8. the Supplies Procurement Services Framework Agreement; and

9. the Internet Applications Channel Services Framework Agreement.

The Agreements governing the above continuing connected transactions will expire on 31 December 2018.

The Board announces that the Company and China Telecommunications Corporation have entered into supplemental agreements on 20 August 2018 and renewed the Engineering Framework Agreement, the Ancillary Telecommunications Services Framework Agreement, the Interconnection Settlement Agreement, the Community Services Framework Agreement, the Centralised Services Agreement, the Property Leasing Framework Agreement, the IT Services Framework Agreement, the Supplies Procurement Services Framework Agreement and the Internet Applications Channel Services Framework Agreement for a further term of three years expiring on 31 December 2021. The pricing terms of the Agreements are set out below in this announcement.

CONTINUING CONNECTED TRANSACTIONS WITH CHINA TELECOMMUNICATIONS CORPORATION

Engineering Framework Agreement

The Engineering Framework Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Engineering Framework Agreement on the same terms (except the pricing terms) for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Engineering Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Engineering Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Pursuant to the Engineering Framework Agreement as amended by the supplemental agreement dated 20 August 2018, China Telecommunications Corporation and/or its associates through bids provide to the Group services such as construction, design, equipment installation and testing and/or engineering project supervision services. The charges payable for such engineering services shall be determined by reference to market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business in the corresponding period for reference. The charges payable for the design or supervision of engineering projects with a value of over RMB1,000,000 (equivalent to approximately HK\$1,153,137) or engineering construction projects with a value of over RMB4,000,000 (equivalent to approximately HK\$4,612,546) shall be the tender award price, which is determined in accordance with the Bidding Law of the PRC and the Regulations on the Implementation of the Bidding Law of the PRC or the final confirmed price in the relevant tender process. The Group shall solicit at least three tenderers for the tender process. In the circumstances there are amended rules or regulations in respect of tender scope and scale of the engineering construction projects promulgated by PRC laws and regulations, both parties agreed to apply such amended rules and regulations and no amendment to the supplemental agreement is required.

Table of Contents

The Group does not accord any priority to China Telecommunications Corporation and/or its associates to provide such services, and the tender may be awarded to an Independent Third Party. However, if the terms of an offer from China Telecommunications Corporation and/or its associates are at least as favourable as those offered by other tenderers, the Group may award the tender to China Telecommunications Corporation and/or its associates.

Ancillary Telecommunications Services Framework Agreement

Pursuant to the Ancillary Telecommunications Services Framework Agreement, China Telecommunications Corporation and/or its associates provide the Group with certain repair and maintenance services, including repair of telecommunications equipment, maintenance of fire equipment and telephone booths, as well as other customer services. The charges payable for the services under the Ancillary Telecommunications Services Framework Agreement are calculated on the following basis:

- (1) market prices, which shall mean the prices at which the same or similar type of products or services are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, reasonable profit margin is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the reasonable profit margin for any transaction under the Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with Independent Third Parties in the corresponding period or the relevant industry profit margin for reference.

The Ancillary Telecommunications Services Framework Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Ancillary Telecommunications Services Framework Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Ancillary Telecommunications Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Ancillary Telecommunications Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Interconnection Settlement Agreement

Pursuant to the Interconnection Settlement Agreement, the telephone operator connecting a telephone call made to its local access network shall be entitled to receive from the operator from which the telephone call originated a fee prescribed by the Ministry of Industry and Information Technology of the PRC from time to time. Interconnection charges are currently RMB0.06 per minute for local calls originated from the Group to China Telecommunication Corporation. The interconnection settlement charges will be calculated according to the Notice Concerning the Issue of the Measures on Interconnection Settlement between Public Telecommunications Networks and Sharing of Relaying Fees (Xin Bu Dian [2003] No. 454) promulgated by the Ministry of Information Industry of the PRC. The Ministry of Industry and Information Technology of the PRC may, from time to time, take into account the relevant

regulatory rules and market conditions, amend or promulgate new rules or regulations in respect of interconnection settlement which will be announced on its official website at www.miit.gov.cn. If the Ministry of Industry and Information Technology of the PRC amends the existing, or promulgates new rules or regulations in respect of interconnection settlement, the parties shall apply such amended or new rules and regulations as acknowledged by both parties. The settlement regions include Beijing Municipality, Tianjin Municipality, Hebei Province, Heilongjiang Province, Jilin Province, Liaoning Province, Shanxi Province, Henan Province, Shandong Province, Inner Mongolia Autonomous Region and Xizang Autonomous Region.

Table of Contents

The Interconnection Settlement Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Interconnection Settlement Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Interconnection Settlement Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Interconnection Settlement Agreement, and the parties shall consult and decide on matters relating to such renewal.

Community Services Framework Agreement

Pursuant to the Community Services Framework Agreement, China Telecommunications Corporation and/or its associates provide the Group with community services such as culture, education, property management, vehicle service, health and medical care, hotel and conference service, community and sanitary service. The community services under the Community Services Framework Agreement are provided at:

- (1) market prices, which shall mean the prices at which the same or similar type of products or services are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, reasonable profit margin is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the reasonable profit margin for any transaction under the Agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with Independent Third Parties in the corresponding period or the relevant industry profit margin for reference.

The Community Services Framework Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Community Services Framework Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Community Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Community Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Table of Contents

Centralised Services Agreement

Pursuant to the Centralised Services Agreement, centralised services include management and operational services provided by the Group to China Telecommunications Corporation in relation to key corporate customers, its network management centre and business support centre. Centralised services also include the provision of certain premises by China Telecommunications Corporation to the Group and the common use of international telecommunications facilities by both parties.

In accordance with the Centralised Services Agreement, the aggregate costs incurred by the Group and China Telecommunications Corporation for the provision of management and operation services will be apportioned between the Group and China Telecommunications Corporation on a pro rata basis according to the revenues generated by each party. Where the Group uses the premises provided by China Telecommunications Corporation, the Group will pay premises usage fees to China Telecommunications Corporation on a pro rata basis according to the apportioned actual area allocated to the Group. The premises usage fees shall be determined through negotiation between the two parties based on comparable market rates. When both parties use international telecommunications facilities provided by third parties and accept services by such third parties (for example, restoration maintenance costs, the annual utilisation fee and related service costs) and when both parties use the international telecommunications facilities of China Telecommunications Corporation, the associated costs shall be shared on a pro rata basis according to volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from each party divided by the proportion of the aggregate volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from both parties. When the two parties use international telecommunications facilities provided by a third party and accept restoration maintenance costs, such fees shall be determined according to the actual utilisation fee of each year. The utilisation fee associated with the shared use of the international telecommunications facilities provided by China Telecommunications Corporation shall be determined through negotiation between the two parties based on market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business in the corresponding period for reference.

The Centralised Services Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Centralised Services Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Centralised Services Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Centralised Services Agreement, and the parties shall consult and decide on matters relating to such renewal.

Table of Contents

Property Leasing Framework Agreement

Pursuant to the Property Leasing Framework Agreement, the Group and China Telecommunications Corporation and/or its associates can lease properties from the other party for use as business premises, offices, equipment storage facilities and sites for network equipment installation. The rental charges under the Property Leasing Framework Agreement shall be determined according to comparable market rates. Market rates shall mean the rental charges at which the same or similar type of properties or adjacent properties are leased by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the rental charges for any property under the Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rental charges of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business in the corresponding period for reference. The rental charges are subject to review every three years.

The Property Leasing Framework Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the Property Leasing Framework Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Property Leasing Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the Property Leasing Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

IT Services Framework Agreement

Pursuant to the IT Services Framework Agreement, China Telecommunications Corporation and/or its associates and the Group can provide the other party with information technology services, including office automation and software testing. Each of the Group and China Telecommunications Corporation and/or its associates is entitled to participate in bidding for the right to provide information technology services to the other party in accordance with the IT Services Framework Agreement. The charges payable for such services shall be determined by reference to market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by Independent Third Parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the Agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by Independent Third Parties in the ordinary course of business over the corresponding period for reference.

In the circumstances where the relevant laws or regulations in the PRC specify that the prices and/or the fee standards for particular services to be provided pursuant to such agreement are to be determined by a tender process, the charges payable for such services shall be finally determined in accordance with the Bidding Law of the PRC and the Regulations on the Implementation of the Bidding Law of the PRC or the relevant tender procedures. The Group shall solicit at least three tenderers for the tender process. If the terms offered by the Group or China Telecommunications Corporation and/or its associates are no less favourable than those offered by an Independent Third Party provider, the Group or China Telecommunications Corporation and/or its associates may award the tender to the other party.

The IT Services Framework Agreement will expire on 31 December 2018. The Company and China Telecommunications Corporation have entered into a supplemental agreement on 20 August 2018 and renewed the IT Services Framework Agreement in accordance with its provisions for a further term of three years expiring on 31 December 2021. No later than 30 days prior to the expiry of the IT Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications Corporation to renew the IT Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.
