Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 13, 2018, the Board of Directors (the **Board**) of Agios Pharmaceuticals, Inc. (the **Company**) adopted and approved the Second Amended and Restated By-laws (the **Amended and Restated By-laws**) of the Company, effective immediately, to provide for the following amendments to the Company's previous Amended and Restated By-laws (the **Prior By-laws**):

Section 1.1 has been amended to provide that all meetings of stockholders be held at such place as may be designated by the Board, the Chairman of the Board or the Chief Executive Officer. The Prior By-laws also provided that the President had the right to designate the place of meetings.

Section 1.2 has been amended to provide that the Board may postpone, reschedule or cancel any previously scheduled annual meeting of stockholders. The Prior By-laws did not provide for such right of the Board.

Section 1.3 has been amended to provide that the Board may postpone, reschedule or cancel any previously scheduled special meeting of stockholders. The Prior By-laws provided that the Board may postpone or reschedule any previously scheduled special meeting of stockholders but did not also refer to the right of the Board to also cancel the meeting.

Section 1.4 has been amended to provide that, except as otherwise provided by law, the Company's Certificate of Incorporation or the By-laws, notice of each meeting of stockholders, whether annual or special, be given not less than 10 nor more than 60 days before the date of the meeting to each stockholder entitled to vote at such meeting. The exception to the notice provision in the Prior By-laws did not refer to the Certificate of Incorporation or the By-laws.

Section 1.5 has been amended to provide that except as otherwise provided by law, the Company's stockholder ledger is the only evidence as to the stockholders who are entitled to examine the list of stockholders required by Section 1.5 of the By-laws or to vote in person or by proxy at any meeting of stockholders. The Prior By-laws provided that the stockholder ledger be presumptively determinative of the identity of the stockholders entitled to vote at a meeting and the number of shares held by each of them.

Section 1.10 has been amended to modify or add certain provisions in connection with the nomination of directors by stockholders, including the following revisions:

Clarify that nominations may only be made by any stockholder if the such stockholder (i) timely complies with the notice procedures set forth in Section 1.10(b) of the Amended and Restated By-laws, (ii) is a stockholder of record who is entitled to vote for the election of such nominee on the date of giving of notice and on the record date for determination of stockholders entitled to vote at such meeting and (iii) is entitled to vote at such meeting. The Prior By-laws did not include the phrase **who is entitled to vote for the election of such nominee**.

Edgar Filing: AGIOS PHARMACEUTICALS INC - Form 8-K

Clarify that the definition of "qualified representative of the stockholder" includes a person who is the duly authorized officer, manager or partner of such stockholder. The Prior By-laws did not include such language in the definition of a "qualified representative of the stockholder".

Section 1.11 has been amended to clarify that for business to be properly brought before an annual meeting by a stockholder, among other things such stockholder must (i) have given timely notice of such business in accordance with the procedures set forth in Section 1.11(b) of the By-laws, (ii) be a stockholder of record who is entitled to vote on such business on the date of giving of such notice and on the record date for determination of stockholders entitled to vote at such annual meeting and (iii) be entitled to vote at such annual meeting. The Prior By-laws did not include the phrase "who is entitled to vote on such business."

Section 1.12 has been amended to modify or add certain provisions in connection with the conduct of meeting of stockholders, including the following revisions:

Clarify that the chairman of any meeting of stockholders has the right and authority to convene and (for any or no reason) to recess and/or adjourn the meeting. The Prior By-laws did not include such language.

Clarify that the rules, regulations or procedures for any meeting of stockholders may include limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting whereas the Prior By-laws referred to stockholders of record of the corporation.

Section 2.3 has been amended to provide that the Vice Chairman of the Board, if any, perform the duties and possess the powers that are assigned to him by the Board or the Chairman. The Prior By-laws provided that the duties and powers of the Vice Chairman be assigned only by the Board.

Section 2.13 has been amended to provide that notice of a special meeting of the Board can be sent to the directors via electronic transmission at least 24 hours ahead of such meeting. The Prior By-laws required notice via electronic transmission be sent at least 48 hours ahead of the meeting.

Section 3.1 has been amended to provide that the officers of the corporation shall consist of a Chief Executive Officer, a Secretary, a Treasurer and such other officers with such titles as the Board shall determine, including a President, one or more Vice Presidents or Assistant Treasurers and Assistant Secretaries. The Prior By-laws provided that the officers of the corporation shall also consist of a President.

Section 3.2 has been amended to provide that the Chief Executive Officer, Treasurer and Secretary shall be elected annually at the Board's first meeting of stockholders. The Prior By-laws also provided for the President to be elected annually.

Section 3.6 has been amended to provide that the Board may leave unfilled any offices for such period as it determines. The Prior By-laws provided that the Board may leave unfilled any offices for any such period it determines, other than those offices of the Chief Executive Officer, President, Treasurer and Secretary.

Section 3.7 has been amended to eliminate a provision in the Prior By-laws that unless the Board designates another person as Chief Executive Officer, that the President be the Chief Executive Officer.

Section 4.2 and Section 4.3 have been amended to permit issuance of uncertificated shares of the corporation's capital stock and clarify certain procedures in connection with uncertificated shares.

The foregoing description of the Amended and Restated By-laws is qualified in its entirety by reference to the full text of the Amended and Restated By-laws, which is attached hereto as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
