I. Summary of Application

The following entities hereby request an order (the *Order*) of the U.S. Securities and Exchange Commission (the *Commission*) pursuant to Sections 17(d), 57(a)(4) and 57(i) of the Investment Company Act of 1940, as amended (the *1940 Act*), and Rule 17d-1 promulgated under the 1940 Act, authorizing certain joint transactions that otherwise may be prohibited by either or both of Sections 17(d) and 57(a)(4) as modified by the exemptive rules adopted by the Commission under the 1940 Act:¹

Blackstone / GSO Floating Rate Enhanced Income Fund (*BGFREI*);

Blackstone / GSO Long-Short Credit Income Fund (*BGX*);

Blackstone / GSO Senior Floating Rate Term Fund (*BSL*);

Blackstone / GSO Strategic Credit Fund (*BGB*);

Blackstone / GSO Secured Lending Fund (*BGSL*, and together with BGFREI, BGX, BSL, BGB, the *GSO Regulated Funds*);

GSO / Blackstone Debt Funds Management LLC (*GDFM*), the investment adviser to BGFREI, BGX, BSL and BGB;

GSO Asset Management LLC (*GAM*), the proposed investment adviser to BGSL;

The investment advisers operating in Blackstone's credit-focused group (*GSO*), set forth in Schedule A hereto (together with GDFM and GAM, the *GSO Advisers*);

The vehicles/entities set forth in Schedule A hereto, each of which is an entity (i) (A) whose primary investment adviser is a GSO Adviser (the *Existing GSO Affiliated Funds*) (B) whose primary investment adviser is a registered investment adviser that controls, is controlled by or is under common control with an Adviser,³ but is not itself an Adviser (as that term is defined herein) (the *Existing Primary Adviser*) and whose sub-adviser is an Adviser (each a *Existing Sub-Advised Affiliated Fund*) and (ii) that either (A) would be an investment company but for Section 3(c)(1), 3(c)(5)(C) or 3(c)(7) of the 1940 Act or (B) relies on the Rule 3a-7 exemption from investment company status (each, together with each such entity's direct and indirect wholly-owned subsidiaries, an *Existing Affiliated Fund*, and collectively, the *Existing Affiliated Funds*.)

¹ Unless otherwise indicated, all section and rule references herein are to sections of, and rules under, the 1940 Act.

² The term *Blackstone* means The Blackstone Group L.P.

³

The term **Adviser** means (i) the GSO Advisers and (ii) any future investment adviser that controls, is controlled by or is under common control with a GSO Adviser and is registered as an investment adviser under the Advisers Act that intends to participate in the Co-Investment Program (as defined below). The term Adviser does not include any Primary Adviser. The term **Primary Adviser** means the Existing Primary Adviser or any future investment adviser that (i) controls, is controlled by or is under common control with an Adviser, (ii) is registered as an investment adviser under the Advisers Act, and (iii) is not an Adviser (as that term is defined herein).

⁴ The sole Existing Primary Adviser is Blackstone Alternative Solutions L.L.C. (**BAS**), investment adviser to the each of the Existing Sub-Advised Affiliated Funds set forth in Schedule A hereto. Each of the Existing Sub-Advised Affiliated Funds are sub-advised by GSO Capital Partners LP, a GSO Adviser.

The Regulated Funds,⁵ the Advisers, the Existing Affiliated Funds, and the Existing Primary Adviser may be referred to herein as the *Applicants*.

The relief requested in this application (the *Application*) would, subject to the terms and conditions set forth below in this Application (the *Conditions*), permit a Regulated Fund and one or more other Regulated Funds and/or one or more Affiliated Investors⁶ to participate in the same investment opportunities through a proposed co-investment program where such participation would otherwise be prohibited under Sections 17(d) and 57(a)(4) and the rules under the 1940 Act (the *Co-Investment Program*). For purposes of this Application, a *Co-Investment Transaction* shall mean any transaction in which one or more Regulated Funds (or one or more Wholly Owned Investment Subsidiaries) participates together with one or more other Regulated Funds (or one or more wholly owned subsidiaries thereof) and/or one or more Affiliated Investors in reliance on the requested Order, and a *Potential Co-Investment Transaction* means any investment opportunity in which the Regulated Funds (or its Wholly Owned Investment Subsidiary) could not participate together with one or more Affiliated Investors and/or one or more other Regulated Funds without obtaining and relying on the Order.⁷ Funds that are advised or sub-advised by affiliates of Blackstone other than an Adviser or Primary Adviser will not participate in the Co-Investment Program.

A Regulated Fund may, from time to time, form one or more Wholly Owned Investment Subsidiaries. A Wholly Owned Investment Subsidiary would be prohibited from investing in a Co-Investment Transaction with another Regulated Fund or any Affiliated Investor because it would be a company controlled by the applicable Regulated Fund for purposes of Sections 17(d) and 57(a)(4) and Rule 17d-1. Applicants request that a Wholly Owned Investment Subsidiary be permitted to participate in Co-Investment Transactions in lieu of the applicable Regulated Fund, and that such Wholly Owned Investment Subsidiary's participation in any such transaction be treated, for purposes of the requested order, as though the Regulated Fund were participating directly. Applicants represent that this treatment is justified because a Wholly Owned Investment Subsidiary would have no purpose

- ⁵ The term *Regulated Funds* means (i) the GSO Regulated Funds and (ii) any future closed-end management investment company (A) that has elected to be regulated as a BDC (as defined below) or is registered under the 1940 Act, (B) whose investment adviser is an Adviser and (C) who intends to participate in the Co-Investment Program (as defined below). The term *BDC* means business development company as defined under Section 2(a)(48) the 1940 Act.
- ⁶ The term *Affiliated Investor* means (i) the Existing Affiliated Funds, (ii) any Affiliated Proprietary Account and (iii) any Future Affiliated Fund. *Future Affiliated Fund* means an entity (i)(A) whose investment adviser is an Adviser or (B) whose investment adviser is a Primary Adviser and whose sub-adviser is an Adviser, (ii) that either (A) would be an investment company but for an exemption in Section 3(c)(1), 3(c)(5)(C) or 3(c)(7) of the 1940 Act or (B) relies on the Rule 3a-7 exemption from investment company status, and (iii) that intends to participate in the Co-Investment Program. *Affiliated Proprietary Account* means any account of an Adviser or its affiliates or any company that is an indirect, wholly- or majority-owned subsidiary of an Adviser or its affiliates, which, from time to time, may hold various financial assets in a principal capacity. For the avoidance of doubt, neither the Regulated Funds nor the Affiliated Funds shall be deemed to be Affiliated Proprietary Accounts for purposes of this Application.
- ⁷ The term *Wholly-Owned Investment Subsidiary* means an entity (i) whose sole business purpose is to hold one or more investments on behalf of a Regulated Fund (and, in the case of an SBIC Subsidiary (as defined below), maintain a license under the SBA Act (as defined below) and issue debentures guaranteed by the SBA (as defined below)); (ii) that is wholly-owned by a Regulated Fund (with such Regulated Fund at all times holding, beneficially and of record, 100% of the voting and economic interests); (iii) with respect to which the Board of the Regulated Fund has the sole authority to make all determinations with respect to the Wholly-Owned Investment Subsidiary's participation under the Conditions to this Application; and (iv) that is an entity that would be an investment company but for an exemption in Section 3(c)(1) or 3(c)(7) of the 1940 Act. The term *SBIC*

Subsidiary means a Wholly-Owned Investment Subsidiary that is licensed by the Small Business Administration (the ***SBA***) to operate under the Small Business Investment Act of 1958, as amended, (the ***SBA Act***) as a small business investment company (a ***SBIC***).

other than serving as a holding vehicle for the Regulated Fund's investments and, therefore, no conflicts of interest could arise between such Regulated Fund and its respective Wholly Owned Investment Subsidiaries. The Board⁸ of the Regulated Fund would make all relevant determinations under the Conditions with regard to a Wholly Owned Investment Subsidiary's participation in a Co-Investment Transaction, and the Board would be informed of, and take into consideration, any proposed use of a Wholly Owned Investment Subsidiary in the place of the Regulated Fund. If a Regulated Fund proposes to participate in the same Co-Investment Transaction with any of its Wholly Owned Investment Subsidiaries, its Board will also be informed of, and take into consideration, the relative participation of the Regulated Fund and the Wholly Owned Investment Subsidiary.

All existing entities that currently intend to rely upon the requested Order have been named as Applicants. Any other existing or future entity that subsequently relies on the Order will comply with the Conditions of this Application.

2. Blackstone Alternative Solutions L.L.C.

BAS, a Delaware limited liability company that is registered as an investment adviser under the Advisers Act, is the Primary Adviser to the Existing Sub-Advised Affiliates.¹³ BAS provides investment advisory services to private investment funds which participate in a broad range of direct investment opportunities. BAS operates in Blackstone's hedge fund solutions group. Other than to satisfy compliance obligations, BAS's employees do not share information regarding prospective investments with employees in other Blackstone business groups, except in unusual circumstances, as the Blackstone business groups each generally target different investment strategies or asset classes and there are information barrier policies in place between the groups.

III. Request for Order

The Applicants request the Order of the Commission under Sections 17(d) and 57(i) of the 1940 Act and Rule 17d-1 under the 1940 Act, to permit, subject to the Conditions set forth below in this Application, one or more Regulated Funds to be able to participate in Co-Investment Transactions with one or more other Regulated Funds and/or one or

more Affiliated Investors.

Similar to the precedent referenced in Section E of this Application, the Regulated Funds and the Affiliated Investors seek relief to invest in Co-Investment Transactions because such Co-Investment Transactions would

- ¹³ For the avoidance of doubt, BAS will not be treated as an Adviser under the requested Order, but will be subject to Conditions 2(c)(iv) and 13. BAS will not rely on the requested Order with respect to any investment vehicles it manages other than to the extent those vehicles are sub-advised by an Adviser.

otherwise be prohibited by Sections 17(d) and 57(a)(4) of the 1940 Act and the Rule 17d-1 under the 1940 Act. This Application seeks relief in order to (i) enable the Regulated Funds and the Affiliated Investors to avoid the practical difficulties of trying to structure, negotiate and persuade counterparties to enter into transactions while awaiting the granting of the relief requested in individual applications with respect to each Co-Investment Transaction that arises in the future, and (ii) enable the Regulated Funds and the Affiliated Investors to avoid the significant legal and other expenses that would be incurred in preparing such individual applications.

A. Co-Investment in Portfolio Companies by the Regulated Funds and the Affiliated Investors

1. Mechanics of the Co-Investment Program

When considering Potential Co-Investment Transactions for any Regulated Fund, an Adviser will consider only the Objectives and Strategies, Board-Established Criteria,¹⁴ investment policies, investment positions, capital available for investment, and other pertinent factors applicable to that Regulated Fund. The participation of a Regulated Fund in a Potential Co-Investment Transaction may only be approved by a Required Majority, as defined in Section 57(o) (a **Required Majority**), of the trustees of the Board eligible to vote on that Co-Investment Transaction under Section 57(o) (the **Eligible Trustees**).¹⁵ When selecting investments for the Affiliated Investors, an Adviser will select investments separately for each Affiliated Investor, considering, in each case, only the investment objective, investment policies, investment position, capital available for investment, and other pertinent factors applicable to that particular Affiliated Investor. The Objectives and Strategies of each Regulated Fund managed by an Adviser and the investment objectives and strategies of the Affiliated Investors advised by such Adviser may be similar or overlap, and an Adviser anticipates that what is an appropriate investment for one or more Regulated Funds will normally also be an appropriate investment for one or more Affiliated Investors that have similar investment objectives and strategies. Therefore, to the extent a Potential Co-Investment Transaction falls within any Board-Established Criteria of a Regulated Fund and the investment objectives and strategies of one or more Regulated Funds and Affiliated Investors managed by the same Adviser, each Regulated Fund generally intends to co-invest with the Affiliated Investors, with certain exceptions based on factors such as available capital, investment size or diversification.¹⁶

The GSO Advisers operate as a self-contained advisory business within Blackstone's credit group. The GSO Advisers are each either separately registered as investment advisers with the Commission, or are relying advisers that rely on the registration of another GSO Adviser. No GSO Adviser is a relying adviser of any

¹⁴ The term **Board-Established Criteria** means criteria that the Board of the applicable Regulated Fund may establish from time to time to describe the characteristics of Potential Co-Investment Transactions regarding which an Adviser to the Regulated Fund should be notified under condition 1. The Board-Established Criteria will be consistent with the Regulated Fund's then-current Objectives and Strategies. If no Board-Established Criteria are in effect, then the Regulated Fund's Adviser will be notified of all Potential Co-Investment Transactions that fall within the Regulated Fund's then current Objectives and Strategies. Board-Established Criteria will be objective and testable, meaning that they will be based on observable information, such as industry/sector of the issuer, minimum earnings before interest, taxes, depreciation, and amortization of the issuer, asset class of the investment opportunity or required commitment size, and not on characteristics that involve discretionary assessment. The Adviser to the Regulated Fund may from time to time recommend criteria for the applicable Board's consideration, but Board-Established Criteria will only become effective if approved by a majority of the Non-Interested Trustees. The Non-Interested Trustees of a Regulated Fund may at any time rescind, suspend or qualify its approval of any Board-Established Criteria, though Applicants anticipate that, under normal circumstances, the Board would not modify these criteria more often than quarterly.

- ¹⁵ The defined terms Eligible Trustees and Required Majority apply as if each Regulated Fund were a BDC subject to Section 57(o) of the Act.
- ¹⁶ A Regulated Fund, however, will not be obligated to invest, or co-invest, when investment opportunities are referred to them.

Blackstone-affiliated investment adviser from outside of the self-contained group. The GSO Advisers provide investment management services to distinct set of Regulated Funds and Affiliated Investors within its respective Blackstone business group. The majority of the GSO Advisers' employees work on matters for Close Affiliates¹⁷ and information about potential investment opportunities is routinely disseminated among such Adviser's employees. Other than to satisfy compliance obligations, information regarding Potential Co-Investment Transactions will not be shared with Remote Affiliates,¹⁸ which would include other investment advisers that operate in other Blackstone business groups, except in unusual circumstances, as the Blackstone business groups each generally target different investment strategies or asset classes and there are information barrier policies in place between the Blackstone business groups. Within the GSO Advisers, the personnel overlap and coordination among portfolio management teams ensures that all relevant investment opportunities will be brought to the attention of each Regulated Fund managed by the respective Adviser. The GSO Advisers will receive all information regarding all investment opportunities that fall within the then-current Objectives and Strategies and Board-Established Criteria of each Regulated Fund managed by the respective Adviser.

Each Sub-Advised Affiliated Fund will participate in the Co-Investment Program of its respective sub-adviser, which such sub-adviser will be the Sub-Advised Affiliated Fund's Adviser for purposes of the Conditions. No Primary Adviser will be the source of any Potential Co-Investment Transactions under the requested Order. Potential Co-Investment Transactions will not be shared outside of the Co-Investment Programs.

Applicants believe that the use of Board-Established Criteria for each of the Regulated Funds is appropriate based on the size and scope of each Adviser's advisory business. Each Adviser considers a large number of investment opportunities, many of which would not be appropriate for one or more Regulated Funds. By using the Board-Established Criteria for a Regulated Fund, an Adviser will be able to limit the Potential Co-Investment Opportunities it considers for the Regulated Fund to objective, verifiable, and testable criteria established by the Regulated Fund's Board. In addition to the other protections offered by the Conditions to the Application, using Board-Established Criteria in the allocation of Potential Co-Investment Transactions will further reduce the risk of subjectivity in the Adviser's determination of whether an investment opportunity is appropriate for a Regulated Fund. In connection with the Board's annual review of the continued appropriateness of any Board-Established Criteria under Condition 9, the Regulated Fund's Adviser will provide information regarding any Co-Investment Transaction (including, but not limited to, Follow-On Investments (as defined below)) effected by the Regulated Fund that did not fit within the then-current Board-Established Criteria.

Under the Co-Investment Program, pursuant to written policies and procedures adopted by each Adviser (each, an **Allocation Policy**), each Potential Co-Investment Transaction would be allocated between the participating Regulated Funds and Affiliated Investors pro rata based on the relative capital available for investment of the participants. The amount of each Regulated Fund's capital available for investment (**Available Capital**) will be determined based on the amount of cash on hand, liquidity considerations, existing commitments and reserves, if any, the targeted leverage level, targeted asset mix, risk-return and target-return profile, tax implications, regulatory or contractual restrictions or consequences, and other investment policies and restrictions set from time to time by the Board of the applicable Regulated Fund or imposed by applicable laws, rules, regulations or interpretations. Likewise, an Affiliated Investor's Available Capital is determined based on the amount of cash on hand, liquidity considerations, existing commitments and reserves, if any, the targeted leverage level, targeted asset mix, risk-return and target-return profile, tax implications, regulatory or contractual restrictions or consequences, and other investment policies and restrictions set by the Affiliate Fund's trustees, general partners or adviser or imposed by

¹⁷ The term **Close Affiliate** means the Advisers, the Regulated Funds, the Affiliated Investors and any other person described in Section 57(b) (after giving effect to Rule 57b-1) in respect of any Regulated Fund (treating any registered investment company or series thereof as a BDC for this purpose) except for limited partners included

solely by reason of the reference in Section 57(b) to Section 2(a)(3)(D).

- ¹⁸ The term ***Remote Affiliate*** means any person described in Section 57(e) in respect of any Regulated Fund (treating any registered investment company or series thereof as a BDC for this purpose) and any limited partner holding 5% or more of the relevant limited partner interests that would be a Close Affiliate but for the exclusion in that definition.

applicable laws, rules, regulations or interpretations. With respect to participation in a Potential Co-Investment Transaction by a Regulated Fund, the applicable Adviser will present each Potential Co-Investment Transaction and the proposed allocation of each investment opportunity to the Eligible Trustees. The Required Majority of a Regulated Fund will approve each Co-Investment Transaction prior to any investment by the Regulated Fund. The information provided to the Eligible Trustees about a Potential Co-Investment Transaction will include information about the Available Capital of such Regulated Fund and the other participating Regulated Funds and/or Affiliated Investors to assist the Eligible Trustees with their review of the investments by such Regulated Fund for compliance with the Allocation Policy. Additionally each Adviser will regularly review with each Board the Allocation Policy and how the Allocation Policy has been applied in the context of the investments by each Regulated Fund. No Eligible Trustee will have a direct or indirect financial interest in any Co-Investment Transaction, other than through any interest such Eligible Trustee may have in securities of a Regulated Fund. All subsequent activity (i.e., exits or follow-on investments) in a Co-Investment Transaction will be made pursuant to the Conditions contained in this Application. The Co-Investment Program requires that the terms, conditions, price, class of securities, settlement date, and registration rights applicable to a Regulated Fund's purchase be the same as those applicable to the purchase by the other participating Regulated Funds and Affiliated Investors. Additionally, an Affiliated Investor or Regulated Fund that is party to a Co-Investment Transaction will not receive any additional compensation of any kind in connection with a Co-Investment Transaction other than pro rata transaction fees, and non-participating Affiliated Investors or Regulated Funds shall not receive any such compensation. The proposed Conditions will not impact an Adviser's ability to receive investment advisory fees or profit participation interests, including carried interest, paid by an Affiliated Investor.

As noted above, all subsequent activity (i.e., to sell, exchange or otherwise dispose of an investment or to complete a Follow-On Investment¹⁹ in respect of an investment acquired in a Co-Investment Transaction) will also be made in accordance with the Conditions set forth in this Application. With respect to the pro rata dispositions and Follow-On Investments provided in Conditions 7 and 8, a participating Regulated Fund may participate in a pro rata disposition or Follow-On Investment without obtaining prior approval of the Required Majority, if, among other things: (i) the proposed participation of each Affiliated Investor and Regulated Fund in such disposition or Follow-On Investment is proportionate to its outstanding investments in the issuer immediately preceding the disposition or Follow-On Investment, as the case may be; and (ii) the applicable Board has approved such Regulated Fund's participation in pro rata dispositions and Follow-On Investments as being in the best interests of such Regulated Fund. If the Board of a Regulated Fund does not so approve, any such disposition or Follow-On Investment will be submitted to the Eligible Trustees. The Board of a Regulated Fund may at any time rescind, suspend or qualify their respective approval of pro rata dispositions and Follow-On Investments with the result that all dispositions and/or Follow-On Investments must be submitted to the Eligible Trustees.

Under Condition 14, if an Adviser, the Principals, any person controlling, controlled by, or under common control with an Adviser or its principal owners (*Principals*), and the Affiliated Investors (collectively, the *Holders*) own in the aggregate more than 25% of the outstanding voting securities of a Regulated Fund (*Shares*), then the Holders will vote such Shares as directed by an independent third party when voting on (1) the election of trustees, (2) the removal of one or more trustees or (3) all other matters under either the 1940 Act or applicable State law affecting the Board's composition, size or manner of election.

Applicants believe that this Condition will ensure that the Non-Interested Trustees will act independently in evaluating the Co-Investment Program, because the ability of an Adviser or the Principals to influence the Non-Interested Trustees by a suggestion, explicit or implied, that the Non-Interested Trustees can be removed will be limited significantly. The Non-Interested Trustees shall evaluate and approve any such independent party, taking into account its qualifications, reputation for independence, cost to the shareholders, and other factors they deem relevant.

¹⁹ ***Follow-On Investment*** means any additional investment in an existing portfolio company whose securities were acquired in a Co-Investment Transaction, including the exercise of warrants, conversion privileges or other similar rights to acquire additional securities of the portfolio company.

B. Sections 17(d), 57(a)(4) and 57(i) of the 1940 Act, and Rule 17d-1 thereunder

Absent an exemption, Section 17(d) of the 1940 Act generally prohibits an affiliated person (as defined in Section 2(a)(3) of the 1940 Act), or an affiliated person of such affiliated person, of a registered closed-end investment company acting as principal, from effecting any transaction in which the registered closed-end investment company is a joint or a joint and several participant, in contravention of such rules and regulations as the Commission may prescribe for the purpose of limiting or preventing participation by the registered closed-end investment company on a basis different from or less advantageous than that of such other participant. Rule 17d-1 generally prohibits participation by a registered investment company and an affiliated person (as defined in Section 2(a)(3) of the 1940 Act) or principal underwriter for that investment company, or an affiliated person of such affiliated person or principal underwriter, in any joint enterprise or other joint arrangement or profit-sharing plan, as defined in the rule, without prior approval by the Commission by order upon application.²⁰

Similarly, with regard to BDCs, Section 57(a)(4) of the 1940 Act prohibits certain persons specified in Section 57(b) of the 1940 Act from participating in a joint transaction with a BDC or a company controlled by a BDC in contravention of rules as prescribed by the Commission. In particular Section 57(a)(4) of the 1940 Act applies to:

Any director, officer, employee, or member of an advisory board of a BDC, or any person (other than the BDC itself) who is an affiliated person of the foregoing pursuant to Section 2(a)(3)(C) of the 1940 Act; or

Any investment adviser or promoter of, general partner in, principal underwriter for, or person directly or indirectly either controlling, controlled by, or under common control with, a BDC,²¹ or any person who is an affiliated person of any of the foregoing within the meaning of Section 2(a)(3)(C) or (D) of the 1940 Act.

Section 2(a)(3)(C) of the 1940 Act defines an affiliated person of another person to include any person directly or indirectly controlling, controlled by, or under common control with, such other person. Section 2(a)(9) of the 1940 Act defines control as the power to exercise a controlling influence over the management or policies of a company, unless such power is solely the result of an official position with that company. Under Section 2(a)(9) of the 1940 Act, a person who beneficially owns, either directly or through one or more controlled companies, more than 25% of the voting securities of a company is presumed to control such company. The Commission and its staff have indicated on a number of occasions their belief that an investment adviser controls the fund that it advises, absent compelling evidence to the contrary.²²

²⁰ Likewise, Section 57(a)(4) makes it unlawful for any person who is related to a BDC in a manner described in Section 57(b), acting as principal, knowingly to effect any transaction in which the BDC is a joint or a joint and several participant with that person in contravention of rules and regulations as the Commission may prescribe for the purpose of limiting or preventing participation by the BDC on a basis less advantageous than that of the other participant. Although the Commission has not adopted any rules expressly under Section 57(a)(4), Section 57(i) provides that the rules under Section 17(d) applicable to registered closed-end investment companies (e.g., Rule 17d-1) are, in the interim, deemed to apply to transactions subject to Section 57(a). Rule 17d-1, as made applicable to BDCs by Section 57(i), prohibits any person who is related to a BDC in a manner described in Section 57(b), as modified by Rule 57b-1, from acting as principal, from participating in, or effecting any transaction in connection with, any joint enterprise or other joint arrangement or profit-sharing plan in which the BDC (or a company controlled by such BDC) is a participant, unless an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order entered prior to the submission of the plan or any modification thereof to security holders for approval, or prior to its adoption or modification if not so submitted.

- ²¹ Excluded from this category are the BDC itself and any person who, if it were not directly or indirectly controlled by the BDC, would not otherwise be under common control with the BDC.
- ²² See, e.g., *In re Investment Company Mergers*, SEC Rel. No. IC-25259 (Nov. 8, 2001); *In re Steadman Security Corp.*, 46 S.E.C. 896, 920 n.81 (1977) ([T]he investment adviser almost always controls the fund. Only in the very rare case where the adviser's role is simply that of advising others who may or may not elect to be guided by his advice can the adviser realistically be deemed not in control.).

Rule 17d-1 under the 1940 Act generally prohibits participation by a registered investment company and an affiliated person (as defined in Section 2(a)(3) of the 1940 Act) or principal underwriter for that investment company, or an affiliated person of such affiliated person or principal underwriter, in any joint enterprise or other joint arrangement or profit-sharing plan, as defined in the rule, without prior approval by the Commission by order upon application.

Rule 17d-1 was promulgated by the Commission pursuant to Section 17(d) of the 1940 Act and made applicable to BDCs by Section 57(i) of the 1940 Act. Section 57(i) of the 1940 Act provides that, until the Commission prescribes rules under Section 57(a)(4) of the 1940 Act, the Commission's rules under Section 17(d) of the 1940 Act applicable to registered closed-end investment companies will be deemed to apply. Because the Commission has not adopted any rules under Section 57(a)(4) of the 1940 Act, Rule 17d-1 under the 1940 Act applies.

Applicants seek relief pursuant to Rule 17d-1 under the 1940 Act, which permits the Commission to authorize joint transactions upon application. In passing upon applications filed pursuant to Rule 17d-1 under the 1940 Act, the Commission is directed by Rule 17d-1(b) under the 1940 Act to consider whether the participation of a registered investment company or controlled company thereof in the joint enterprise or joint arrangement under scrutiny is consistent with provisions, policies and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

The Commission has stated that Section 17(d) of the 1940 Act, upon which Rule 17d-1 under the 1940 Act is based, and upon which Section 57(a)(4) of the 1940 Act was modeled, was designed to protect investment companies from self-dealing and overreaching by insiders. The Commission has also taken notice that there may be transactions subject to these prohibitions that do not present the dangers of overreaching.²³ The Court of Appeals for the Second Circuit has enunciated a like rationale for the purpose behind Section 17(d): "The objective of [Section] 17(d) ... is to prevent...injuring the interest of stockholders of registered investment companies by causing the company to participate on a basis different from or less advantageous than that of such other participants."²⁴ Furthermore, Congress acknowledged that the protective system established by the enactment of Section 57 is similar to that applicable to registered investment companies under Section 17 of the 1940 Act, and rules thereunder, but is modified to address concerns relating to unique characteristics presented by business development companies.²⁵

Because the Affiliated Proprietary Accounts are controlled by an Adviser or its affiliates and, therefore, could be deemed to control or be under common control with the Regulated Funds, the Affiliated Proprietary Accounts could be deemed to be persons related to the Regulated Funds (or a company controlled by the Regulated Funds) in a manner described by Section 57(b) and also prohibited from participating in the Co-Investment Program.

The Applicants acknowledge that some of the Affiliated Investors may not be funds advised by an Adviser because they are Affiliated Proprietary Accounts. The Applicants further acknowledge that most previously ordered exemptive applications seeking similar co-investment relief have been limited to co-investment transactions between a BDC and its affiliated funds only. The Applicants do not believe these Affiliated Proprietary Accounts should raise issues under the Conditions of this Application because the allocation policies and procedures of the account owners provide that investment opportunities will be offered to client accounts before they are offered to Affiliated Proprietary Accounts. The Applicants do not believe that the participation of Affiliated Proprietary Accounts in the Co-Investment Program would raise any regulatory or mechanical concerns different from those discussed with respect to the Affiliated Investors that are advised by an Adviser. In accordance with the allocation policies and procedures, Potential Co-Investment Transactions will be offered to, and allocated among, the Affiliated Investors (other than the Affiliated Proprietary Accounts) and Regulated Funds participating in that Co-Investment Program based on each client's particular Objectives and Strategies and in accordance with the Conditions. If the aggregate amount recommended by the applicable Adviser to be invested by the Affiliated Investor (other than the Affiliated Proprietary Accounts) and the Regulated Funds in a Potential Co-Investment Transaction were equal to or more than the amount of the investment opportunity, an Affiliated Proprietary Account would not participate in the investment opportunity. If the aggregate amount recommended by the applicable Affiliated Investors' Advisers and the Regulated Funds' Advisers to be invested by the Affiliated Investors (other than the Affiliated Proprietary Accounts) and the Regulated Funds in a Potential Co-Investment Transaction were less than the amount of the investment opportunity, or if an Affiliated Investor (other than the Affiliated Proprietary Accounts) subsequently declines to complete its purchase of its allocated amount of an investment opportunity, an Affiliated Proprietary Account would then have the opportunity to participate in the Potential Co-Investment Transaction in a principal capacity, up to the excess amount of the investment opportunity.

In the case of Sub-Advised Affiliated Funds, in the event that a Potential Co-Investment Transaction would be within the investment objectives and strategies of the Sub-Advised Affiliated Fund, the Primary Adviser and the applicable Adviser that is the sub-adviser to the Sub-Advised Affiliated Fund will work with the understanding that, with respect to such Potential Co-Investment Transaction, the respective Adviser shall have the primary responsibility for the investment, including making the initial investment recommendation, and day-to-day monitoring of the investment. The Adviser will be responsible for complying with the Conditions of the Order that relate to any Sub-Advised Affiliated Fund. The Adviser would consider the Potential Co-Investment Transaction on behalf of such Sub-Advised Affiliated Fund and, if the applicable Adviser deems the Potential Co-Investment Transaction to be appropriate for the Sub-Advised Affiliated Fund, bring the Potential Co-Investment to the Primary Adviser. If the Adviser and Primary Adviser agree that the Sub-Advised Affiliated Fund should invest in the Potential Co-Investment Transaction and at what size of investment, then the Adviser would, consistent with the Conditions of the Order, determine an allocation for the Regulated Funds and Affiliated Investors, including such Sub-Advised Affiliated Fund. By handling Potential Co-Investment Transactions for Sub-Advised Affiliated Funds in this manner, the Applicants can ensure that they are taking the Conditions of the Order into account, as well as taking into account the interests of all of the Regulated Funds that are participating in the respective Co-Investment Program.

Applicants believe that the Conditions of this Application would ensure that the conflicts of interest that Section 17(d) and Section 57(a)(4) of the 1940 Act were designed to prevent would be addressed and the standards for an order under Rule 17d-1 under the 1940 Act are met.

C. Need for Relief

Certain transactions effected as part of the Co-Investment Program may be prohibited by Sections 17(d) and 57(a)(4) and Rule 17d-1 without a prior exemptive order of the Commission to the extent that the Affiliated Investors fall within the category of persons described by Section 17(d) or Section 57(b), as modified by Rule 57b-1 thereunder with respect to a Regulated Fund. Because a GSO Adviser is the investment adviser to each of the Regulated Funds

and the Affiliated Investors, the Regulated Funds and the Affiliated Investors may be deemed to be affiliated persons within the meaning of Section 2(a)(3) if the Regulated Funds and the Affiliated Investors are deemed to be controlled by or under common control with an Adviser. Thus, each Regulated Fund and Affiliated Investor could be deemed to be a person related to a Regulated Fund in a manner described by Section 57(b) and therefore subject to the restrictions of Section 57(a)(4) and Rule 17d-1 in connection with its participation in the Co-Investment Program.

D. Requested Relief

Accordingly, the Applicants respectfully request an Order of the Commission, pursuant to Sections 17(d), 57(a)(4) and 57(i) and Rule 17d-1, permitting the Regulated Funds, one or more other Regulated Funds, and the Affiliated Investors to participate in the Co-Investment Program.

E. Precedents

The Commission has granted co-investment relief on numerous occasions in recent years.²⁶ Although the various precedents may involve somewhat different allocation formulae, approval procedures, and presumptions for co-investment transactions to protect the interests of public investors in the investment company than the ones described in this Application, Applicants submit that the formulae and procedures set forth as Conditions for the relief requested herein are consistent with the range of investor protection found in the cited orders.

F. Applicants Legal Arguments

Rule 17d-1 was promulgated by the Commission pursuant to Section 17(d) and made applicable to BDCs by Section 57(i). Paragraph (a) of Rule 17d-1 permits an otherwise prohibited person, acting as principal, to participate in, or effect a transaction in connection with, a joint enterprise or other joint arrangement or profit-sharing plan in which a Regulated Fund is a participant if an application regarding the joint enterprise, arrangement, or profit-sharing plan has been filed with the Commission and has been granted by an order issued prior to the submission of such plan or any modification thereof to security holders for approval, or prior to its adoption or modification if not so submitted. Paragraph (b) of Rule 17d-1 states that in passing upon applications under that rule, the Commission will consider whether the participation by the investment company in such joint enterprise, joint arrangement, or profit-sharing plan on the basis proposed is consistent with the provisions, policies, and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

Applicants submit that the fact that the Required Majority will approve each Potential Co-Investment Transaction before investment, and other protective Conditions set forth in this Application will ensure that each of the Regulated Funds are treated fairly.

The Conditions to which the requested relief will be subject are designed to ensure that no Adviser to a Regulated Fund or the principals of such Adviser would be able to favor any particular Regulated Fund or the Affiliated Investors over other Regulated Funds through the allocation of investment opportunities among them. Because almost every attractive investment opportunity for a Regulated Fund will also be an attractive investment opportunity for one or more Regulated Funds and Affiliated Investors, Applicants submit that the Co-Investment Program presents an attractive alternative to the institution of some form of equitable allocation protocol for the allocation of 100% of individual investment opportunities to the Regulated Funds or the Affiliated Investors as opportunities arise.

Applicants submit that the Regulated Funds' participation in the Co-Investment Transactions will be consistent with the provisions, policies, and purposes of the 1940 Act and on a basis that is not different from or less advantageous than that of other participants.

G. Proposed Conditions

Applicants agree that any Order granting the requested relief shall be subject to the following Conditions:

1.

- (a) Each Adviser will establish, maintain and implement policies and procedures reasonably designed to ensure that each Adviser is promptly notified, for each Regulated Fund the Adviser manages, of all Potential Co-Investment Transactions²⁷ that
 - (i) an Adviser considers for any other Regulated Fund or Affiliated Investor and
 - (ii) fall within the Regulated Fund's then-current Objectives and Strategies and Board-Established Criteria.

²⁷ No Primary Adviser will be the source of any Potential Co-Investment Transactions under the requested Order.

- (b) When an Adviser to a Regulated Fund is notified of a Potential Co-Investment Transaction under Condition 1(a), such Adviser will make an independent determination of the appropriateness of the investment for the Regulated Fund in light of the Regulated Fund's then-current circumstances.

2.

- (a) If the Adviser deems a Regulated Fund's participation in any Potential Co-Investment Transaction to be appropriate for the Regulated Fund, it will then determine an appropriate level of investment for the Regulated Fund.
- (b) If the aggregate amount recommended by the applicable Adviser to be invested by the applicable Regulated Fund in the Potential Co-Investment Transaction, together with the amount proposed to be invested by the other participating Regulated Funds and Affiliated Investors, collectively, in the same transaction, exceeds the amount of the investment opportunity, then the investment opportunity will be allocated among them pro rata based on each participant's Available Capital up to the amount proposed to be invested by each. The applicable Adviser will provide the Eligible Trustees of each participating Regulated Fund with information concerning each participating party's Available Capital to assist the Eligible Trustees with their review of the Regulated Fund's investments for compliance with these allocation procedures.
- (c) After making the determinations required in Conditions 1 and 2(a), the applicable Adviser will distribute written information concerning the Potential Co-Investment Transaction (including the amount proposed to be invested by each participating Regulated Fund and Affiliated Investor) to the Eligible Trustees of each participating Regulated Fund for their consideration. A Regulated Fund will co-invest with one or more other Regulated Funds and/or one or more Affiliated Investors only if, prior to the Regulated Fund's participation in the Potential Co-Investment Transaction, a Required Majority concludes that:
 - (i) the terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair to the Regulated Fund and its shareholders and do not involve overreaching in respect of the Regulated Fund or its shareholders on the part of any person concerned;
 - (ii) the Potential Co-Investment Transaction is consistent with
 - (A) the interests of the shareholders of the Regulated Fund; and
 - (B) the Regulated Fund's then-current Objectives and Strategies;
 - (iii)

the investment by any other Regulated Funds or Affiliated Investors would not disadvantage the Regulated Fund, and participation by the Regulated Fund would not be on a basis different from or less advantageous than that of other Regulated Funds or Affiliated Investors; provided that, if any other Regulated Fund or Affiliated Investor, but not the Regulated Fund itself, gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event shall not be interpreted to prohibit the Required Majority from reaching the conclusions required by this Condition (2)(c)(iii), if:

- (A) the Eligible Trustees will have the right to ratify the selection of such director or board observer, if any;

- (B) the applicable Adviser agrees to, and does, provide, periodic reports to the Regulated Fund's Board with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and
 - (C) any fees or other compensation that any Affiliated Investor or any Regulated Fund or any affiliated person of any Affiliated Investor or any Regulated Fund receives in connection with the right of an Affiliated Investor or a Regulated Fund to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Affiliated Investors (who each may, in turn, share its portion with its affiliated persons), and the participating Regulated Funds in accordance with the amount of each party's investment; and
- (iv) the proposed investment by the Regulated Fund will not benefit the Advisers, the Affiliated Investors, the other Regulated Funds or any Primary Adviser or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by Condition 13, (B) to the extent permitted by section 17(e) or 57(k) of the 1940 Act, as applicable, (C) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction, or (D) in the case of fees or other compensation described in Condition 2(c)(iii)(C).
3. Each Regulated Fund has the right to decline to participate in any Potential Co- Investment Transaction or to invest less than the amount proposed.
 4. The applicable Adviser will present to the Board of each Regulated Fund, on a quarterly basis, a record of all investments in Potential Co-Investment Transactions made by any of the other Regulated Funds or Affiliated Investors during the preceding quarter that fell within the Regulated Fund's then-current Objectives and Strategies and Board-Established Criteria that were not made available to the Regulated Fund, and an explanation of why the investment opportunities were not offered to the Regulated Fund. All information presented to the Board pursuant to this Condition will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its staff.
 5. Except for Follow-On Investments made in accordance with Condition 8,²⁸ a Regulated Fund will not invest in reliance on the Order in any issuer in which a Related Party²⁹ has an investment.
 6. A Regulated Fund will not participate in any Potential Co-Investment Transaction unless the terms, Conditions, price, class of securities to be purchased, settlement date, and registration rights will be the same for each participating Regulated Fund and Affiliated Investor. The grant to an Affiliated Investor or another Regulated Fund, but not the Regulated Fund, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this Condition 6, if Conditions 2(c)(iii)(A), (B) and (C) are met.

- ²⁸ This exception applies only to Follow-On Investments by a Regulated Fund in issuers in which that Regulated Fund already holds investments.
- ²⁹ The term ***Related Party*** means (i) any Close Affiliate and (ii) in respect of matters as to which any Adviser has knowledge, any Remote Affiliate.

7.

- (a) If any Affiliated Investor or any Regulated Fund elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction, the applicable Adviser will:
 - (i) notify each Regulated Fund that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and
 - (ii) formulate a recommendation as to participation by each Regulated Fund in the disposition.
- (b) Each Regulated Fund will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to the participating Affiliated Investors and Regulated Funds.
- (c) A Regulated Fund may participate in such disposition without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Fund and each Affiliated Investor in such disposition is proportionate to its outstanding investments in the issuer immediately preceding the disposition; (ii) the Board of the Regulated Fund has approved as being in the best interests of the Regulated Fund the ability to participate in such dispositions on a pro rata basis (as described in greater detail in the Application); and (iii) the Board of the Regulated Fund is provided on a quarterly basis with a list of all dispositions made in accordance with this Condition. In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Eligible Trustees, and the Regulated Fund will participate in such disposition solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.
- (d) Each Affiliated Investor and each Regulated Fund will bear its own expenses in connection with any such disposition.

8.

- (a) If any Affiliated Investor or any Regulated Fund desires to make a Follow-On Investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Advisers will:
 - (i) notify each Regulated Fund that participated in the Co-Investment Transaction of the proposed transaction at the earliest practicable time; and
 - (ii) formulate a recommendation as to the proposed participation, including the amount of the proposed Follow-On Investment, by each Regulated Fund.

- (b) A Regulated Fund may participate in such Follow-On Investment without obtaining prior approval of the Required Majority if: (i) the proposed participation of each Regulated Fund and each Affiliated Investor in such investment is proportionate to its outstanding investments in the issuer immediately preceding the Follow-On Investment; and (ii) the Board of the Regulated Fund has approved as being in the best interests of the Regulated Fund the ability to participate in Follow-On Investments on a pro rata basis (as described in greater detail in this Application). In all other cases, the Adviser will provide its written recommendation as to the Regulated Fund's participation to the Eligible Trustees, and the Regulated Fund will participate in such Follow-On Investment solely to the extent that a Required Majority determines that it is in the Regulated Fund's best interests.

- (c) If, with respect to any Follow-On Investment:
 - (i) the amount of the opportunity is not based on the Regulated Funds' and the Affiliated Investors' outstanding investments immediately preceding the Follow-On Investment; and

- (ii) the aggregate amount recommended by the applicable Adviser to be invested by the applicable Regulated Fund in the Follow-On Investment, together with the amount proposed to be invested by the other participating Regulated Funds and Affiliated Investors, collectively, in the same transaction, exceeds the amount of the investment opportunity; then the amount invested by each such party will be allocated among them pro rata based on each party's Available Capital, up to the amount proposed to be invested by each.
 - (d) The acquisition of Follow-On Investments as permitted by this Condition will be considered a Co-Investment Transaction for all purposes and subject to the other Conditions set forth in this Application.
9. The Non-Interested Trustees of each Regulated Fund will be provided quarterly for review all information concerning Potential Co-Investment Transactions that fell within the Regulated Fund's then-current Objectives and Strategies and Board-Established Criteria, including investments in Potential Co-Investment Transactions made by other Regulated Funds or Affiliated Investors that the Regulated Fund considered but declined to participate in, and concerning Co-Investment Transactions in which the Regulated Fund participated, so that the Non-Interested Trustees may determine whether all Potential Co-Investment Transactions and Co-Investment Transactions during the preceding quarter, including those Potential Co-Investment Transactions which the Regulated Fund considered but declined to participate in, comply with the Conditions of the Order. In addition, the Non-Interested Trustees will consider at least annually:
- (a) the continued appropriateness for the Regulated Fund of participating in new and existing Co-Investment Transactions, and
 - (b) the continued appropriateness of any Board-Established Criteria.
10. Each Regulated Fund will maintain the records required by section 57(f)(3) of the 1940 Act as if each of the Regulated Funds were a BDC and each of the investments permitted under these Conditions were approved by the Required Majority under section 57(f).
11. No Non-Interested Trustee of a Regulated Fund will also be a director, general partner, managing member or principal, or otherwise an affiliated person (as defined in the 1940 Act), of any of the Affiliated Investors.
12. The expenses, if any, associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction (including, without limitation, the expenses of the distribution of any such securities registered for sale under the 1933 Act) will, to the extent not payable by the Advisers under their respective investment advisory agreements with Affiliated Investors and the Regulated Funds, be shared by the Regulated Funds and the Affiliated Investors in proportion to the relative amounts of the securities held or to be acquired or disposed of, as the case may be.
13. Any transaction fee³⁰ (including break-up, structuring, monitoring or commitment fees but excluding broker's fees contemplated by section 17(e) or 57(k), as applicable) received in connection with a Co-Investment Transaction will be distributed to the participating Regulated Funds and Affiliated Investors on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1), and the account will earn a competitive rate of interest that will also be

divided pro rata among the participating Regulated Funds and Affiliated Investors based on the amount they invest in such Co-Investment Transaction. None of the Advisers, the Primary Advisers, the Affiliated Investors, the other Regulated Funds nor any affiliated person of the Regulated Funds or Affiliated Investors will receive additional compensation or remuneration of any kind as a result of or in connection with a Co-Investment Transaction (other than (a) in the case of the Regulated Funds and the Affiliated Investors, the pro rata transaction fees described above and fees or other compensation described in Condition 2(c)(iii)(C), and (b) in the case of an Adviser or Primary Adviser, investment advisory fees paid in accordance with their respective agreements between the Advisers and the Regulated Fund or Affiliated Investor).

- ³⁰ Applicants are not requesting and the staff is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

14. If the Holders own in the aggregate more than 25% of the Shares, then the Holders will vote such Shares as directed by an independent third party when voting on (1) the election of trustees; (2) the removal of one or more trustees; or (3) all other matters under either the 1940 Act or applicable state law affecting the Board's composition, size or manner of election.
15. Each Regulated Fund's chief compliance officer, as defined in Rule 38a-1(a)(4), will prepare an annual report for its Board each year that evaluates (and documents the basis of that evaluation) the Regulated Fund's compliance with the terms and Conditions of the Application and the procedures established to achieve such compliance.
16. The Affiliated Proprietary Accounts will not be permitted to invest in a Potential Co-Investment Transaction except to the extent the aggregate demand from the Regulated Funds and the other Affiliated Investors is less than the total investment opportunity.
