Explanatory Note

Taylor Morrison Home Corporation (formerly known as Taylor Morrison Homes Corporation), a Delaware corporation (the Company), is providing the disclosure contained in this Current Report on Form 8-K in connection with the October 26, 2018 closing of the Reorganization (as defined in Item 1.01 to this Current Report on Form 8-K), for the purpose of establishing the Company as the successor issuer pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the Exchange Act), and to disclose certain other matters. Pursuant to Rule 12g-3(a) under the Exchange Act, shares of the Company's Class A common stock, par value \$0.00001 per share, as the common stock of the successor issuer, are deemed registered under Section 12(b) of the Exchange Act.

Item 1.01. Entry into a Material Definitive Agreement.

Adoption of Agreement and Plan of Merger and Consummation of Reorganization

On October 26, 2018, Taylor Morrison Home II Corporation (formerly known as Taylor Morrison Home Corporation), now a wholly owned subsidiary of the Company (Old TMHC) and together with the Company, Taylor Morrison, implemented an internal holding company reorganization pursuant to the Agreement and Plan of Merger (the Merger Agreement), dated as of October 26, 2018, among Old TMHC, the Company and Second Half 2018 Mergerco Inc., a Delaware corporation (Merger Sub), which resulted in the Company becoming the direct parent company of Old TMHC (the Reorganization). As part of the Reorganization, the Company assumed the name Taylor Morrison Home Corporation.

Pursuant to the Reorganization, Merger Sub, a direct, wholly owned subsidiary of the Company and formerly an indirect, wholly owned subsidiary of Old TMHC, merged with and into Old TMHC, with Old TMHC surviving as a direct, wholly owned subsidiary of the Company (the Merger). Upon the completion of the Merger, (i) each outstanding share of Old TMHC's Class A common stock, par value \$0.00001 per share, was automatically converted in the Merger into one share of the Company's Class A common stock, par value \$0.00001 per share, and (ii) each outstanding share of Old TMHC's Class B common stock, par value \$0.00001 per share, was automatically converted in the Merger into one share of the Company's Class B common stock, par value \$0.00001 per share, in each case, evidencing the same proportional interests in the Company and having the same designation, rights, powers and preferences, and qualifications, limitations and restrictions as a share of the respective class of Old TMHC's common stock immediately prior to the Merger. As a result, in the Merger, Old TMHC's stockholders automatically became stockholders of the Company, on a one-for-one basis, with the same number and ownership percentage of shares of the same class as they held in Old TMHC immediately prior to the Reorganization. The Reorganization is intended to be a tax-free transaction for U.S. federal income tax purposes for Taylor Morrison stockholders.

The Reorganization was conducted pursuant to Section 251(g) of the General Corporation Law of the State of Delaware (the DGCL), which provides for the formation of a holding company without a vote of the stockholders of the constituent corporation. The conversion of stock occurred automatically without an exchange of stock certificates. In addition, upon consummation of the Reorganization:

each unexercised and unexpired stock option then outstanding under the equity compensation plan of Old TMHC, whether or not then exercisable, ceased to represent a right to acquire Old TMHC common shares and was converted automatically into a right to acquire the same number of Company common shares, in the corresponding class and on the same terms and conditions, including without limitation, the vesting schedule (without acceleration thereof by virtue of the Reorganization) and the per share exercise price as were applicable under such Old TMHC stock option; and

each share of restricted stock and each restricted stock unit (including, deferred stock units) of Old TMHC granted under the equity compensation plan ceased to represent or relate to Old TMHC common shares and was converted automatically to represent or relate to Company common shares, in the corresponding class and on the same terms and conditions as were applicable to such Old TMHC restricted stock and restricted stock units, including, without limitation, the vesting schedule or other lapse restrictions (without acceleration thereof by virtue of the Reorganization).

Promptly following the effective time of the Reorganization, Old TMHC assigned to the Company all obligations of Old TMHC under Old TMHC's equity compensation plan and each stock option agreement, restricted stock award agreement, restricted stock unit award agreement and any similar agreement entered into pursuant to such equity compensation plan (including those previously assumed by Old TMHC under the equity compensation plan). In addition, all obligations of Old TMHC under the non-employee director deferred compensation plan and indemnification agreements with each of its executive officers and directors that are now executive officers and directors of the Company have been assigned to the Company. These indemnification agreements provide, in general, that the Company will indemnify the applicable executive officer and director to the fullest extent permitted by law in connection with their service to the Company or on the Company's behalf.

Following the consummation of the Reorganization, the Company's Class A common stock continues to trade on the New York Stock Exchange (the NYSE) on an uninterrupted basis under the ticker symbol TMHC.

As a result of the Reorganization, the Company became the successor issuer to Old TMHC pursuant to 12g-3(a) of the Exchange Act and as a result the Company's Class A common stock is deemed registered under Section 12(b) of the Exchange Act.

In connection with the Reorganization and the previously announced Contribution Agreement (the Contribution Agreement) among the Company, Old TMHC and the holders of Old TMHC's Class B common stock and paired TMM II Units party thereto (the Paired Interest Holders), following the consummation of the Reorganization, each Paired Interest Holder contributed its partnership units (TMM II Units) of TMM Holdings II Limited Partnership, the principal subsidiary of the Company and Old TMHC (TMM II), and paired shares of the Company's Class B common stock to the Company in exchange, on a one-for-one basis, for shares of the Company's Class A common stock (the Exchange). In the Exchange, 863,434 TMM II Units and Class B Shares were contributed to the Company. As a result of the Exchange, TMM II became an indirect wholly owned subsidiary of the Company. All of the Class B shares were cancelled following the Exchange. Therefore, the Company has only one class of common stock outstanding.

The foregoing does not purport to be a complete description of the Reorganization and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference herein.

Item 1.02 Termination of a Material Definitive Agreement.

As previously announced, the Contribution Agreement also provided that, upon completion of the Exchange, the Exchange Agreement, dated as of April 9, 2013 (the Exchange Agreement), among Old TMHC and the Paired Interest Holders party thereto, would terminate. The Exchange Agreement allowed Paired Interest Holders to exchange TMM II Units and paired shares of Old TMHC's Class B common stock for shares of Old TMHC's Class A common stock on a one-for-one basis. Upon completion of the Exchange, there ceased to be any TMM II Units held by any person other than the Company and its subsidiaries and any outstanding shares of Class B common stock, and TMM II became a wholly owned subsidiary of the Company. Upon the completion of the Exchange, the Exchange Agreement was terminated.

Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Following the consummation of the Reorganization, the Company's Class A common stock continues to trade on the NYSE on an uninterrupted basis under the ticker symbol TMHC.
