeFrantz and Studenmund. The Executive and Contracts Committee may meet from time to time between Board meetings in order to consider appropriate matters and to review the various contractual arrangements between the Fund and its affiliated persons.

Meetings. During 2017, the Board of Trustees held six meetings, the Audit Committee held six meetings, the Governance and Nominating Committee held two meetings and the Executive and Contracts Committee held two meetings. All Trustees attended at least 75% of the aggregate number of meetings of the Board of Trustees and the committees of the Board of Trustees on which he or she served.

Although the Fund's policies do not require the Trustees to attend the Fund's annual shareholder meetings, annual meetings are generally held in connection with regularly scheduled meetings of the Board of Trustees. Each current Trustee attended the Fund's annual shareholder meeting held in May 2017.

Shareholder Communications. The Board of Trustees has adopted a process for shareholders to send communications to the Board of Trustees. Shareholders may mail written communications to the attention of the Board of Trustees, care of the Fund's Secretary, at the principal executive offices of the Fund. The written communication must include the shareholder's name, be signed by the shareholder, refer to the Fund, and include the class and number of shares held by the shareholder as of a recent date. The Secretary is responsible for determining, in consultation with other officers of the Fund, counsel, and other advisers as appropriate, which shareholder communications will be relayed to the Board.

Trustee Holdings. The following table states the dollar range of equity securities beneficially owned as of March 1, 2018 by each nominee in the Fund and, on an aggregate basis, in any registered investment companies overseen or to be overseen by the nominee in the same family of investment companies. As of March 1, 2018, all Trustees and officers of the Fund as a group beneficially owned less than 1% of the outstanding shares of the Fund on such date.

Trustee Compensation. For serving as a Trustee of the Fund, each Independent Trustee receives an annual retainer plus fees for attending each regularly scheduled meeting and special Board meeting he or she attends in person or by telephone. The Independent Trustees are also reimbursed for all out-of-pocket expenses relating to attendance at such meetings. Those Independent Trustees who serve in leadership positions of the Board or Board committees, as well as each committee member, receive additional compensation. All such fees paid to the Trustees are aggregate fees for

serving on the combined Board of Directors/Trustees of the Fund, Western Asset Investment Grade Income Fund Inc. and Western Asset Funds, Inc. and such fees are allocated according to each such investment company's average annual net assets. The Board reviews the level of Trustee compensation periodically and Trustee compensation may change from time to time. Mr. Olson, an interested

person (as defined in the 1940 Act) of the Fund, receives from the Investment Adviser an annual retainer plus fees for attending each regularly scheduled meeting and special Board meeting he attends in person or by telephone.

For the fiscal year ended December 31, 2017, the Trustees received the compensation set forth in the following table for serving as Trustees of the Fund and as Directors of other funds in the same Fund Complex.

SHAREHOLDER PROPOSALS FOR 2019 ANNUAL MEETING

Proposals that shareholders wish to present to the 2019 Annual Meeting and to have included in the Fund's proxy materials relating to such meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "1934 Act"), must be delivered to the Secretary of the Fund on or before December 17, 2018 (i.e., at least 120 days before April 16, 2019).

Shareholders who wish to make a proposal at the 2019 Annual Meeting other than one that will be included in the Fund's proxy materials or one that does not propose one or more nominees for election as Trustees or propose to fix the number of Trustees should notify the Fund on or before March 2, 2019 (i.e., 45 days prior to April 16, 2019) if they do not want to have proxies solicited by the Fund to confer discretionary voting authority with respect to the proposal. Shareholders who wish to propose one or more nominees for election as Trustees, or to make a proposal fixing the number of Trustees, at the 2019 Annual Meeting would need to provide written notice to the Fund (including all required information) so that such notice is received in good order by the Fund neither earlier than February 13, 2019 nor later than March 15, 2019 (i.e., neither more than 90 days, nor less than 60 days, prior to May 14, 2019).
